OBITUARY

MRS. BEATRICE I. FRASER

Mrs. Beatrice I. Fraser, aged 61 years, died at her home in Auburndale on Saturday evening February 23rd.

A daughter of Edward Neill and Henrietta (Machell) Neill Smith, she was born in Wallace, Idaho on June 25th, 1895 and married Herbert A. Fraser on November 14th, 1917 in Sherbrooke, Que. He predeceased her on April 17th, 1926.

Mr. and Mrs. Fraser moved to Auburndale in 1918 and had lived there ever since.

It was stated by those who knew her that she was a loving and devoted wife and mother, and was a woman of remarkable courage. She made many friends and spent her entire life doing for others, and was liked by all who knew her.

She leaves one son Edward of Auburndale, and one daughter Bernice of Vancouver; three brothers, Chester Smith of Hartland, Howard Smith of Claremont N.H. and Ralph Smith of St. Josephburg Vt., and three sisters, Mrs. Bertha Hickory of Hartland, Mrs. Kenneth Garland of Pittsfield, N.H. and Mrs. Gordon Harrington of North Adams, Mass.

Funeral services were held at the Auburndale United Church on Feb. 27th at 2 p.m. with Rev. C. W. MacKay, pastor of First United Church, Vermilion, officiating. Interment was in the Mt. Auburn cemetery.

Funeral arrangements were conducted by Moyers Funeral Home of Vermilion.

The pallbearers were Cecil Kennedy, William Cleland, Lorentz Samuelson, Frank Eyben, Lloyd Everett, Chester Green.

Floral tributes were received from the following: Eddie and Bernice; Angus and Marjorie; Laurence and Agnes; Clarence, Annie and family; Marguerite, Cecil and boys; Doris Standby; Mrs. Cleland and Willie; Russell, Carmen and boys; Aldous, Isabell, Dorothy and Phyllis; Mr. and Mrs. Sam Samuelson, Lorentz, Theresa and Bert; Bunny, Sammy and boys; Elmer and Ruby; Harold and Loretta; Albert and Eleanor; Fred and Phoebe Arthur; Melvin and Olga; Mr. and Mrs. E. A. Seale; Lloyd and Ruth Everett and family; Mr. and Mrs. Majury and Matt; Jeff and Adeliane; Jim and Maude Wallington.

Mannville and District Local News

Visitors with Mr. and Mrs. E. Matney for the week end were Mr. and Mrs. Horton Sr. of Heinsburg.

Mr. Graydon Arnold spent several days home visiting, while his father, Mr. P. Arnold was in the hospital. Mr. Arnold Sr. is improving steadily after an operation.

Mr. and Mrs. Harry Matthews and two girls of Edson were guests of Mrs. Rutherford on the week end. They renewed acquaintances with a number of old friends while here.

The Home and School will meet on the regular night, March 21, with a short business meeting. A square dance demonstration with Mr. Walter Donnenworth calling will be part of the program.

Mrs. Ken Scoggins visited last week with Mr. and Mrs. G. Gates at Seba Beach. While there she underwent treatments for her back.

Don't forget the home baking sale in the Mannville Co-op, on April 6th, sponsored by L.O.B.A.

CHATSWORTH CHATTER

During the past week end we really had quite a depth of snow, the heaviest fall of this winter. One consolation however, it likely won't be around for very long. The snowplowing has been practically nil in this locality.

Mr. and Mrs. Albert Tovell were week end visitors to Red Deer two weeks ago where they visited Mrs. Tovell's sister. S. Sturt did chores for them while they were away.

Mr. and Mrs. Neimes of Delia are visiting at the home of their daughter, and son-in-law, Mr. and Mrs. Albert Tovell, while Mrs. Tovell is confined to hospital for medical treatment.

Mr. and Mrs. Ray Hutchinson are rejoicing in the birth of a new baby son, born during the last week of February. The news went out to Ray via radio as he is working on the oil wells somewhere north of Ft. St. John.

Mr. and Mrs. R. Good of town celebrated the 52nd anniversary of their marriage on Saturday, March 9th.

Mrs. Arthur Tovell was a visitor at the home of her sister Mrs. D. Hughes of the Basswood district, last week.

The whist party which had been postponed from Feb. 22 on account of cold weather, was held at the Chatsworth school on Friday March 1st. There were six tables of whist with winners being: Ladies 1st, Mrs A. Scoggins, 2, Mrs. J. Farkash Jr., consolation Faye Wilson. Gents' prizes were won by Mrs. M. Farkash (playing out the card of H. Henningsen) tied with Eric Ludwig, Mrs. Farkash taking first on cutting high card and Eric, 2nd, consolation Orest Mislick. Lunch was served by the ladies at the conclusion of the evening. As Joe Farkash Jr. was celebrating his birthday, an attempt was made to 'paddle' him, but it all ended safely in the crowd singing "Happy Birthday" to him instead.

The February meeting of the Chatsworth Country club, postponed from Feb. 21st, was held at the home of Evelyn Henningsen on March 7th with nine members and five visitors present. A donation was voted to the Red Cross and the Sick committee of Jennie Hasenuik and E. Henningsen reported a gift sent to Lilian Hutchinson and greetings to Gladys Tovell, who was ill at home at the time of the January meeting. The nickel draw, which was donated by Mrs. R. Good, was won by Evelyn Henningsen. The Social, prepared by Mrs. Patterson, was tied for by Myrtle Thompson and Gladys Tovell, Myrtle emerging the winner. The next meeting is to be held at Mrs. Pich's on March 28th.

At the conclusion of the meeting a tasty lunch was served by the hostess and helpers. Myrtle and Violet after which the ladies enjoyed moving pictures taken at Mrs. M. Farkash's during the latter part of the summer when her flower garden was in beautiful bloom during the meeting there and also some taken in the east by Mrs. Arthur Tovell. These latter pictures included the home of the former Alberta Hutchinson now married and living in Ontario. As Mrs. Tovell was absent from the meeting Kenny Thompson was the official projectionist.

Quite a number of the ladies of the community attended the short course classes at the Vermilion School of Agriculture during the latter part of February, which were interesting and educational.

Twin babies were born to the former Charlotte Ferguson on Feb. 24th at the coast.

Under the sponsorship of the F.U.A. local a showing of pictures is to be held at the Chatsworth school this Friday 15th, also speakers will be present to address the meeting. Lunch will be served and everyone is welcome.

CARD OF THANKS

We wish to express our deep appreciation to all our friends and neighbors for the many acts of kindness, messages of sympathy, beautiful floral tributes and various donations received during our recent bereavement. Special thanks to Cecil and Marg Kennedy for their thoughtfulness and help.

Wildwood East

Congratulations from all the friends and acquaintances in this district go to Mr. and Mrs. Ted Joy of Kitscoty who are celebrating their fiftieth wedding anniversary.

Congratulations also to Mr. M. H. Stone who celebrated his 93rd birthday on March 2nd. He is one person time does not seem to be able to affect.

The annual telephone meeting took place on Wednesday. Mr. Robert Robertson was elected president, Robert Shattuck vice-president, G. D. Jack sec.-treas.

The F. U. A. held their regular monthly meeting on Wednesday evening; too few members were present.

The W. W. W. ladies held their meeting on Thursday evening at Mrs. Ernest Jack's home. About the same number of members presented themselves as were at Mrs. Robert Stone's for the previous meeting in Feb. Enough quilt squares were donated for a quilt. Mrs. E. Jack donated the filling while Mrs. Alf Jack gave the lining for this quilt. Large quantity of Red Cross material, both sewing and knitting was given out to be made up, and plans were made to canvass for the Red Cross campaign.

Miss Alberta Drysdale of Edmonton spent a week end with her parents, Mr. and Mrs. Chas. Drysdale.

Several from this neighborhood attended and enjoyed the short courses.

Mr. Dick Sholdice and Mr. Alex Sperberg are expected home from Ontario where they have spent the winter.

The fall of snow this week end prevented Rev. W. O. Nugent from having church services this week. He hopes to be present April 14th.

Vote as you please but please vote on Saturday.

Pee-Wee Hockey Completes Good Season; Red Wings Win Cup

Sponsored by the Vermilion Amateur Athletic Association, 66 young active and eager boys completed a very successful hockey season in Vermilion. Four teams faithfully practised twice weekly under the supervision of their respective coaches. As the season advanced much progress both in skill and style of play was evident.

Below are the members of the four teams:

CANADIANS: Mr. R. Evans (coach), Bob Park (captain), Porter, Rusia's, Ford, Seddon, White, Stoneh..., Pool, Surby, Beatty, Heckbert, Jones, Jensen, Suska, Zubiak, Keen.

MAPLE LEAFS: Mr. Bert Moore (coach), Keith Barr (captain), Edwards, Watt, Dixon, Robinson, Cooper, Filgate, Frissell, Summers, McLean, Webb, Arbo, Wasylishen, Fenton, Hollenbeck, McGaughey, Young.

RANGERS: Mr. J. D. Kindrachuk (coach), Murray Ross (captain), French, Upshall, Sinden, Maryliuk, Keating, Risdale, Frissell, Williams, B. Wilton, Gannon, Marfleet, Riley, Christianson, Zubiak, Jarock, Kupin.

RED WINGS: Mr. F. Welsh (coach), L. Ferbey (captain), Beatty, Calvert, McPherson, Pare, Smith, Beattie, Leahy, Young, Hemmingway, Botteff, White, McGaughey, R. MacLean, Pool, Koehn.

In the preliminary play-offs the following standing was obtained:

Canadians	4 points
Red Wings	3 points
Maple Leafs	3 points
Rangers	2 points

The Canadians were thus awarded the Melvin Hill shield for their lead in points.

In the semi-final encounters the Rangers defeated the point leading Canadians by a score of 3 to 2 while the Red Wings trimmed the Maple Leafs by a decisive count of 6 to 1. This left the Rangers pitted against the Red Wings in the final.

In a two-game total goal series the Red Wings edged the Rangers 2 to 1 in the first game and 3 to 2 in the second. The second game was attended by many enthusiastic parents and other interested hockey fans. This victory in the second game earned the Red Wings the annually coveted Columbia Theatre trophy.

The Vermilion Amateur Athletic Association desires to express its appreciation to Mayor Melvin Hill for the Shield awarded annually to the team with most points after regular league play, also to Mr. Nick Kowalchuk for the Columbia Theatre trophy presented to the winning team in the final play-offs.

After an interesting hockey season the boys of the four teams are eagerly awaiting another highlight, namely the annual Pee Wee bean feed (banquet). This event will be held at the Vermilion Provincial Park as soon as the weather makes it feasible.

Feature of the weather this week was the 7.1 inch snowfall which commenced on Saturday night and continued all day Sunday. Surprising as it may seem this brought the total fall for the winter up to 25.6 inches. Much of this has disappeared leading many to think that the snowfall had been much less than that figure.

Snowfall for last winter was 68 inches.

Pattern of the weather this week has been fine bright sunshiny days with frosty nights. According to forecasts there is no indication of there being an immediate change.

ZONING BY-LAW Town of Vermilion

TAKE NOTICE that the Council of the Town of Vermilion proposes to pass a Zoning By-law in accordance with the provisions of the Town and Rural Planning Act, 1953.

The proposed zoning by-law is required, amongst other things, for the purpose of:

(a) Dividing the municipality into districts.

(b) Prescribing the purposes for which buildings and land within a district may be used and prohibiting or regulating their use for any other purpose.

(c) Regulating as to any district
   (i) the height, ground area and bulk of buildings;
   (ii) the depth, size or area of yards, etc.;
   (iii) the size of rooms and the means of lighting and ventilating buildings.

(d) Prescribing as to any district the minimum size of parcels into which land may be subdivided, and the minimum site area required for any particular
   (i) class of use, or
   (ii) size of buildings, or
   (iii) use to which a building is or may be put.

(e) Prescribing building regulations.

(f) Controlling the design, character and appearance of buildings erected in a district.

(g) Prohibiting the erection of any building until provision has been made for the supply of light, water, sewerage street transit and other facilities, or any of them.

(h) Regulating the public display of advertisements.

(i) Prescribing a system of building permits.

A copy of the by-law (and of the map) referred to therein is deposited at the office of the Secretary-Treasurer and may be inspected at all reasonable hours.

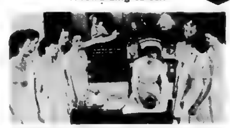
At 7:30 pm. on Monday, the 1st day of April, 1957 the Council will hold a public hearing at the Elks Hall at which objections to the proposed by-law may be made and discussed.

Dated this 12th day of March, 1957.

36-7x THOS. WILSON, Secretary-Treasurer.

MODERN NURSING . . .

A rewarding career!



Nursing Aide Trainees observing at the "Well Baby Clinic"

HIGH SCHOOL STUDENTS

Nursing today offers a variety of career opportunities surpassed by few professions. Nurses are employed in hospitals and public health agencies, in business and industry, in schools and universities, in government, armed forces and stewardess positions.

Modern nursing has many aspects, each with slightly different requirements, different functions. But the rewards are the same—a fine education, assured income, opportunity for advancement, and the satisfaction of being needed. Even after you marry, you may continue in Nursing or resume your career at any time.

Winnipeg Host To National Legion 'Spiel March 12-15

Top Legion curlers will meet in Winnipeg from March 12 to 15 for the Legion's first national bonspiel.

Some 36 members — a team from every province except Newfoundland - will contest the national curling trophy.

These curlers earned a shot at the Legion's new curling award by winning the local, zone and provincial play-offs which have been taking place for the past two months. An estimated 10,000 Legion curlers were involved in these play-offs at all levels.

Although this is the first year of the Legion national bonspiel, hundreds of branches in all parts of the country have shown great interest in the sport. The prairie provinces have conducted a play-off for the past three years. The national event is largely a result of its success.

Chairman of the Legion's Dominion Curling Committee is C. C. Sparling, Q.C., of Winnipeg.

Mr. Sparling said: "The national event is restricted to Legion ordinary members. But we hope it will focus the attention of non-member curlers on Legion curling and perhaps induce them to join the organization."

The bonspiel is being held in the Winnipeg arena.

SQUARE NOTES From Circle 8

Square up! Saturday night March 16th is square dance night in Vermilion again in the Elks hall. Your Circle Eight executive has gone to considerable trouble to give you such a variety of callers: this Saturday we are fortunate to have Jimmie Lindsay of Edmonton as our guest. As well as being a very clever caller, you will find Jim very witty and entertaining. We are looking forward to our usual good turn out so local ladies please remember your sandwiches.

Our newest club members from Thorncliffe have turned out to be a very enthusiastic bunch with half of the class going to Mannville last Friday night for their first dance after graduation on Wednesday. They really feel that they definitely have been missing out on a lot of fun so plan to do the most to make up for it. As well as being ardent supporters of the Circle Eight, they plan to hold their own community square dances. The first of such dances will be on Tuesday March 19th with Johnny Maxwell calling. Their school is rather small but they do have room for some visitors so anyone is welcome and they ask all ladies to bring a pie. A reminder girls — this is the class with the stag line.

"HELLO, HOMEMAKERS"

HELLO HOMEMAKERS

If you're Irish you celebrate St. Patrick's Day by the "Wearing O' The Green." If you're not Irish you celebrate this day anyway. It's the one day in the year when there are only two nationalities—the Irish and those who want to be.

COOKING FISH

Everyone likes fish now and then and with the Lenten season it is served rather frequently in some homes. Do you know how to cook fish for best flavor results?

Here are a few examples:

There are several methods of cooking fish among which are: In the oven, in the frying pan; in deep fat, and in water or milk.

HOW TO TELL IF COOKED

The following signs will show you when your fish is cooked. (1) When the flesh loses its translucent appearance and takes on a whitish tint. (2) When the juices are milky. (3) When the flesh is easily pierced by a fork and will separate into flakes.

Over cooking will cause fish to toughen, shrink and dry out. Cook your fish only until the above signs show that it is done.

Fish is an adaptable food for sauces and seasonings. Cheese, egg, tomato, or parsley sauces are excellent accompaniments while lemon or vinegar help to accent the flavor.

TIP FOR THE WEEK

If you are planning on spring cleaning here's a tip you'll welcome. To clean smudge marks from woodwork add 3 tablespoons of liquid wax to 1 gal. of lukewarm water, wipe woodwork with cloth wrung out in this solution. It removes the marks and gives a nice shine.

Princess Anne W. I. Notes

The regular monthly meeting was held in the evening of March 6 at the home of Mrs. Wm. McIntyre.

With the Vice-president Mrs. Geo. Mead in the Chair twelve members answered roll call with a good health rule.

Mrs. P. McCambridge, Mrs. Wm. Hall and Mrs. P. Modryk attended as visitors and the latter joined to become our fourteenth member.

Minutes were read and approved. Several pieces of correspondence were read. [illegible]

CLAYSMORE CLIPPINGS

Mrs. Robert McMillan spent the week end in Edmonton visiting her daughter and son-in-law Mr. and Mrs. Stan Gerrie.

Mr. Bill Horne of Red Deer was a week visitor at the H. J. Horne home.

Mr. and Mrs. Jack Willes and family were supper guests at the Tim Nelson home, Vermilion on Sunday evening.

Mr. Franc Roberts of Vegreville was a week end visitor at the Tom McCauley home.

Sunday callers at the McCauley home were Mr. Wm. McCauley and Robert and Bruce Winters.

An aluminum scoop shovel was lost on the Claysmore road south of the school Saturday morning. If anyone found this would they please phone Bud Scott at 916 Mannville or leave it at the Pool elevator at Claysmore. A reward will be given.

Is anyone interested in modern square dancing? Walter Donsworth of Mannville would like to start a group at Claysmore school. He will have a demonstration at the next dance at Claysmore. If you are interested [illegible] Mrs. Allar [illegible] Walter Donsworth of Mannville.

Wins Master Merit Certificate

Mr. L. E. Speelman of the National Grain Company Limited at Kitscoty, Alberta, has gained the distinct honour of being numbered amongst those who have won the Twenty Year Elevator Master Merit Certificate. This is the highest award given by Grain Insurance and Guarantee Company and is granted in recognition of outstanding proficiency in the maintenance of grain elevator premises. The award is only granted if an agent has a perfect record for a period of twenty consecutive years.

Inspections of all plants insured by Grain Insurance and Guarantee Company are carried out by Affiliated Inspection Bureau Limited which has for the past twenty years majored in the inspection of grain elevators, flour and feed mill properties etc. The Bureau's inspection service is acknowledged by all as being extremely thorough and rigid. Winning the award is therefore recognized as an outstanding achievement by the grain trade and fire prevention authorities throughout Western Canada.

Little Girls Love To Dress Up

Little girls love to dress up! Canadian shoe manufacturers know this, and have created these three lovely "dress up" styles just for them. Shown on top of the party box is a pale blue calfskin charmer which definitely echoes the continental influence with its straight cut vamp, and features a single instep strap.

Bottom left, is the popular black patent party pump with the practical swivel strap for two way wear, and a stitched trim along the top line. Right is another black patent party-going pump, featuring a baby louis heel and a square buckle on the straight topline.

NEWS from ALLANDALE

The weather has been grand. Snowy but warm on the 3rd, and another snowy Sunday on the 10th, but still above zero.

On Feb. 24th Mr. and Mrs. Bob Maggs and Mr. McIntosh from town were visitors at the Omness home, taking pictures of the Arabians, mainly the little colt.

Square dancing was enjoyed in Clandonald on Feb. 27th when six squares danced to the calling of Walter Parker from Dewberry. In Greenlawn on March 2nd an enjoyable and sociable evening was spent with Mrs. Donald Mathison as M.C. Their hall is very much improved with a lovely hardwood floor.

Feb. 28th an interesting afternoon was spent at the college. Coffee and lunch was appreciated very much. Mr Bentley's descriptive talk on "Income Tax" was so beneficial, if only more could have attended. Another year we will plan to go for the two-day session. Mrs. Herb McPhee attended the two afternoons. It was very kind of Herb to take more of the ladies along.

March 1st a card party was held at the Island Hill hall, put on by the Island Hill community centre. Ten tables of whist were played. Prizes were won by Ladies 1st, Mr. R. Reeves (playing as a lady); 2, Mrs. Wm. Hall; 3, Mrs. Ida DeJong and consolation Helen Dolman. Men's 1st, Joe Good, 2, Warren Edwards; 3, Orley [illegible] and consolation Wm. Hall. Lunch closed a very sociable evening.

Harry Jurke and Johnny Sidoryk, farm boys living some 5 miles east of Lloydminster, called at the Omness home on March 3rd to see the [illegible] horses, being [illegible] interested in the colt. Last week [illegible] Axley and friend [illegible] called.

Mr and Mrs. Bev Baldock [illegible] daughter from town [illegible] at [illegible] home of Bev's parents last week. They have a new 1957 Ford.

Mrs. Stella Mayers who has been visiting relatives in Minnesota all winter, returned home on March 5th with her nieces [illegible] nephews Mr. and Mrs. Jimmy Ronaghan and Mr. and Mrs. Sellas Lee on their return trip from Ontario.

From all reports the coyote hunt on the third was [illegible] attended though the day wasn't any too favorable or successful. The men and boys had a good time however. They gathered at the Idelore Nelson home where Mrs. Nelson served coffee and lunch.

A Whist party at Allandale school will be held March 15th. Proceeds for the Red Cross. Everybody welcome.

A card was recently received from Mr. and Mrs. Johnny Nelson and daughter Alva. They had arrived at Hill City Kansas. Mr. and Mrs. W. Curtis had stopped in Nebraska to visit relatives and would join them later. They had gone through many interesting places on their way to Kansas.

Mrs. Frank Schmidt and family from town have been visiting at her parents', the Idelore Nelson home.

Mr. and Mrs. Don Wilson, Raymond, Dorothy and Marlene, motored to the city on March 10 to visit at the latter's sister, the Walsh's. Don, Raymond and Dorothy returned home the same day, and Jimmy Walsh and Wayne for a visit while Hilda and Marlene remained for appointments with eye [illegible] and dentists. Donna remained home with her grandparents.

Mr. and Mrs. Wilmer Hogaboam were visitors at [illegible] nieces', the Baldock home last Saturday for the night. They left Sunday morning for Camrose where they are employed at the Alice Hotel.

Cathryn Laird from Clandonald spent last week end at the [illegible].

Closing Thought: "Love looks for the good in us. Love is the revealer of loveliness."

What's A Billion?

When Finance Minister Walter Harris brings down his Budget, he will be talking in terms of billions. What is a billion?

The Financial Post answers this way. If you had a billion dollars in $10 bills and decided to lay them end to end, the line would stretch from Montreal to Vancouver more than three times.

If you had a billion dollars and set out to count the money at $100 a minute, working eight hours a day for six days a week, it would take you more than 66 years to finish the job.

A billion dollars is close to 3% of all Canadians will earn this year by all kinds of economic activity. This is a rich country, but a billion is still a lot of money.

Smokes

During 1956 Canadians smoked 27 billion cigarettes, reports The Financial Post. For this privilege, smokers—estimated at 30% of the population—paid $585 million. Of that, over $300 million went into federal and provincial taxes.

BOARD PLANS REGULAR MEETINGS

Proposals concerning the program for 1957 were outlined to Hon. A. Russell Patrick, Minister of Economic Affairs, and Ralph R. Moore, deputy minister of the Department, by the Advisory Board on Objectionable Publications, at an Edmonton meeting this week. The board which is chairmanned by Mrs. A. J. Maure, plans a program of six meetings during the year at various Alberta centres.

The next meeting will be in Medicine Hat April 8 and 9 where the public will be invited to participate in a discussion of the problem of objectionable periodicals and crime comics, Mrs. Maure announced.

During the Edmonton meeting, two representatives of the magazine distributors of the province discussed with the board matters effecting distribution of publications in Alberta.

While the first objective of the Board is discouragement of distribution of objectionable magazines and crime comics among young people, it is equally interested in encouraging good reading habits among teenagers. Organizations in eight Canadian provinces have sought information on functions and methods of operation of the board, as have a number of American organizations. Eight hundred and fifty copies of the Board's booklet "What's Wrong with Comic Books" have been sold to such groups while some 20,000 copies have been distributed within Alberta.

The regular meeting of the W. I. will be held on Tuesday, March 19th at 2 p.m. at the home of Mrs. J. McCaig. Members should take notice of the change of date. 25-4c

Tips on Touring

By Carol Lane, Women's Travel Authority

Recently I came face-to-face with a driving hazard I had never before recognized: the emotional hangover.

My friend, a physician, and I were delayed at a green light by an elderly pedestrian crossing the street in front of us. Suddenly the car behind began a furious honking. My friend insisted upon stepping back to talk to the irate driver.

He found that the driver had just faced a severe emotional crisis at home which had left him boiling with pent-up fury. So, the doctor tried to make him realize that this rage might be used unconsciously against innocent victims, and persuaded him not to drive until his emotions were in control.

Extreme nervous strain frequently finds an outlet in excessive speeding, since the same tension that causes a person to clench his jaw can be relayed to his foot on the accelerator. And common danger signals on the highway may escape the notice of one in mental conflict. His reaction-time is slowed. Often his vision is not as acute. He's forgetful and careless in his driving. (A woman I know once drove three towns past her destination while she tried to answer a recent argument in her mind.)

Churned up emotions cause what my doctor friend described as "highway hysteria". This does not mix with safe driving.

NEWS from ISLAY

Mrs. Harold Dibb of Fairview arrived Friday to spend a few days with her mother Mrs. Dave Buchanan and to visit with her father who is in hospital here.

Bob Barnett and Omer Easton are still in the hospital.

We hear of the third selling out sale in this area. Mr. Herb Simmons says he will have a sale early in April. Mr. and Mrs. Simmons are going to motor to Ontario and change motor cars, spend a couple of months down there and then return to settle down in Vermilion. Son Garfield is taking the farm over.

Mrs. Purves is home again after spending the winter in Calgary. The Kays of Kitscoty called on them Saturday.

Mr. Ivan Inman attended the Massey Harris convention in Edmonton last week.

The monthly meeting of the United Church W.A. was held at Mrs. King's on Thursday with twenty-two present. As March 18 is election day it was planned to serve coffee, sandwiches and pie in the church, an apron sale too, each [illegible] to bring an apron. Then on [illegible] 28th at 3 p.m. Miss Craig the District Home Economist will speak to all ladies on "Bazaar items and gifts" in the room downstairs in the school. All ladies of the community are invited to hear Miss Craig. She will address the Sewing club in the evening. Mrs. Lila Waterfield brought a very pretty apron that is to raise the W.M.S. funds. Instead of sewing patches on the apron there are pieces to sew the patch to and you enclose 1c for each inch of waist measurement.

Mrs. Dave Buchanan received plenty of news the beginning of March — the arrival of twin sons to Mr. and Mrs. Ken Buchanan at Barrhead, and a daughter to Mr. and Mrs. Raymond Buchanan at Belleville, Ont. Congratulations to all!

Mr. and Mrs. Bill Shaw motored to Edmonton Saturday to meet a family who are coming from England to settle in Canada. They will spend a little time at the Shaw home before settling down.

Education week was observed in the school here and is still being extended. The parents were invited to visit the school and discuss matters of interest with the teachers. Much enthusiasm is being shown by [illegible] teachers and parents.

After a lengthy and painful illness, Mrs. Henry Olds passed away at their home in Edmonton Thursday night. Funeral was held here from the United Church on Monday afternoon and interment was in the Islay cemetery. Sympathy of the community was shown by the large attendance. It was just last July that Mr. and Mrs. Olds moved to Edmonton after living in Islay since 1930.

HARWAYNE

There were six tables for crib and four tables for whist at the card party held in the school on Friday last. Mrs. Haskell and L. Dale were high winners for crib; E. Meiklejohn and W. Kinshella as a lady, the consolation winners. Mrs. W. Ashworth, H. Hutchinson were high for whist. Jim Hale and Mrs. G. Midgley won the consolation. The next card party will be held March 22nd.

Three High school rinks attended the high school bonspiel at Dewberry Friday and Saturday last and all came home with prizes. Quist won third in the Grand Challenge, Shaw second in the Second event and Hancock fourth in the Second event.

The service in United church next Sunday will be conducted by Mr. Davies of Lloydminster at 7:30 p.m.

Lenten services are being held each Wednesday at 8 p.m. in St. George's Anglican church.

Mrs. Carson from Edmonton has been visiting with her family and friends for the past week, also from Edmonton Mr. and Mrs. W. Johnson visiting with Lloyd Van Camp and friends.

Mrs. Gibbs of Calgary is visiting with her brother Mr. W. Giles and family.

There will be a St Patrick's dance on Friday March 15th in the Elks hall sponsored by the Elks.

The women met for World Day of Prayer in the United church on Friday, the theme being "Who Shall Separate Us?" The United and Anglican church women took part in the service which was prepared by Serena Vasady formerly of Hungary. Mrs. Sonley gave the address.

Sympathy is extended to the Crichton and Leighton families in the passing of Mrs. Henry Crichton.

Mr. and Mrs. T. Rea left on Sunday for Edmonton to attend the funeral of a friend there.

Gordon Hancock and Wm. Ashworth made a business trip to Edmonton last week. Muriel Craig and Betty Klinker have each been home for a day lately from Lamont hospital.

Mr. and Mrs. J. Murray have vacated the manse and are back on the farm. Mrs. Cook and Mrs. Parks have rented the Campbell house.

Mrs. Reishus is in Lloydminster hospital having a minor operation on her foot. Mrs. R. Tyner is teaching in her place. Mr. D. Rose is home from the hospital in Edmonton. Mrs. Burk Sr. is in Lloyd hospital.

The 4-H regular meeting was held on March 5th in the school with a good attendance. Marvin Olmstead resigned as president and Johnny Katzmarzyh the vice-president was elected to the presidency. Mr. Jas. Hale showed an interesting film of the Banff National Park which was followed by lunch. Later some of the group played ping-pong. Next meeting will be on April 2.

THE WORLD OF WHEAT

by W. G. MALANER, Director, Research Department, [illegible] GRAIN COMPANY, LIMITED

More and more, of late, Canada has been reminded that, in the selling of her Wheat and Wheat flour abroad, she is having to meet strong competitive forces of one kind and another, and that she may have to change her way of doing business to some extent, even to the point of making changes in her somewhat rigid price structure.

Evidence of this was seen on March 1st when, recognizing that something had to be done to meet the subsidization of flour by the U.S.A. and other countries, the Canadian Wheat Board announced that effective immediately, a price adjustment to be set daily for each port of exit, would apply on wheat milled for export to markets other than the U.S.A., United Kingdom and other European countries. Thus, we now have in effect a two price system or a situation in which two different price levels will exist — the one for domestic sales, as well as those to the countries mentioned above, and the other for probably close to 30% of our total flour sales which go mainly to South America, the Caribbean and the Far East.

The effect of this adjustment will be watched with interest. It has clearly been established as a defensive measure, perhaps somewhat reluctantly. It is, however, evidence of determination to [illegible] against a severe and difficult type of competition and to that extent it appears to be a sound move.

High Increase In Alberta Population

End of the Bushel?

Hundredweights may replace historic bushel as the basic unit on measuring grain. A move with that in view has been under way for some time in Canada and the United States, says the Financial Post.

It's going to require a bit of mental exercise to try to figure out whether a 300 million cwt. wheat crop is big or little and if we put it in tons, that won't help much either. But aside from the fact that we are used to them the present units have little to recommend them. They have well been described as a "conglomeration of accidents." Few of us can remember from our school days that a bushel means very different weights with different grains, 60 lb. for wheat, 34 lb. for oats and so on.

GET BUSY

If you want to be happy get busy.

I wish that in school along with reading writing and arithmetic they would teach us that a soft life is not the best and a busy life is happy. Those who had their way through life have very little fun.

Dr Roberts once told his son, "Son you can be anything you want to be, but you must remember you have to work whether you handle pick or wheel barrow or a set of books digging ditches or selling a newspaper, rising in auction bill or writing funny things you must work hard and fill your coat and make that in the sweat of your face you are going to live bread you are apt to get into the category of those who sleep the brighter your hall days and the better satisfied the whole world will be with you."

I tried to tell that same story to a young fellow I know. He came to the city from a small town and I recommended him for a job. It was not much of a job but it is a start I had remember set from my own start that other town youngsters were usually ready to begin. Sometimes they get a start. I thought this lad would be the same. But times have changed.

The boy calls in to see me from time to time. He has many complaints against the company, although he has had one promotion and two small wage increases within six months. However, there is a terrific amount of hard work to be done and many of his fellow employees are unhappy

Do they work overtime? I asked. No, he said, they work out of hours and they pay for overtime.

Then what's your beef? What do you like? I like the work is hard, when you re-off at five o'clock. And you never see you're going to be gaining weight and you're looking well enough What's real fun in that?

His complaints didn't amount to much. I got the impression that he was expected to work.

I told this lad that in my opinion he could be a star employee in no time by tearing into the job with a hand and doing it as fast or faster than it had been done before. Such a person will have security of employment and first chance at a better job. But I see no answering light of enthusiasm in his eyes.

I'm fond of this boy, and of his hard working parents I don't blame either of them for pushing too much. I blame the whole cock eyed economics of "do as little as you can for as much as you can get" that seems to prevail today.

I'd say a good deal more on this subject but I'm busy and I mustn't be a scab and keep on working

HORSE NUMBERS DECLINE

Canada's last dwindling horse population continued to decline in 1956. It showed a further drop of 6 per cent. On December 1 there was only 817,600 head of horses in Canada. Alberta had 154,000.

Rotary Rink Wins Inter-Club Bonspiel

The annual inter-Club bonspiel for the Rotary and Lions Clubs of Vermilion rink was run off on Sunday the 17th of Ireland

Gerald Stephens skipped the winning rink for Rotary. His was the only undefeated rink in the spiel, in which all twelve entries played three 6-end games. The rink to win the bonspiel receives the lowest score won the trophy.

Curling for Rotary Stephens were Stan Jones, Si Simonson, Tom McPherson, Jack Hamilton and Bill Cross.

The following clubs each had two rinks entered Rotary, Kinsmen Elks, Knights of Columbus Masons and Legion

Good organization by the draw masters enabled the bonspiel which started at 12 30 to finish at 6 p.m. with everyone who able to be home for the evening meal.

In the absence of Jim Fergus on, Grand Knight of the K. of C., the trophy was presented to the winning rink by Angus MacMillan last year Grand Knight, who congratulated the winners

In awarding the trophy for the winners Stephens stated that since his wife was not present, he was glad to be able to take home some visible token of the fact that he did all the time he spent on the ice

Ray Kelly, secretary for the Rotary stated that they would undertake the organization of the bonspiel next year

Welding School Has Good Attendance

Twenty-six farmers from this area commenced a welding course on Monday morning. The instructor is given by Webb's east end shop.

The course is put on by by the Alberta Department of Agriculture and will run until Friday night.

The instructor is Jim Marr of Millet. He has been conducting similar schools at various points in Alberta since early last fall. According to E. H. Buckingham, District Agriculturist, who has organized the course several of the men attending expressed themselves as being quite pleased with the instruction given and the large amount of time spent on practical welding

Monte Sees Kildeer While Blakely Spots Gopher

Monte Hunter, who knows his water fowl calls, has convinced a children in member of the snipe family a mile south of town on Monday, and he is very pleased and the kildeer's serve of migration was here about a week to a fortnight high. Also south of town, a gopher was seen by Blakely Hatton early this week. The little varmint appeared quite lively, too, after his hibernation.

Elks Challenge Knights of Columbus For Coveted Is-A-Can Trophy

What should prove to be the most hilarious hockey game played in northern Alberta this year will take place in the Vermilion Elks challenge the Knights of Columbus in what should be anything but a serious hockey game.

Both teams are training diligently, Marshall Jackson was outlined skating on a little patch of ice at the town pump yesterday; Freeman French sitting on the town hall verandah hill on skates in order to gain momentum before hitting the ice on the lake; Ed Herzog and Gee Gee Gordon couldn't be near enough ice to turn around on near Vermilion so Ed has been practising on Lake Superior for the past week and Gordon has been doing likewise on Lake Erie both are now back in Vermilion in preparing good shape

Sherly McKernan and Slim McLaughlin who form the defence for the Knights are perfecting a squeeze play which the Elks will find real troublesome

Proceeds in aid of Juvenile hockey. Everybody make it a "must" to attend this game

Grade 9 Students Visit Legislature

A TIMELY REQUEST

The motion made at a recent meeting of the Vermilion River M. D. council by John Anderson asking that the provincial government be asked to make a larger contribution to the battle against rats is a meritorious one. When [illegible] menacing the Alberta boundary north and south [illegible] Lloydminster, The Standard [illegible] in this column that [illegible] battle against rats should [illegible] taken over by the [illegible] entirely. This would have resulted in a co-ordinated program along the whole line. As it is now each M D is responsible for its portion of the front threatened. Mr Anderson's motion contends, quite rightly too that the municipal districts along the Eastern boundary are at present carrying the load in stopping the spread of rats throughout all of Alberta, a project of vital importance to the people of the entire province, the cost should not be borne by one area alone.

A VALUABLE SERVICE

While the Fire Inspectors may well tread on a few toes in town, The Standard feels that the service they are rendering is a valuable one. The province provides a free inspection service on request and the Fire Brigade asked that such a survey be made here. Two of the inspectors have completed a large portion of the business area, concentrating on hotels, apartment blocks, halls and schools. Many other premises have also been scrutinized carefully with a view to eliminating all fire hazards. Complying with the written reports of these well qualified and co-operative inspectors may well prevent a heavy fire loss and even save lives.

M. D. Asks More Provincial Aid In Rat Control Program

The following is a summary of the minutes of the meeting of the council of Vermilion River M. D. No. 71, held on March 12 and 13, 1957, in the municipal office, Kitscoty.

Present were Reeve J. H. Kelly, Councillors R. D. Heath, J. D. Stone, J. C. Wallington, P. McGuigan, F. H. Wheat and J. C. Anderson.

The minutes of the previous meeting of the council, held on February 12 and 13, 1957 were adopted as presented. Financial statement for the month of February, 1957, was accepted as read. The accounts, as approved by the finance committee, were passed for payment.

The Department of Municipal Affair's ruling on applying penalty on arrears of taxes was discussed and tabled.

Correspondence from the Alberta Assessment Commission and the Department of Municipal Affairs regarding the General Assessment adopted in 1956 was discussed at length.

Moved by Cr Anderson that the height of the railway crossing sign of the Canadian Pacific railway on the north side of the west Clandonald crossing be increased as it cannot be readily seen as it is now and the crossing is dangerous. Carried.

The council gave their approval to the establishment of a service station on the S.W. 35-50-7-w4th by Alfred Logan.

Moved by Cr Wallington that the western boundary of Ward One of the Vermilion Hospital District be made coterminous with the western boundary of the Municipal District, in Townships 47, 48 and 49, Range 6, thus ratifying motion passed by the Board of the Vermilion Hospital District at their meeting on Feb. 11th, 1956. Carried.

Moved by J. C. Anderson that the Municipal District purchase 3000 lbs. of Brome, 500 lbs. of Creeping Red Fescue, 1000 lbs. of Sweet Clover, 300 lbs. of Reed Canary Grass, 200 lbs. of Red Top, for distribution under the Gelly [illegible] program [illegible] by the Municipal District. Cd.

Moved by Cr. Anderson that: "Whereas the Municipal Districts along the 4th Meridian are at present [illegible] the load in stopping the spread of rats in Alberta. THEREFORE BE IT RESOLVED that the Provincial Government be asked to make a larger contribution to the rat control program. Carried.

Council cancelled the appointment of enumerator Wm. Armstrong, Div. 4, and appointed O. Omness in his place. Council also cancelled the appointment of D. R. O. Wm. Armstrong, Div. 4, and appointed O. Omness in his place.

The polling place at the home of Wm Armstrong was moved to Allendale Community Hall.

The council approved the establishment of a service station, North Star Service Station No. 191, on Lots F and F, Plan 2752, Rural Lloydminster, the approximate value of which is $30,000.00.

Moved by Cr Wheat that the sum of $19.25 be paid to Wm. Nelson, poundkeeper on the N.W. 34-34-3-w4th as expenses in impounding of a red and white faced calf impounded by H. Hines, January 28th, 1957, and sold on Feb. 7th, 1957 for the sum of $45.00. Carried.

Moved by Cr Anderson that the windmill tower, located in the Village of Dewberry, be sold to N. E. Jones for the sum of $25.00. Carried.

The annual report submitted by E. K. Morgan, R.N., for the year 1956 was presented to the Council and received favorable comment from the members thereof.

Moved by Cr Anderson that the Municipal District approve expenditure of $1500.00 for Civil Defence Budget for 1957. Cd.

Health Unit Notes

BLOOD PRESSURE — It Goes Up and Down

Beat . . . rest! Beat . . . rest! This is your heart at work. It is like a pump, distributing blood to all parts of the body, by means of which nourishment is carried to the tissues and waste products are removed. This rhythm also marks the rise and fall of the blood pressure in your arteries.

Blood pressure rises and drops from hour to hour depending on whether you are active or resting, for example, or whether you are emotionally upset because of excitement, anger, fear, anxiety, or emotionally calm. You will have blood pressure as long as life lasts, rising and falling with the alternate beat and rest of the heart and with what your are doing, thinking and feeling.

High blood pressure, or hypertension, means that the blood pressure remains more or less constantly at a high level. Low blood pressure means that the pressure stays below normal most of the time.

High blood pressure is most common in middle age or old age. In some persons it seems to be inherited. In other persons it is associated with kidney disease, glandular disturbances, overeating, or living at high tension. It is often found in those who are overweight. In many cases its cause is quite unknown. Persons with thyroid deficiency or who are run-down and underweight may have low blood pressure.

A person may live for many years unharmed by high blood pressure. Much depends on the quality of the material in the heart and arteries — just as the durability of a commercial product depends upon the quality of the material of which it is made. If the heart and arteries are of sturdy make and the blood pressure is not constantly too high, a person can often stand up to the strain for a long period of time.

However persistent high blood pressure makes the heart work harder to keep the blood circulating at a normal rate. Under this strain, the heart muscles enlarge and this is the beginning of hypertensive heart disease. Hardening of the arteries (arteriosclerosis) develops to some extent in everyone as he grows older but high blood pressure may speed up the process.

In arteriosclerosis, the arteries may be narrowed so that less blood can flow through them. Or an artery may rupture or break, allowing blood to escape and form a clot in the tissues where the break occurs. Or a clot of blood may form in the artery itself and block the circulation. [illegible] likely to be [illegible] in arteriosclerosis are [illegible] (cerebral hemorrhage or stroke), the heart (coronary heart disease), and the kidneys (nephritis).

It is possible to have high blood pressure for a long time without any noticeable signs or symptoms. But a person may be troubled by headache, dizziness, giddiness or shortness of breath — symptoms, also, of other conditions. Frequently high blood pressure is discovered in the course of a routine physical examination.

Nearly everyone has had blood pressure measured at one time or another. The pressure in the large artery of the upper arm is measured, first when the heart beats and then at the pause between beats. Both of these pressures and the relationship between them are taken into account.

If after examination your physician tells you that you have high blood pressure, don't worry about what might happen. Occasionally, high blood pressure clears up without treatment, but usually it has come to stay. It is just as well to face this fact and find out how to live with this condition. With good medical care and sensible living habits, the chances are you will live comfortably, happily, and usefully even to old age— doing just about what other people do, in moderation.

1. Go into low gear — less rush, less 'drive', less tension — in work, play and everything you do.

2. Avoid chronic fatigue. Most persons need at least 8 hours of sleep at night. A short rest, perhaps before your evening meal, is a good 'relaxative'.

3. Keep your weight normal. Avoid overeating. It is better to eat several light meals than fewer heavy ones.

4. Try to cultivate calmness. Nerves on edge, worry, flying off the handle, only tend to make the blood pressure shoot up.

5. Keep in close touch with your doctor and follow his advice.

Letters

The Standard does not hold itself responsible for opinions expressed by correspondents

Vermilion, Alberta,
March 13th, 1957

The Editor,
Vermilion Standard.

Dear Sir,—In the February issue of the Farm and Ranch Review I read this article and as I think that it would be of interest to every reader of The Standard in Vermilion and district I hope that you will give me the necessary space in your paper to reprint it:

"THE STORY OF THE CREDIT UNION PLAN

"The Credit Union movement on the North American continent originated in the province of Quebec some fifty years ago. Alphonse Dejardins, a parliamentary reporter, shocked by the revelations concerning the operations of loan sharks, as made to a parliamentary committee, set out to teach people how to be their own bankers. He made a study of the European co-operative movement and adopted its principles in forming the first credit union on this continent.

Money was a scarce article among the French Canadian people at the beginning of the present century. Income was low and credit was restricted. By buying a share of stock in a credit union and depositing as little as ten cents a week, thrift was encouraged, and cash was made available for loans at interest rates running from 3 to 6% and the Credit Union movement got under way. It broadened its interests by going into other lines of co-operative effort and grew into a quarter-of-a-billion-dollar banking business.

The idea attracted the attention of people elsewhere and spread into the United States as well as across Canada. Through credit unions people use their collective financial resources to create substantial savings and a source from which borrowings can be made at a reasonable rate of interest, with the net earnings reverting to the membership.

"This useful movement has flourished in English-speaking North America to the extent that its financial resources run into hundreds of millions of dollars. The participants therein have been taught the value of saving, and have also been in a position to borrow money at reasonable interest when necessity required."

This reminds me of some of the speeches made in the last session of Parliament at Ottawa regarding the high interest rates charged by the Finance companies but nothing has been done about it.

The Saving and Credit Union could remedy this if you would co-operate with us with your savings so that we could continue to give you small loans to help you over difficult periods.

T. H. (Tom) Davis,
President Vermilion Savings and Credit Union.

Men Who Make Alberta

THE FARMER

As it does with her sister Prairie Provinces, Agriculture forms the largest single industry in Alberta and the backbone of that industry is the thousands of men and women who have devoted their lives to the production of the first necessity of life . . . food. Since the days of the first homesteader, the man who has tilled the soil has been the key to a major portion of our economy. His faith in the future, through good years and bad, has been the cornerstone upon which our prosperity has been built. Thousands of town and city people depend on the farmer's income for their source of revenue.

As he prospers, so prosper Alberta retail outlets and industries.

However, the direct and indirect benefits to the economy of the province does not tell the whole story of the farmers' contribution to the progress of Alberta. Farm families have found time to raise and educate many of our outstanding citizens in every field of endeavour . . . Sons and daughters of rural parents have gone into the legislature, the professions and industry . . . raised in the clean, healthy atmosphere of the country they have carried with them a love for our most priceless possession: the good, rich prairie soil of Alberta.

Bantam Hockey Play-Offs Are Completed At Dewberry

Saturday, March 16th saw the completion of a hockey play-off among the four teams made up of boys from the district and village. The semi-finals and the finals were all one game affairs with the Rangers defeating the Red Wings in the 2:00 o'clock game and the Hawks upsetting the Leafs in the game at 4:00.

RANGERS 2 — WINGS 1

In the first game, the Rangers and Wings were tied 0-0 at the end of the second period. However, Captain Stan Hartwell and Robert Hartwell from Wayne Garnier put the Rangers into a 2 to 0 lead in the third. Billy Balkala, Captain of the Wings got their lone goal while Jerry Hartwell of the Rangers was sitting out a penalty for throwing his stick. The game ended with the Rangers on top by a 2 to 1 count.

HAWKS 1 — LEAFS 0

A 4:00 p.m. the Leafs took to the ice against the Hawks and these two teams battled to a 0-0 tie at the end of regulation time. During the three periods the Leafs were given three penalties, two to Lynn Parr and one to Dwight Mawhinney. In the sudden death overtime Don Fluney sent Captain Gary Mathison of the Hawks in all alone on the Leaf goalie, Dan Fry — Gary beat him and the game was over.

RANGERS WIN FINAL CUP

At 8:00 p.m. the Rangers and Hawks squared off to decide just whose name should be engraved on the new trophy donated by Mr. Powell. The Hawks' 'little line' drew first blood with Billy Nicholson scoring on an assist from Pat Witzaney. A few minutes later, however, Garth Sweet went in alone on Harlan Fry and slipped the puck by him to tie the game all up. It stayed this way for the rest of the first period. Then, in the second the Hawks again took the lead on goals by Donny Fluney from Gary Mathison and Bruce 'Kelly' Applegate from Pat Witzaney. But in the third frame Rangers fought their way back into the game on goals by Stan Hartwell from Richard Williscroft and by Stan Garnier unassisted. This game also went into overtime and during this time the Rangers held an edge in territorial play. Donney Fluney, after having received a deep cut in his lip earlier in the game, broke in home free on the Ranger net but Richard Goad foiled him. A few minutes later the Rangers' Art Mead on a pass from Robert Hartwell, slammed the puck into the net to settle the issue. The win climaxed an almost perfect year for Rangers who lost no games and were tied once. Congratulations are due to the boys and their coach, Mr. Harry Williscroft.

Following is a list of the personnel of the Rangers:

Richard Goad, Billy Honey, Garth Sweet, Dennis Garnier, Stan Garnier, Keith Williscroft, Jerry Hartwell, Robert Hartwell, Art Mead, Evan Finlay, Warren Finlay, Wayne Garnier, Stan Hartwell, Richard Williscroft.

OBITUARY

AUBREY RENDELL

Funeral services for the late Mr Aubrey Rendell who passed away on February 19th were held on Saturday, Feb. 23 at St. Saviour's Anglican church, Vermilion. The Rev. K. A. Minchin officiated.

Interment followed in the Vermilion cemetery.

Mrs. Cecil King played the organ and the pallbearers were Messrs. John Wilson, William Clarke Sr., Richard Steele, Wm. Clarke, Jr., Tom Wilson and Robert Martin.

Mr. Rendell came from South Molton, North Devon, England, in 1920 to the Wildmere district. He lived with his sister and her husband Mr. and Mrs. C. Wall. Later he resided with Mr. Billie Steele before building a house on his own farm in the Triangle district. In the spring of 1926 he married Miss Mary Paul, also from England. They made their home on the farm until 1951 when they moved to the coast for reasons of health. Mrs. Rendell passed away in 1954 and shortly thereafter Mr. Rendell returned to Wildmere where he lived until he passed away following a short illness.

In November 1955 he was married to Miss Gladys Logan of England who is left to mourn his passing. He is also survived by three sisters in England, a sister Mrs. Wahl in California.

Beautiful floral tributes and memorial donations were received from the following:

Cut flowers to the home — Mr. and Mrs. W. J. Garnett; Mr. and Mrs. Noel Garnett; Mr. and Mrs. W. T. Garnett; Mr. and Mrs. D Dibben; Mrs. George Dibben; Mr. and Mrs. Ray Dibben.

Many messages of sympathy were also received.

Moyers were in charge of the funeral arrangements.

W. M. S.

The regular meeting of the W.M.S. was held in the United Church Hall on Thursday March 14th. The president, Mrs. Neil McLean presided.

The meeting opened with a memorial service for the late Mrs. H.N. Stephens and Mrs. Mable McKay both of whom have passed away this year. The service was conducted by Mrs. C. Barr and Mrs. W.L. Robinson. The impressive service included the placing of flowers in a vase on the table. Special visitors were Miss Margaret Stephens, Mrs. C. W. Stephens and Mrs G F Stephens.

In charge of the regular devotional were Mrs. Metcalfe and Mrs Sweeney. Mrs. Hill gave excellent synopsis of two chapters of the study book of South East Asia.

Chief topic was planning for the spring tea and home cooking table. This event will be held this Sat. March 23 from 3 to 5. Donations for home cooking table will be very welcome.

Twenty - three members and nine visitors answered the roll call, a very good meeting.

The meeting concluded with the Lord's Prayer. The committee in charge then served a special lunch much enjoyed by all and a social half hour was enjoyed.

Canadian railroad ties are made from birch, beech, maple, Douglas fir, western hemlock, jack pine and lodgepole pine.

NEWS from ISLAY

The Junior High school bonspiel has been completed. There were two events, the Grand Challenge won by Ken Gunn's rink, 2nd, Darryl Belton, 3rd, Raymond Kowalski and 4th, Don Carlson. [illegible] event won by Gerry Maire, 2. Marion Teslery, 3. Keith Burt, 4. Edward Waterfield.

Prizes were donated by the following — 1st in Grand Challenge, cups and saucers and flashlights by elevator agents and Chas Redmond; 2nd, screwdrivers by Inmans; 3rd, Key chains by Islay Drug store; 4th, Salt and pepper shakers and pliers by Ford's. Merchants. 1st, Wallets and belts by McCaughans; 2nd, biscuits by Miller's store; 3rd, knives, by the Students' Union; 4th, peppermint patties, by Students' Union. The ladies served lunch and Paddy McGuigan the soft drinks.

The 16th was a lovely day and a large vote was cast here. Many of the folk attended the lunch served by the W.A. of the church. We were pleased to have Mr. and Mrs. Muir, Mrs. Gould and Mrs. Underdown from Vermilion and the family newly-arrived from England presently visiting at the home of Mr. and Mrs. Bill Shaw; also Mrs. Landells whom we had not seen for some time and Mrs. Gillies. Thanks too, to many others.

All ladies of the community keep in mind March 26th at 3 p.m. when you will hear Miss Craig, District Home Economist, speak on bazaar items and gifts in the basement room of the school.

A square dance club has been formed here with Mr Walter Parker of Dewberry as caller. There is much enthusiasm. It begins at 8 p.m. and all are home by 12:00. There is room for more [illegible].

The 4-H Sewing club had their mothers and friends at their Valentine party Feb. 20th. The meeting was held on March 6th when Miss Craig visited them and pointed out how many seams they had to rip. March 20th is the date of the next meeting. Roll call a hint on good grooming. Denise Dodsworth will bring lunch.

Have heard recently many suggestions on how to use the $22 dividend our Social Credit government is to distribute. It gives us an idea — we of the United Church need a hall on the back of our church. How about the citizens of the Islay community giving their share to this building?

Mrs. W. Waterfield and Ken Gunn spent the week end in Saskatoon.

OBITUARY

ALEX MANYLUK

Funeral services for the late Mr Alex Manyluk who passed away on Monday, March 4th, were held on Thursday, March 7 at St. Saviour's Anglican church at 2:00 o'clock in the afternoon. Interment followed in the Vermilion cemetery. The Rev K. A. Minchin officiated. The services were attended by the Canadian Legion Post 11 and the Legion burial service was carried out at the graveside.

The pallbearers were George Matthews, Tom Wilson, George Martin, Victor Tillett, Mike Mudryk and Campbell Tough.

Mrs Taylor was the organist and the hymns sung were "Abide With Me" and "Nearer My God to Thee."

Mr Manyluk came to Alberta first in 1912 but served with the forces during the first world war. On his return, in 1919 he settled in Vermilion and worked with the railroad. At the time of his illness he was a stationary engineer with the Canadian National.

He leaves to mourn his loss his sorrowing widow, two sons Frank in Calgary and Stanley of Vermilion, and one daughter Mrs. Melvin Arthur (Olga) also of Vermilion. One sister Mrs. John Bochan lives at Myrnam. A son, Flight Lieutenant Wm. Manyluk, was killed in action with the R.C.A.F. during the last war. There are seven grandchildren.

Moyers were in charge of the funeral arrangements.

BUFFALO COULEE ACTIVITIES

The Auburndale W.A. met at the home of Mrs. Ruth Haverslew recently with about 35 members present. Mrs. Nora Eyben, the president, conducted the meeting. Mrs. H. Wear led the devotional, using the program of the World Day of Prayer.

The date of the annual bazaar was set for June 14th at the community centre. Eleanor and Loretta Cleland carried out a couple of contests which were enjoyed by all. It was decided that each group take a turn in contributing something to the program. The next meeting is to be held at the church after the bazaar.

The ladies of the Heatherbell group served a very delicious lunch.

Two ladies rinks from B.C. took in the bonspiel at Vermilion and both won prizes. Ruby Larsen took second in the Merchants and Lilian Pheasey got fourth in the same event.

The men's rink taking part in the Wainwright spiel were not fortunate enough to get into the prizes.

Mrs. J. B. Eyben spent last week in Edmonton visiting her mother. Mrs. Irving, and two sisters. Mrs. Irving who had been in the hospital in the city is progressing favorably but will remain up there with her daughter for some time.

Mrs. Majury was also a recent visitor to the city spending some time with her daughters Mrs. Myers and Mrs. Watson.

HI Glenn and Bart Clark of P.V.: Saw your names in the paper. How about coming to our Islay Amateur when it takes place? The men have surely improved our hall, so come and see it.

Neil MacLean, well known U. G. G. elevator agent, was the winner of the suit-of-the-month draw held by "A" Coy. on Tuesday night.

GRADUATE NURSES TO MEET

The Graduate Nurses' Assoc. will hold their regular meeting on Monday, March 25th at the hospital. All nurses are welcome to attend.

Mr. and Mrs. Fenton MacHardy and family passed through Vermilion on Tuesday on their way to Chicago where Fenton is enrolled at Northwestern University for post-graduate study in Mechanical Engineering. He is on leave of absence from the University of Alberta where he is an associate professor of Agricultural Engineering.

Mrs. A. E. Minchin of Powassan, Ont. is visiting at the home of her son and family, Rev. and Mrs. K. A. Minchin.

Mr. and Mrs. Floyd Bottorff and daughters Mavis and Donna attended the wedding of Mr. Bottorff's niece in Edmonton last Saturday.

Mr. and Mrs. Peter Wilkinson have returned to take up residence in Vermilion after spending several months in Edmonton. Peter had an idea they might settle permanently in the city but has decided that Vermilion is the place for them.

Mr. and Mrs. Vic Rogers returned a short time ago from a very enjoyable motor trip of some 6000 miles which took them to the sunny state of California and into New Mexico. While in Los Angeles they visited Vic's father who spends the winter months there. Vic tells an interesting story of a visit to Las Vegas, but he had better tell that one himself . . .

The Nettleton Family

A rink of Vermilion curlers skipped by Aldous Kent with Les Chivers, Carmen Long and Dr. Ron Payment are curling in the Edmonton bonspiel this week. The rink is entered under the name of Dr. Payment. At time of writing the boys have a 50-50 record.

Friends are pleased to welcome Mr. and Mrs. Allen Currah in town this week. They are here from Edmonton and are visiting at the home of their son and family, Mr. and Mrs. D. Currah.

A note from Mrs. Teresa Beckett says that following a bad winter spring has now come to Chilliwack, B.C., in all its glory, sunshine and flowers. Kindest regards are sent to all her old friends in Vermilion.

Mr. and Mrs. J. H. Neale of Ponoka are visiting at the home of the latter's brother and sister Claude and Miss Bishop. Mr. Neale who has been in the creamery business ever since starting in Vermilion in 1919 has now retired and is enjoying some [illegible].

Mr and Mrs. Miles Dixon of Hinton spent the week end in town visiting relatives here.

Henry Wilson who is working at the new pulp and paper mill town of Hinton, spent last week end with his parents, Mr. and Mrs. Clarence Wilson.

Mrs. W. Cleland, who has been a patient in the local hospital for some time, is improving slowly. Best wishes for a continued and speedy recovery.

Mrs. John J. Knoll of Edmonton who is spending the winter in Florida, will join her daughter Miss Mary Louise Knoll in Ann Arbor, Michigan, in April. They will leave for New York, where Miss Knoll's marriage to Mr Frederick Donald LeRoy Stewart of Pickering College, New Market, Ont., will take place in St. Patrick's Cathedral Easter Monday. Surprise Party For Mr. and Mrs. Malek

Friends and neighbors surprised Mr and Mrs. Mike Malek on Thursday, March 14th prior to the latter's departure for their new home one mile south of Claysmore. John Hasenuik called on Bill Delainey during the course of the evening to present Mr. and Mrs. Malek with an electric clock on behalf of all present, and in doing so Bill wished the esteemed couple lots of happiness and success on their new farm. Mary and Mike thanked everyone for their very kind thoughts and the splendid gift.

The evening was brought to a close with everyone singing "For they are jolly good fellows."

Mr. and Mrs. F. H. Eyben spent several days in the city last week and during the week end had Grace and Stuart Little down from Vegreville.

Miss Betty Barlow, nurse-in-training from the University hospital, is spending her holidays at the family home.

Wins Mixed 'Spiel At Mannville

MANNVILLE. — At the time of going to press last week, the mixed bonspiel which had been started the week before was not completed so the results were not available. Quite a number of rinks were entered but with other bonspiels and other events also on during the week it was difficult to arrange games and curlers had to be substituted several times. However, it was finally wound up and the following are the winners in the two competitions:

Grand Challenge — Thumlert, Laurenceson, Malin, Proudfoot.

Merchants — Majeau, Goshko, Mercer, A. Bodard.

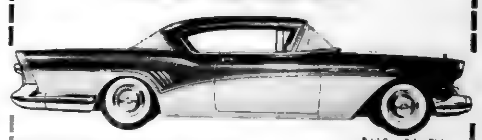
Here's where your money talks BIG



Buick Super 2-door Riviera

Your nearest Buick dealer is the best man in town to get to know—*right now!* He's making it mighty easy for you to get everything you want in a fine car . . . in a new Buick, of course.

It's all a matter of what you *get* for what you *spend* . . . and just look at what you do get in any Buick! That's when your excitement starts to rise—with your first look at these classically beautiful lines. And when you're behind the wheel—feeling the instant response of that new Variable Pitch Dynaflow*—your excitement mounts even higher.

It's a new kind of performance, sparked by brilliant obedience from a big 364-cubic-inch V8 engine. Then you brake to a gentle stop—or even a quick one—and you learn how Buick's *levelized* braking virtually ends the down-in-front dip you've had to live with up to now.

You go around curves and corners with the confidence of a cat on a carpet—like a train on tracks. That's Buick's combination of ball-joint suspension, a new lower centre of gravity and unique front-end geometry that gives you the easiest handling and surest cornering you've ever known.

You go on and on—getting happier and happier—and your money's talking bigger and bigger every mile.

Visit your Buick dealer and take the wheel of a '57 Buick. Do it today!

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

McLAUGHLIN'S SELF-SERVE

Mannville and District Local News

Visitors at the home of Mr. and Mrs. G. Pemberton for the week end were Mr. and Mrs. Fred Pemberton and family of Edmonton.

In the Ladies' bonspiel at Vermilion last week, the three Mannville rinks entered, came home with prizes. The rink skipped by Mrs. Ross Ewing with Mrs. Don Hanning, Mrs. J. Bennett, Mrs. F. McLaughlin won third in the Challenge. Winning third in the Merchants event were Mrs. Len Manz, Mrs. F. Proudfoot, Mrs. N. Cundal and Miss Anne Laberge. And the rink skipped by Mrs. M. Mercer with Mrs. A. Gerhart, Mrs. D. Croft and Mrs. D. Hasinoff received second in the Citizens.

Mrs. L. Manz, Mrs. D. Hasinoff, Mrs. F. Proudfoot and Mrs. J. Coxford curled in the spiel at Fort Saskatchewan over the week end and brought home third in the Challenge.

Visiting at the Majeau home for the week end were Miss Neta Majeau and Mr. Len Johnston of Edmonton.

We were sorry to hear of the accident that put Mr. Jack Shaw, one of Mannville's old timers who is now living in Edmonton, in the hospital. We trust that the injuries received were not too serious.

Injured last week also, on a Mannville street was Mr. Jim McLaughlin of Vermilion. He is in the Vermilion hospital with a back injury. His many friends wish him a speedy recovery.

Claysmore W. I.

Claysmore W.I. held its regular monthly meeting at the home of Mrs. A. Olstad on Wednesday, March 13th with twelve members and three visitors present. The visitors were Mrs. N. McHardy, Mrs. T. McCauley and Mrs. J. Williamson. The president, Mrs. F. Watling welcomed the guests and later Mrs. McHardy joined our group.

After repeating the Creed the members responded to the Roll Call, "Bring a stuffed toy animal for the bazaar". Several cats, dogs, bunnies and a horse put in an appearance as each member answered in turn.

The minutes were read and declared approved. The treasurer gave her report and it was also adopted as read.

The social service convener reported one fruit basket sent to a hospital patient. A thank you card was received from Mrs. A. Olstad.

Mrs. J. Willes, our representative to the rest room committee for Mannville gave her report. They hold their annual rummage bake sale and tea on April 27th and all W.I.'s in the constituency are supposed to donate, help to serve, etc. Proceeds will go to improve the Mannville rest room.

Our branch will celebrate its fourth anniversary in April, being organized April 29th, 1953. Mrs. J. I. Jones will be our honored guest. Corsages and the serving of a birthday cake will be interesting features of the afternoon. A dance is planned for April 5th.

The topic for the afternoon was handicraft and Mrs. O. Willes gave a demonstration on "Tailors Horn".

The fun period conducted by Mrs. J. Willes gave us all a chance to show our artistic ability. The prize was won by Mrs. J. Horne.

The anniversary meeting will be held at the home of Mrs. J. Horne on April 10th.

After adjournment a dainty lunch was served by the hostess.

Alliance Chapel Aids Pioneer Missions

The town of Vermilion is the home of a branch church of the Christian and Missionary Alliance whose recent pioneer work in New Guinea was featured in the February Reader's Digest. The society is represented in Vermilion by the Alliance Chapel. The article, "The White Man Comes to Shangri-La" by Clarence Hall describes the first permanent contacts of civilized people with one of the most primitive tribes on earth, unknown to exist until 1938. In 1954 Einar Mickleson, an Alliance missionary, was the first white man ever to establish permanent residence among the 60,000 Dani savages of the wild Baliem River Valley.

The Rev. J. M. Schroeder, pastor of the church in Vermilion, says the society now has sixteen missionaries in the "hidden valley" and that four of the six workers sent there in 1956 are Canadians and are graduates of the Canadian Bible College in Regina, the society's training center in Canada.

He adds that a third plane has now been sent to replace the two destroyed in New Guinea, one which was wrecked against the 16,000 foot mountain cliffs and the other which was hacked to pieces by superstitious Kapauku savages last November. The four new Canadian missionaries are the Rev. and Mrs. Henry Young of Victoria and the Rev. and Mrs. Don Anderson of Calgary.

Interest in pioneer missions is an outstanding feature in the program of the Vermilion church.

WILDMERE WINKS

Our grand weather is still with us and the snow is sinking.

Several Wildmere folks attended the farewell party held at Battleview on Friday evening for Mr. and Mrs. B. Brooks and Allan and Mr. and Mrs. Bob Beckman who are leaving soon to make their home at Czar, Alberta. A large crowd attended. Messrs. Jeff and Freddie Martin furnished the music for the dance and Billie Clark was the M.C. At the supper hour very useful gifts were presented to Mr. and Mrs. Brooks and Allan and Bob and Evelyn. May they have every success in their new home.

A bonspiel was commenced at our local rink on Saturday morning with 11 rinks taking part. At time of writing it was still going strong. Results will be in next week's Standard.

Baillie Holte has been helping his uncle John Wilson this past week.

On Sunday evening a rink comprised of Cliff Cruthers, Bobby Graham, Wally Westman and Albert Smith journeyed to Kitscoty and played the McGladrie rink there. It was a return game as the latter rink had been to Wildmere some time ago. Our boys lost but had a very enjoyable game.

We are indeed sorry to hear Mr. Robert McGowan and Mr. J. Davis are both in hospital at Wainwright. These men lived not too far away from Wildmere when on the farm. A speedy recovery is wished both these men from their Wildmere friends.

The writer along with Mrs. J. Wilson, Mrs. A. Morrison, Mrs. J. Morrison and little Bruce attended the Rebekah tea at the Elks hall on Saturday where a big crowd had gathered.

Congratulations to Evelyn Nelson of Kokner and her husband for a happy married life. They were married on March 9th at Streamstown and are residing at Vegreville. Sorry we do not know your married name Evelyn.

We are pleased to see Mrs. Nelson of Kokner and Mrs. F. Eyben and Mrs. J. Eyben all able to be out after a siege of sickness and hospitalization.

Mrs. Batke of Vermilion and Mr. and Mrs. Ed Batke and family of Lloydminster were Sunday visitors at the home of Mr. and Mrs. A. Westman and family of Rosswood.

Some Wildmere young people took in the [illegible] at Thorncliffe last Friday night where a good time was enjoyed. Young and Fortier furnished the music and Chas. Sweeney was M.C.

U.F.A. Co-Op Attacks Farm Costs

As announced recently U.F.A. Co-operative Limited has purchased the marketing facilities and trade brands of Maple Leaf Petroleums Ltd. for approximately one million dollars. This development is regarded as an important step forward in the field of co-operative petroleum marketing in Alberta.

In making this announcement, Mr. Geo. E. Church, president of U.F.A. Co-op pointed out that the 27 million gallon volume of the co-operative placed it in the position of being one of the largest independent petroleum jobbers in Western Canada. Mr. Church said it is expected that this expansion will result in greater savings and consequent increased patronage dividends to the farm member patrons of U.F.A. Co-op. In the years it has operated, U.F.A. Co-op has earned over 2 million dollars in dividends for its members. In these days of increased cost of farm operations it is more important than ever that farmers take advantage of every opportunity to save money.

Mr. Church stated that in view of these facts the Board and Management expected that in each district served by a U.F.A. Co-op oil agency farmers will be patronizing it in increasing numbers.

He also said that in districts not now served by a U.F.A. Co-op oil agency, farmers would undoubtedly be considering how they could organize such an outlet. This could be done either by a local Co-op Association providing the plant and equipment and obtaining their supplies from U.F.A. Co-op or by U.F.A. Co-op setting up an agency on the advice of a local advisory committee.

In any case, farmers can now make even greater savings than previously, by purchasing top quality Maple Leaf gasolines, oils and greases from their U.F.A. Co-op oil agent.

HI-SCHOOL HI-LITES

On March 2, the Vermilion School held their annual divisional curling bonspiel. Curling from Clandonald, Dewberry, Kitscoty, Marwayne, Paradise Valley, Vermilion Junior High School and Vermilion Senior High School comprised the twenty-two rinks of curlers.

Bush from Paradise Valley defeated Bill Tough's rink. Second in the Grand Challenge went to Bill Tough's rink consisting of Bill, Donna Cooper, Howard Robinson, and Lila Porter. Lee Coyne's rink consisting of Lee, Neil Harrison, Ann Beatty, and Lynda Long, placed third in the Grand Challenge.

In the Consolation event, Taschuk and his Clandonald rink won first prize. The McMullen rink of Dewberry placed second and Marwayne's Craig rink gained third spot.

We would like to thank Long's Drug Store, Craig Bros., Vivian's Style Shop and the Nelson-Hill Hardware for their kind donations of prizes for the bonspiel.

Also in curling activity, three V.H.S. rinks won prizes in the Dewberry bonspiel held on Mar. 8th and 9th. Brent Long's rink consisting of Brent, Lynda Long, Bill Tough and Donna Cooper overcame the McGuigan rink of Kitscoty to win the Grand Challenge. Neil Gannon, skip, with Janet Cruthers, Dale Scott and Neil Harrison placed fourth in the same event. The third winning rink was that of Cliff Cunningham. They captured first in the second competition. The members of Cliff's rink were himself, Jean Burdett, Brian Calvert and Doreen Hicks.

Congratulations to these curlers for curling well done in both 'spiels.

From the curling scene we switch to basketball. On Friday and Saturday, March 15 and 16, the Vermilion School of Agriculture held a basketball tournament. Competing teams consisted of a boys' and a girls' team from Wainwright, Two Hills, V.S.A. and Vermilion High School. There was a girls' team entered from Vegreville.

Our heartiest congratulations go to our two wonderful teams for their excellent playing in the tournament. On Friday night the girls defeated the College 28-21 to win their first game. They kept up the winning pace on Saturday with 30-18 margin over Wainwright. The girls did not meet the Vegreville or Two Hills teams, and their next game was the deciding one against the College. The game was very fast, close and in some places rough! The keen competition provided a very thrilling contest with every payer giving all the effort possible towards a win and ended in a 24-19 victory for the High School girls. Congratulations for winning the cup and a pat on the back for every one of you! The cup is now back at the Vermilion High School.

The boys' team also presented some excellent basketball skill. On Friday night they lost to the College by a score of 27-22 in a close, hard-fought game. On Saturday they won over Wainwright with a score of 43-16; also on Saturday they won over the College. This close game, with a score of 17-16 for the High School boys, was won by a free shot by Harvey Anderson, a technical foul presenting the basis for the winning basket. Thanks, Harvey! Their next game was the final against Two Hills and what a game that was! Although the boys were defeated 39-34 by the Two Hills team, it did not mean they weren't playing in top form. Every one was truly excellent and the game was a "thriller" through and through.

At the College dance on Saturday night, the most valuable player awards and the trophies were presented to the deserving teams. As captain of the Vermilion high school girls' "A" team, Alice Winters accepted the cup from Mr. Bentley. Lillian Wasylik and Pat Bentley received the most valuable player awards which were a pair of running shoes from Clendenning's. Honourable mention goes to every player on both teams for certain because of their wonderful playing.

Again—we're proud of you!

REPORT TO THE PEOPLE

By James A. Smith

M. P. for Battle River-Camrose Federal Constituency

Last month a rather extensive debate took place in parliament relative to a proposal to amend the Income Tax Act so as to remove therefrom the 3% floor in relation to the deductibility of medical expenses for income tax purposes. The Social Credit members supported this proposal upon this occasion, as it has done with similar proposals upon other occasions. It was pointed out that in 1944 the floor had been reduced from 5% to 4 and then again in 1953 it was reduced by a further one percent down to the present 3% floor. Those two reductions occurred during election or proceding election years, and we were somewhat surprised that the Government supporters did not see fit to support this worthy resolution. Perhaps the forthcoming budget will include some relief to those who suffer because of the unfairness of this particular regulation. Members of our group urged that payments made for drugs and medicines procured by prescription outside hospitals should be included in the list of exemptions. As the regulations now stand the cost of most drugs or medicines used while the patient is not in the hospital cannot be applied as medical expenses. We maintain that there is urgent need of doing all we can to assist all those who suffer from illness. It is to be hoped the proposed National Health Plan will provide a solution to this injustice. This resolution received the same fate as most non-Government resolutions. It was talked out. By this I mean debate continued upon it until the time set aside for Private Bills and Resolutions under the rules had elapsed and no vote upon this resolution was called.

Three other pieces of legislature concern to all the farmers of Western Canada have been before parliament. These are the Farm Loan Board Act, the Prairie Farm Assistance Act and the Canadian Wheat Board Act.

All members who spoke were in favor of the maintenance of the Canadian Wheat Board as the sole marketing agency for Wheat, Oats and Barley. However, our group urged that the marketing of flax and rye be included under the jurisdiction of the Wheat Board. We also pointed out that the Board was being held responsible for certain things over which it had no control such as the grading of our grain, which is the responsibility of the Board of Grain Commissioners, and also the inability to market all our grain which is a consequence of the marketing policies followed by our present Liberal government. We stressed the need for the appointment of a new Transport Controller with not only the responsibility but the authority required to see that there is an equitable distribution of box cars at all stations in the West.

During the debate on the Farm Loan Board Act we urged that the maximum loan be increased from $15,000 to $20,000, that the repayment period be extended from 30 to 40 years, that the interest rate charged on the loans be reduced, that the percentage of the loan granted on the appraised value be increased from 65 to 80 per cent and finally the evaluation submitted by Board officials be brought more in line with current values of agricultural property. However, the government did not see fit to recognize the value of these suggestions and refused to incorporate them in the Bill. All that was done was that the capital fund of the Board was increased by one million dollars.

The debate upon the Prairie Farm Assistance Act is still before parliament. In fact we are expecting the Interprovincial Farm Union Council and the Canadian Federation of Agriculture to make their representations concerning this Act tomorrow morning—March 12.

We also have on the order paper a resolution calling for amendments to the Prairie Grain Producers Interim Financing Act of 1956 (The Fifteen Hundred Bank Loan Act). This resolution calls for the extension of the application of this Act until June 1, 1958, and to increase the maximum loan from fifteen hundred to three thousand dollars.

We do not feel that it is fair to place the farmers of the West in the position of being forced to take advantage of these loans. The government would be far better advised to make it possible for the farmers to receive cash from the sale of their grain or failing this, to institute a workable system of cash advances on farm stored grain.

"HELLO, HOMEMAKERS"

The approach of Easter awakens the urge in every woman to buy a hat. If you are thinking about one you might welcome a few hints on choosing hats.

(1) Choose a hat in a color which you will be able to wear with all your dress clothes.

(2) Choose a hat to suit your purse, shoes and gloves. All four accessories need not be the same color; but should go well together.

(3) Choose a hat in a color and in a style which is becoming to your face and figure. To buy a hat try it on with clothes you'll wear with it and stand in front of a full length mirror. The hat must suit your whole figure. Remember that repeating lines accent each other so if the lines in your hat repeat unbecoming lines in your figure it will spoil your appearance.

(4) Downward drooping lines give a sad appearance and will cause you to look older.

(5) Buy hats in materials suitable to the season but beware of extreme fabrics which may last only one or two seasons.

(6) If your hat is used chiefly for informal wear, buy a hat which is not fussy. Fussy hats—those with sequins, pearls, are suitable for weddings and other special occasions. Less dressy hats should be worn for teas, meetings and church.

(7) If you are in doubt, hats are a definite must for occasions held before 5 o'clock. For banquets and parties held in the evening it is not necessary to wear a hat. It is up to you whether you want to wear one. For evening wear dressy hats are suitable but if you are a one hat woman stay away from the dressier styles.

(8) When you buy your hat consider if they require cleaning and how they will be cleaned.

TIP FOR THE WEEK

In order to keep felt or fur felt hats clean and fresh looking here's an easy cleaning method. French chalk can be applied and brushed off, taking the dust with it. However if you don't have French chalk apply hot flour or even corn meal to the hat and then brush it. It does an excellent job.

Order Forage Crop Seed Early!

—and avoid Disappointment!

The Canadian Wheat Board in their instructions to the Trade re quotas No. 7? have extended their quota over delivery privileges as originally outlined in Instructions to the Trade re Quotas No. 54 to the purchasers of Registered, Certified and Commercial Forage Seeds.

In addition to the above the Board will, commencing with the 1957-58 crop year, include acreages of "Soil Improving" forage crops in the specified acreage total for general quota delivery purposes.

PRODUCERS WHO WISH TO SOW FORAGE CROPS IN 1957 ARE, THEREFORE, BEING ASSISTED IN TWO IMPORTANT WAYS

1. Assistance to purchase the seed originally, and
2. Recognition of these acreages in subsequent years in calculating allowable deliveries of grain under the quota system.

It should also be pointed out that the total quantity of grain which may be delivered under the foregoing provision for the purchase of seed grain or forage seeds must not exceed the total of 300 bushels as originally outlined in Instructions to the Trade re Quotas No. 54.

CANADIAN UTILITIES LIMITED

Report from The Alberta Legislature

— By KEN MASON —

EDMONTON. — There was plenty of behind-the-scenes activity last week leading up to the astonishing division which saw the Alberta Legislature vote 28-27 in favor of holding a province-wide plebiscite on liquor outlets.

It is difficult to interpret exactly what went on, but a pattern has emerged quite clearly and the end result is obvious.

First of all, what the House did was pass a resolution directing the government to hold a plebiscite before the next session of the legislature to get an opinion from the public as to whether the Liquor Act should be broadened to permit other types of outlets subject to local option.

Unless the government ignores the direction of the legislature, which is unlikely, Albertans will be asked to vote sometime this year on whether they want cocktail bars and other new outlets.

The resolution was introduced by R. Earl Ansley, Independent Social Credit-er from Leduc, and was seconded by Frank L. Gainer, Coalition member from Banff-Cochrane.

When the vote came party lines were ignored. Fourteen Social Credit-ers and the same number of Opposition members voted in favor. It was opposed by eight Opposition members and 19 Social Credit-ers, including Premier Manning and six of his ministers.

Earlier, the House defeated by 40 to 13 an amendment by J. Harper Prowse, which in effect would have thrown out the province-wide plebiscite and instead called on the government to hold local option votes on new types of outlets.

The strange thing about the resolution is that from all indications if it was not actually inspired from the Social Credit side of the House it was certainly encouraged.

For example Edgar Gerhart, Social Credit-er from Edmonton and chairman of the liquor committee, had been drumming up support among Socred ranks for the idea of a liquor plebiscite. It should be recalled that Mr. Gerhart did not agree with his committee's major finding, that there be no new liquor outlets.

Mr. Gerhart had also been quietly promoting the idea of a resolution originating in the Opposition ranks, promising that there would be strong support for it from the Social Credit-ers. At one point it was suggested an Opposition member could introduce the motion and a Social Credit-er second it.

The big thing was that no one wanted to take the blame, and when the two independent members came along with their motion it was the ideal way to keep the question above party politics.

But, strangely enough, the wording of Mr. Ansley's resolution was changed before it reached the floor of the House. In its original form, it was worded in the standard fashion, asking the government to "consider" a plebiscite.

In its final form, it said "this legislature is of the opinion that the government should" hold a plebiscite. The final wording was much stronger and could be interpreted only as direction to the government from the legislature.

It is generally agreed among observers that the wording was changed after Mr. Ansley spoke to someone on the Social Credit side. And could any Social Credit-er possibly act without Premier Manning knowing about it?

What is the net result? Based on the fairly clear assumption that a free vote on liquor was inevitable, it was accomplished without the government taking the blame for it.

And Premier Manning, voting against the resolution as he did, kept his personal purity intact. He will be able to assure the thousands of voters who share his views on liquor that he is not responsible for whatever may happen.

Some Social Credit-ers say the resolution would have passed with a bigger majority if Mr. Prowse had stayed out of the picture. When he introduced his amendment, he attacked the government and the premier for shirking responsibility on the liquor question.

It would appear that whatever happens now is up to the voters.

A bill introduced in the House last week will mean higher interest rates on school construction loans. It will raise the rates from the present 3½ per cent to whatever rate is charged to municipalities by the new Municipal Financing Corporation. This is expected to be around 4½ per cent.

Opposition members already have complained bitterly, but Education Minister A.O. Aalborg has maintained the stand that interest rates should be in line.

Members passed a motion by Michael Maccagno, Liberal from Lac La Biche, asking for a survey aimed at developing fair and equitable commercial fishing regulations. It was passed only after a couple of amendments deleting the preamble which blamed the government for what were termed unsound and unfair policies at present.

With the budget debate over, members are working night and day in an effort to approve departmental estimated expenditures before the deadline of March 31, which is the end of the current fiscal year.

MARWAYNE

Mrs. Bystrum is ill at the home of her son Herman. Mrs. Lloyd Van Camp has been in the Lloydminster hospital but is now home. Mr. Linklater is in hospital and Geo. Davis has been operated on for appendicitis. Mrs. Reishus is out of hospital and teaching again. Mr. T. Rea was operated on last week in the Misericordia hospital and is doing favorably. Mrs. Rea came home for a day and went back to Edmonton. Mr. Rudi Isert is ill in an Edmonton hospital. Mrs. Saltzberry has been quite sick at home; Audrey Parker is in the Lloydminster hospital.

Mr. and Mrs. Sheck have vacated Mr. Doull's house.

Mr. and Mrs. M. Godawaty and family were in Edmonton over the week end, attending a cousin's funeral.

Service will be held in United Church next Sunday at 7:30 p.m. with slides of the Naramata B.C. school being shown. Mr. H. Davies of Lloydminster took the service Sunday night very acceptably. The W.A. will have an Easter tea and apron sale on Thursday, April 18th at 3 p.m. The W.A. wish to express their thanks to all who helped in any way to help make the Hobby Fair a success. Now is the time to start planning what you will do for the hobby fair next year.

In high school hockey Kitscoty defeated Marwayne by the score of 7 to 5 in Marwayne Wednesday last.

Remember the card party in the school on Friday, March 22 sponsored by the Home & School when whist and cribbage will be played.

At the Home and School meeting held March 12th it was decided to send a delegate to the H. & S. convention in Edmonton May 8 to 10. There will be card parties held the 2nd and the 4th Fridays in April if weather and road conditions permit. We had a bit of role playing in an impromptu play depicting changes from one generation to another. In the discussion which followed no definite conclusions were reached but we parents know now that other parents have some of the same ideas as ours when Junior comes out with "Well, everybody's going". Miss Baldwin's room won the book for the third time. The next meeting will be Tuesday, April 9th.

February With The W.I.

HAZELDINE — FEB. 5

Meeting held at the home of Mrs. F. D. MacLean with ten members present. Roll call answered by naming an officer of the W. I. The topic for the day, "The present endeavor, and work of the United Nations," was given by Mrs. J. Whiteside. It was decided to hold a card party on Feb. 15th and to have the draw on the wool blanket after. Mrs. W. Romanchuk had an interesting contest for the social. Mrs. W. Braithwaite and Mrs. L. Hanna, co-hostesses, served a lovely lunch.

CREIGHTON — FEB. 14

Home of Mrs. D. Wagner. Attendance 9 members and one visitor. Mrs. E. Bauer gave a health report, "Milk in our daily diet." Mrs. A. Hess gave the education report on "How to help my child succeed in school." A letter was read from the rest room committee and Mrs. E. Bauer is to attend the next meeting to present ideas on how to raise money to finance the rest room. Members decided to send a letter to our M.P. regarding the status of women re the Succession Duty Act. Mrs. L. Donnenworth won the mystery parcel.

WILDMERE — FEB. 6

Home of Mrs. Margaret Gibson. Attendance 13 members and 1 visitor, Miss Edna Craig. Roll call answered by exchange of Valentine candy. Patterns were handed out to members to make sweaters or shirts from old woollens for next month's project. Mrs. Elsie Dibben spoke on carbon tetrachloride and Mrs. J. Wallington on social services.

Miss Edna Craig as the guest speaker spoke on leathercraft. Her display of leathercraft, huck weaving and basket weaving was admired by all. Johnny Jump-up was won by Mrs. W. J. Garnett.

CLAYSMORE — FEB. 13

[illegible]

A committee was appointed to study the letter re Succession Duty taxes. Committees were formed to work on Tweedsmuir history. Social service convener reported sending four sympathy cards, nine get-well cards, flowers to the hospital and flowers for 25th wedding anniversary. Mrs. Hilda Cross was welcomed as a new member. A delicious lunch was served by Mrs. Dunsmore and Mrs. Hilda Cross.

WILDMERE BEAVERS — FEB. 9

Home of Mrs. Joannie Hugees. Attendance 11 members and their supervisor Mrs. R. Dibben.

A long and interesting meeting was held. To make the Valentine party more fun for the little ones it was decided to make paper hats. A lengthy and interesting program was arranged also for the party. Letters were received from Mrs. P. Sloan and Mrs. Swanson. It was decided that a letter be written to Miss Edna Craig, district home economist and ask her to come to one of the meetings and talk on handicraft.

FIVE POINT — FEB. 14

Home of Mrs. John te Kampe. Attendance 15 members and two visitors, Mrs. Fred Prill and Mrs. Mislk. Roll call answered by displaying hand made articles to be held in reserve until bazaar time. Social welfare convener reported sending one get-well card and two sympathy cards. Correspondence followed and circular on "drop outs" and "Status of Women re Succession Duty Act" to be tabled until a later meeting. The parcel of remnants from Eaton's for bazaar work received. Mrs. te Kampe report on rest room meeting. Mrs. Tom Wannop, a guest speaker, gave a report on the cancer film held in Mannville on Jan. 22. The programs were nicely typed by Miss Ruby Hawley and a note of thanks and a small gift was presented to Ruby.

THE PROVINCIAL AUDITORIUMS

Much has been said, recently, on our new Provincial Auditoriums located in Calgary and Edmonton. Both will be opened on April 28th with special Dedication programs arranged for the entire week. Three items in connection with the auditoriums should be known to all Albertans.

TESTING AND TUNING

A Testing Concert has been arranged for Edmonton on the morning of April 8th. This is not a "tickets available at the box office" program nor is it "open to the public". It is an "invitation affair" and there is a very good reason for it being so. All new auditoriums require a series of tests during construction and a final test concert shortly before official opening. They are necessary in order to ensure an acoustically perfect auditorium. It has to be tuned and only after the completion of a hall test concert can the experts be sure of the need for a so-called "tuning" or deliberate alterations. From the results obtained in Edmonton tuning of the Calgary Auditorium can also be arranged without another concert.

HOW ARE THE INVITATIONS HANDLED? The audience for the test concert, for acoustical reasons, must be limited to a two-thirds capacity of the auditorium. This will mean a careful selection of all applications for participation. This will ensure that among the many prospective applicants only the most sincere and highly musically minded will receive invitations.

The total test capacity of the audience is established as high as 1,800. Included are 150 people (members of the choir), and 100 to 120 who will represent the musically and physically trained professional world such as music teachers, organists, choir and band leaders, university personnel, scientists and research workers, music critics, etc. The remaining majority will be the musically minded general public: members of musical societies, drama groups, clergy, university students of graduate classes, etc.

Alberta citizens interested in attending the test concert may receive an application form on request to the office of W. H. Kaasa, Co-ordinator of Cultural Activities, Legislative Building, Edmonton, or telephone 293470.

SUNDAY—DEDICATION WEEK

Dedication ceremonies and a special program have been arranged for Sunday, April 28th, at the Provincial Auditoriums in Calgary and Edmonton. Tickets for this day only will be distributed free of charge on a pro-rata basis according to Provincial areas.

Citizens of Alberta will be asked to write, requesting seats. Only two (2) tickets will be reserved for each application and according to the pro-rata area allotment. Admission will be by ticket only. Further details on the handling of all tickets will be advertised in this paper next week.

While Sunday tickets are free, tickets for all other performances during the dedication week are to be sold.

DEDICATION WEEK
(April 28 - May 4)

All details of the Dedication Week Programs are just about ready for release. On Sunday the buildings will be dedicated and officially opened. Special programs have been arranged for that day. The balance of the week will feature programs every evening as well as matinee performances. Local artists appear in all presentations and Guest Artists and Hollywood Stars will participate.

Tickets for Sunday will be distributed free of charge (see above) and for the balance of the week will be on sale at box offices, downtown ticket offices in Calgary and Edmonton, and by mail order.

ZONING BY-LAW
Town of Vermilion

TAKE NOTICE that the Council of the Town of Vermilion proposes to pass a Zoning By-law in accordance with the provisions of the Town and Rural Planning Act, 1953.

The proposed zoning by-law is required, amongst other things, for the purpose of:

(a) Dividing the municipality into districts.

(b) Prescribing the purposes for which buildings and land within a district may be used and prohibiting or regulating the use for any such purpose.

(c) Regulating as to any district
- (i) the height ground area and bulk of buildings
- (ii) the depth, size or areas of yards, etc
- (iii) the size of rooms and the means of lighting and ventilating buildings

(d) Prescribing as to any district the minimum size of parcels into which land may be subdivided, and the minimum site area required for any particular
- (i) class of use, or
- (ii) size of buildings, or
- (iii) use to which a building is or may be put.

(e) Prescribing building regulations.

(f) Controlling the design, character and appearance of buildings erected in a district.

(g) Prohibiting the erection of any building until provision has been made for the supply of light, water, sewerage, street transit and other facilities, or any of them.

(h) Regulating the public display of advertisements.

(i) Prescribing a system of building permits.

A copy of the by-law (and of the map) referred to therein is deposited at the office of the Secretary-Treasurer and may be inspected at all reasonable hours.

At 7:30 p.m. on Monday, the 1st day of April, 1957 the Council will hold a public hearing at the Elks Hall at which objections to the proposed by-law may be made and discussed.

Dated this 12th day of March, 1957.

36-7t THOS. WILSON, Secretary-Treasurer.

TRAGIC FIRES

All too often, as the culprit responsible for a tragic fire the chimney is the only thing left standing when the flames have gone. This season of the year, with the constant variation in heating requirements, plus the accumulated debris resulting from winter-long heavy usage stove pipes, furnace pipes and chimneys are cleaned and a inspection as fire source suspects. Alberta is well to the fore in the national ratinek of property saving. Alberta's drop is 7% in 1955 and 25.7% in 1956 fire deaths, to 31 persons from 42 in 1955. National death toll in 1956 was 545 compared with 1955's 589. These figures are more striking when the increase in population and construction is considered. The office of the Fire Commissioner of the Alberta Provincial Secretary is active in fostering improved fire fighting services and fire preventive efforts in this province's municipalities. The office is ready to assist individuals in organizations in the general requirements of fire prevention inspection work, covering all building and structural matters, heating, fire detection and fire extinguishing, as well as on a municipal level in outlining fighting equipment necessities and training.

Edmonton Spring Livestock Show And Sale Opens March 25th

Edmonton's forty-sixth annual Spring Live Stock Show and Sale will be held March 25 to April 2, Edmonton is located in the centre of a very large and rich mixed farming area because of this fact the nature of the Spring Stock Show and Sale differs somewhat from other similar shows held at this time of year.

Edmonton's Spring Livestock show and sale of the three beef breeds also has a purebred female sale In past years the female sales have been very good both from the standpoint of demand and price Farmers in this area seem to prefer buying females in the spring rather than the fall. There is an outstanding entry of top quality bulls and females of the three beef breeds This then is an opportunity for prospective buyers to pick really good herd sire or a foundation herd of females.

As well as having the ordinary purebred sale cattle Edmonton has pioneered the Futurity which has grown very rapidly from the standpoint of demand with the breeders. It is primarily a commercial sale where the whole the sale factor does not enter into the show.

The Junior Futurity is in its third year of operation. The idea in this is to encourage the use of purebred bulls on the commercial herds and Council members voiced strong protest at the 1956 increases which would cause a large hike in property taxes in

Junior Futurity	459
Futurity cattle	200
Commercial cattle	429
Purebred cattle	285

POTENT WEED KILLER

New weed killer destroys poison ivy and Canada thistle after one application, and within one season reports The Financial Post. Poison Oak takes maybe two seasons. Manufacturer claims the chemical is not harmful to humans, animals, soil or crop plants if used in correct concentrations. Won't corrode sprayers.

WOODVALE NOTES

Church services were held at Gaston school on March 10 by Rev. Nugent of Edmonton. Advance notice by the health nurse with a call for all children to be nothing worse than a bad cold.

Mrs. R. McQuid is organizing a 4-H Garden club in the district. Quite a few girls have joined, with three more to be formed next on the line of writing This will be the first 4-H club in this district. We wish Mrs. McQuid and the girls a very successful summer.

What about the boys? Are there not enough 12 year olds and older who would like to start a 4-H club around here

Mrs. A. McQuid returned after a stay of several weeks with her daughter Marion in Edmonton. She brought back with her several sample booklets from which the Red Cross ladies will make quilt blocks

A lecture on floor coverings, how to choose and care for them, was given by Miss Craig, our District Home Economist on March 13th at the home of Mrs. R. McQuid, and proved very interesting and informative A Pot Luck supper meeting preceded the talk and the members enjoyed the afternoon of relaxation and the very dainty lunch and social hour afterwards Mrs. Watson thanked Miss Craig for coming out and it is hoped we will have her again at some meeting or other in the year. The next meeting and quilting bee will be held at the home of Mrs. Betty Lysons on April 3rd

Herman Krueger is back in Vermilion but has not got out to his farm south of Tulsland yet.

Friends of the former Nell Gaston, now Mrs. A. Kulak of Edmonton, will be glad to hear that she had a baby boy March 7th.

Watch for a local Golden Wedding anniversary and a marriage announcement in this week's Standard

Elmer Wolters is working in the Fuel garage in Vermilion while some of the staff there are in Calgary for a course at the Technical school

"Sincere sympathy is extended to Mr and Mrs. A. Dumnik on the death of the latter's mother, Mrs. Oda.

The nurse of the Pelletier family to Periguel, Sask. has been successfully completed It took several trips to move the family livestock and feed the 400 miles especially as there is so much snow around Periguel as we had here last year to Miss Marie Benoit accompanied Art and the two oldest children Annette and Marcel on the last trip.

Unless hall and Gaston hall had a lecture on co-operatives and one on the Wheat Pool respectively Both meetings were well attended and the pictures shown were much enjoyed as well as the lunches served afterwards.

V.S.A. Achievement Day Next Wednesday, April 3

The Vermilion School of Agriculture staff and students will be hosts to the general public next Wednesday afternoon, April 3, on the occasion of their annual "Little Royal and Achievement Day", starting at 1:30 p.m. It is at this time each year, a week before "Graduation Day", that the Mechanics building is adapted for use as a livestock ring where students show the animals they have trained and groomed. The judging at Little Royal is not based on the quality of the animals but on the work of preparation and training of the animal and the manner in which the boys handle the animals in the ring. This year W. H. T. Mead, Livestock Commissioner of the Alberta Department of Agriculture, and Jonathan Fox, well known livestock breeder of Lloydminster, will be the judges of the student showmanship. V. T. Janssen, Animal Husbandry instructor at the Vermilion School is in charge of the arrangements for the Little Royal.

The Little Royal is a demonstration of some of the work done by the livestock classes at the school. Other class work, both in Agriculture and Home Economics, will be displayed in their respective classrooms and laboratories. Most of the Home Economics work will be shown in the college building. Although the Science and Dairying laboratories will be open for inspection that building also Samples of the type studied by the Field Crops class, and the Horticulture work, in the Agronomy building, will give an idea of the course of studies in that line.

The Mechanics building as well as the Little Royal, will have a display of the chick brooder in which there will be about 300 chicks, plus a demonstration of chicken raising methods, as part of the Poultry course. The public will be able to inspect buildings and poultry projects made by the students throughout the term. A display of electrical and mechanical work may be seen in another part of the building.

PUBLIC INVITED

Everyone is cordially invited to attend the "Little Royal and Achievement Day" next Wednesday, but it will be of particular interest to the parents of the current students and those whose children may be planning to attend the school Several 4-H clubs are expected to take this opportunity to view the type of work and instruction that make up the course of study at the School of Agriculture. Tea will be served during the afternoon.

Proposed Teachers' Salaries Cause Concern To Council, School Board

A meeting of representatives of the Board of the Vermilion School Division No. 22 and the Council of the Municipal District of Vermilion River No. 24 was held in Kitscoty, on March 21st. A teachers' salary schedule calling for a 5-mill increase in taxes was the spark that touched off a heated discussion when School and Council members voiced strong protest at the 1957 increases which would cause a large hike in property taxes in the face of popular demand for "holding the line" expressed by the Municipal Councils at the annual Municipal meeting. A resolution receiving unanimous support from the electors at the meeting on February 16 — "that the support of the Council and the School Board that we do not raise the overall mill rate" — was forwarded by the Vermilion Local of the Alberta Teachers' Association would appear to conflict with the expressed view of the rate-payers in the School Division. At the municipal annual meeting, discussion took on so much of the local and school business that Hon. A. O. Aalborg, Minister of Municipal Affairs, who was prompted to remark that "a great deal of the discussion carried on today was of a nature that would be more fitting at the annual school meetings."

The school board has submitted an application for the use of the Vermilion Local of the A. T. A. and the results of this request to receive will determine the next move in this critical situation.

93 Years of Age, Makes Return Trip From England

J. G. Tillett, well known Vermilion citizen who is now 93 years of age, reached Vermilion on Sunday night after a return trip from England. Mr. Tillett went to England last June where he has since visited one son and one daughter whom he left at Camberley Surrey, 30 years ago.

The return trip was on board the new Canard liner Carinthia on the maiden voyage. Arriving in Mr. Tillett the Carinthia is a truly wonderful ship with luxurious appointments throughout, and with no rocking motion on the water. Mr. Tillett boarded the boat at Liverpool and disembarked at Halifax.

Despite his 93 years Mr. Tillett made the long journey unattended.

Record Jackfish Vermilion Lake

A big jackfish caught by Jimmy Sinden at the Vermilion Park Lake on Friday last set a new record for the season. The pike was 31 inches long and weighed in at 11 pounds. The fish was a real big one.

Jimmy is a consistent fisherman spending a lot of time on the lake. He was fishing below the bridge at the time and was using a red Daze-Devil lure when the big fish struck.

Overflow Crowd Enjoys Concert By Princess Patricia Band

An overflow crowd packed the Vermilion Legion auditorium on Tuesday evening last when the Princess Patricia's Canadian Light Infantry Band, claimed to be one of the finest in Canada, rendered a highly enjoyable concert. The band fully lived up to advance notices and the selection of music here delighted the very appreciative audience.

Directed by Lieut. H. A. Joffrey the entire program was a nice blending of popular and novelty numbers with sacred and classical renditions

Each and every number seem to delight the audience The selections featured the xylophone solos, the piano and the trumpet. The renditions of Western tunes, the Anvil Chorus, the songs given by the Glee Club section which excelled in that many all met with acclaim by the large audience.

On behalf of the town of Vermilion Mayor A. Dewhirst addressed the crowd briefly, commenting on the entertaining program enjoyed and inviting the band back again to play in the Park bandshell.

Tom Timpson, president of the Canadian Legion who sponsored the appearance of the band on this occasion also expressed his pleasure at the reception given and thanked the band for the fine program He also announced that a silver collection would be taken at the door on leaving, with proceeds for the Legion polio fund

Bishop of Edmonton To Conduct Service At St. Saviour's

The Right Rev. H. H. Clark, Bishop of Edmonton, will be making his annual visit to the Anglican Parish of St. Saviour's on Sunday, March 31st. His primary purpose is to conduct the Confirmation service at 7.30 p.m., as well as to meet again the people of the parish at a reception which the church hall following the evening service.

During the day he will also speak to the children of the Sunday school at their regular opening session, be present at the 8.30 a.m. service of Holy Communion and conduct a service of Holy Baptism at 2.30 p.m.

Const. Docking Speaks To Rotary

On Friday Const Frank Docking of the R C M P detachment addressed the Vermilion Rotary Club. Constable Docking related the history of the force from its organization in 1873 until the present day.

It was the intention of the government that the corps be called Mounted Riflies for Sir John A MacDonald, Prime Minister of Canada, personally changed the name to the Northwest Mounted Police. It was later given the honor of the addition of the word Royal. Then in 1920 it seemed appropriate to change the name to Royal Canadian Mounted Police because the force was then national rather than west-ern.

Constable Docking told of the activities during the days before the Riel Rebellion and the part the force played in putting down the uprising.

In Introducing Const Docking Rotarian Bill Sunderland related the arrangement between the Rotary Club of Vermilion and the R.C.M.P. for policing Over the years this agreement is proving to be quite satisfactory

Rotarian Reg Mitchell thanked the guest speaker for his fine address

Ross Beake stated that arrangements for the second annual charter night have been completed To celebrate the occasion Rotarians and their wives will meet at the Senior Citizens' Hall on Tuesday, April 23rd. Agriculture for a banquet and dance on the evening of April 12 will be the scene of the Vermilion Curlers Unbeaten At Wainwright Bonspiel

Vermilion Curlers Unbeaten At Wainwright Bonspiel

The group of Vermilion curlers shown above established an unbeaten record at the Wainwright bonspiel two weeks ago winning 11 consecutive games to bring home the Grand Challenge and the Visitors events. Sixty-nine rinks competed in the 'spiel and there was plenty of real competition. First left to right the boys are skip Daryl Curran, third man Roger Rowe, second George Webb Jr. and lead Ted Mardfeld

All Tenders For Iron Removal Plant Building Declined by Council

At a regular council meeting held on Monday, March 18th all tenders for the iron removal plant building were declined due to the tenders being much above the engineers' estimates.

The tender of Ackerman Construction for the duplicate water supply line and sewer work, in the amount of $13,535.40 plus un-claimed water allowance for a total of $14,975.10 was accepted and the 10 inch and 6 inch pipe to be used. The work is to be com-pleted by July 31, 1957.

In attendance at the meeting were Mayor Hill, Crs. Lache Chalmers, McCormick, Sutherland, Rowe and Thompson.

Minutes of the statutory meeting held on March 11th were accepted as read.

Correspondence: The Dept. of Municipal Affairs re appointment of auditor; Civil Defence re Dominion wide exercise; Fire Commissioner re insurances; CNIB re Miss Alice Hamlyn, Director of Assessment re assessment equalization.

The following motions carried That a tax sale be held May 14th 1957.

Lot Sale: That Lot 1 Blk 4 Plan 5766AY be sold to G. E. Taylor for the sum of $250 subject to the usual building by-law.

That the Certificate of Title be issued to NHA as soon as an agreement is entered into and development is ready to grant.

That W. J. Maguire be granted permit to erect a private house on Lot 1 Blk 35 Plan 1995.

That the town crew be instructed to impound all dogs without licenses.

That the tender of Ackerman Construction on the duplicate water supply line and sewer work, in the amount of $13,535.40 plus un-classified work allowance for a total of $14,975.10, be accepted and that 10 inch and 6 inch pipe to be used. The work is to be completed by July 31, 1957.

All tenders for the iron removal plant building to be declined in view of the high tenders and the cheques to be returned to the tenderers.

It was agreed that the Public Works committee investigate the possibilities of off street parking on the south side of Block 8.

The meeting adjourned.

Young Vermilion Stockmen Dominate The Edmonton Show

Meeting competition from all parts of Alberta, four young stock judges from Vermilion dominated the fat stock classes in the Edmonton Spring Live Stock Show and Sale this week. These youngsters followed close on the heels of the winning of the Grand Championship in the beef classes at Calgary last week and constitute an amazing story of the achievements of Keith and Louise Barr, and Billy and Betty Robinson. The record of wins of these young stock fanciers at Edmonton to date this week follow:

SHORTHORN CLASS

Heifer Calf—Keith Barr.

Junior Heifer Calf—Billy Robinson; 3 Betty Robinson.

HEREFORD CLASS

1 Keith Barr.

Keith thus advanced to the Junior championship. Their two calves, along with Billy's, constitute a strong entry in the Grand Championship for beef animals, with Keith's reserve grand prize to the Shorthorn calf class being beaten only by brother Keith.

SENIORS WIN

Mary Williams was third prize with his group of five beef and milk. Billy Robinson placed fifth in the fat ox class with Shorthorn and Hereford steers.

Billy and Betty Robinson are son and daughter of Mr. and Mrs. Jack Robinson, while Keith and Louise are son and daughter of Mr. and Mrs. Maxwell Barr. Keith invaded the Calgary show last week and came home with the Grand Champion-ship for beef animals, with Louise taking second prize in the Shorthorn calf class being beaten only by brother Keith.

Canadian Legion Activities

President Tom Thompson gave a Vermilion Branch Canadian Legion wishes to thank Cpl Ferguson for the splendid turn up for the D.F.C. band concert. The silver collection added considerably to the Polio fund, which is being sponsored by the Legion

DANCE

On April 6th at 8.30 p.m. the Canadian Legion ladies' auxiliary will be sponsoring a dance April 6th at 8.30 p.m. Legion members and their friends at the Memorial hall and Legion rooms. All members and friends are welcome to attend. Refreshments and novelty dances will be featured. Tickets for the banquet must be obtained before April 5th. Tickets will be for sale at the door.

MEMBERS WANTED

There are still quite a few veterans in and around Vermilion who do not belong to the Legion. Why not come in and join up before we have to go after you? Many of the good work done by the Legion is done for ex-service men and women who never belonged to the Legion

Junior Legion Activities

The grade 6 classes sponsored by the Legion auxiliary held their annual basketball parties at the Legion hall on Friday afternoon. Teams from Mackenzie, Clyde Kerr and Vermilion schools took part. Each team played two games. Vermilion Kerr School won the first game and Vermilion Mackenzie won the second game. Refreshments were served to the players and spectators by the Legion ladies auxiliary.

The Vermilion Kerr School team which won the first game was composed of Ronnie Kerr, Ronnie Kerr, Ronnie Kerr,

COMPILING AN AMAZING RECORD—

Livestock raisers in the Vermilion district continue to compile an amazing record of success with their fine cattle, purebred bulls and beef stock, at the largest shows and sales.

This spring the young stockmen, both boys and girls, have carried on, adding many laurels at both the Calgary and Edmonton spring shows, and while they have been in the spotlight, many fine bulls from this area have brought far better than average sale prices indicating the superior stock and stock raising ability predominating in the Vermilion area. Already fortunate in having many interested in purebred cattle each year sees more farmers entering this avenue of agriculture.

The success of Keith and Louise Barr at both Calgary and Edmonton, and of Billy and Betty Robinson in Edmonton is an outstanding achievement, and one which is bringing plaudits and congratulations from all over this section of Alberta.

—

"World Affairs" a magazine for students published in Toronto, in dealing with the population and various features of Alberta, has this to say, and we quote "The capital city is Edmonton. Some other important cities are Calgary, Lethbridge, Medicine Hat, Drumheller, Vermilion, Grande Prairie, Stettler and Macleod."

—

The Lord's Day Alliance contends that "responsible citizens must recognize the importance of maintaining Sunday freedom from ordinary activities." The Alliance claims that such freedom allows the "forces of religion" to influence the character, and to lift the ideals of Canadians.

Vermilion, Alberta
March 23rd, 1957

The Editor of the Standard,
Vermilion, Alta.

Dear Mr. Cooper:

In reading the classified ad. section of the Standard of March 21st I noticed that the town's first church, originally Methodist and now owned by the Gospel Brethren, will shortly be moved away or torn down. Last fall when the 50th anniversary of the United Churches was being observed in Vermilion, a great deal of attention was paid to this same building. It was apparently the first church in a wide area, not only the scene of the early services in the town held by several denominations, but also of some of the first social events.

Now it is going to be torn [illegible]. Would it not be possible for the town to preserve this as an historical site? It could remain in its outward form and the interior house a museum. The grounds could be beautified and kept by the Horticultural Society aided by a small grant from the town, or by some fund raising project.

No doubt the Gospel Brethren would accept a different location in trade for their new building as little would be realized from the sale of the first church. I have many fond memories of this building.

Maybe we do not value it now but in a very short time we will wish that a little foresight had been used in this case and our first church preserved. Those interested in the proposed historical society would do well to take this up now - next week will probably be too late.

Thanking you, Mr. Editor, for your space.

Yours truly,
Sentimental Old Timer.

FARM ACCOUNTS CLASS

For three days April 10 11 and 12 classes will be held on farm accounting in the D.A. office. Anyone interested should let me know by April 8th as there is only room for eight people at one time. Ladies will be welcome as they often have to do the accounting. The classes will be from 8 p.m. to 10 p.m. Income tax cannot be made up properly unless a good set of accounts is kept.

TRASH COVER

Last year damage was done by wind and water erosion on quite a few farms in this area. The best way to check soil erosion is to keep plenty of straw and stubble worked into the surface soil. There is really no excuse for soil erosion if anyone has plenty of trash on top and keeps the soil lumpy instead of working it too fine.

BURNING STUBBLE

There is very little stubble being burned in this district. Nearly everyone is aware that it is a mistake to burn stubble. It is against the law to start stubble fires unless a permit is obtained, so anybody thinking of burning stubble should get the permit first. They are not too easy to get.

KILL THE GOPHERS NOW

Someone said they saw gophers this week. It would be better to poison them now instead of waiting until the family arrives. Then brothers and sisters and cousins too will be eating the crop unless poison is put out.

[illegible]

Wireworms can be found in the soil on every farm in this [illegible]. They cause far more damage to crops than we think. Seed can be treated so that most of the wireworms are killed.

IODINE FOR PIGS

Everyone knows that sows in pig should get potassium iodide daily but does everyone give it to them? There are less dead pigs when iodine is supplied and the ones that are born alive will be bigger and stronger. Get a circular from this office on feeding sows and handling litters.

Bowtell Bulletin

Since writing our last news we are sorry to report a few on the sick list. Our Pleasant Valley reporter spent some time in the Islay hospital and is to go to Edmonton for further treatment in the near future.

We are pleased to learn at time of writing Mr. Hardie is feeling some better after an emergency operation in the Vermilion hospital Saturday night.

Mr. and Mrs. Williams left Monday by bus for the Coast as Mr Jenkins is quite ill having suffered a stroke.

Her many friends here will be sorry to learn Miss Mary Gow is ill in the Royal Alex. hospital in Edmonton.

To each one our best wishes for a quick return to good health.

We are pleased to have Mrs. M. Risdale back in our midst for a visit. She spent a few days with son Eddie and family of Rochester and now is with son Bernard and family in town.

The writer and family were pleased to have Mr. Gow and George visit us Sunday evening.

Some 17 attended church Sunday despite bad roads. We were pleased to have Mr. and Mrs. Fooks and Mr and Mrs. J. Thompson with us.

Mrs Knutson spent a few days in Edmonton this week.

The Lippert family will soon be leaving Bowtell having recently sold their farm.

We enjoyed a visit recently with Granny and Grandad Jones, they have a very comfortable home in town.

Miss Donna Rae Harrison completing her business course the first week in April has a job all ready with the Husky Oil Co. of Lloydminster.

It must be spring, folks: the crows and blackbirds are back with us.

Less Freight

So far railway Car loadings have been running lower this year, reports The Financial Post. Number of freight cars loaded from beginning of January to February 21 total 520,198, down 5.4% from last year. This is due only in part to effects of CPR strike in January. Loadings in week ending February 21 off 8.5%. These items carried in smaller volume in most recently reported week: grain, coal, lumber, crude petroleum. Bigger loading of pulpwood and newsprint not enough to offset other declines.

RHEUMATIC FEVER

Many parents worry about rheumatic fever and want to know how they can protect their children from it. Fortunately, the chances of your child getting it are slight only a few out of every 100 children do. It is a [illegible] to be and less likely to be fatal. It is not communicable. You don't catch it by being around someone who has it.

Rheumatic fever attacks the heart and joints particularly and is the cause of rheumatic heart disease. It is also believed that some people are more susceptible to it than others and that it runs in families. It seems to be more common among families who eat less of the right foods that are needed, or who are exposed to cold, wet, and chilling.

It often develops when colds, sore throats, and other nose and throat illnesses caused by streptococcal germs are prevalent in the family or the community. Some authorities believe that children who develop it have a special sensitivity to streptococcal germs.

As a rule, rheumatic fever begins at about ages 5 or 6. Some children have only one attack, while others keep on having them. Unlike other childhood diseases, such as measles or chicken-pox, it tends to recur. With some children, the attacks come farther and farther apart and finally stop during the teens. Adults, too, have rheumatic fever. Most authorities believe that rheumatic fever in adults is a recurrance of the first childhood attack.

THE START

Rheumatic fever usually starts from a *few* days to about *four* weeks after a streptococcal cold or sore throat. The early signs may be very mild. Some of them which appear alone or in combination are pallor, poor appetite, repeated nosebleeds, failure to gain weight, low fever which hangs on, and complaints of pain in the arms, legs and abdomen.

RECOVERY

[illegible] inflammation of the heart almost always occurs during an attack. Occasionally, a child recovers without any heart injury, sometimes the injury is so slight that he can soon get back to normal living, but at other times the damage is lasting.

The big thing while getting well is to give the heart the best possible chance to make a good recovery or to escape injury altogether. Bed rest gives this chance. During this rest, the heart is spared unnecessary work. Weeks or months of rest may be required. Even though the attack is mild and the child seems well he should be kept in bed while the disease is active and during convalescence, always until the physician says it is safe to get up.

MAKING IT INTERESTING

It is not easy for a child to stay in bed when he begins to feel better, as he is likely to after the first few weeks of illness. It isn't easy for his parents either, but a cheerful attitude will encourage the child to [illegible] and co-operation.

Pleasant surroundings help a sunny room if possible, some growing plants, a bowl of fish. Being comfortable also matters: a good prop when sitting up in bed and a bedtable on which to work and play.

Occupation for waking hours should be planned. Reading, radio programs, games, modeling, sketching and making scrapbooks are some pass-times. If a visiting nurse is coming, she may have other ideas for keeping the child happy.

BUILDING UP

Once a child has had rheumatic fever, he needs constant protection from streptococcal infections of the nose and throat the forerunners of another attack. He should be kept away from anyone with a cold or sore throat.

A well balanced diet, plenty of rest, play and sunshine all help to build up resistance. Warm clothes for protection against cold and wet weather are needed. The child should have regular checkups by his physician so that prompt treatment can be started if he is run down.

BEING NORMAL

Every child wants to be like other children and do the things that they do. So when he recovers, he should be encouraged to have a good time at home, at school and at play. Of course he will have to go easy on some activities if his heart is seriously impaired, but he may still enjoy many of the same pleasures if his rest and play is planned carefully.

Wins Master Merit Certificate

Mr. T. H. McCauley of the Searle Grain Company Limited at Claysmore has been awarded a 'Ten Year Elevator Master Merit Certificate'. This award is granted by Grain Insurance and Guarantee Company in recognition of proficiency in the care of grain elevator premises and to earn this, an elevator agent must have a perfect record of ten consecutive years.

Inspections of all plants insured by Grain Insurance and Guarantee Company are carried out by Affiliated Inspection Bureau Limited. This organization for the past twenty years has majored in the inspection of grain elevators, flour and feed mills and other properties, and its service is acknowledged as being thorough and exacting. Winning the award is therefore recognized as a definite achievement by the grain trade generally.

Paradise Valley

Congratulations to Mr. and Mrs. Russ Embery and Mr. and Mrs. Vern Phillippe on the birth of daughters born in the Lloydminster hospital recently.

Mr. and Mrs. Oliver Vennance and son Laurie of Grand Centre spent the week end at the W.A. McLean home.

Mrs. Hazel Hewson of Chilliwack, B.C., is visiting with friends in town and district. It is quite a few years since Hazel left Paradise Valley.

Mrs. Maud Mayo is visiting with friends in Edmonton and district for a few weeks.

Mr. Frank T. Ball who is not enjoying the best of health, has gone to Victoria, B.C., for a rest. We hope the change will do Frank some good.

We wish to extend our sincere sympathy to the Nelson family on the tragic death of Norman last Sunday. The funeral was held on Friday.

Patients in the Lloydminster hospital during the past week included Mrs. E. L. Kragness, J. Rayson, Peter Brown, Mrs. W.J. Wiley and Mrs. Lloyd Thomas.

Mrs. N. Ruttan of Hinton, is visiting with Mr and Mrs W. P. Davidson. Mrs. Ruttan reports that all P.V. people now of Hinton are doing well.

We hear with deep regret of the death of James P. Swayne at his home at Clearwater in Idaho. We understand that his death was very unexpected. Mr. Swayne farmed just south of the town for many years and returned to the States around 1925. Mr. H. E. Swayne of Paradise Valley is a brother. He also leaves his widow, two sons and three daughters all living in the States. Our sincere sympathy to the family. We have known Mr Swayne for many years and feel that we have lost a very special friend.

Mr and Mrs Roy Stewart arrived back home on Friday afternoon after Mr Stewart's stay at the Lamont hospital where he was taking treatment.

Mrs Charles Arnold and Mr and Mrs. W. E. Mason have returned to their homes at Toronto and Barrie, Ont., respectively.

On Friday evening the old timers came in to their own when the Ladies' Hall club sponsored a real old time dance. Loy's orchestra of Marsden furnished the music. We hope to see this orchestra back again at a future date.

NEWS from ALLANDALE

The weather? Quite favorable for March, a few days of below zero, otherwise mild.

The W.A. meeting on the 14th was well attended, 11 ladies and six men. The bazaar work was handed in, plans for our supper and bazaar were discussed. It will take place sometime in July. There will be no April meeting, and the May meeting will be at the Throndson home in town on the afternoon of the 9th. Lunch by Mrs. Baldock and Mrs. Nelson.

FAREWELL DeJONG FAMILY

There was a gathering of almost seventy people in the school on March 15th for the Red Cross card party and a farewell for Mr. and Mrs Casey DeJong and sons. Due to lack of time the two were combined. On behalf of friends and relatives Mr. George Mead presented the family with a set of dishes and expressed for the community, regret at their departure and wished the the best in their new home. Mrs. West on behalf of the Princess Anne W.I. presented Mrs. DeJong with a cup and saucer and guest book. Casey and Ida thanked al very much for their kindness. The family have moved to Calgary. Card winners were: Ladies, Mrs. Leon Roberge, Mrs. Wm. Hall and Mrs. Joe Parchewski. Men, Wm. Hall, Vic McKee and Casey DeJong. Proceeds from the party amounted to $13.50, donations for the Red Cross $30 making a total of $43.50.

The Dobberthein family, Mary Jane, Cathie, Michael and Keith from the city spent the week end of the 16th at the McPhee home. Their parents were visitors at the David home in town. The family enjoyed seeing the Arabian horses, especially the colt, it was the first one they had ever seen. Mr Ryan Jr and Miss Mathison from Dewberry called the same day.

The Allandale Church board met at the McPhee home on the evening of March 19th. It was planned to do more work around the church this summer including fencing, landscaping and a porch. A letter was received from Mr Darwell Welsh recently. He wishes to be remembered to all his friends. He won't be coming west this spring. Lunch closed a pleasant evening, thanks to Mr. and Mrs. McPhee.

A pleasant evening was had at the George Mead home on March 2nd where part of the W.I. card party was played. The prizes there went to Mrs. D. Strome, Mrs Geo Mead and Mrs F. Throndson; Orley Omness, Gus Throndson and Allen Good.

Jack Cross and Louis Baldock left March 16th for the Calgary Bull sale, taking five purebred Herefords. They returned on the 23rd. From all reports the sale and trip were very successful. They will also attend the Edmonton sale.

It was a pleasure to note one of our ardent church worker's name, Mr Ernest Schurman of Vermilion on the back cover of our church book, "The Upper Room", a prayer — Assurance of God's presence".

Last Sunday Mrs. Baldock accompanied the Klashinsky family to the city to spend the day with daughter Beryl and Tommy.

The last word received from the J. Nelson's and Curtis' was to the effect they were in Texas and soon to leave for California.

There will be a whist drive in Allandale school on Friday, Mar 29th. Proceeds to aid the community centre.

Congratulations and very best wishes to Mr. and Mrs. Wm. Armstrong on their 44th wedding anniversary, March 25th.

Little Dever DeFord has been taken to the Elk Point hospital again. He was taken home on again. He was taken home on back on the 22 to the hospital. Best wishes from all for a complete and quick recovery Dever.

Closing thought: "The Bible is for people of every race and nation upon earth. It is a household book, a home book and a heart book."

Wildmere Women's Institute Notes

Wildmere W.I. met at the home of Mrs. Fred Haines with eleven members present. The meeting opened with O'Canada and The Creed. Roll call was answered by the name of an Irish song.

Business arising out of the minutes of the previous meeting. Mrs. Holte said Mrs. Cosh was going to the college to get a base put on the handicraft cup by Mr. Folk. Mrs. Wallington reported still no word re C.A.C.'s subscription she had sent in.

Correspondence: Mrs. Rendell our handicraft convener read a letter from Mrs P. Sloan on where to get crochet thread. In case there are some who do not know we enclose the address:

IRISH LINEN SHOP
10438 Jasper Ave.
Edmonton, Alberta

It is called D.C.M. No. 150 Cardinette Special 581 yards and price 70 cents.

Mrs Garnett then gave the Treasurer's report. It was accepted by Mrs Haines and Mrs Holte. Mrs W. J. Garnett then the paper "Drop Outs From School" and the questionnaire was filled in.

Many were pleased to hear the A.C.W.W. is to be held in Ceylon in July. This world wide meeting had to be suddenly called off last December owing to the trouble in that part of the world.

On a motion by Mrs. Haines and Mrs Gibson a donation was sent to Mr and Mrs. A. Robinson who lost their home by fire.

A donation was given to Mrs. Rendell in memory of her late husband.

A short discussion on "Wills" a talk given by Mr Richardson at the short course at the School of Agriculture took place.

Our project for April is a donation to the Alberta Women's Institute fund.

A bake sale will be held Saturday, April 20, the place to be announced later.

The topic was given by Mrs. N. Garnett on Mrs Hoodless, our W.I. founder. [illegible] was won by Mrs. R. Dibben.

Mrs. Garnett then gave us a talk on work at the hospital. Our president Mrs W. Garnett heartily thanked her. Meeting closed with the Queen.

The next meeting will be on April [illegible] at Mrs. A. Holte.

Roll Call: Emblem of Easter Season. Topic: Mrs W. J. Garnett. Hostesses: Mrs. Cosh, Leach, Mrs. W. J. Garnett, Mrs. N. Garnett, Mrs. W. F. Garnett.

Plenty of Topics Are Discussed At Dewberry Home and School Meeting

DEWBERRY — The Dewberry Home and School met on March 14th with 21 members and several visitors present.

Minutes were read and adopted and financial report was presented. There was much spirited discussion as to how money on hand in the treasury in June should be spent. Various suggestions were made, but it was finally moved by Mr. Whiteside and seconded by Mr. Powell that the money be spent on improving the skating rink. This motion was carried.

Mr. Smith moved Mrs. Steve Romanchuk seconded that Mrs. Durnin's Junior Red Cross be granted permission to hold a bazaar the day of the Parent Teacher interviews. Carried. Many thanks says the press correspondent.

The subject of a Red Cross representative in Dewberry then came up and it was decided to ask Mrs. Markay to act, if not, it was left in the hands of the president to find someone who would.

Graduation exercises were then discussed and it was moved by Mr. Brown seconded by Mrs. J. Elliott that the banquet be managed as it was last year. Cd.

Recreation at school for the girls was talked over at some length and various types were presented by many parents. With the cooperation of the girls no doubt something will be done.

The meeting adjourned and a 'flower bingo' was then held. In our customary mannerly way we allowed the stranger in our midst to win.

Hurrah! The curling rink has melted and is now reposing in the yard of Mrs. L. Witzaney! This means more members free to attend the next meeting!

Lunch was served as usual by the committee in charge.

Pioneer School Board Member, Sid Hinton, Honored At Mannville

MANNVILLE — The regular Home and School meeting of Mannville and district was held on Thursday evening but there was not too large an attendance. It was a stormy night with the roads not too good.

During the business part of the meeting there was discussion concerning opening school at 9 a.m. for the whole term rather than 9:30 in the winter months. There were no motions made, the discussion was held to learn the opinions of the parents on this subject. The Home and School convention in Edmonton in May was also discussed and Mrs. R. Bang was elected to go if she possibly could. Questions were asked concerning the Pupils' Insurance and a number of questions cleared concerning it.

Guests for the evening included Mr. Sidney Hinton who has recently resigned from Vegreville School Division board, Mr. T. Henderson who retired four years ago, and Mr. Oswald Bauer who was chosen to take the place vacated by Mr. Hinton. Mr. Hinton and Mr. Henderson were pioneer trustees of the Vegreville school divisions which was formed 19 years ago. Mr. Henderson paid tribute to Mr. Hinton, reminiscing on the early days, the board starting from a very small beginning, the very bad roads they travelled to attend meetings, but to Mr. Hinton religion, race politics mattered not — each and every one received just treatment from him. And this was the highest tribute Mr. Henderson felt a man could receive, that he was just and fair to everyone.

Mr. O. Bauer expressed the hope that he could carry on as Mr. Hinton had and discharge his duties as efficiently, but he realized that he had a lot to learn.

Mr. Doherty first met Mr. Hinton in 1926 when he taught at Stellaville. Then he taught again in this division, this time at Bloomington. Thus he saw the early development of the school board and it was his opinion that it spoke well for the men chosen for the divisional board that so many teachers from the rural schools stayed with the division. The Vegreville Divisional Board deals fairly with its staff. Mr. Doherty paid tribute to Mr. Hinton for his untiring work with the Board. His sense of fairness, justice, his interest in the welfare of the boys and girls and his courage to stand his ground when he felt the need to, all added up to what could be termed the amazing job of chairman that he has completed nineteen years of fulfilling.

Mrs. R. Bang, president of the Home and School, presented Mr. Hinton with a double bullet floor lamp as a gesture of appreciation for his years of service with the Vegreville Divisional Board.

Mr. Hinton thanked Mrs. Bang and the Home and School for their thoughtfulness. He hadn't known the reason he was asked to attend the meeting but just took it for granted that it was to answer some question in Mr. Whitson's absence. He spoke of the early days of the board and of how hard it was to see so far ahead. When he had mentioned the need of a 12-room school at Mannville the idea seemed absurd, yet now there are more than twenty rooms and more are needed yet. Mr. Hinton was a trustee and chairman of the Salteaux school board when it was started about 1911 thus he has been chairman of a school board for more than forty years.

A social time followed, with Mr. Walter Donnenworth calling a few square dances and mixers. He gave those present a general idea of how square dancing is done and had most of the crowd up on the floor.

Coffee and sandwiches served by Lake Geneva and Forest Hill brought the evening to a close.

Wooden Nickels

You can now buy wooden nickels, reports The Financial Post. A U.S. firm is turning them out for 2.5 cents each as promotion gimmicks. About the size of an old silver dollar, they carry a dozen words and a picture on each side. Theory: Because the phrase "wooden nickel" is a catchy one, consumer "takes" one out of curiosity and studies inscription thereby exposing himself to advertising man's wiles.

DEWBERRY NEWS

COMMENT ON SPORT

Perhaps one of the most successfull winters of sport for this Dewberry area will be the 1956-57 season.

This year hockey went over in a big way. Four teams of Pee-Wees finished up the season just recently, with the results fully covered in the Standard last week.

The Dewberry Juveniles took part in the newly formed league and gave a very good account of themselves winning their way in to the league finals for the Vermilion Hotel trophy. They played the final game at Mannville and although winning the game they lost it by an error on the part of the judgment of the referee. This writer claims that the play was illegally stopped after a score was made and the goal disallowed. Despite the bad call Dewberry played on and will be heard from next winter.

From this corner the league is wished the best of success for next season and with the experience gained of problems to be met, the future for the league does appear rosy.

Sandy Ewen, Bill Romanchuk, Hedley Dennill and Jack Rogstad played with Heinsberg in the northern senior league. They won the league championship and went on to take the cup.

On the curling sheet Dewberry ladies won four Grand Challenge events and second in five other Challenge competitions. For the men the big winner was Ralph Lunden in the Derwent Sportsmen's spiel, taking second, losing to former club mate Fred Braithwaite.

All in all a very fine winter of sport was enjoyed and this writer's congratulations to those who made it possible.

Those who anticipate the need for special work on any Sunday should first clear with the police to learn whether it may be considered a work of necessity within the meaning of law. Advice may also be obtained from the representative of the Lord's Day Alliance or from its office in Toronto.

Neither mining nor lumbering is carried on commercially in the province of Prince Edward Island.

The production of potash from wood ashes was an important Canadian industry from 1800 to 1870. Land being cleared for agricultural use yielded very large amounts of timber, which was burned and the ashes leached and dried. Total Canadian exports of potash were 27,000,000 pounds in 1830 but the industry ended in 1870 when natural potassium deposits came into use.

Mr. and Mrs. Stuart Conboy and family of Forestburg spent the week end with the former's parents, Mr. and Mrs. T. L. Conboy.

Miss Mildred Conboy of Edmonton spent the week end at the parental home in town.

Mr. and Mrs. J. Perkins and girls motored to Edmonton over the week end on a business trip. While there they attended the Flyers-Calgary hockey game. Incidentally Mrs. Perkins niece is Mrs. Jerry Melnyk, the Flyer star. The Melnyks became the proud parents of a baby girl last Wednesday while Jerry was turning in a stellar performance against the Brandon Regals.

Mrs. Marion Davis and Louise Lang are going to Lethbridge for a few days and then to Calgary where they will attend the W. A. conference. They leave here on Thursday this week and plan to return April 5th or 6th.

Victor Kuzek has a position with Northern Communications System and is presently stationed at Ft. St. John in northern B.C.

John Stewart is enjoying a holiday visiting his parents Mr. and Mrs. E. M. Stewart and the family, in between semesters at the Montana State University at Missoula.

At the St. Patrick's tea held by Britannia Rebekah Lodge No. 48, Mrs. Bertha Washington was the happy winner of the tea set, winning with ticket No. 907. Mrs. Annie Cameron and Mrs. Louise Lang were pleased to deliver the dishes to Mrs. Washington. The members of the Rebekah Lodge wish to thank publicly all who helped make this annual tea the success it was.

Ken Isley reported seeing a crow last Friday March 22 and this was the first news of one of the big black birds being seen in this district. Since that time there have been a continuous round of blackbirds seen, with a couple of mud hens in evidence at the lake.

Sellas Lee left Vermilion last Saturday night for Dawson Creek, B.C., where he has been appointed foreman in charge of the water and sewer department. Mrs. Lee and the two children, Linda and Gregg, will follow later when living accommodation is obtained.

Arie DeBruin from Camp Borden in Ontario is on furlough from the R.C.A.F. and is visiting his parents Mr. and Mrs. K. DeBruin.

Mr. and Mrs. Ralph Schurman and Mr. Jack McKenzie of Drayton Valley were in town the beginning of the week visiting relatives and generally renewing old acquaintances.

Capt. George Colton, D.C.M., M.M., is presently a patient in the Col. Mewburn hospital in Edmonton.

Gaylord Madill, a member of the crew of an oil well drilling company, which has been working near Valleyview, is home for a week or two as this is the in-between season for drilling rigs in that area.

Ken Caron, CPA pilot spent a few days leave visiting his parents Mr. and Mrs. George Caron during the past week.

Donations to the Crippled Children's fund in memory of Mr. Aubrey Rendell were received from Mr. and Mrs. Wm. Steele and Mr. R. Steele too late for inclusion in the obituary which appeared last week.

Best wishes for a speedy recovery are extended to Miss Marlene Bootsman who is at present a patient in Lloydminster hospital.

Paradise Valley

Mrs. R. Smith left on Wednesday evening for a visit with her son and daughter-in-law Mr. and Mrs. Frank Smith in Toronto.

Will someone tell us why it has to storm every week end? This last week end gave us more snow than we have had all winter and then some. If it will melt nicely and decently it will put a lot of much needed moisture into the land.

The seed cleaning plant is a busy spot these days as they are cleaning three carloads of grain for the Seed Growers. This has to be all sacked for shipment. The grain was supplied by Allan Weeks.

The weather is good, highway is good but the side roads are heavy.

The pastor and congregation of the Church of God wish to thank Paradise Valley and district for their splendid support of the appearance of the A.B.I. choir on March 8. It is to be regretted a substitute film had to be used but "The Master's Face" may be shown at a later date. We are thinking of presenting our Bible Camp program in the hall July 5th and the film might be shown then.

Sixteen Years Ago

March 27th, 1941

The largest number ever to attend the V.S.A. Little Royal thronged the buildings on Wednesday despite poor road conditions, even the highway being anything but good travelling.

Tom Dick was elected president of the golf club with A. E. K[illegible] the secretary treasurer.

A variety of matters was discussed at the regular weekly luncheon meeting of the Board of Trade with 22 members in attendance.

March 26th, 1925

The first mixed bonspiel in the history of curling in Vermilion was completed this week, with skip Bert Duncan winning first and Jack Wotherspoon second.

With the first day of spring March 21st, a heavy thaw set in and has continued ever since.

Vermilion W. I.

Vermilion W. I. met March 19 at the home of Mrs. J. McCaig with 15 members answering the roll call with nickels for the Cerebral Palsy Clinic. Mrs. L. Fry was welcomed as a visitor.

Donations were made to the A.W.I., F.W.I.C. fund and A.W.I. travel fund. Seven cards filled with nickels were sent to the Cerebral Palsy Clinic. These cards are known as a "Foot of Nickels."

The Readers Digest was subscribed to for a year for W. I. ward in the local hospital.

The highlight of the meeting was an interesting and instructive talk by Mrs. Hilda Cross, president of the Vermilion Chapter of the Cancer association. She stressed the importance of early treatment and diagnosis, giving statistics on how many lives might have been saved by early diagnosis. Mrs. Cross also impressed the importance of watching for and learning the seven danger signals.

The next meeting will be on April 9th at the home of Mrs. Alice Marfleet when it is hoped to be privileged to hear the W. I. constituency convener, Mrs. P. Stone of Mannville.

Roll call will be answered by used woollens to be made into blankets.

After the meeting Mrs. McCaig assisted by Mrs. Perkins, served a lovely lunch followed by a social hour.

Mrs. Francis Kelsw won the mystery box which proved to be a box of candy.

The Egg and Health

The egg is one of our health protective foods says Miss Joyce Lewis, Nutritionist, Alberta Department of Agriculture. Here's a food rich in protein and also valuable minerals and vitamins. Among other minerals found within the egg, the yolk is rich in iron, a blood builder. Most of the vitamins except C are snuggled inside that protective shell. And it also contains a good amount of easily digested fat. Because the egg contains essentials for growth and health children should have at least 4 or 5 a week and adults 3.

Eggs can become part of the diet in many tasty ways. Consult your cook book and pick your preferences. And during this Lenten season many homemakers can solve menu problems by calling upon eggs as a substitute for meat.

It's a good idea too, for the poultryman's wife to serve more eggs when the price drops, says Miss Lewis. But it is also wise for her and her family to keep up consumption when prices rise. The higher egg prices are still usually lower than meat costs. Eggs give full value for their money. Serve them regularly.

The game of basketball was invented by Dr. James Naismith, a native of Almonte, Ontario, and was first played at Montreal's McGill University.

Edmontonians Come To Vermilion to Fish

Two car loads of people from Edmonton spent Sunday fishing at the Vermilion Park Lake and this isn't the first time they have made the trip here for that purpose.

On Sunday Tony Korpel was visiting friends in Edmonton. Other visitors dropped into the home during the afternoon and when they learned that Tony was from Vermilion one of the ladies informed him that her husband was in Vermilion fishing at the lake there, along with several other Edmonton folks, two car loads of them, in fact.

Water in the Vermilion Lake remains open all the year round and fishing remains a popular 12 months sport.

Re: Dumping of Carcasses

It is drawn to the attention of all concerned that it is against the Fisheries Regulations to dump carcasses of any description into rivers and lakes. During the past winter carcasses have been dumped into the Vermilion river and Park Lake. Any future infractions will be dealt with to the full extent of the law.

Mr. and Mrs. Twe Horton and daughter of Edmonton were week end visitors at the E. Matney home. Mr. and Mrs. Horton Sr. of Heinsburg also visited Mannville.

Visiting at the home of Mr. and Mrs. M. Mercer over the week end were Mr. and Mrs. Jim Graham, Miss Carol Mercer and Mr. Bruce Bennett of Edmonton and Mr. Nelson Beairsto and Mr. Lou LeBarr of Cold Lake.

Mr. and Mrs. Al Alm of Lloydminster and Mrs. Olaf Alm of KellIher, Sask. were Sunday visitors at the D. McFadden home. Little Barry Arnett of Viking who has been staying with his grandparnts for the past week returned to Lloydminster with his aunt.

Mr. and Mrs. Stan McGreever and son of Edmonton spent the week end with Mrs. C. Mercer.

Mrs. L. Colborne attended the Grand Lodge at Medicine Hat and is visiting with friends in Edmonton before coming home.

Spring must be near. Don Upton reported on Saturday that a crow was making himself heard in a bush near the house. And flocks of starlings have been flying over the town for several days.

Pleasant Valley

It is really pleasant today — 42 above; is this spring?

A number of couples from this district enjoyed the square dance being organized at Islay last week.

Enjoyed your visit, Sylvia and Mrs. Fyfe, while in hospital. Do hope Omer and Percy are feeling better.

Mrs Giles visited her son David at the farm on Sunday.

Mrs. Gillies is spending a few days with the writer.

Jean, Keith and family were guests on Sunday. How is the painting coming?

Most folks are thinking about painting and papering these days. Such a delightful job for the men folk too. It is about this time of year when they are ready to pull up stakes.

The Mathew, the small sailing ship in which John Cabot made his voyage of discovery to Canada, carried a crew of only eighteen.

Quick Canadian Facts.

Happy Centre W. I.

The Happy Centre W.I. March meeting was held at the home of Mrs. R. H. Scott with Mrs. A. Hubbard and Mrs. J. Coxford co-hostesses.

Mrs. C. Finlay reported on the rest room meeting, and jobs were given out for forthcoming rummage sale. Mrs. Finlay reported that the W.I.'s would take turns cleaning the rest room. The meeting brought up the matter of the rest room being abused at times and it was suggested that if all W.I. members made a habit of dropping into the rest room when in that vicinity perhaps offenders may be scared off.

Mrs. W. Rae gave a very interesting talk on education, tracing its origin and progress up to the present day.

A donation of $10 was made to the Red Cross. Roll call was answered with a 'Household Hint'. Mrs. G. Younge gave a brief report on the curriculum letter and this was followed by an interesting discussion.

WILDMERE WINKS

Here are the results of the Wildmere Mixed Curling spiel which finished up last Wednesday morning: Grand Challenge — 1. Bob Martin, H. Coburn, Roy Dibben and Frank Watson; 2. Albert Smith, Bobby Graham, Buster Newman, Albert Holte. Second Event — 1. Frank Gibson, Dick Donily, Clarence Lewis, Fred McGrath; 2. Cliff Cruthers, R. Osterberg, Frank Wolters, B. Fadden. Third Event — 1. George Harrison, Rolf Martinson, Bill Garnett, Mrs. Donily; 2. Gilbert Harrison, L. Alexander, Mrs. Howard, Jim Clark. Hard Luck prize — Billy McGrath, Chas. Gool, Byron Fraser, Ralph Thomson. Owing to mild weather they had to curl all one night to get it finished as during the day the ice was too soft. Good crowds attended most of the games. It was a grand finish to end the winter's sport on our little rink.

On Tuesday evening March 19 the Preston Central Home and School meeting was held but owing to so many curling it was not very well attended. After the business part was over Mr. George Martin of Vermilion spoke on Civil Defence. "It was too bad many more could not have heard him as it was very interesting. It's something we should all know but pray we never have to use it. Anyone who took First Aid four years ago will have to renew it or their certificate will be cancelled in the fifth year. Wildmere group plan on a refresher this year. Mr. Ashley Cooper was also to attend this meeting but we are pleased he was unable to attend when so few came and he maybe can be at a meeting later on. Next meeting is on April 16th with a bingo to raise funds to send a delegate to the convention in May at Edmonton. Plan to attend. Mr. Martin also showed the film "Evacuation of Calgary" which was very good. Lunch and a social hour followed the meeting.

On Saturday the writer, Jimmie, and Laurence Graham travelled to Wainwright where Laurence is now working as a Commissionaire at the army camp. While in Wainwright we were pleased to meet Mrs. Glenn Valleau and her family as well as Mrs. Irene Rattray, Mr. and Mrs. Roberts, folks we have not seen for some time. We had supper and attended the show the "King and I" with Mr. and Mrs. J. Veitch of Battleview. Thanks folks for waiting to see if we got up the river hill. Sure lots of mud and water around Wainwright.

Wildmere Beavers are holding a box social and dance on Friday, March 29th at Basswood community hall. Plan to be there folks.

We are indeed sorry to hear Mrs. Cleland of Auburndale has been a patient in the hospital. Everyone wishes her a speedy recovery to health and home.

Mr. and Mrs. C. Cruthers and the writer watched the curling game in town at the mixed spiel between the high school rink skipped by Cliff Cunningham, Janet Cruthers 3rd, Neil Ganlon 2nd and Kenny Graham lead when they played Vic Tillet's rink. The youngsters gave Vic some anxious moments too but Vic won out. Sorry to hear you got the measles the next morning, Cliff.

On Friday evening Mr. and Mrs. L. Howard had a farewell party at their home for Mr. and Mrs. Brooks when twenty attended.

On Thursday night we were without rofopwer eLmor ningi without power for over two and a half hours when a power pole took fire and burned about three feet off the top of it. It was located near the writer's home and was quite a sight to see the pole burning brightly as it was snowing hard at the same time.

Mr. and Mrs. C. Cruthers and Ian Clark were Sunday visitors to the Wallington home. Cliff is the official Red Cross collector this year for our corner.

Gary Cruthers spent a short time at home in Wildmere on Friday evening from Wainwright.

NEWS from ISLAY

The 4-H Sewing club met on March 20th in the school. A bed jacket will be purchased for a sick girl in the hospital. The April meeting roll call will be a safety hint in the house.

Mr. and Mrs. Cliff Beck are to go on to the B. Teskey farm which has been farmed by Mr. and Mrs. Jimmie Barnett.

Bill Belton, Omer Easton, Paddy McGuigan and Clarence Robertson went to Edmonton to the ten-car bingo. We haven't seen any new cars however!

Repair work has begun on the house recently purchased by Mrs. Winnie Torrance. The house was once occupied by Henry Olds.

The 'Square Dancers' really turned out last Wednesday and enjoyed their lessons to the calling of Mr. Walter Parker. The floor was full and all report a good time.

Come to the Home and School cards, social and musical evening on Friday, 29th in the hall.

Mr. and Mrs. Bill McLean and children were Edmonton visitors over the week end.

Education Week in the Islay school extended to two weeks when the parents visited the school by appointment. Not quite one hundred per cent attended but the school staff are very well pleased with results as a good lot of interest has been shown. It is the intention of the principal and staff to continue such a practise another year. Now if as great a percentage would attend the H and S Association gatherings who knows what great things could be done!

Mr. and Mrs. D. Martin and Mrs. Hancock were dinner guests with the Misses Stone last Thursday.

Mr. Jack Knoll who has been in Ontario, due to the death of his father has returned after a six weeks' stay.

The 4-H Grain club met on March 22nd at the home of Larry Playne with 11 members present, only one member being absent. A lengthy discussion was held on what the club should have for thematic display. It was decided to think over ideas until the next meeting. It was agreed that a dance be held late April or early May. Next meeting will be at Jim Shaws in April. A game provided by the leader Mr. McLean in which Frances Kowolski won the prize provided the entertainment. Then there was lunch and plenty of help to wash the dishes.

Miss Craig, District Home Economist and Miss Stewart of the V. S. A. visited Islay Tuesday afternoon when Miss Craig demonstrated articles suitable for bazaars, or gifts.

Mr. and Mrs. Ken Shaw were week end visitors and on their return the family newly-arrived from England, Mr. and Mrs. Papworth and boys went with them. Mr. and Mrs. Papworth soon got settled in Edmonton.

Ken Reid was home from Edmonton for the week end. Ken has a good position there.

F. U. A. Meeting At Islay Hall

A F.U.A. meeting will be held in the hall at Islay on Thursday, April 4th at 8 p.m.

Mr. A. Hancock of Vermilion River M.D. will be in attendance to speak and to show some interesting films. Everyone is welcome to attend.

Death of Ernest Windisch At Dewberry

Ernest K. Windisch passed away at his residence in Dewberry on Sunday, March 24th. He was 70 years of age. The deceased had come to live in Dewberry in 1955 from Boston, Mass. He is survived by his loving wife Margaret, and one daughter Mrs. Ernestine Knights of Boston. There are five grandchildren.

Funeral services were held on Tuesday, March 26th at 2:00 o'clock in the afternoon in the Dewberry community hall. The Rev. C. W. MacKay officiated.

The remains were taken to Calgary by Moyers Funeral Home for cremation.

Second longest river in eastern Canada, second only to the St. Lawrence, is the Ottawa, nearly 700 miles in length.

Reg. Nurses Hold Interesting Meeting

The Registered Nurses Association, Vermilion Branch, met in the spacious sitting room of the nurses' home on Monday evening, March 25th with nine members present.

Letters of thanks were read from Miss Frances Pockett for the $50 scholarship and from Mrs. Janet Bissell, our recent bride, for the silverware presented to her by the nurses.

Best wishes for a speedy recovery are extended to Miss A. Keith.

Miss Jean McPhee and Mrs. Eileen Sweeney are delegates to the annual convention to be held at Cascade Hall in Banff in May.

The hostesses for the evening were Jean McPhee, Pat Tucker and Vera Barr.

Vera Barr left Tuesday morning to attend the live stock show and on Wednesday she is joining the nurses at an 'At Home' in the Royal Alexandra Hospital School of Nursing and the Alumni banquet in the Macdonald in the evening.

The federal unemployment insurance fund is supported by contributions from insured workers and their employers plus payments from the government's general tax revenues.
—Quick Canadian Facts.

THE STAGETTES

Good old Vermilion! We certainly missed you too Marie — Welcome home. Marie has been working in Calgary for the past six months and is now employed at the local hospital.

Seven members attended a brief business meeting held at Jean Hildreth's home on March 26th. The Stagette year book received immediate attention and was found most interesting with snaps and scraps and items rare of here and there and everywhere. District convention will be in Grande Prairie this year, date to be announced later. We seem to have a bit of banner trouble or have had in the past, but now any one member can manage it quite well. We have cut it down to active members and we won't have any trouble displaying it. Our first opportunity will be for the Stagette Easter Monday Bunny Hop on April 22nd in the Elks hall. Tickets are now on sale for the hop.

We certainly enjoyed variety at Jean's there was a handicraft too and photography and Snookie, and fresh raspberry sundaes, cake, coffee . . . and we'll all be back again Jean!

Our next meeting will be on April 9th, perhaps in the form of a pot luck supper.

"HELLO, HOMEMAKERS"

Spring is officially here and with its coming, we women folk are even more than usually clothes conscious. In order to help you buy wisely here are a few facts about the new fabrics. Acetate along with rayon was one of the first man made fabrics. It is not the same as rayon although the names have been interchanged. However when you look at clothing labels you will now frequently see the name acetate. Here are some of the characteristics of acetate:

(1) It is not very absorbent so resists shrinking, dries quickly.
(2) It is resistant to soiling, and to wrinkling.
(3) It is sensitive to heat so should be washed in lukewarm water and ironed with a warm, not hot, iron.

Orlon is a new fibre frequently found in textiles and garments. It is a man made fibre similar to nylon but a little different. Some of its characteristics include:

(1) Orlon provides unusual warmth with light weight so is frequently used in blankets, coats, fur fabrics.
(2) Orlon is pleasing to touch, therefore is comfortable to wear.
(3) It is wrinkle resistant; after wearing wrinkles hang out.
(4) It holds its shape in washing, requires little or no ironing.
(5) It is strong, resistant to moths, mildew, acids and light.

Acrilan is the same as Orlon but is made by a different company.

CARD OF THANKS

We wish to extend our thanks to Doctors and nursing staff of Lloydminster and Edmonton hospitals for their care of Mrs. Olds during her long illness. Also sincere thanks to Cancer Clinic staff and Cancer Society of Vermilion and Edmonton for their help.

Thanks to all our friends for their donations and expressions of sympathy in our bereavement.

Henry Olds and family.

APPRECIATION

In appreciation of time and labor spent in Islay Cemetery in Islay on my behalf, I wish to sincerely thank all those who took part in preparations for the funeral.

Henry J. Olds.

CARD OF THANKS

We wish to express our thanks to friends and neighbors of our late sister Mrs. Emma Olds, at Islay for the kindness shown her during her long illness.

Also to all who were so kind and helpful in so many ways for the family at the time of the funeral.

Mrs. A.R. Rich, and Mrs. Neil McCallum.

PARADISE VALLEY NEWS

Congrats to Mr. and Mrs. John Chambers on the birth of a daughter Diane Margie. Born at Ottawa on March 18, 1957.

Do not forget that this is Red Cross month. Leave your donations at the Post Office and receive an official receipt. We are down from last year.

Patients in the Lloydminster Hospital include John Rayson, Mrs. W. J. Wiley and Mrs. D. Fulgham.

Weather? Good! Roads? Very sloppy. Sidewalks? There are missing planks showing up so watch your step.

Work on the new school is coming along very well and the good hopes that it will not be too long until it can be put into operation.

Mrs. Florence Clay and Mrs. Clifford Frederickson were Edmonton visitors during the past week. Mrs. Clay to write her "ham" examination and Mrs. Frederickson to visit her mother Mrs. Larson.

Mr. John Wolf is spending a few days with his parents prior to going East to start his training with the Air Force. Mr. Fred Foxwell is an Edmonton visitor for the week with his brother Herb.

Report from The Alberta Legislature

— By KEN MASON —

EDMONTON. — Alberta motorists will be buying more car insurance in 1958 if the legislature passes a bill introduced last week, and there is little doubt about it being passed.

The bill would double the minimum amount of insurance required for proof of financial responsibility under Alberta's pink card system.

According to the bill, the new minimum amounts would be $2000 coverage for property damage; $10,000 for one person injured and $20,000 for two or more persons injured. Under the present act minimum amounts are $1000, $5000 and $10,000.

Hon. Gordon Taylor, minister of highways, said the new minimums won't come into force until July 1, 1958, because there are thousands of insurance policies in existence which would be inadequate if the bill was effective immediately.

The pink card system was introduced last year as a compromise measure between compulsory car insurance and nothing at all. There is nothing compulsory about the program, but if a motorist is involved in an accident and hasn't a card to prove financial responsibility, his car is impounded.

QUEEN'S PRINTER CASE

The case of the irregularities and falsified records in the office of the Queen's Printer came back to haunt the government last week.

During study of the treasury department estimates by committees of the whole, Liberal Hugh J. MacDonald, Calgary, introduced a motion of censure over the handling of the case.

He criticized the government sharply for reinstating Queen's Printer Abe Shnitka, for paying his salary during a 31-day suspension, and for allowing him to retire on pension after an investigation by the provincial auditor turned up the irregularities.

The motion of censure was defeated after Premier Manning and Provincial Treasurer E. W. Hinman pointed out that the falsification of records was not designed for personal gain, but only to show that the Queen's Printer office operated at a profit when in fact it did not. The irregularities involved a loss of around $1000 over many years.

Mr MacDonald described Mr Shnitka's actions as "just plain crookedness". He pointed out that not only had Shnitka falsified records, but had forced his staff to do the same and had threatened to fire any employee who disclosed what was going on.

The premier argued that Mr Shnitka was being retained only until a successor is trained. He said the printer has handed in his resignation, two years before he reaches retirement age, and for that reason will lose some of his pension. The feeling of the government was that the man has already been punished sufficiently.

The Queen's Printer was in the limelight again when the government tabled a report of a survey by a firm of management engineering consultants. It found the government could save $88,000 a year by more efficient operation of the Queen's Printer branch.

The House last week completed its annual grind through the departmental estimates which make up the $285,000,000 budget for the coming fiscal year.

It took two weeks to do it, with opposition members repeatedly criticizing and asking questions.

A question which looked for awhile like it might throw the government for a loss came from Alfred Macyk, Liberal member for Redwater.

During study of welfare department estimates, he asked if the government's proposed oil and gas royalty dividends might penalize persons who received certain provincial pensions, by raising their incomes over the maximum allowable.

Welfare Minister R. D. Jorgenson, who appeared to be caught off guard, said he believed they would. Several opposition members took this up and said that if the principle of the dividends was bad before, this made it doubly bad.

Premier Manning came to the rescue and said whatever measures are necessary will be taken to see that no pensioner is penalized by reason of participating in the dividend plan. He also announced that the government is planning a "complete review" of pension matters, including allowable income.

PROWSE ON "PROPAGANDA"

Staid parliamentary proceedings broke down into a shouting match once during study of the estimates, with members crying "sit down" and "shut up" as the chairman tried to restore order.

It started when J. Prowse, Opposition leader, accused the government of using public money to distribute "propaganda". He referred to the advertisements inserted regularly in daily and weekly papers and to the published summary of findings by the royal commission which investigated the election campaign charges.

The shouting started when several members tried to have the floor at once, but when the commotion died down the House approved an item of $100,000 for advertising.

Bride and Groom To Reside in B.C.

MANNVILLE. — On Friday, March 15th, Miss Joyce Nicholson, daughter of Mr. and Mrs. Ray Nicholson of Mannville, became the bride of Mr. Gerald Prosser, son of Mr. and Mrs. Melvin Prosser of Chauvin, at an afternoon ceremony performed by Rev. C. C. MacPherson in Christ church, Mannville.

Given in marriage by her father, the bride wore a blue-grey suit with white accessories, a corsage of red roses and carried a white Bible.

As her sister's maid of honor Lynne Nicholson chose a grey suit with pale blue accessories. Her corsage was yellow roses. Miss Jean Wright, as bridesmaid wore a blue tweed suit with pink accessories. She had a corsage of pink roses. The flower girl dressed in mauve nylon and carrying a basket of spring flowers was little Joanne Dowlcki, daughter of Mr. and Mrs.

The groom was attended by his brother Arnold Prosser and the bride's brother Morris Nicholson. Ushers were Robert Prosser and Richard Nicholson.

James Croft played the wedding music and Misses Norma McLackie and Connie Gerhart sang "O Perfect Love" during the signing of the register.

An open reception was held at the bride's home later in the afternoon. To receive her guests Mrs. Nicholson chose a navy blue dress and hat with white accessories and pink and white roses en corsage. The groom's mother wore a black dress with white accessories. Her corsage was of deep pink roses.

The couple are leaving Mannville for the West Coast to take up residence in Terrace, B.C.

Paradise Valley

The regular meeting of the Paradise Valley Hall Club was held in the Hall lobby on the evening of March 18. A fair number attended. This club has been very active and the amount they have raised for the hall has been wonderful and they deserve credit for their efforts. They have two dances lined up. On the 12th of April the McLaughlin orchestra will furnish the music and on the 26th another old time dance will be held with Loy's orchestra giving out your favorite tunes. The next meeting will be held on April 1st.

CKSA Radio Station Lloydminster, On The Air April 3rd

LLOYDMINSTER — Residents of Lloydminster and those living within 60 to 100 miles of this town will be tuning in to their local community radio station before the end of the week, it was announced today by the management of Radio Station Lloydminster that final approval granting permission to "go on the air" is expected from Ottawa this week, and that once this approval is given, the station will be "on the air" in a matter of hours.

Opening of the radio station will mark another important milestone in the cumulative success of events throughout this area as one of the most progressive and progressive in West ern Canada. Radio Station CKSA is entirely a community enterprise with its community dedication in terms of its coverage area. It is organized specifically to provide community service as well as all other allied broadcasting activities on a personalized basis and a local level.

The community to be served by CKSA embraces such progressive towns as Vermilion, Wainwright, St. Paul, Bonnyville, Provost, St. Walburg, Marshall, Maidstone and others. Its primary broadcast will reach westward to Irma, Lavoy and Two Hills.

Wednesday, April 3, has been earmarked as Official Opening Day, this despite the fact that in likelihood the station will broadcast several days prior to that date. On that day, CKSA will broadcast specially prepared programs featuring greetings and congratulatory messages from near and far. Among the participants believed to be among these will be Vermilion and villages throughout the area. Official opening over messages and greetings from other radio stations and others in the radio industry. Local leaders will also be broadcast throughout the day.

To provide listeners with high quality programming CKSA's management has just completed a large month search for staff. In this some 700 applicants were screened before the sixteen vacancies were filled. All Vermilion and most of the remainder of the staff are experienced in radio and have been selected from positions other from larger radio and television stations in Canada as far as Victoria, Saskatoon and Calgary.

CKSA will be on the air from six o'clock in the morning till midnight every day except Sunday from eight to midnight on Sundays.

The stations operational theme is "localization" and programming in all possible phases will be geared with that in mind. Consequently listeners will be provided with many features on the local level. Public services involving community enterprises, civic affairs, church, school and sports activities, agricultural development, cultural and dramatic presentations, emergencies and on the spot broadcasts will be part and parcel of daily broadcasting.

CKSA will broadcast 12 newscasts, 7 sportscasts, 2 farm shows and several road and weather reports daily. Other programs will provide a variety of other local and radio services, each of which will be supplemented with other program and news broadcasts of local interest on a par with more powerful stations.

One of Canada's newest and most versatile libraries will provide the latest and best in musical entertainment.

Transcription services from the world's largest transcription library will supplement local programs to a high point of efficiency. These include dramas, comedy, musical and informative programs.

Graduation and Closing Exercises At V. S. A. Wednesday, April 10

Hon. L. C. Halmrast, Minister of Agriculture, will deliver the principal address to members of the graduating classes at the closing exercises to be held at the School of Agriculture next Wednesday, April 10th.

Other visitors participating in the ceremonies will include the Rev. C. W. MacKay, who will give the invocation and Mr. Everett R. McCrimmon, executive assistant to the deputy minister.

Of special interest to parents and friends of the Home Economic students will be the "Fashion Parade". On this occasion the students model garments which they have made themselves as part of the work in the clothing classes. This work has been under the direction of Mrs. M. MacQueen-Smith who will give the commentary.

Student interest at the closing exercises centres on the announcement of prize and scholarship winners. Generous support of local business men and other firms and organizations makes possible a most attractive listing of awards for achievement in various sections of the courses in Agriculture and Home Economics. Keen competition develops for these awards during the term and interest reaches its climax when the announcements are made on this last day of the regular winter term.

Guests of the students and special visitors for the graduation exercises will attend the banquet and dance in the evening.

Michele Rosequist, 8 Years Old, Wins Award From T. Eaton Co. For Good Deed

Little Miss Michele Rosequist, eight-year-old daughter of Mr. and Mrs. Wayne Rosequist, well known Vermilion family, was awarded a T. Eaton Co. medal and a gold star pin by the T. Eaton Co. Canada as a result of her alertness and coolness in acting out a fire at the family home a short time ago.

This is the way the story was told over radio station CJCA during the T. Eaton Company Good Deed program last Saturday morning.

"Our story this week again concerns a Good Deeder who has shown a great deal of cool-headedness in an emergency.

On a certain occasion a few months ago, Michele's mother was obliged to go out to the store, but leaving two younger children four and two years old at home, she couldn't leave the room until her husband Mike returned from school to watch over them.

After mother had gone, the two-year-old went into the living room, climbed up to the mantel and got a box of matches. One match accidentally lit, starting a fire on the rug. Fortunately, Michele came into the room a few minutes later and seeing what had happened, went right to the kitchen for water. By the time she got back the fire would had started to burn on one side.

Acting quickly, she was able to completely extinguish the flames before the rug and the chair. It's not difficult to imagine what might have happened if our Good Deeder had lost her head in this emergency . . . is even some older than she might well have, it could have been another fire tragedy . . . and even worse, her two-year-old brother — who was standing close to the fire being too young to understand what he had done) could have been severely burned."

Achievement Day Attracts A Large Crowd To V.S.A.

The Little Royal and Achievement Day at the Vermilion School of Agriculture attracted a large crowd on Wednesday the number of visitors being estimated all the way from 800 to 1200 people. One thing was certain no matter what time you went at the school there seemed to be scores and scores of visitors. The beautiful day added to the general enjoyment of the well arranged program.

A complete story of the Little Royal and Achievement Day will appear in your Standard next issue.

The Canadian National Railways added 4,605 freight cars to its fleet during 1956, bringing the total acquired during the past five years to 23,694.

35 Years in Business In Vermilion April 1

Lots for Summer Cottages Now Available At Park Lake Beach

Lots are now available on a long term lease basis from the Parks Dept. in Edmonton, Alberta for the building of summer cottages at the lake in Vermilion provincial park.

The lots were surveyed last fall in two locations, one east of the log lodge above the beach, with the second just west of the band shell. Both locations look out over the lake. The lots are 80 by 100 feet in size.

The lots are leased out by the Parks Dept. in Edmonton on a first come first served basis on application

INFORMATION FROM K. G. URQUHART

The applications by lots per lots for building, rules for leasing, plus the location of the lots can be seen and procured from K. G. Urquhart, secretary of the local parks committee

Expiry Dates Of Motor Licenses Now April 30

Alberta motorists whose birthdays fall in the period between January and April will receive applications for renewal of their drivers' licenses within the next few days as the new five-year license plan goes into effect on April 1.

Drivers who currently hold licenses are urged not to apply by their issuer until they receive notification of expiry, and application form through the mail. Drivers who do not hold a valid Alberta license may apply to any issuer after March 31. Cost of the new licenses is $5.00.

Drivers whose birthdays fall after April 1 do not have to purchase their new license until their birthday in 1957. Expiry date of motor vehicle license plates has also been extended to April 30th.

They Call Him Wrong Way Warren

Travelling 125 miles out of a person's way isn't any important matter, especially when you have to get more hurried more miles to go, but that is just what happened to Mr. and Mrs. John Warren of Minneapolis, Minn., who are now well on their way to Fairbanks, Alaska.

Mr. and Mrs. Warren motored from Edmonton bound for Fairbanks, Alaska, after dark one evening and were advised to take highway No. 43 instead of highway No. 2. In the dark they turned east on highway 16 instead of west and their first stop was Vermilion.

Reaching here they stopped at the Motel for the night and next morning Mr Warren approached Cliff McCormick with a road map in his hand "I can't find Vermilion on this map." he said "this is Vermilion isn't it" he asked as for some time looking about in the vicinity of Valleyview, well to the north of Edmonton

He was dumbfounded when he found out where Vermilion was and what he had done but there was nothing to do but retrace their steps and put down the 250 extra miles to experience and seeing some new country as if they weren't seeing lots of it anyway.

Of the ten provinces Newfoundland has the most miles of sea coast and Quebec ranks second Only Alberta and Saskatchewan do not border on salt water.

Large Glass Confirmed At St. Saviour's Church Sunday Evening

One of the largest classes ever to be confirmed at St. Saviour's Anglican church in Vermilion received the Laying on of Hands by the Right Rev. H. H. Clark, Bishop of Edmonton on Sunday evening. Twenty-eight in all professed their faith in God and the Church, the class being composed of older persons as well as younger men and women.

Besides the twenty two members of St. Saviour's who had been prepared by the Rector, Rev. R. A. Minchin, the confirmation class included six young people from Grand Centre and Cold Lake, prepared, by the Rev. E. Raymond Lackyer.

The inspiring service, beautiful in its directness and simplicity, was attended by a capacity congregation which completely filled the church, even the balcony. The choir under the direction of Mrs. Winchin rendered the anthem "God be in my head."

Those being confirmed were Keith Harvey Stephen McDonald, Lawrence Wynne Portlett, Leonard John Risdale, James Terry Risdale, Anthony Mercer Ball, William Ismil Nowak, David Leslie Robinson (Glen Grace Allen Taylor, Lenore Charlotte Bell, Margaret Marie Robinson, Frances Ruby Sherwood, Isabelle (Fowler) Sherwood; Nora (Ormond) Monaghan; Mary Helen Terry) Fenton. Miss Fannie (Blair) Brennan Lucille Pearl (Pye) Sperling; Leslie William Sherwood, Rena May (Monaghan) Sherwood, Lawrence Hamilton Lynn; Sylvia Anne (Shaw ermas) Lynn, Wilfred Clifford Jessie Findlay (Russell) Clifford

RECEPTION IN HONOR OF BISHOP

Following the evening service a reception in honor of Bishop Clark was held in the Parish hall where His Lordship was able to greet the people personally. The newly confirmed were also guests of honor. During the evening a short address was given by the Bishop, with a reply by Thomas Watts on behalf of the parishioners.

Refreshments were served by the ladies of the church and a very happy social time enjoyed.

On Sunday morning Bishop Clark spoke to the children at Sunday School, and at 3:30 p.m. conducted a service of Holy Baptism in St. Saviour's church.

Agricultural Society Dinner To Be Well Attended

The annual Agricultural Society banquet and dance was held for St. Saviour's hall at 6:30 p.m. Monday April 15th, in spite of inclement weather and all desiring to attend should make their reservations early at the office of the secretary-manager S. C. Heckbert

The guest speaker for this occasion is Prof. Rogers, Research Director of Extension for the University of Saskatchewan who bears an excellent reputation as an interesting speaker. His subject will be non technical and doubtless will be of general interest

Special guest at the dinner will be the young farmer lads who have made such an enviable record in the showing of live stock at the Calgary and Edmonton Spring Shows and to whom the district owes a great deal for the favorable publicity they have achieved for Vermilion.

Attendance at the dinner is naturally limited and tickets will be available only from the executive and will be on sale at the earliest possible date for your dinner tickets

Art Morgan Buys Quality Cleaners

Art Morgan who has been manager of Quality Cleaners in Vermilion since its inception from Sandy Wright in the summer of 1955 has in turn bought the business and from April 1st his business has been renamed "Art's Cleaners". The good news for the people of Vermilion is that there is no need to be afraid for a short time that the establishment was going to be sold to outside interests, and who wears of seeing Art and Mrs. Morgan and family around here

Announcement of the change will be found in the advertising columns of your Standard.

Mannville Parade Raises Funds

MANNVILLE — On Friday March 29th, the Mannville Firecrackers from Mrs. Lagg's home held a Junior Red Cross parade in order to raise money for the children's fund. The children were dressed in the national costumes of many different countries, and added through each of the class rooms from grades 1 to IX in the school. While in each room they sang a song entitled "Oats Peas Beans and Barley Grow" Juniors for Juniors This song Juniors for Juniors This song was written by Mrs. Lagg who expressed a hope for one world under God standing together"

The sum of $14.90 was collected. The firecrackers would like to thank the students, parents and teachers for their co-operation.

Vermilion Alberta

The Editor
Vermilion's Standard

Vermilion's first year in junior hockey competition was by no means a success very successful. It is generally conceded by Vermilion fans, as well as the players themselves, the interest taken in the sport in the town, and the support given the team by the fans. The people who attended the games were wonderful, and they are to be commended from the Standard for the way in which they backed the team financially. The help of the Vermilion Ladies Auxiliary should be recognized. Their assistance in catering to the players was a great help in furthering juvenile interest in hockey.

Those gentlemen who had the courage to sponsor the team deserve a word of appreciation. It takes a lot of courage to undertake the sponsorship of a team in any sport, and I am sure that the sponsors of the Vermilion team have had their share of headaches and worry.

Sincerely,
Joe Mandryk
Manager

Mr. and Mrs. Walter Proctor Married Fifty Years March 30

On March 30, 1907, Sarah Illey became the bride of Walter Proctor, in Birmingham, England and fifty years later this couple celebrated their golden anniversary on their farm in the Hinde ville district where they have lived ever April, 1926. With them on the happy occasion were their son Reginald and their daughter Ethel now Mrs. Otto Wirsenberger of Trochu, Alta., who came for the celebration and is staying for a week with her parents. Her husband and young son Arthur, the only grandchild in the family, were unable to attend the festivities.

A happy anniversary it was with a reception at home in the afternoon where around eighty friends and neighbors extended their good wishes bringing gifts and flowers with them. A vase inscribed with Golden Anniversary and filled with beautiful red roses, a gift from their children, made the room bright and fragrant Another bouquet came from Mr. Dick Hind from the Kitscoty and Mrs. L. Green of Abbotsford sent them heather out of her garden.

During the reception Mr D. Hind on behalf of friends and neighbors presented Mr. and Mrs. Proctor with a beautiful reading lamp, a gold colored satin sofa cushion and a spring-filled mattress for comfort. Mrs. M Watson brought a pretty teapot from the local Red Cross Auxiliary for which organization Mrs. Proctor, especially in the war years, did so much work.

After these presentations the lovely three-tiered wedding cake made by Mrs. Watson, was cut and everyone, the later visitors too, received a piece of it.

Mr. Proctor gave thanks for all the lovely gifts, and many telegrams were received during the afternoon. The bride and groom of fifty years also received congratulations by letter from Prime Minister Louis St Laurent, Premier Manning of Alberta, and Mr. Jarons A. Smith, our member of the Federal Parliament.

Son Reg welcomed the guests at the door while daughter Ethel and Mrs Watson served a delicious lunch to all the guests during the afternoon.

Real Estate Active; Many Houses Change Hands

There has been considerable activity in real estate recently and many fine houses have changed hands. These include the unfinished residence in the west end which was sold by Miles Dixon to Roger Bell, Contractor Bill Pettigrew and crew are now rapidly completing the house

Charlie Upshall has purchased the former Clarence Mitchell home and has already moved in while Charlie's former residence which in turn rented by Hal Polinsky

Sig Liedrech bought the new home of Mrs. Lloyd Hall on the south side as Mr and Mrs. Williams are moving to Edmonton

Jim Champion has purchased the fine new home of Mr. and Mrs. Jim Kinney, with the latter in turn purchasing Mrs Jim Chalmers' home. Mr and Mrs. Chalmers, daughters Anne and Barbara and son John Douglas plan to leave Saturday for Medicine Hat where they will join Mr Chalmers.

Legion Branch 33 Meets At Mannville; Appoints Convention Delegates

MANNVILLE — Ex-Canadian Legion B.E.S.L. Mannville branch No. 33 held its monthly meeting on Tuesday March 26th in the Legion hall. There was a fair attendance.

A motion by I. C. Holter, seconded by I. Fyrenth that two delegates be sent to the Provincial Convention and that the delegates be R Rudd and F. Lyrenth was carried

A resolutions committee was appointed consisting of Comrades I. Fyrenth Mac Pherson, C. Holter M Malin and R Rudd

It was planned to hold a dance the proceeds of which will go to the Canadian Olympic Training Fund.

A motion that the board of trade be approached about the sponsorship of a father and son banquet and that the hockey committee be the Legion representatives in this regard was also carried.

A report on the zone rally was given by L. Emmott.

Under the heading general welfare, the matter of failure to begin meetings on time was discussed and ten members accepted the challenge and promised that they would be on time at the next meeting.

Upon adjournment the boys repaired to darts and some pinboards.

IS THIS YOU?—

Motorists seem to have the idea that when they are travelling either east or west on 48th avenue they have the right of way over all traffic which might be coming into the avenue from the streets. This is an erroneous and very dangerous impression as the rules of the road prevail and the driver on the right is the vehicle with the right-of-way. Drivers on 48th avenue haven't any special privileges 48th avenue is the road leading east from the Vermilion Road Inn corner.

The through road is 50th ave., from the Canadian Bank of Commerce corner east and west on the streets all have stop signs at intersections with "the avenue". Even then, twenty miles an hour is plenty fast enough to travel in town and fifteen miles an hour or less in crossing inter sections. When one is a pedestrian that even at twenty miles an hour you can't travel from one end of the town to the other in less than five minutes any higher speed is ridiculous

FARM NOTES

When storing winter garments this spring damage to clothes can be prevented if plastic bags are used and if moth crystals are not used at the same time. Miss H. Mossman, the Extension Clothing Specialist, of the Alberta Department of Agriculture tells us that vapors given off by some moth preventives soften the plastic of hangers. This can result in garments adhering to the hanger or the plastic may be absorbed by the fabric leaving a stiff shiny stain.

Personal income taxes represent about fifteen per cent of the total of all taxes paid by Canadians annually.

ALBERTA IN 1956

Twenty-eight thousand rats killed in Alberta during 1956. The rats appetite was their undoing They swallowed over five tons of warfarin and phial crystal-type baits and 3,000 quarts of water in coming these poisons. As a consequence rat infestations in Alberta were reduced by 62% (Provincial J. R. Gordon, Assistant Director, Pest Control, Alberta Department of Agriculture.

During the year some 632 prosecutions in the province were laid. At the end of 1956, of the 2,777 farms inspected in the infested area along the Saskatchewan River from North Saskatchewan River to Township 13 in the Vermilion area. Rats are now confined to Ranges 1 and 2, twelve miles west of the Sinclair Pipeline. The invasion has been held all along the line and rats are back in most districts.

There is much credit due to residents along our eastern boundary who have co-operated with municipal and government officers in the war against rats said Mr Gorbis, with continuous vigilance, the fabric bearing a stiff shiny stain.

Under the Canadian constitution the provincial and federal legislatures must meet at least once a year.

Both Mr. Smallwood and Mr Anderson gave most interesting addresses.

STORE SALES?

There has been no let-up in department store sales this year reports The Financial Post. In January these were valued at $114 million, up 5.6% from year earlier total. Biggest increases in sales of women's sportswear, piece goods, men's furnishings

B. C. stores made the greatest year to year gain with an increase of 13.3% followed by Alberta with 10.2%. Increases in other provinces ranged from 3.8% for Manitoba to 7.5% for Quebec. Upward trend continued into February when the deal was completed and the clerk and I got chatty, she told me, with a "nice little smile, that she bought hanger nylons for everyday wear and the silver kind only for special occasion. She also told me she came from a farm near Winnipeg, and that she's finding it tough paying rent for her apartment, buying food, and bus tickets.

"Everything's up in price," she said, "and I haven't kidding when I said you nylons will be sure to go up. All the girls in the store are stocking up but we all agree that nylons and other clothing, haven't risen as high like other things.

And then, blushing a little, she admitted that she'd sold me the most expensive stockings in the shop. "With mens," she said, "we do that — why not?"

Well, why not? If the worst thing I ever do is take home a parcel of stockings a little too expensive to be practical I guess I'll be alright.

Besides, that clerk — scarcely more than 2 ½ small — was very pretty and I liked her. She had a sparkle and an ability as well as beauty. I am sure that one customer, I left the store and forgotten; excited. But I hadn't forgotten — what she said.

When my wife's eyebrows went up at the sight of six pairs of ultra sheer nylons, I was ready. "Got a bargain," I said. "Nylons are going to go up. Can't run but on it. Thought it prudent to get six." Guess for Sally and Bey, when you've a family you've got to watch the trends!

Home and School Assns. Hold Social Evening At Islay

Syd Moorehead is home after spending a few weeks down south in the U.S.

On Friday evening the Home and School Association held a social time in the hall. Cards were played, prizes going to Mrs. Dave Martin, Bill Hancock and Bill Tesley. A good time was had during cards and much laughter and merriment was heard. Then Mr. Ev Inman showed films of his own taking, of the 50th anniversary of the United Church last Sept. 18th, and their holiday trip to Jasper, Banff, the Icefields, etc. all very interesting. We saw much wildlife and these pictures showed just how tame the animals become when protected. After the films a lovely lunch was served and we finished with music, solos, duets and piano selections. We were pleased to have a number of the Marwayne friends hope you come again.

A farewell social evening in honour of Mrs. C. Hall and staff of the hospital was held at the hospital last week.

Mr. Syd Carney was a caller last week at the home of the Mrs. Hutsons. Syd was in to Dr Sweet to have his eyes examined and have some time ago.

Mr and Mrs. Charlie Redmond, Linda and Sharon drove up to Mr and Mrs Wellington Barnett's for breakfast Sunday. They had to go while the road was frozen.

Grade 9 students accompanied by Mr Konefat and Mr. and Mrs. Charlie Redmond visited Provincial Museum Friday while it was in session. The youngsters were delighted in and the chaperones honour They really enjoyed the session and were loath to leave when they had to go.

Of Many Things . .

By AMBROSE HILLS

My daughter is now in nylons, but only for party affairs. I decided, in a moment of parental affection, to buy her half a dozen pairs, because I know how an active youngster can provoke runs in those gossamer creations.

The young lady at the lingerie store immediately noted that I was a male, somewhat embarrassed in a shop that seemed all frills and lace, so she brought out the most expensive and sheerest hosiery in stock.

"But look," I said, "my daughter's just a kid . . . they haven't got around like young animals. I want something strong."

"There," sighed the lovely blond, "are so beautiful and she'd get such thicker ones than. And it's wise, buying six pairs at a time, because you can pair up the ones without runs. Besides — if you buy now, you'll save, because nylons just have to go up in price like everything else."

"Seems to me," I said, emptying my toes on the rug, "that they cost enough now."

The blond raised her cute little nose "Nylon hosiery she said, "has not increased in price any thing like other things. As a matter of fact, stockings are cheaper now than they were 10 years ago, as are electrical appliances to go up — they just have to.

Logic like this, and a pair of very attractive blue eyes looking over the counter at me, completed the transaction. I'm a pushover for logic, I guess.

CLAYSMORE

MR. AND MRS. TOM McCALLEY FAREWELLED

A large crowd of neighbors and friends gathered at the school on Saturday evening to bid farewell to Mr. and Mrs. Tom McCauley and family who shortly move into their new home in Vermilion.

Mr McCauley has been the agent for the Searle Grain Co. at Claysmore for the past ten years and he and Mrs. McCauley will be keenly missed in this district. Everyone regrets losing a good neighbor, but every success and happiness is wished them in their new home in Vermilion.

Mr and Mrs. Don Meyer and family of Edmonton spent the week end with Mr. and Mrs. A. Overend and family.

Mrs. G. Watling and Mrs. F. Scott called on Mrs. Constant home on Wednesday afternoon.

Glen Nelson and Mr. and Mrs. Myrton of Viking spent Saturday visiting at the Jack Wiles home.

Mr and Mrs M Ratchiron who have been visiting in Edmonton spent the week-end at the home of Mr. and Mrs. Charlie Young of Vermilion were visitors on Monday last week at the Jim Allan home.

Mr and Mrs. Sophus Olsen of Kitscoty who wintered in Nova Scotia and Ontario, have returned and were callers recently at Jim Allan's.

WILDMERE WINKS

Here is an item we intended to mention in our Wilmere letter this — We had a nice chat with Mrs. S. Summerhayes of Mannville recently. She and her husband and family were quartered quite a bit of their time this winter with their daughter and family Mrs. McCauley of Lloydminster and with another daughter, Mrs. Hildale at Vermilion. It was delightful chatting with Mrs. Summerhayes.

Our deepest sympathy to Mrs. Ted Gowman and son Dennis of Wainwright on the loss last week of a loving husband and father, "Bob" as he was familiarly known, was no stranger in our district and Dennis recently spent several weeks with Mr. and Mrs. Myrton of Viking spent Saturday visiting at the Jack Wiles home. Mr. and Mrs. M Ratchiron who have been visiting in Edmonton spent the week-end at the home of Mr. and Mrs. Charlie Young of Vermilion were visitors on Monday last week at the Jim Allan home.

Mr and Mrs. Sophus Olsen of Kitscoty who wintered in Nova Scotia and Ontario, have returned and were callers recently at Jim Allan's.

Thompson of Telland, on the birth of a girl last week.

A good crowd attended the Wildmere Beavers dance at Bannwood on Friday evening when a nice time was had by all. Jeff Freddie and Johnny Martin furnished the music and Chas Sweeney was M.C. and also auctioned off the baskets with the help of Jeff Freddie.

Peggy Graham of Elk Point hospital spent the week end at her home in Wildmere On Sunday evening Peggy and her brother Kenny attended the picture show at Mannville On Sunday afternoon she visited Doreen Stone, of Buffalo Coulee, one of her classmates in training and was pleased to meet Geraldine Mather another classmate who was visiting with Doreen. Geraldine is back nurse at Wetaskiwin. Doreen has been nursing at Alert Bay, B.C., for some time.

Everyone was stunned to hear and read about Mrs. C. Brix, (nee Frances Antoine) formerly of Vermilion Everyone wishes her a speedy recovery from such a harrowing experience

Janet Cruthers who is attending high school in town had to go to hospital on Monday evening with infection of a tooth Speedy recovery Janet.

We are indeed sorry to hear Mrs Frank Ejhen is a patient in the hospital again Mrs F Clark and Mrs A Ross were also patients last week. Pleased to see you are both home again now.

Sorry to hear that Mrs Gould is not feeling very well as yet Glad to see your news in the Standard each week. We hope you are soon feeling your old self again

J. J. Wallington was officially elected to the Vermilion Hospital board to fill Ward 1 in the election of March 18th. A work he is greatly interested in

We chatted on Saturday with Mrs Rudadie Jr of Vancouver who visited with us for a week without the Vermilion Standard. Mrs Moore and Edna of Deer Lake district Edna is now working at the Cassans Branch in Vermilion. Mrs Kostmeier of Vermilion, mother and Mrs. R. Martin of Vermilion. Mrs Clark, Mrs A. Ross and Mrs. Wilson. Time really goes by when one meets all these new people

Mrs Ken Hedie and two children of Wildmere visited here at parents Mr and Mrs A Holte in Wildmere on her recent visit to her parents Mr and Mrs A West of Vermilion

Dave Lowe of Wetaskiwin is in Buffalo Coulee district this week getting things moved for his sale at S Lindrech's on West Sunday of this week We hope he has a good day.

We got Mrs. Don Cooper of Triangle and Mr and Mrs J. Wallington were visitors to the Faddies home Sunday Margaret Faddies of Lloydminster spent a few days at her home here last week

MARWAYNE

The Home and School meeting will be held Tuesday April 9th when a "Film Strip" will be shown and a talk given on the value of these in school work. A card party will be held in the school on Friday, April 12th.

St. George's W.A. will meet at the home of Mrs. C. Harrington on Friday April 5th.

Allen Dale son of Mr and Mrs Roy Hutchinson and Karl Lynne daughter of Mr and Mrs M. Godzowaty have been baptized recently in St. George's Anglican church.

Mr Laird of Wainwright will hold service in the Dewberry church April 7th at 11 a.m. and in this United church at 3 p.m. There will be a minister preaching on Easter Sunday, time will be given later. Last Sunday the Dewberry C.G.I.T. met with the Marwayne group C.G.I.T. and gave the service to affiliate with the W.M.S. Mrs Dow and Mrs Sonley presented charters to each group and badges to all new members who had started this year. Donations were accepted from each group which is in turn passed on to the Presbyterial. Mrs. Jones and Mrs R. A. Johnson are leaders of these two very fine groups. The W.M.S. served lunch after to the visitors.

Mr and Mrs Lafoy and family have moved into the manse.

In hospital at Lloydminster are Mary Fairbairn, Mr Leir and Mr John Papp.

Ronnie Lowrie is home from bush work at Lesser Slave Lake.

Dave Crichto is home for a few days from his work on an oil rig at Goodwin.

We are pleased to see Mr T. Rea able to be home again after a serious operation in Edmonton. Mrs. Rea was in the city while he was in hospital.

The March meeting of the F.U.A. was held at Geo. Doull's and the next one will be held at Jas Hales' April 8th. General business was discussed with 12 members present. Mr Jas. Elliott will speak on car insurance at the next meeting.

Sympathy is expressed to Annie and Lawrence Wells on the death of their young baby.

The school children had three half holidays Wednesday Thursday and Friday while the parent-teacher interviews were held. Most parents attended and interest was shown in the pupils' progress and attitude to work. This should be a 100 per cent attendance as much can be gained by both parents and teachers.

Lawrence Fleming is in the University hospital having treatment on his knee.

Mannville Friends Farewell Norma McLuckie

MANNVILLE. — On March 28th a surprise party was held for Norma McLuckie at the home of Doreen Bennett and Verla Arnold.

Twenty-four of her [illegible] were present to enjoy an evening of entertainment. During the evening Connie Gerhart, on behalf of those gathered, presented Norma with a gold dresser set. Best wishes and good luck at her new job were expressed by the group. Norma very graciously thanked her friends for their thoughtfulness. A delicious lunch was served to end a most enjoyable get-together.

Less Freight

Freight car loadings are down from a year ago reports The Financial Post. In the past week March loadings totalled 73,635, down 13% from a year earlier. This means the drop in first nine weeks of the year came to 7%. Carried in fewer cars so far this year: grain, coal, crude petroleum, logs, lumber. Showing year-to-year increases were pulpwood and newsprint.

Goose Heralds Spring With A Record Egg

A young goose owned by Pat Mulgrew heralded the arrival of mild, springlike weather by laying a huge egg, only the second one in her career to that date. The effort weighs 11 ounces and measures 8¾ inches by 11¼ inches. Pat thought that he was buying a pair, goose and gander, but both have now started to lay eggs.

Three Polar Bear Cubs Move To A Warmer Climate

WINNIPEG.—Three polar bear cubs captured recently on Southampton Island arrived in Winnipeg this week aboard a Canadian National Express car on the first part of their journey on the Hoyle Zoological Gardens in Salt Lake City, Utah.

Weighing a total of some 480 pounds the three cubs were met at the CNR station here by Gerald De Bary, curator for the zoo, who arranged for their transfer south of the border.

Essay Contest For School Children

During the next few weeks more than 30,000 rural school pupils probably will be enlisted in the fight against the menace of farm fires which last year took 13 lives five being children. That is the number expected to take part in the sixth annual farm safety essay competition sponsored by the Alberta Safety Council.

The contest is open to pupils in grades 5, 6, 7 and 8 in the rural schools in Alberta and also includes those taking correspondence branch courses and pupils in the Indian schools.

Large posters which contain the rules of the contest, along with supplies of entry blanks have been forwarded to each school division superintendent for distribution to the rural schools.

The posters also contain much essential information for those interested in the essay subject which is "Farm Fires". Causes of farm fires, in addition to prevention means of fighting the fire, how to escape, safety, also are described in the poster.

Prizes will be awarded in each school division, Indian agency and correspondence school for the writer of the best essay in grades 5 and 6 and another for the best essay in grades 7 and 8.

The winning pupils will each receive an attractive lapel pin as an individual award while his or her schoolroom will be given a hand-lettered certificate mounted on a wooden plaque.

Also there will be cash awards for the three best essays in the entire province. There is a cash prize of $50 for the provincial first prize and $25.00 each for the second and third prize winners.

The provincial winners will be selected from the winners in the various school divisions. In addition to the cash prizes for these pupils, they and their teachers will be given an all-expense paid trip to Edmonton for one day.

Hon. Dr. J. J. Bowlen, Lieutenant Governor of Alberta will present the prizes to the winners at a complimentary luncheon at the Macdonald Hotel, where all will be guests of the Alberta Safety Council. The date may be June 17.

The closing date for the contest in the schools in April 28. It is expected that all schools will show keen interest in this competition and that greater precautions against farm fires will result.

Hon. R. D. Jorgenson, Minister of Public Welfare, is chairman of the essay committee. Other members are W. E. Frame, H. C. Sweet, Charles Simmonds, Prof. B. T. Stephanson, G. F. Bruce, Rudolph Hennig, T. C. Weidenhamer, H. Stutchbury and Paul Lawrence.

St. Paul United Presbytery to Meet In Vermilion May 8

[illegible]

SQUARE NOTES From Circle 8

Representatives from twelve different clubs danced to guest caller Jimmie Lindsay on March 16th. Riverton, Mannville, Wainwright, Elk Point, Clandonald, Lloydminster, Blackfoot, Hazeldine, St. Paul, Flat Lake, Myrnam and Vermilion.

This Saturday is dance night again in Vermilion — for the information of our newest members, we dance the first and the third Saturdays of the month. Some wondered what happened to the dance last week. This is the first week — plan to be at the Elks hall on April 6th to dance to Johnny Maxwell. There will be four speakers in use to overcome the echo.

Looking into the future, the next dance after this Saturday will be during the Easter holidays on April 20th with Henry Lien, well known on Henry's Square Dance program heard every Saturday night over CFCW Camrose. Saturday May 4th will be the Circle 8's annual birthday party and we'll have our club caller Harold Schaefer back with us. This means that there is even variety in store for those of you who do not care to travel out of town.

CARD OF THANKS

We wish to express our sincere appreciation to Mr and Mrs W. Shaw of Islay for their kindness to us on our arrival from England. Mr and Mrs Shaw met us in Edmonton, brought us to their home in Islay where they made the whole family welcome for two weeks before we settled at 12637 51 street, Edmonton. Their extreme kindness gave us a most favorable impression of the people in this fine country.

Mr and Mrs W. Papworth and family

Andrew Sherwick received the sad news recently of the death of his wife at Holmestrand, Norway. Mrs. Sherwick was laid to rest on March 21st.

Traffic Safety Lane
— By —
MR. J. W. McKAY, Director of Safety Education, Department of Highways.

OBSERVANCE AND ENFORCEMENT

Traffic regulations, as you know, grow out of experience and are designed to be protective.

The protective nature of traffic regulations is shown by the fact that practically every traffic collision involves at least one violation.

Not all violations, it is true, result in accidents. But continued violations almost certainly lead to accidents. Take the case of "Wisedriver Joe" whose habit was to laugh off his traffic violations with "It's all right if you don't get caught". Then gradually, he became more and more careless and illegal in his driving. One day — a hillcrest—Joe out of his legal lane — a terrific crash — several persons seriously injured and in the hospital — Joe facing an operation, a heavy fine, and large damage charges on the other car and its passengers. Actually, Joe has piled up bad driving habits and has been preparing for that collision every time he committed a traffic violation.

Violations pile up accidents. So police forces are more concerned in forestalling the accident by encouraging observance than in punishing the offender after the accident.

OBSERVANCE BETTER THAN ENFORCEMENT

Ask your police chief how many officers would be necessary in your community to force the people to obey all the traffic laws. He would tell you that no community could possibly afford enough police to enforce traffic laws on an unwilling citizenry. No law can be successful in a democracy unless a large majority of the people obey it of their own free will.

A major goal in traffic regulation is to secure voluntary observance. Traffic officers would much rather aid and guide drivers and pedestrians in observance than be forced to arrest them for violations. But as long as people do not obey regulations, officers must make arrests.

Throughout the western region Canadian National Railways has placed some 270 new diesels in service, as well as those used to haul the Super Continental and Continental through the West. In about three years' time the sound of a CNR steam locomotive will be a memory west of the Lakehead.

IN MEMORIAM
In loving memory of
JOE ALLEN
—husband and father who passed away April 4th, 1955.

"In sorrow we watched day by day
And watched his suffering there;
Slowly but surely passing away
From the pain he scarce could bear.
And then God called from His throne above,
His suffering and pain is past;
We know he has gone to realms of love
And in heaven has peace at last."

—Ever remembered and sadly missed by his loving wife Effie; the Butz, Baillie and Ball families.

Easy Garden Planning

Have you heard of the Horticultural Guide?

It's an indispensable little booklet for garden lovers and makes an ideal companion for your favorite seed catalogue. Seed catalogues with their gorgeous color arouse enthusiasm among amateurs and professionals alike. The idea to try practically everything in the catalogue flashes through one's mind. The Horticultural Guide with its map of Alberta divided into horticultural zones tells you in which zones you can expect best results from the different varieties of fruits and vegetables. It even tells you what products are best for freezing. A section is also devoted to insect and disease control. Heights of annual and perennial flowers so useful in balancing your garden, are given. The different colors of your favorite flowers are listed so that gardens can be attractively planned. For new home owners anxious to beautify and increase the value of their property there are tree and shrub planting recommendations.

These and many other valuable tips are provided in this booklet specially prepared for Alberta gardens by the Alberta Horticultural Advisory Committee. Send for your copy today so that you can start planning your garden immediately. Requests filled by writing your District Agriculturist or the Extension Services, Legislative Building, Edmonton.

OBITUARY

Frank Neville Y. Molineux

Funeral services for the late Frank Neville Y. Molineux who passed away on Tuesday Jan. 29, were held at the Anglican church, Landonville, on Friday, Feb. 1st. Interment was made in the Landonville cemetery. The Rev. Brian L. Brown officiated.

Mr. Molineux was 67 years of age and had lived in the district since 1909. He was held in high esteem and respect by all who knew him and occupied an honored place in the community. He was still actively engaged in farming at the time of his death.

Left to mourn the loss of a loving husband and father are his sorrowing wife, three sons, Frank of Landonville; David of Edmonton; Frank, in Leduc; and two daughters, Mrs. Lloyd Haberlin (Frances), Vancouver; Mrs. M. Danbrooke (Mildred), Edmonton.

There are thirteen grandchildren; two brothers, Cecil in Regina, Reg in Edmonton, and one sister in England.

Moyers of Vermilion were in charge of funeral arrangements.

PICK UP

Industrial employment is now picking up again after a remarkably buoyant winter, with every indication that the labor market will be getting tight again within the next couple of months, reports The Financial Post. With the exceptions of lumbering (especially on the two coasts) and farming (where employment has fallen to a new low), demand for workers is general.

Enjoy California Holiday — Feel Earthquake Tremors

Mr and Mrs. S. C. Heckbert and Dr. and Mrs. H. J. Clarke have returned from a brief vacation in California. The trip was made by car and no difficulty was experienced with snow conditions regardless of the severe storms of blizzard proportions which struck the midwest states during the period.

The party went as far south as Santa Barbara, about 100 miles north of Los Angeles after having spent some ten days on the Monterey Peninsula, in and around the historic city of Monterey and the pleasant town of Carmel. Temperatures ranged in the high fifties on the Peninsula and were some ten degrees higher at Santa Barbara. Good weather prevailed throughout, except for the time involved in driving down the coast from Portland when extremely heavy rains were encountered in addition to one day of heavy fogs.

The party was in the earthquake area during tremors which affected the San Francisco district but only one quake was felt, the numerous other tremors mainly occurring at night and of minor character. Headlines of the newspapers of which several extra issues were placed on sale indicated heavy damage running into the millions of dollars, but little actual evidence of damage was apparent to the casual observer.

Experts at the University in Berkely reported more than 100 tremors in a three-day period, pointing out that they were to be expected in the area, due to a great fault which runs for hundreds of miles out into the Pacific and into the State of California almost directly under the Bay cities of San Francisco, Alameda, Berkely and Oakland.

En route back to Alberta the holidayers were interested in the large numbers of young people taking advantage of excellent conditions for skiing in the mountains of Nevada. Thousands of cars lined the highway through the Donner Pass and the hills were literally covered with ski enthusiasts. Mechanically-operated tow lines carried the youngsters high up on the hills and the journey downward was made with much greater speed than the ascent and it was noticed that on every occasion when a skier fell the next one down would stop, apparently to make sure that assistance was not required.

Traffic through Washington, Oregon and in California was found to be extremely heavy but well directed with all highways marked. Freeways are rapidly being installed at heavy traffic areas with the result that traffic is speeded up to a marked degree, with the danger of accidents being largely eliminated. Only one major accident was encountered during the entire trip, this occurring on a very crooked section of highway between a car and a heavily loaded lumber tractor and trailer with apparent disastrous results to both vehicles.

Orchards were beginning to reach the bloom stage and daffodils and other spring flowers to reach their best. The change from winter conditions in Alberta was a welcome one but the great wheat belt of the south and the Rocky Mountains were a welcome sight on the return journey.

Overflow Crowd At Board of Trade

A story of the Board of Trade meeting held on Wednesday was crowded out this issue and will appear next week. The dinner paid tribute to the winners of honors at the Calgary and Edmonton spring stock shows and sales. Several other guests were in attendance as well. It proved a very well attended and interesting event.

CARD OF THANKS

We would like to take this opportunity to thank the Ladies Auxiliary to the Canadian Legion, Kitscoty Branch, for their excellent catering for our parents, Mr. and Mrs. E. Joy's Golden Wedding reception. Also many thanks to everyone who helped in any way to make the day a happy one to remember.

Viking Newspaper Car Bingo

The Viking Curling Club and Viking Legion are jointly sponsoring the second annual newspaper car bingo which will be underway shortly.

Feature prize is a 1957 4-door Meteor with intermediate prizes amounting to approximately $80.

Cards are available from either of the two sponsoring organizations, or from Walter Fisk in Vermilion. First numbers will be drawn on April 13th and will be published in the Standard each week. 30-40c

Rotarians See Coins 2,000 Years Old

On Friday, Gerry Stephens addressed the local Rotary Club as a part of its program of having each member responsible for conducting at least one meeting during the year.

Gerry spoke on his hobby — Numismatics or coin collecting, and showed part of his collection of coins to the club. Some of them are believed to be about 2,000 years old.

The history of money was traced from its earliest mention in the Bible, about 4,000 B.C. through the centuries until the first coins were actually made by the Lydians about 700 B.C.; when they were first dated about 1350 A.D., to the present time.

Gerry was introduced by Ashley Cooper, who claimed to have known the guest speaker all his life, while president Reg Mitchell extended the thanks of the club.

Visiting Rotarians present were Mel Lavold, Art Shortell, George Bayton and Russ Robertson of Lloydminster, and Harry Aime of Vegreville.

Further plans for the second annual Charter Night were given by Newcombe Bentley.

Huge Hen's Egg At Brown Farm

Mr. L. R. L. Brown brought in a hen's egg last week which is a little larger than usual. The measurements were 8½ inches and 6¾ inches in circumference and the weight was 4 ounces.

The egg was laid by a Light Sussex hen on Mr. Brown's farm 18 miles south of Vermilion.

Derwent Pays Tribute To Poet

DERWENT — An anniversary concert was held at the Derwent National Hall in memory of Taras Shevchenko, a great poet of Ukrainian origin.

A fine program which consisted of the following items, was immensely enjoyed:

1 Introductory remarks by Wm. Mohaliuk.
2 Solo by Mrs. Christine Sekowsky.
3 Piano selections by Evelyn Hanasyk, Lavina Palinka and Rose Marie Semeniuk.
4- Quartet by Natalka Mudryk, Elizabeth Yarmuch, Natalka Kobylnyk and Evelyn Dutchak.
5—Derwent mixed choir which was conducted by Rev. Father Cherkiawsky.

Guest speakers were Mrs. Annie Burtnick of Edmonton, who gave an address from the Central Ukrainian Women's League in Edmonton, and Mrs. Petasky, also of Edmonton, gave a life history of Taras Shevchenko.

Concluding remarks were given by Mike Onljayk.

Lunch was served by the Derwent Ukrainian Women's Catholic League.

A draw was made for a waffle iron which was won by Steve Kulinski of Derwent.

Mass Visitation To Masonic Lodge

A mass visitation on Tuesday evening resulted in 110 Masons gathering at the Masonic Hall, the regular meeting night of Vermilion Lodge No. 24, A.F. & A.M. Besides the home lodge nine others had large representations, coming from St. Paul, Elk Point, Vegreville, Mannville, Kitscoty, Lloydminster, Lashburn, Wainwright and Irma.

Entertainment was provided by Mr K. E. Rowe who showed colored slides of his trip to England, Scotland and Europe last spring and summer. These proved very interesting and were the subject of many favorable comments. Refreshments were served by the members of Vermilion Lodge.

Bereaved by Death Of Father

Arnot Brown of the Union district was bereaved by the death of his father, Mr. Joseph Cyril Brown, who died suddenly at Grand Centre on Tuesday, Mar. 26th. He was 73 years of age and was quite well right up to the time of death. Funeral services were held at Cherry Grove on Saturday, March 30th. A memorial building fund for a new hospital in Cold Lake as a mark of esteem and respect for the late Mr. Brown has been started.

Record Immigration?

Canada's biggest immigration year for nearly half a century is off to a good start, says Michael Barkway of The Financial Post.

In the first three months we will admit well over 30,000 new settlers.

This is far higher than any other post-war year, and it is about a quarter of the announced target of about 200,000.

April, May and June will bring in an even larger number: and the total for the first half of the year is likely to be over 125,000. (1956 1st half: 70,000; 1955 50,000).

Pick-Up

The revival of railway building has been one of the significant features of Canada's post-war progress. Since 1946, a total of 380 miles of new branch lines have been constructed, or are being constructed by the Canadian National Railways.

Re: Dumping of Carcasses

It is drawn to the attention of all concerned that it is against the Fisheries Regulations to dump carcasses of any description into rivers and lakes. During the past winter carcasses have been dumped into the Vermilion river and Park Lake. Any future infractions will be dealt with to the full extent of the law.

IT'S SMART TO COOK COOL AND FAST WITH gas

THERE'S NO hangover heat
Most women prefer gas because it gives you perfect control of temperature on top of the range, in the oven, in the broiler. New gas burner-with-a-brain gives the same automatic performance on top burners as you enjoy with your oven. No range could be more automatic. And no other fuel offers instant high heat, unlimited control plus no hangover-heat for cooler cooking. With gas, all means all. Go modern; go gas. Most women do!

Paradise Valley

The Paradise Valley 4-H Beef Club held their monthly meeting in the school auditorium on March 11. After a discussion it was decided how the club should be dressed for the Achievement Day Show sticks were presented to each club member by Mr. T. Rayson, local Swifts feed dealer.

A debate was arranged for this meeting. The topic was "Which type of animal is best for beef—Rangy or Showy". Facts and figures were given which made the debate very interesting.

Mr. Stepenoff, our club leader, gave a report on 4-H leaders day which he attended at Vermilion.

Arrangements were made for a special meeting the following Monday evening. At the special meeting the film "4-H Congress" was shown. Dr. Greech Dominion Vetinarian gave an interesting lecture on the feeding of calves from a scientific viewpoint.

On Wednesday, March 27 at a meeting of Swift Agents held in the McDonald Hotel at Edmonton Mr. Tech Rose was presented with a gold wrist watch for 20 years service with the company.

Messers M. Hoskins, T. H. Rayson, Les Holgate, Joe Mayo, Jim O'Neil and C. Mawes motored to Edmonton on Saturday night to take in the hockey game.

Congratulations to Mr. and Mrs. Arthur Flint on their Golden Wedding which they celebrated on Saturday, March the 30. More about it for a later addition.

The Paradise Valley Stars had a very enjoyable Square Dance on March 27, to the calling of Harold Schacker of Bawlf. Twenty-one squares made a record crowd for a regular dance. Twelve Square Dance Clubs were represented. We were especially glad to see Dan and Bea Odegrade of Edgerton paying us a visit and to have them dancing with us again. Next dance is Wednesday April 10 with Art Zeigler calling. All members of Square Dance Clubs are welcome.

Health Unit Notes

COMMON SENSE FEEDING HABITS FOR BABY

MIXED FEEDING: When the baby is ready to start mixed feeding, introduce new foods in very small quantities. If a food is refused don't worry but try it again another day. Try new foods early and often but feed the same food for several days until he is used to it before going on to another one.

HOW TO FEED: While he is very small, take baby on your knee to feed him and only when he has got used to taking food from a spoon and cup put him into his high chair. Don't make him the centre of attention as this will encourage him to show off and need coaxing to eat. Take plenty of time over feedings so that he can enjoy his food.

BE CALM, UNCONCERNED: His appetite will vary from day to day just as yours so don't worry if he sometimes refuses things. As he gets older he will develop definite likes and dislikes but try not to show your own likes and dislikes too much as he will quickly follow your example.

If baby does not want to eat at all perhaps your attitude is at fault, you are worried and anxious about him. He is quick to find that this is a way of getting extra attention.

TYPES OF FOOD: Some mothers feel that baby's food tastes uninteresting but actually simple foods with natural flavors and little seasoning are enjoyed most. Tinned foods are a useful standby but when possible something from the family menu should be given. These can be mashed up finely with a little milk and are much more economical especially in the early stages when baby only takes a spoonful or two.

AMOUNTS TO GIVE: Serve very small portions at first, then gradually increase as baby gets used to new foods. Make the most of different colored foods and avoid covering everything with brown gravy. Don't overload baby's dish as this discourages him and may spoil a normal healthy appetite.

FEEDING HIMSELF: By the time baby is a year old he should have begun to handle his own cup and spoon. When he begins to reach for the spoon let him have one of his own to hold and leave him with the last spoonful of his meal to finish by himself. As soon as he seems able, let him feed himself. You will of course protect his clothes and the floor around as he is bound to make a mess while he is learning.

JOINING THE family meal: As soon as your child is able to feed himself and enjoy his food without wanting to be the centre of attraction, you can introduce him to the family table. He will quickly learn table manners from those around him but it is better not to over stress these until he has learnt to enjoy his food, otherwise meal times will become an unhappy time for you all. Aim at cheerful, happy meal times but try to avoid too much conversation or rowdiness, amongst the juniors.

Safety Driving Education Reduces Fatal Accident Toll

Alberta's total of five deaths in motor accidents during February was the second lowest in a single month in recent years, and only one more than the lowest which was recorded in December 1955, according to a summary of accident reports issued by the Alberta Safety Council.

The fatalities last month were made up of four at rural points, reported by R.C.M.P., and one in Edmonton. In the same month of last year there were nine deaths.

Since the first of the new year, there have been 16 deaths from motor vehicle accidents in the province, of which all were in January.

The marked decrease in fatalities is in sharp contrast with the rising trend of car accidents and persons injured.

For the first two months of this year, there were 3,843 accidents, compared with 3,191 in the similar period of 1956. For the same period the number of persons injured in accidents rose from 516 last year to 713 this year.

While the showing for persons injured was not as bad in February as in the previous month, there were 306 last month, an increase of 29 over a year ago.

The R.C.M.P. reported 172 persons injured in car mishaps at rural points, which was an increase of 70 in February. In Edmonton 72 persons suffered injuries, a decrease of one, while Calgary's increase by two of 43.

More than one-third of the motor accidents in February occurred in rural areas covered by R.C.M.P. reports. The rural total reached 694 compared with 501 in the second month of last year.

Edmonton was in second place in the province with 594 accidents, 15 more than in the comparable month of last year. Calgary also followed the same trend going from 252 to 305.

Report from The Alberta Legislature

— By KEN MASON —

EDMONTON. — The Alberta government has survived its second motion of non-confidence based on the controversial plan to pay oil and gas royalty dividends to citizens.

The opposition leader J. H. Prowse introduced the motion in the form of an amendment to the routine government motion that the dividend bill be given a second reading.

The motion was defeated 33-17 by the Social Credit majority, whose members are determined to pass the measure under which $11,000,000 would be set aside from oil and gas royalities to pay dividends to Canadian citizens over 21 who have lived in the province five successive years.

Mr Prowse's motion would have had the effect of killing the bill and defeating the government. It said the dividend bill should not be dealt with until all requirements are fully satisfied for educational facilities, health and hospital facilities, conservation of natural resources, roads and public works, and assistance to the poor and needy.

Opposition members closed ranks to attack the dividend plan, but unfortunately most of their arguments were repetition of what was said in the first non confidence motion a few weeks ago during the buget debate.

The main arguments are the money could be put to better use, and that the princuple of direct payments to citizens is morally wrong and sets a dangerous precedent.

Premier Manning and F. C. Colborne, minister, minister without portfolio have carried the ball for the government so far on the dividend bill.

The premier said the people own the natural resources of the province and have a right to participate directly in their development. He said the dividend plan was at the bottom of the list of priority needs, and added that other needs are being met "adequately, equitably and generously."

Mr Colborne labelled the Opposition arguments as "political tripe" and was immediately called to order by the Speaker who ruled that "political tripe" is unparliamentary langauge.

The minister without portfolio said all the arguments could be used with as much validity against the federal government's baby bonus plan and the $100,000,000 being granted to develop culture.

He found it strange that the Opposition felt the money should be used to help reduce municipal taxes. Under a tax rebate scheme, the biggest benefits would go to the wealthy people who own the most expensive property while the dividend would go to everyone.

Mr. Colborne was confident that the people understand the dividend plan and realize the principle behind it they will recognize it as a progressive step.

Opposition spokesman were equally sure the principle behind it is purely political and an attempt by the Social Credit government to keep itself in power through bribing the public.

Liberal Abe Miller from Edmonton took Premier Manning to task over the words "adequately, equitably and generously." He quoted figures on the amounts pensioners receive in Alberta and challenged anyone on the government side to say the payments are adequate, equitable or generous.

He also pointed out that the $11,000,000, distributed among pensioners would give every one of them $375 a year. At the time of writing no government spokesman had answered that.

The Opposition made a stubborn stand even though it was a futile one and they knew it. There is no doubt that the dividend will go through and Albertans will be receiving what one Opposition member called "paleface treaty money from the great white father."

One of the liveliest fights of the current session developed over amendments to the Town and Village Act which Opposition members claim will force municipalities to distribute free publicity favorable to the government.

Under the amendment, the minister of municipal affairs can require a municipal council to include on its tax notice estimated amounts expected to be received from the government in grants and other aid, and their effect on the mill rate. A similar amendment is being made to the City Act. If any village, town or city fails to comply, the government would be empowered to withhold all monies payable.

The measure was described as "holding a gun to the head of municipalities" while government spokesmen said it was nothing more than an attempt to show taxpayers how and where their money is being spent.

It was attacked mainly on the ground that it would saddle local councils with extra expense when the government could just as easily prepare and mail its own statements. The government voted down an Opposition bid to have the section of the bill removed.

The current session of the House is expected to end within two weeks or so, unless something unforeseen develops.

Twenty bills were given third reading last week and Chief Justice C. J. Ford of the Supreme Court gave them Royal Assent. He is taking over for Lieutenant-Governor Dr. J. J. Bowlen, who is on vacation in Arizona.

It is the first time since his appointment that the governor has been absent to assent to bills. He may be back in time to prorogue the House and assent to the rest of the bills.

Sweeping amendments to the Liquor Control Act, based on recommendations of the eight-man House liquor committee, were approved in principle and given second reading.

The main change is the abolition of the individual permit system for purchasing liquor. There was no mention of the province-wide plebiscite on liquor, because that will be held under the Election Act and requires no change in the Liquor Act.

THE TALE OF THE LONELY SPRAY RIG

(sitting in the corner because it can't get the parts to keep going!)

Once upon a time, in a land not far distant from this, a farmer purchased a spray rig. He was indeed proud of it. The first year, he made use of it and found to his surprise that everything the maker had said about the rig was true. It sprayed well and truly, and the farmer saw his crops grow in abundance having been relieved of the weeds that once hindered them.

The next year, however, the spray rig would not work. Its pump had to be replaced. But when the farmer tried to locate the maker, he could not. Indeed, he learned that the maker had neither agents nor representatives in the district.

Now the rig lies lonely in the fence corner. It toils not, neither does it spray. It rusts.

Moral: Your equipment is only as good as the integrity of its manufacturer, and the ease with which you can obtain those small but essential replacement parts. National Grain Company has a representative in your district who is truly interested in keeping your goodwill. He can give you service immediately on sprayers or chemicals of almost every kind. Call on him, won't you?

Judicial Sale of Farm Property

PURSUANT to the Order for Sale and Directions of the Honourable Mr. Justice Primrose, sealed tenders will be received for the purchase of the South West quarter of Section 22, Township 54, Range 5, West of the 4th Meridian, in the Province of Alberta, containing 160 acres more or less, reserving thereout all mines and minerals.

This farm is situated nine miles from Clandonald, Alberta and there are said to be 153 acres under cultivation. There are no buildings and the land is reported to be all fenced.

The property will be offered for sale at an upset price of $2170.00. Tenders must be enclosed in sealed envelopes marked "tender re Kay et al vs. Skrenkowich et al, No. S.C. 1075" addressed to H. Sakaluk, Clerk of the Supreme Court of Alberta, Court House, Vegreville, Alberta and must be in the hands of the said Clerk not later than 12:00 o'clock noon on the 23rd day of April, A.D. 1957.

TERMS OF SALE

Each tender must be accompanied by a marked cheque or cash for 10% of the amount of the tender, and the balance of the purchase price shall be paid into Court within 40 days after the acceptance of the tender, without interest. The deposit of 10% shall be forfeited by the successful tenderer if he refuses to carry out the purchase after acceptance of his tender. Cheques of unsuccessful tenderers will be returned to them immediately after rejection thereof. The highest or any tender not necessarily accepted. In all other respects the terms and conditions of sale will be the standing conditions of sale of the Supreme Court of Alberta, so far as the same are applicable thereto.

For further particulars apply to Messrs. Corbett, Harper & Corbett, Barristers and Solicitors, 609 Tegler Building, Edmonton, Alberta.

DATED at Edmonton, in the Province of Alberta, this 19th day of March, A.D. 1957.

Letters to the Editor

The Standard does not hold itself responsible for opinions expressed by correspondents

Vermilion, Alberta.

To Readers of the Standard:

After spending time at our school trustee and ratepayers meeting in November, and the annual meeting of Vermilion River municipality in February, I am more convinced than ever that unless property owners take some action in regards to our present taxation system we will be taxed off our property before long.

At our municipal meeting our government member stated that a lot of our business should be conducted at a school meeting. I wonder does he not realize that assessment of property has everything to do with both school and municipal financing and as long as we have assessed value of property as the only means of taxation, we will have more and bigger inequality in our taxation set-up; and our assessment is definitely fixed by our Councils and the Government rules.

Up till about twenty years ago the system was not so much out of balance, mill rates for school purposes were from 8 to 12 mills and with a family on every quarter or half section, education tax would average out between $15 and $25 per taxpayer and whether you paid the top tax or the low one made little difference. Today is a far cry from that. On the farms of today the education tax would average out between $300 and $800 per taxpayer regardless of whether there is income or not. In many cases about 20 per cent of farm income goes to pay education costs. I wonder how many other labor or professional groups would stand for a tax of between 10 and 20 per cent of their income going for the cost of education?

The same thing is happening in the towns on a smaller scale, but unfair nevertheless. The property owner who builds a nice home or business place, possibly using life earnings or mortgaging his soul for life to build it is taxed out of all proportion to his earnings. These people are the roots of Alberta's prosperity and a credit to their town and their country who have put everything they have in good homes, business places or good farm set-ups and need only fair play to keep Alberta and our town and country on a solid footing of prosperity; while others, with no ties to bind them skim the cream off the wages of industry or profession, and when something better shows up any place, pick up all their possessions and are gone, after using all our Municipal services and pay little or no tax for these privileges. Some will maintain that the rent of a house constitutes a fair tax, but if the average rent of a house was all paid to the cost of education it would not average what farm property is asked to pay.

I believe some of the business places are also carrying more than their share of the tax load. If earning power is considered and it should be. The purpose of assessment in the first place was to have each parcel appraised for earning power. How much simpler it would be to tax actual earnings and how much more fair to all. A house is no longer the measure of man's ability to pay taxes or any measure of his earnings. If a man's ambition is to own a nice home, regardless of how it is financed, that is no reason to burden him down with taxes, while others with whom we have no quarrel, may rather spend their earnings on a fancy car every year or a holiday in Bermuda or in any other way he may enjoy but he does get the same benefit from our educational and municipal services with no tax on his earnings or his property for such service.

The question was raised at our municipal meeting as to what the actual tax would be on income to run our educational set-up. The figures I have secured from our governments show we could have paid our 1956 educational cost at an average cost of $53.77 for every working person or if figured on a percentage of income it works out at 4½% of our actual income of 1955. This is without government grants. Figuring that the government grants were also paid as at present our tax on actual income would be 3.18%. Figures do not include income from pensions or family allowances or the incomes of the large corporations (which in my belief should also pay on actual income for our municipal services). This would also reduce the cost considerably. With these figures one can easily see and realize that the property owner is paying a stiff price for supplying the services for the moving population.

There are at present, negotiations between the school division and the teachers for a raise in salaries which will cost the taxpayer another five mills. I am quite aware of the fact and believe that good teachers deserve good salaries, but in the same breath I also feel that they should also pay their share of education costs. Farmers don't get cheap bread because they raise wheat and don't expect it. Why shouldn't their earning power be taxed at the same level as the property owner.

There is no doubt that a system of taxing incomes rather than property would not suit everyone and I would like to hear either directly or through our paper the feelings both for and against such a system.

My opinion is that we should organize a property owners association, and with a united voice present our views to the provincial government and see if we can get a square deal for those who are the backbone of our province; the people rooted deep by ownership of her good topsoil or a small spot to build a home or business. We could then feel secure with the knowledge that when our earning days were over whether by natural or unnatural causes, the tax on our homes would not drive us out of them onto the mercy of other overburdened taxpayers.

Let's bring this out into the open and take it up at every opportunity and let's have fair play and fair divisions of costs.

Yours truly,
Robert Galloway.

"HELLO, HOMEMAKERS"

As mentioned last week I have included descriptions of several other new fabrics.

Dacron is a new fibre frequently found as a blend. Some of the Characteristics of dacron blends include wrinkle resistance, durability, long wearing and light weight. These blends are frequently washable requiring little or no ironing if drip dryed.

Dynel is a new fabric which is warm to the touch and very resilient. It is quick drying and resistant to acids. However, it is sensitive to heat. It should not be ironed directly with a steam iron. It is being used in blankets and knit goods.

APRIL — Fluid Milk Month

Milk is a valuable food. As farming people we are close to the source of supply and should use milk frequently. Since milk provides several of the essentials in our diets it is important that we have milk in some form daily. As you know children should receive about five cups of milk and adults at least two daily. It isn't necessary to drink it all: there are many ways to use milk. As a treat for the children, blend fruit juice with milk with an egg beater. This gives the effect of a milk shake if the milk is cold. Use milk in cream soups, and sauces: in puddings and desserts.

If you would like leaflets on the use of milk in a variety of ways, they are available from me at Wainwright.

WOODVALE NOTES

With spring a lot of sickness usually appears. The schoolchildren, especially the younger ones, have been breaking out in German measles, and even an odd high school student gets them. With Patricia Portsmith recovered from her jaundice her sister Marjorie has been the next one in the family to come down with it. Several ladies have been in the hospital lately too, among them Mrs. Belle McGrath, Mrs. Euna Lysons, Mrs. Eva Dickson and Mrs. Edna Ross. We hope, now they are once again home they will soon feel completely well.

The signs of spring seen in our neighborhood have all been mentioned in the Standard already. Mrs. E. Lysons is the first one we have heard of having a hen setting on duck's eggs.

Fred Slocum who has been travelling in the east and eastern U.S., visiting friends and relatives ,is expected home any day now.

Recent visitors to Edmonton have been Mr. and Mrs. Kaare Selte, Margaret McGrath and her father, and Mrs. Van Wageningen. The latter also spending a few days in Red Deer.

Quite a number of curlers and wives intend to take in the annual banquet in Basswood school on Friday, April 5th. This event was very much enjoyed a year ago and all are looking forward to it again this year.

The dance and pie walk at the Union Community centre was well attended and much enjoyed.

A very happy event took place on March 30th in the Tolland district when friends gathered at the home of Mr. and Mrs. R. McQuid for a surprise shower in honor of Marion McQuid who spent the week end home with her parents Mr and Mrs. A. McQuid and who will become the bride of Mr. Burton Clark of Calgary on April 10th in the First Baptist church, Edmonton. Having been asked to come over for a "quiet" evening she was not too surprised after finding the yard full of cars, to see the room filled with friends. The evening was spent in playing several guessing games and after that pleasant and not too strenuous work, Mrs. Betty Lysons brought in a really very beautifully decorated basket overflowing with presents. Mrs. Van Wageningen made the presentation and wished Marion a very happy married life. The opening of the many parcels took quite a while with everyone admiring them and then Marion thanked all very much and expressed the hope to see them all sometime in her new home in Calgary. A delicious lunch was served by the hostess who was assisted by Mrs. Betty Lysons and Eleanor McGrath. After a grand time visiting and talking the pleasant evening came to a close.

Congratulations go to Mrs. Jim Ross who celebrated her 75th birthday on Tuesday of this week and to Mrs. Walter Proctor who will be 80 years old next week.

Jasper Park Lodge To Open June 9th

The Canadian National Railways distinctive summer hotel, Jasper Park Lodge, will open this year on June 9 and another banner season is anticipated, it was announced by Robert Sommerville, general manager of CNR hotels. The season will close on September 15.

The annual Totem Pole Golf Tournament will be held from September 1 to 7 inclusive.

Considerable renovation work has been done on the Lodge's heated swimming pool. Modern decking, a sheltering canopy and a glass enclosed section have been installed. Exterior walls have been renewed in stone and stucco, new light standards added and mechanical equipment replaced. Shower and locker rooms have been improved.

Softer Butter

New churning techniques and improved equipment are being developed to make butter soft and spreadable the minute it comes out of the refrigerator, says The Financial Post. Butter is expected to remain firm at room temperatures and not melt until it reaches 90 degrees.

Youthful Prize Winners Guests of Board of Trade

The Vermilion Board of Trade at the weekly luncheon meeting on Wednesday last week, feted young exhibitors of the district who, in stock shows at Calgary and Edmonton, had brought honor to themselves and to the town and district. The young farmers were Billy Robinson, Keith Barr, Betty Robinson and Louise Barr. Receiving tribute also were Mr. Ray Williams and Mr. Michael Simonet.

Other stockmen not present but receiving honorable mention were J. S. Cross, Homer Campbell, Mike Huchk, Hugh Stewart.

The meeting was presided over by President Israel Miller, while Carl Heckbert introduced the young winners, at the same time paying them tribute for their outstanding achievements in provincial competition.

Other guests present were Mr. Ronnie Barwick, vice-president of the Elk Point Board of Trade; Mr. Quelette of Edmonton; Mr. Jonathan Fox of Lloydminster; Mr. Jack Deakin of the Edmonton Journal; Mr. and Mrs. W. L. Robinson and Mr. and Mrs. Manson Barr, parents of the young stock winners.

Shown in the picture from left to right facing the camera are Ray Williams; Billy Robinson; Louise Barr; Betty Robinson; Keith Barr.

With their backs to the camera left to right are W. L. Robinson, Manson Barr, Mrs. Robinson and Mrs. Barr. Shown in the background are Mr. Heckbert on the left and Mr. I. Miller.

Billie Robinson aptly expressed appreciation to the Board on behalf of the guests.

Salvation Army Officials Plan Visit To Vermilion

During the pre-Easter services conducted by the Ministerial Association, Vermilion will be visited by Lieut.-Col. and Mrs. T. Mundy, Staff Secretary of The Salvation Army, Territorial H.Q., Toronto.

Lieut.-Colonel and Mrs Mundy will be accompanied by Sr. Major and Mrs. Ross, Divisional Commander of Alberta, who will be making their final visit to Vermilion in this capacity.

Col. Mundy entered the Salvation Army from Brandon, Man., and has spent many years as an officer in Western Canada, and later in leading positions on the Territorial Staff in Toronto.

During World War 2, the Colonel was Sr. Staff Supervisor of the Red Shield services and was largely responsible for the splendid organization of the Canadian Red Shield services in England. He is affectionately remembered by thousands of Canadian servicemen.

Previous to his present appointment he served as director of the Salvation Army national youth program and has travelled extensively throughout Canada and Bermuda.

The Colonel will be special speaker at the Tuesday evening service at the Salvation Army, Tuesday, April 16th at 8 p.m.

Special musical items will be provided.

Pre-Easter Services Start Monday

The Vermilion Ministerial Association will hold its annual series of pre-Easter services this coming week, Monday, 15th through Thursday, 18th, at 8:00 p.m. See the advertisement elsewhere in this issue of the Standard for respective places and speakers.

The pre-Easter series, and Week of Prayer series, conducted annually by this association, are serving a good purpose in strengthening the bond of fellowship between the various Protestant churches of the area and are worthy of the continued support of the public. Increasing numbers have attended the services in the past and it is hoped that this series will be no exception.

The Christian message is essentially that of a crucified and risen Lord, Who is alone indispensable to the temporal and eternal salvation of all mankind. Christ is the answer to problems and perplexities of our day. It is this message which the local ministers will have the pleasure of presenting in the forthcoming services.

Hockey Players Receive Awards

The contest for the most valuable player in the Juvenile league resulted in a three-way tie, Lorne Scoggins of Mannville, Jimmy Jones of Dewberry and Eddie Gerritts of Kitscoty being the picked stars.

As a result, Clendenning's Family Wear which firm sponsored the most valuable player award, has mailed prizes of merchandise credits to the value of $5.00 each to the three hockey stars.

Farewell Tea Honors Mrs. J. Chalmers

Mrs. Nancy Chalmers was the guest of honor at a farewell tea last Thursday afternoon at the home of Mrs. G. F. Stephens when many neighbors gathered together to bid her farewell on the eve of her departure to make her home in Medicine Hat. A parting gift was presented to her with the very best of wishes for happiness in her new home.

Mrs. Chalmers, daughters Ann and Barbara, and son John David, left on Saturday for the southern Alberta city where they have joined Mr. Chalmers who has a position there.

Social Credit Govt. Increases Allowances

EDMONTON The Alberta Social Credit government has increased provincial allowances for mothers, widows and disabled persons pensions. Among other important legislation introduced last week were three bills providing for increases of 15 per cent in provincial mothers' allowances, widows' pensions and disabled persons' pensions.

Sandy MacMillan Purchases Reserve Champion Sow

At the recent Swine Sale and Show held in Edmonton, April 1 and 2, the Reserve Grand Champion sow, Wroxham 20L, was purchased by Mr. Sandy MacMillan. Mr. MacMillan is a well known purebred Yorkshire breeder of the Vermilion and Clandonald districts. The sow was bred by O. H. Harter of Edmonton.

Cancer Society To Hold Dinner And Annual Meeting April 16

The annual meeting of the Vermilion Chapter, Canadian Cancer Society, is to be held in the Legion Hall on Tuesday, April 16, at 6:30 p. m. This will be in the form of a dinner meeting, supper being served by the Ladies' Auxiliary of the Legion. Plans are to have Dr. Rawlinson, along with Mr. R. N. Talbot, executive secretary for Alberta, address the meeting. There will also be films shown.

The election of officers for 1957 will be held, reports of the past year's activities received, and plans made for the annual canvas for funds. A full report of receipts will be given at a later date, through the paper, when communities will be noted for special recognition, through their canvassers.

Everyone is cordially invited to attend, tickets are $1.00 per plate, and an interesting evening is promised.

GOOD FRIDAY APRIL 19th

Good Friday, April 19th is a National holiday and will be observed by all business places in the Town of Vermilion.

Agricultural Society Will Entertain Youthful Winners

The annual dinner of the Agricultural Society, scheduled for Monday, April 15th in the St. Saviour's parish hall at 6:30 p.m. will pay tribute to youthful district exhibitors of purebred livestock who made an outstanding record at the Alberta Spring shows. The guests will be Keith and Louise Barr and Billie and Betty Robinson.

Prof. Rupert Ramsay, Director of Extension for the University of Saskatchewan will be the guest speaker and judging from advance notices his address should be of interest to district people.

The number to be accommodated is limited to 140 and those desiring reservations should telephone the office of Secretary-Manager Heckbert, No. 308 or call and obtain tickets early. Reservations cannot be accepted after 6:00 p.m. on Saturday, Apr. 13th. The dinner will start promptly at 6:30.

Legion, Cadets Church Parade

On Palm Sunday, April 14th, the members of the Canadian Legion and the Air Force Cadets will march to St. Saviour's Church for the evening service.

Rev. Kells Minchin, Padre of Vermilion Branch of the Canadian Legion will conduct the service.

All ex-service men and women and members of the Ladies' Auxiliary will be welcome.

Cadets and Legion members will assemble at the Legion Hall at 7 p. m. and March off at 7 15 p. m.

Sixty To Attend School Bus Course

A course for school bus drivers is being conducted by officials from the Highway Traffic Board at the Junior High School, Vermilion on Thursday, April 25th. The course is sponsored by the Divisional Board of the Vermilion School Board Division and it is expected that about sixty drivers together with school principals and officials will be in attendance.

Recalls Arriving Here Fifty Years Ago

Percy Willes of Claysmore recalls that it was fifty years ago April 11th 1907 that he arrived in Vermilion. The trip from London, England had taken 28 days. Ten days of this was spent at Warman north of Saskatoon where the train was snowed in for ten days. Drifts at that time were 15 feet deep and snow banks stayed in the coulees around Vermilion until the end of June.

BUNNIES BIG ATTRACTION

The live Easter Bunnies in the window of Shoprite have proved a big attraction all week. The bunnies in question are just wee little fellows and are as cute as can be.

Crowded Out!

A heavy demand for advertising space too late to allow for the publishing of an extra four pages resulted in a crowded Standard this week with several good stories including the Vimy banquet, some country news, letters and articles being held over until next issue. Publication was further complicated by sickness on the staff.

This brings to mind that no advertising copy for the Ind. Section of April 25th can be accepted after this Friday April 12th.

Mrs. Kay Williams President C. W. L.

The annual meeting of the C.W.L. was held April 4th. At the conclusion of the general meeting, officers were elected for the forthcoming year, as follows:

President, Mrs. Kay Williams; 1st Vice-President, Mrs. Kay Shalka; 2nd Vice-President, Mrs. Vivian Dyck; 3rd Vice-President, Mrs. Gladys Herzog; Secretary, Mrs. Gena McIntyre; Treasurer, Mrs. Evelyn Champion; Councillors: Miss Myrtle Killion, Mrs. Loretta McKernan, Mrs. Kay Wheating.

The convenors — Mrs. Dyck, Spiritual Convenor; Mrs. McKernan, Western Catholic; Mrs. McIntyre, Sick Convenor; Miss Killion, Social Convenor; Mrs. Kay Shalka, Membership Convenor; Mrs. Wheating, Kitchen Convenor, Mrs. Gladys Herzog, Press.

The organization is planning a very active year. The first project, the annual tea and bazaar, will be held April 27th at the Legion hall from 2 to 5 p.m.

The 35th annual Diocesan Convention of the C.W.L. will be held in Vermilion June 7, 8 and 9. There is an expected attendance of at least 150 delegates from all over the province.

Marwayne Lodge Holds Anniversary

MARWAYNE — On Friday, March 29th the Marwayne Lodge No. 150, Order of the Royal Purple, was hostess to members and escorts, and to brother Elks and escorts. The occasion was the Lodge's 5th birthday. A pleasant social evening was enjoyed.

District Deputy Lady Mallet paid her official visit to the Lodge on April 2nd when other visitors were present from Vermilion.

V.S.A. Graduation Last Wednesday; Scholarships and Prizes Awarded

The Vermilion School of Agriculture and Home Economics held its annual graduation exercises on Wednesday of this week. The afternoon's program began with a fashion show in which the members of the Home Economics classes modelled the clothing they had made in sewing classes. Joyce Featherstone of Langford Park was awarded the prize as the best model in the fashion show. One feature of this event which attracted considerable interest and appreciation was the appearance of the "Junior Models". The students had made some children's dresses and these were modelled by Linda, daughter of Mr. and Mrs. K. Stone; Katherine, daughter of Mr. and Mrs Jack Wright; Joan, daughter of Mr. and Mrs. L. Seath; Susan, daughter of Mr. and Mrs. Roger Rowe; Janice, daughter of Mr. and Mrs. Bert Herzog.

DR. C. F. BENTLEY GRADUATION SPEAKER

At the formal graduation exercises Dr. C. F. Bentley, Professor of Soils, University of Alberta, in giving the convocation address, spoke of the many changes in the standards of living during the last two decades. He told the students that the modern world was still progressing rapidly, and although they had received considerable education, it would be to their advantage to continue increasing their knowledge, even after leaving school. In order to become happy, successful citizens they must keep learning and improving themselves.

E. R. McCrimmon, Assistant to the Deputy Minister of Agriculture, brought greetings to the graduating class from the Alberta Department of Agriculture. He urged them to make use of the many services available to them as farmers and homemakers, through the Extension Service of the Department.

Miss Evelyn Tellier, a member of the graduating class, favored the gathering with two vocal solos, accompanied by Jack Brown at the piano.

In his remarks preceding the distribution of scholarships, the prizes and diplomas, N. N. Bentley, Principal of the School, congratulated the graduating class on its achievements and complimented them on the success of the term just concluding. Mr. Bentley thanked the members of the staff for their co-operation and efforts, not only in the academic subjects of the school, but on the support received in the many extra-curricular activities necessary and important in the life of a residential school.

FOUR STAFF MEDALS AWARDED

As a recognition of outstanding achievement in the academic, social, literary and athletic programs of the School, Staff Medals are awarded to one student in each class in Agriculture and Home Economics. Steve Kuziw, Heinsberg; Arne Carlson, of Gwynne; Joyce Featherstone, Langford Park; Janet Macliborski, Vegreville, were the four students who earned Staff Medals for their excellent records during the term.

Another group which achieved outstanding success in their term's work were those winning the proficiency prizes. These are awarded to those graduates who have attained the highest standing in their class. Rudolph Hauch, Freedom, won the General Proficiency prize in Second Year Agriculture; Donald Williams, Clyde, in Two-in-One Agriculture; Joyce Featherstone, Second Year Home Economics, and Lois Olsen, Bawlf, in the one year Home Economics course.

GRADUATION BANQUET

At 6:30 p.m. the graduating students and their parents were honored at a banquet in the school dining room. Rev. C. W. MacKay, who had given the Invocation Prayer at the graduation exercises in the afternoon, asked the blessing.

Immediately following the meal D. C. Folk accompanied by Miss Margaret Goodwin, led a rousing sing-song. The toast to the Department of Agriculture was proposed by Arne Carlson, a graduating student who thanked the Department for making the School of Agriculture available to the students. Mr. McCrimmon replied to the toast.

Joyce Featherstone proposed a toast to the School, mentioning how much the time spent there meant to the students, and thanking the staff for all that they had done for the students. Mr. Folk, on behalf of the School thanked Joyce and told the graduates that they would be welcomed back to V.S.A. as Alumni members, hoping that they would return on the occasion of the Alumni re-unions as often as possible.

V. T. Janssen toasted the graduating class, wishing them well, and congratulating them on having completed a successful term at the School. Larry Bright, on behalf of his classmates in the graduating class, thanked Mr. Janssen and explained that the students felt that they had received many benefits from their stay at V.S.A.

The banquet was followed by a dance held in the School auditorium, where reluctant farewells, and many promises to return featured the conversation.

A complete list of the winners of scholarships and prizes, as well as those receiving diplomas will be given in next week's Standard.

Minister of Justice To Speak at Innisfree

The Hon. Stewart Garson, minister of Justice in the federal cabinet and former Premier of Manitoba, will address a gathering at Innisfree on Friday evening, April 12th at 9 p.m.

S. C. Heckbert, Liberal candidate for Battle River-Camrose and Fred Magera, candidate in the Vegreville constituency, will also address the meeting.

Vermilion Man Marries Pen Pal of Fifteen Years

Marriage on Saturday last at Bolsover, England, climaxed a Canadian-English pen pal friendship that began nearly fifteen years ago.

James Blake aged 29 years, of Vermilion, Alberta, married Marjory Chambers, 27 of Carr Vale.

The bride said: "After all these years, he finally visited England and we were engaged a week later."

James Blake is the son of Mr and Mrs. W. Blake who for some twenty years lived in the Kokneе district. Last fall Mr. and Mrs. Blake moved into town, and James became an employee of the Dept. of Highways. He went overseas to see his pen pal last December. The correspondence started when the two were children through the Winnipeg Free Press pen pal page.

The happy couple will sail on board the Cythia April 19th for Vermilion where they will make their home.

Large Crowd Attends V. S. A. Achievement Day — Livestock Show Featured

About 1000 interested visitors were in attendance at the Achievement Day and the "Little Royal" at the Vermilion School of Agriculture and Home Economics on Wednesday April 3rd. The spectators included parents of students now in attendance at the School, 4-H Clubs from this part of Alberta, High School students and teachers from surrounding districts, and a large representation of the farming public.

"Little Royal", the livestock show at which the students competed for showmanship honors in the ring, began at 1 30 p. m., and was judged by W. H. T. Mead, Alberta Department of Agriculture, and Jonathan Fox, a prominent livestock breeder of Lloydminster. "Little Royal" was organized under the direction of V. T. Janssen and J. F. Harcus, Instructors in Animal Husbandry and dairying at the School.

In the laboratories and classrooms of the School were displays of work accomplished by students throughout the term as well as illustrative material pertaining to the course taught during the winter. The work of the Home Economics Classes was centered in the College building where many visitors took advantage of the opportunity to see the impressive displays of sewing, handicrafts, cooking, and home nursing aids. Also in this building were the science and dairying laboratories.

The Agronomy Building featured the Horticulture display. Meat Cutting displays, butchered and prepared by the students were in the Livestock Pavilion.

In the Field Crops classroom was illustrative material used for the courses of studies in that subject. The Mechanics Building, because of its size and adaptability, was the centre for the "Little Royal". The carpentry projects, automotive and tractor repair jobs, electrical displays, and the buildings which had been contracted during the course of the term were also shown.

The Blacksmith Shop contained a wide variety of work accomplished by the students in the forging and welding classes. In each of these classrooms and laboratories there were students on duty to guide the visitors and to explain the work done by that particular class.

SHOWMANSHIP WINNERS

Ekhard Tiller of Barrhead was judged the master showman of the "Little Royal" in a group composed of all students placing first in their individual classes in the livestock ring who were as follows:

Aberdeen-Angus: James Hook, Kamloops, B.C.

Swine: Arne Carlson, Gwynne.

Holstein Yearlings: William Karbashewski, Willingdon.

Shorthorns: Larry Bright, Hillmond, Sask.

Sheep: Carl Eyben, Vermilion.

Holstein calves: Rudolf Hauch, Barrhead.

Swine: Ekhard Tiller, Barrhead.

Herefords: Murray Carson, Maidstone, Sask.

Horses: Stan Smith, Vermilion.

Couple Celebrate Silver Wedding At Derwent

DERWENT. — Many friends surprised Mr. and Mrs. George Sandstrom on their 25th wedding anniversary at a party held at the Derwent hotel dining room.

Charlie Gordon expressed best wishes and presented them with a chest of silver on behalf of all those present. Card games were played, followed by a delicious lunch.

The evening was then brought to a close with everyone singing "For They Are Jolly Good Fellows".

CANCER — MAN'S ENEMY

A call to join forces against mankind's cruelest enemy is being sounded throughout Alberta this week as the Canadian Cancer Society's annual educational and fund-raising Crusade gets underway. The month-long drive has an objective of $300,000.00 with which the Society will carry on its three-fold programme of Research, Education, Welfare.

The provision of funds to carry on scientific research into the causes of, and cures for this dread disease is the Society's main function. The Society itself does not own nor operate laboratories. From the funds raised during the Cancer Crusade, grants are made to the National Cancer Institute of Canada, which is the professional body charged with the responsibility of conducting and coordinating cancer research throughout Canada. Last year the Institute sponsored six basic research projects at the University of Alberta.

The centre of the cancer research in Alberta is the Dr. John S. McEachern Cancer Research Laboratory located in Edmonton. Last year 41 projects were underway involving equipment and techniques as modern as the 'atomic age' itself. The Society contributed $22,000.00 towards the maintenance costs of this lab ment centres, housekeeper ser- Advances although seemingly slow are being made. An all-out research attack is going on against cancer—it is now a matter of time.

While research will ultimately provide the answer—a cure for cancer lives are being saved today by the Society's public education programme. People are going to their doctors for prompt treatment. Statisticians estimate that 8,000 fellow Canadians were saved from the disease last year, but the fact is another 8000 might have been saved if they had seen their doctors in time. Officials of the Society point out that the best form of cancer insurance is a knowledge of the 'seven danger signals' which may mean cancer, and a thorough health examination once a year. This message of hope is circulated by radio and television announcements, film showings, public meetings, pamphlets and exhibits at country fairs.

Welfare services to the cancer patient are designed to save lives and relieve or minimize suffering caused by the disease. These services may take the form of free cancer dressings, transportation to cancer clinics and treatment centres, housekeeper service and drugs and medication.

Without funds no attack could continue against this killer. Last year, through the generosity of Albertans over $249,000.00 was raised. This year the need is even greater to provide money for research, to save lives through public education and to relieve the sufferings of a cancer patient. During April which is Cancer Control Month everyone has the opportunity of fighting back at cancer with a check-up and a cheque.

Plans for Loans to Young Farmers By Alberta Social Credit Govt.

— By KEN MASON —

EDMONTON—The municipal councils will have to get into the act if the provincial government's proposed new money-lending scheme for young farmers is to begin operating.

The government disclosed details of the plan last week when a bill was introduced in the House to provide loans up to $7,500 at five per cent interest, to enable young farmers to purchase land.

The whole scheme hinges on co-operation from municipalities. All loans would be made through Farm Purchase Boards, which could be established only upon applications to the government from a municipal council.

It is not yet known whether many municipalities will want to take part in the program, although Provincial Treasurer E. W. Hinman says the plan was discussed with executives of municipal associations. A major feature is that any municipality which forms a board would be responsible for 20 per cent of any ultimate loss.

The plan is a sort of compromise between a credit union and a straight government lending plan. Any applicant for a loan would have to make a down payment of 20 per cent of the price on the land he intends to buy.

When a transaction is completed, the borrower would make his payments to the board over a maximum period of 20 years, and the board would divide the money between the government and the former owner of the farmland.

The bill authorizes the government to invest $2,000,000 in a revolving fund to launch the plan. So far, there has been no discussion in the House concerning the legislation.

It is aimed primarily at taking care of cases where an older farmer ready to retire wants to turn his farm over to his son or to another young farmer. Often, the youngster hasn't been able to save enough to make the purchase.

Loans won't be granted for any farm which costs more than $25,000, and applicants will be screened to make certain they have had three years' farming experience and show average ability.

There are safeguards in the bill against anyone taking a loan. For example, a loan won't be granted unless the board feels the farmland involved will produce a living for the occupant and enable him to pay off his debt in 20 years.

In the case of a farm depreciating through mismanagement, the department of agriculture would step in with advice on efficient farming methods. The borrower would be compelled to sign a statement saying he will follow any advice given.

Loans would be restricted to Canadian citizens or British subjects between the ages of 21 and 55 who have lived in Alberta for at least three years. However, no loan could be extended beyond the borrowers 65th birthday.

It will be no longer necessary for motorists to have annual inspections on their cars and carry safety stickers. But anyone who fails to keep his car roadworthy is asking for trouble.

The safety sticker program would be abolished under amendments to the Vehicles and Highway Traffic Act introduced last week. The government feels the program isn't working satisfactorily.

It will be replaced by "spot checks" carried out by police officers. Any time an officer stops a car, he can order whatever repairs or replacements are necessary. Within a "reasonable" time, the owner of the car must report back to the police.

Another bill introduced last week would provide for the licensing of house trailers. Municipal Affairs Minister A. J. Hooke said the revenue will be turned over to municipalities.

The clause which has caused so much trouble in amendments to the City Act and Town and Village Act has now turned up in the Municipal District Act.

Under the amendment, the minister can require an MD council to distribute to all taxpayers information on the government grants and their effect on overall taxation. If a council fails to comply, its grants can be withheld. Opposition ranks claim this forces municipalities to distribute propaganda for the government.

More than 125 bills have been introduced now, and the current session of the Legislature is reaching its final stages. Prorogation was expected sometime this week, although there still is much work to do and more gruelling night sittings are in prospect.

"HELLO, HOMEMAKERS"

HELLO HOMEMAKERS

With the approach of Easter, spring becomes a reality—housecleaning must be done before the garden and outdoors take up our time.

Freezing Varieties.

If you do freeze many of your vegetables for storage, you'll like to know the varieties which freeze best. Send for your pamphlet "Vegetable Varieties for Freezing", before ordering your seeds. That is available by writing to me at Wainwright.

Washing Walls:

Do you find streaks in your walls when you're through washing them? Here's the way to avoid that. Always begin washing at the bottom of the wall and work upwards. Dirty water running down into a clean area is easily wiped off, but clean water running into a soiled area will leave a streak.

Washing Windows:

Now that the time has come to remove storm windows, you'll be anxious to have a clean and sparkling view. Washing the windows with soap will remove mud or difficult spots, then remove the soap with warm water and vinegar. Polish with crumpled newspaper and you'll have the shiniest windows in the neighborhood.

Wildmere Winks

We are indeed sorry to hear Mrs. G. Richardson has been, and still is, at time of writing, ill in the Royal Alex hospital, Edmonton. Best wishes for a speedy recovery is wished you from your many friends Mrs. Richardson.

Don't forget the Wildmere W.I. bake sale to be held at the Co-op store in town on Saturday, April 20th.

Rev. K. Minchin held church at the Preston Central school on Sunday. While not too many attended we enjoyed his sermon very much. He will hold service again on Easter Sunday April 21st at 1:00 p.m. in the same school. Plan to attend.

The Wildmere curlers held their annual banquet at Basswood Community hall on Friday evening. A good supper was enjoyed cafeteria style. The tables fairly groaned under their load of 'goodies'. Following this sumptuous feast President Geo. Harrison took the chair. He called on Jack Veitch for the welcome speech which was replied to by Mrs. O. Wolters. Billie McGrath welcomed the visitors with reply by Mrs. L. Howard. The President then gave his little speech in which he stressed the necessity of a curling meeting soon. He called on the skips of the ten rinks for a few words each. A short program followed. Mr. and Mrs. Cosh gave a duet "There's a 'Ole in My Bucket" and Mr. Cosh sang a solo, Mrs. Wallington gave a "Scrip on the Code of Curling". After the tables were cleared away dancing was enjoyed for a few hours. Mrs. Holte, B. Holte, J. Wilson, Albert Smith and J. Veitch helped out with the music. After lunch everyone departed for home from a very enjoyable and pleasant evening. All look forward to next year's curling and banquet.

The Wildmere W.A. are holding an Easter church service in Wildmere church on Sunday Apr. 14th at 2:30 p.m. Come and see what a number of ladies can do under the guidance of Mrs. Holte our W.A. President.

Mr. and Mrs. Cliff Cruthers and family visited on Sunday with their son and family Mr. and Mrs. George Cruthers and Murray, south of Minburn.

Mrs. H. Balke of Vermilion is at present visiting at the coast with Mrs. J. M. Smith in Vancouver, and her sister Lily and family at Vernon, B.C. She is really enjoying her holiday.

At the curling meeting held Monday evening a committee was picked to investigate the cost of a new rink. The same to be built near the Preston Central school. Another meeting will be held in two weeks to get the committee's report.

On Saturday we chatted with

MEET
Carl Heckbert
YOUR FEDERAL LIBERAL CANDIDATE for BATTLE RIVER-CAMROSE

Yielding to pressure from numerous persons in the Federal constituency, Carl Heckbert became a candidate for a seat in the House of Commons and if elected will work for the benefit of the people of the constituency as vigorously as he has worked for the betterment of his chosen Town of Vermilion or as he has worked in the best interests of veterans while Provincial President of the Canadian Legion from 1941 to 1948.

Thoroughly appreciative of the difficulties faced by members of the agricultural community in Western Canada he would be an exponent of beneficial legislation and is well qualified to raise a voice in support of adequate farm policies.

LET'S PUT HECKBERT in the HOUSE

Dr. Ben King Sends Greetings To Vermilion From Boston

Dr. Ben King now continuing post-graduate studies at the Peter Bent Bingham hospital in Boston, Mass., writes to the Standard and all of his friends and acquaintances here. We quote parts of his letter as follows:

"Greetings to you and the rest of the hard-working staff — how are things going? It is three months since we left Vermilion but we have not lost touch and follow all the news with interest, in the paper. I hope that you will carry all my best wishes to all of our friends in Vermilion, especially Board of Trade and Rotary.

I am enjoying my work very much although it is a little rugged getting used to rising at 6 a.m., driving 35 to 40 minutes to get to work by 8:00. At present I am on the Pathology staff of the Peter Bent Bingham hospital and will be there until July 1958. After that I hope to go to the Children's Hospital for two years in surgery and then, if one can plan that far ahead, return to Edmonton to establish a practise there. On the Pathology staff with me are included a young doctor from Mexico and one from Venezuela. From the present until the end of April I am going to Harvard Medical school for a course in Surgical Anatomy.

The only time I get off is Sunday so we haven't done much sight-seeing as yet. Have been to the Museum of Fine Arts once, which is a terrific place. I saw among other things two original full-length portraits by Rembrandt, purported to be worth $500,000. At present the main attraction is a showing of the fine art collection of Walter P. Chrysler, worth $3,500,000. History and culture abound in this region — also many universities. We have also been to the ocean once at Nantasket Beach, but it was a rather cold day and we didn't stay long.

Maxine is working on the staff of the same hospital and the hours are very long. The children are all fine and I think are adjusting themselves well but miss Vermilion and their chums very much. They get a bus ride to school each day, although it is only eight blocks away. Lunches are provided at the school for $1 per week — and the school day is over at 3:30 p.m.!

I trust that I shall read in the Standard some week that the Vermilion hospital is to have an official opening. How are things in regard to the proposed new school?

Well Ash, it is getting late and I have run out of guff. Please say hello to everyone for me and we shall look forward to seeing all the news in the paper.

Sincerely,
Ben.

Campbell Lake

Mrs. P. McCambridge left for Vancouver on Tuesday to visit her son and his wife, Mr. and Mrs. John McCambridge.

Friends of Mrs. George Richardson will be pleased to learn that she is making a satisfactory recovery after having undergone surgery at the Royal Alex hospital in March.

Bill Hernon who suffered a serious accident to his leg over a year ago at McBride, B.C., has now returned to the district. He was hospitalized in Vancouver all that time where he received treatment and had to learn to walk all over again. We are pleased to report that the leg is as good as new again and causes him no inconvenience.

Miss Mary Ellen McIntyre who is now working in Lloydminster, spent the week end at the home of her parents.

Miss Audrey McIntyre of Lamont is expected home on Saturday, April 13th for three weeks' vacation, prior to graduation in May.

Mr. Wm. Hall is home again after having been a patient in Vermilion hospital for three weeks. Good luck Bill and a speedy recovery.

Mrs. L. Barlow, Mrs. Waldenberger, Mrs. Reeves, Mrs. Sherwood, Mrs. Henningsen, Mrs. Haverslew and Mrs. McFadden of Islay. Just got a glimpse of you Mrs. Moore and Edna.

Funniest thing: Who was the absent-minded bus driver out our way this week . . . ?

MARWAYNE

The Anglican W.A. will hold a Mother's Day tea and apron sale in Mr. Elliott's office on Saturday evening May 11th.

The Home and School whist and cribbage drive will be held on Friday, April 12th in the school. Come and enjoy a game of cards and help Home and School funds.

Mrs. Burk, Mrs. Hutchinson and Joan Beattie attended a Sunday School Training course in Kitscoty on March 30th led by Miss Soules of Edmonton.

The bridge and railroad tracks are undergoing repairs west of town on the C.P.R.

Several attended the banquet given in Lloydminster by the Ladies' Liberal Association of which Mrs. D. Campbell is the president, last Thursday, in honor of Mr. S. C. Heckbert newly nominated Liberal candidate for Battle River-Camrose.

Mrs. Reibe is back for the summer, her daughter Mrs. Cable Huzar coming with her and staying a few days. Mr. and Mrs. Wm Johnson have returned to Edmonton after spending some time at L. Van Camp's while Mrs. Van Camp was in hospital. Mrs. Culford, Edmonton is visiting at J. Culford's. Joan Ferguson was home over the week end and Betty Klintner and Muriel Craig home one Sunday recently. Mrs. Saltzberry is in Edmonton at the home of her daughter Mrs. W. Blades. Mr. and Mrs. Jas Hale, Joe Hale, Mrs. C. Allen, Mrs. Gardiner and Mrs. A. Fairbairn spent a day last week in Edmonton.

Paul and Katharine Wack and Sharon and Jim Crichton are at home from Edson after spending the winter working for a pulp wood company.

The Co-op store will hold its annual meeting in the community hall on Thursday, April 11 at 2 p.m.

The Franklin house, brought in to town last fall, is being fixed for living in and several are fixing rooms or basements in anticipation for the waterworks which is assured of being installed this summer. Mr. J. Doull has done some repairs to the house lately vacated by the Shecks.

Mr. Rudi Isert is home from an Edmonton hospital in a much improved condition and is able to be at work again.

Next Sunday service will be in the United church at 7:30 p.m., also 7:30 p.m. on Easter Sunday when a student from St. Stephens' College will preach. All enjoyed the service on Sunday delivered by Mr. Laird from Wainwright.

The W.A. of the United church will hold an Easter tea from 3 to 5:30 p.m. on Thursday, Apr. 18th.

Mr. and Mrs. Albin Swanson and Mr. Teddy Kent were in the city over the week end.

Sorry to report Mrs. Wm. Giles is in Lloydminster hospital and Mr. B. Murray is not home yet.

SMUT AND YOUR GRAIN

A few years ago, smuts were a limiting factor in cereal crop production. Losses ranged from 40% to 75%. Today, the incidence of smuts has been very greatly reduced through the use of efficient seed dressings. However, in 1956, the Line Elevators Testing Service showed 25% of the wheat, 71% of the oats and 92% of the barley samples examined carried some smut spores. It is obvious that if the use of seed dressings were decreased a rapid return to heavy smut losses would result.

OTHER DISEASES: As well as smut, there are many other disease organisms carried on the seed and in the soil which may seriously reduce both seed germination and seedling vigour. An approved seed treatment will not only prevent smut, but will destroy other diseases and protect seed in the soil.

WHAT IS AN APPROVED DRESSING? Approved seed dressings provide maximum protection without harming the seed. Formalin is no longer an approved seed dressing. It does an excellent job of disinfection, but may seriously injure the germination of the seed and weaken the growth of the young seedling. Unfortunately, many farmers are still using Formalin with resulting damage to their crops from the effect of the treatment.

APPLICATION: Seed dressings are only completely effective if they are applied in a manner which will give uniform application to every seed. Machinery for mixing grain thoroughly during treatment is readily available and inexpensive.

To do an effective job of destroying smut spores and other disease organisms, time is required for the volatile vapors to penetrate the crevices of the seed. Between application and seeding, authorities recommend a minimum 24-hour interval with wheat and a minimum of seven days with barley and oats.

With modern approved seed dressings the control of smut, seed diseases and wireworms has already saved millions of dollars. The wider and wider use of seed dressings is necessary to ensure that Western Farmers will continue to further counteract the losses caused by infected seed grain.

Claim Dismissed In District Court

The claim of Sophie Karpchuk, Administratrix of the estate of Mike Karpchuk, deceased, against Max Borowski of Derwent, for the sum of $100, the purchase price of a second-hand cable weeder which the estate claimed Borowski had purchased from the deceased Mike Karpchuk, an implement dealer, was dismissed in the District Court by His Honour Judge T. L. Cross.

M. H. Ponich, Q.C., of Vegreville, acted for the plaintiff, Sophie Karpchuk, and F. J. Richardson, Q.C., of Vermilion, for Borowsky.

It appears that Borowski had received the cable weeder from the dealer for the purpose of trying it out, but told the deceased it was not suitable for his purpose, and did not buy it. The deceased told Borowski to leave it on his farm where the deceased would know where to get it. After the death of the deceased the estate claimed a sale to Borowski which the judge found was not proved.

4H Girls Meet At Mannville

MANNVILLE. — On Apr. 2, Mr. Fleming of the Alberta Wheat Pool showed a number of films to the 4-H Scissor Snippers' Club. The first one was the "Australian Coral Reef" followed by "Rocky Eden" which showed scenes in Banff National Park. "They Dance Again" showed the Red Cross hospital in Calgary. These pictures were all much enjoyed by those present.

The last film was entitled "Alberta's Future Farmers" and showed the activities at Vermilion and Olds for those attending as efficiency award winners.

Lunch served by the 4-H girls brought the evening to a close.

Alliance Newspaper Car Bingo

The Alliance Lions' Club wishes to announce that they are sponsoring a newspaper car bingo for which only 3000 cards will be sold. The bingo will get underway shortly.

Long, low and beautiful Dodge
SETS THE STYLE IN ANY NEIGHBOURHOOD
...puts you a step ahead of the crowd

Bring home this dreamboat of a Dodge, and just listen to the neighbourhood hum! Hear those long, low whistles? They're for the long (over 17½ feet) and low (only 4½ feet) lines of that dazzling Flight-Sweep styling!

Its soaring tail fins tell you right off—this big Dodge has a modern slant on motoring that makes it the newest in its field!

In fact, everything about Dodge sparkles with tomorrow's touch. And "everything" covers a lot of ground in this big beauty. There's push-button Torque-Flite automatic drive. This most modern way to go is partnered with the most powerful standard V-8 of all low-priced cars, too!

LOCAL NEWS

Attending the wedding of Miss Diane Wiebe and Mr. James Hemstock in Edmonton last Saturday were Mr. and Mrs. Roger Rowe, Mr. and Mrs. Carman Long and Mr. Arthur Snape.

Mr. and Mrs. Wes Funnell are singing over CKSA on May 4 at 8 p.m. in the Lloydminster Quota club "Quest for Talent".

Miss Isabel Gordon of Edmonton spent last week end with her parents Mr. and Mrs. Irvin Gordon in Vermilion.

Larry Kehoe of the Alberta Highways Department visited his mother at the family home in town, returning to the city last Sunday evening. On his return trip Larry had Miss Connie Harle, Bob Bentley and Stewart Cooper as passengers, all on their way back to Varsity.

Don Montgomery writes from Wiarton, Ont., and sends greetings to all old friends hereabouts.

Mr. and Mrs. Wm. McGinnis have just returned from a trip to Victoria, Vancouver and Seattle. While away they visited Mrs. MacMillan, a sister of Mrs. McGinnis, also a brother Mr. Sam Johnson. They saw quite a number of former Vermilion people and on the way home while passing through Trail talked with Jim Swanson.

Mr. and Mrs. Bob Tweedy of Edmonton spent last week end in Vermilion visiting many old acquaintances.

The names of Mr. and Mrs. John H Green and Chester was omitted from the list of those sending flowers in memory of the late Mrs. Fraser.

Mr. and Mrs. Arthur Wells of Belleville Ontario spent three days recently visiting the home of the formers cousin and wife, Mr. and Mrs. E. Wells just north of town. It had been over fifty years since the cousins last saw each other. The visitors were on their way back to Belleville following an extensive trip to the West Coast.

El Weeren, former secretary of the town and now of Stettler, was a visitor here recently gathering up information on black-topping and oiling of roads.

A note from Mrs. Hilda English of Edmonton includes greetings to friends here along with the interesting news that Tom English, son of Mr. and Mrs. Jack English of Victoria, B.C., was a recent visitor to Edmonton. He was a member of the Victoria College basketball team. This team won the Western Canada championship but lost the Dominion title to Toronto. Tom is enrolled in Commerce-Law. Jimmy English was recently confirmed in Edmonton, a member of a class of 37 candidates.

Mrs. J. D. Montgomery and two boys, Dougie and Dana, of Calgary, are visiting at the home of the former's parents, Mr. and Mrs. Vernon H. Cooper, for a couple of weeks.

Mr. and Mrs. Mel Warren and family have taken up residence in Elk Point from which town Mel is carrying on his insurance business.

Mr. and Mrs. Lloyd McFadden have now returned from a very enjoyable holiday spent in Victoria and Vancouver.

Mr. and Mrs. Ed Hicks and baby son Rickie arrived from Eldorado last week. Ed and Doris continued on to Eastern Canada with baby Rickie remaining with his grandparents Mr. and Mrs. Clyde Hicks. While in the East they will take delivery of a Ford Ranchero, purchased through Oilfield Motors.

Tom Williamson who has been working on highway construction in the Fort McMurray area is holidaying in town during the break-up season. While here he is a guest at the home of his sister Mrs. Selas Lee.

Mr. and Mrs. Allen Gannon of Wildwood are holidaying in town for three weeks during a lull in the oil well drilling activities.

A Solution to Rising Farm Costs

Newest "department" of the Alberta Co-operative Wholesale Association is your new "Co-op Farm Supply Department" which has been organized to give you, its members and your farm neighbors, farm supplies at wholesale plus 5% less a refund of 3% and build up your local co-op store's equity in its own wholesale from purchases normally by-passing your local co-op store.

This Department — Your Co-op Farm Supply Department — is prepared to meet your needs in such items as Building supplies, which will include dimensional lumber, sheeting, roofing — farm chemicals, fungicides, sprayers; paint in large lots; barbed wire and all types of fencing, nails, household appliances, heating supplies, oils and greases, feeds and associated products, agricultural hardware, twine—binder & baler, fertilizer anti-freeze, and dairy supplies.

Your cost on any or all of the above purchases will be wholesale plus 5 percent, of which you will receive a 3 percent cash rebate at the end of each year. You may make your purchase direct . . . through the A.C.W.A. Co-op Farm Supply Department, in Edmonton, or by placing your order through your local Co-op Store. Your only other cost is to take out a $1.00 "life" associate membership.

Agriculture Still Leads in Alberta

Agriculture is still the leading producer of wealth in Alberta but the oil industry is fast gaining ground. In his budget address last month Hon. E. W. Hinman, provincial treasurer, gave figures showing that in 1956 the value of farm production in Alberta was $804,646,000. The value of crude oil was $355,173,000. The latter figure showed a gain of $81,000,000 over the previous year.

Mr. Hinman broke the value of farm production down as follows. field crops $446,250,000; livestock $170,685,000 and livestock products $77,701,000.

Almost 268,000 washing machines were produced in Canada in 1955, an increase of 24 per cent over 1954.

Mannville and District Local News

Mr. Jack Hawley received the news recently of the death of a brother, Regimental Quarter Master Sergeant of the Duke of Wellington's Regt., Yorkshire, England. Also of a sister, Mrs. C. A. Downham of Vancouver, B. C. while on a visit to her daughter.

Mr. and Mrs. George Ackerman have given up the Hotel Coffee Shop after serving the public well for more than a year there. They will be missed in Mannville but we wish them the best in the new venture. At the time of writing their plans were not too definite.

Watch for further notice of a Rummage Sale, Home Baking, Hobby Table and Afternoon Tea on Saturday, April 27 in aid of the Rest Room and Library Building. Keep this date in mind.

Mrs. J. McLuckie, Mrs. D. Hanning and Mr. H. McLuckie were Edmonton visitors for the week. Miss Norma McLuckie who is now working in Edmonton accompanied them for the weekend.

Mrs. M. Doyle, who was formerly in charge of the dining room at the Brunswick Hotel in Vermilion has taken over the Hotel Coffee Shop.

Tag day for the Cancer Society will be held on Saturday April 13th.

THE STAGETTES

Stagettes met in the club room April 9th where final arrangements were made for the forthcoming Bunny Hop to be held in the Elks Hall Easter Monday Apr. 22, and . . . there will be checking, girls as instructed at the meting! Also decorating as we can. Jean will inform us when, where and how.

We are looking forward to the next meeting which will be next Tuesday, April the 16th, an educational, and it is hoped that all members will be able to attend, time 6:15 at the Legion Hall in uniform for the Canadian Cancer Society annual meeting and supper, girls, please ask for your tickets, don't wait to be asked to buy one. See you at the Legion.

DEWBERRY NEWS

Mr. and Mrs. W. Curtis have returned from an 8000 mile trip with Mr. and Mrs. John Nelson of Allandale. A very enjoyable vacation was enjoyed.

Henry Danderfer has left Dewberry temporarily at least, and has taken a job with Pool Construction at Edmonton. Bill Hawreluk is now driving the Riverton bus.

The Dewberry Farmers Union plan on holding the Farmers' Day picnic June 14 on the Dewberry sports grounds.

The Dewberry 4-H Club dance was a big success. There was a big crowd on hand and they all enjoyed themselves to the music of the Combos. The hamper of groceries was won by Laurie Darnin. The money that was raised will be used by the Club for various projects. The 4 H are planning an exhibit for the Vermilion fair this summer.

Bowtell Bulletin

Congratulatons go to Granny and Granddad Jones who celebrated their 45th wedding anniversary April 8th.

Mr. Gow and Tom Sherwood were visitors to Edmonton on Tuesday. The Knutson family were also in the city Sunday taking Maybelle back after she spent Saturday at home.

Mr. and Mrs. J. Repp and Frances were visitors at the Robinson home Thursday evening.

Mrs. M. Risdale left Monday for her home in Vancouver. While here she spent two days with Mrs. Knutson and at the home of the writer.

Mr and Mrs. G Roberts were guests for dinner Sunday at the Harrison home.

At time of writing our Pleasant Valley reporter is in Edmonton for medical attention. Good luck Gladys.

Charlie Pierman is noticed driving a nice new truck.

Thanks to Bill Wells, Wes Isley, Frank, Allen and Leslie for helping to brand, vaccinate and dehorn a number of cattle recently at the Sherwood farm.

The Lipperts are busy moving some of their things to their new home in Red Deer. Johnny Rochford has purchased their farm.

It was certainly good to see the STANDARD editorial regarding speeding of cars in town — what is all the rush folks anyway?

Canada's composite index of industrial production in 1955 averaged 185.8 or 8.7 per cent above 1954.

Miss Verla Arnold Farewelled At Mannville

MANNVILLE. — A farewell party was held on Saturday evening, April 6th for Miss Verla Arnold at the home of Miss Arnold and Miss Doreen Bennett. About 30 guests surprised Verla by being gathered in the living room when she came home. Card playing then continued until midnight, when a delicious lunch was served by the girls. Marlene Phillip, on behalf of those present, presented Verla with a T-V lamp and a set of ornaments. Verla in a few well chosen words thanked her guests. She is leaving at the end of April for a position in Lloydminster.

Frank Malonek Laid To Rest

Funeral services for Francis Brian Malonek, who passed away on March 28th at his home in the Clandonald district, were held at the United Church, Vermilion, on Monday, April 1, at 2:00 p.m. Interment followed at the Vermilion cemetery with the Rev. C. W. MacKay officiating.

Pallbearers were Messrs. Bill West, Paddy Mulgrew, Fred Douglas, Ballard Goad, Sam Whitefish and Hugh O'Rourke.

Frank Malonek, an esteemed hard working old timer of the district, had reached the advanced age of 85 years and 11 days. He was born in County Cork, Ireland and at the age of eighteen migrated to the United States. His next move was to the Qu'Appelle Valley of Saskatchewan. Here, in the year 1906, he married Mary Elizabeth Mawhinney, and during the same year the young couple moved to Alberta and lived for a few years at Sion and at Chipman. The family next moved to B.C. but after a few months moved back to Alberta, settling in the Clandonald district in 1925 where he resided until his death.

Left to mourn his loss are his loving wife, three sons and four daughters Frank Jr., at home; Gordon at Morinville; Herb at Dewberry; Nellie (Mrs. Sid Brass) Vermilion; Mollie (Mrs. Stuart Conboy) Forestburg; Cora (Mrs. Joe Carlton) Clandonald, and Maggie.

Also surviving are eight grandchildren and one great grandchild.

Beautiful floral tributes were received from the following.

Loving wife; Frank and Gordon and Maggie; Cora and Joe, Herb, Lyle and family; Molly, Stu and children; Nellie Sid and family; Clandonald Community; Mr. and Mrs. Conboy and Mildred.

Crippled Children's Fund: Mr. and Mrs. C. Goldsmith, Mr. H.C. O'Rourke and family, George Blanche and family.

Memorial donations to Crippled Children's Fund: Mr. and Mrs. Louis Garnier; Mr. and Mrs. Eric Nettleton; Mr. and Mrs. Walter Trost; John and Jessie MacGillivray and family; Mr. and Mrs. H. W. Ray; Mr. and Mrs. Mike Trach and family, Mr. and Mrs. Ernie Attfield and family; Mr. and Mrs. Billie Goad, Mr. and Mrs. W. Seal; Mr. and Mrs. Pat Lee; Louis, Doreen and family; Mr. and Mrs. Francis Monoghan; Mr. and Mrs. Ed Barclay; Mr. and Mrs. Ernie Lawrence; Mr. and Mrs. C. Laird; Mr. and Mrs. C. Goad and Reta; Dick and Fay Dorey; Cliff Cunningham and family; Mrs. Quick and Allan; Mayhew Bros.; Mr. and Mrs. Jas. Shaw and Bert, Mr. and Mrs. Ballard Goad; Ed Stockwell; Mr. and Mrs. F. Goddard, Mr. and Mrs. George H. Carlton; Mr. and Mrs. Mike Ostapchuk; Mr. and Mrs. Frank Molineux, Mrs. D. McPhee and John; H. Brake and family; Tom Stockwell; Mr. and Mrs. M. Tobra; Mr. and Mrs. H. Carlton; Peter McQuid; Mr. and Mrs. Geo. Convey and family.

Flowers to the house: Colin and Betty; Barbara and Darlene; William and Corina West.

Numerous cards of sympathy were also received.

Throndson Boys Fly From North

Theodore Throndson of Fort McMurray, piloting his own plane, a Cessna 140, and accompanied by his brother Edwin from the same town, landed at the Vermilion airport last Saturday afternoon April 6th at 3:00 o'clock. They had made the flight from McMurray approximately 240 miles, in two hours. They came over Lac La Biche, avoiding the Cold Lake bombing range, then south to Vermilion. At Vermilion the boys visited their parents Mr. and Mrs. Gus Throndson, who were at the airport to meet them on arrival. Sunday proved to be a thrilling day for some, as Theodore took his Dad and Ray Wilson and cousin Hilda Wilson for a flight over homes in the district and landed on the ice at Campbell Lake. Later in the afternoon the young pilot again landed on Campbell Lake and took quite a number of old friends who had gathered close by at Ralph Strome's farm, for flights.

Theodore and brother Edwin took off from Vermilion for Ft. McMurray Monday morning.

SHOWS FILM IN KEEPING WITH DENTAL WEEK

Dr. R. A. Lynn showed a film at the primary and intermediate schools Monday and Tuesday in keeping with National Dental Week. The films emphasized the care and attention of teeth.

Mr. and Mrs. Edward Joy Celebrate Golden Wedding At Kitscoty

The Tracy Memorial hall at Kitscoty, decorated with spring flowers sent by relatives and friends was the setting on Thursday, March 14 for a reception to honor Mr. and Mrs. Edward Joy on their 50th wedding anniversary.

Mr. and Mrs. Joy were married at Cheriton, Folkstone Kent England on March 14 1907 and sailed for Canada April 11, the same year and homesteaded in the Riverton district that fall. They lived there until 1917, moving to the Kinnaird district near Kitscoty that year. In 1942 they went to Hamilton, Ontario and were engaged in war work for two years, returning here to reside in Kitscoty. They have three children: Alma, Mrs. Orval Bills of Crossfields, Lawrence of Hamilton, Ontario, and Henry of Kitscoty all of whom were home for the occasion. There are eight grandchildren, and seven great grandchildren.

Seated at the "bridal" table with Mr. and Mrs. Joy were Mr. and Mrs. Thomas Lee, Mr. and Mrs. Robert Spicer - old neighbors from the Riverton district.

The tea table was laid in white linen and lace with bouquets of daffodils, a gift from the great grandchildren. Tall, gold candles flanked the three-tiered wedding cake which was embedded in gold net and green fern. Mr. T. Lee proposed the toast to the bride and groom of 50 years, telling some amusing incidents of the pioneer days. Mr. Andrew Wood of Riverton district also spoke a few words, and added his congratulations to this grand couple.

Pouring tea during the afternoon were Mrs. John Dale, Mrs. Chas. N. Gray, Mrs. R. J. Fox, Mrs. W. L. Apperson, Mrs. F. H. Sheppard, Mrs. J. W. Butterfield, Mrs. L. Watt and Mrs. Pauline McLean. The girls serving were granddaughters, Judy Lang, Beverlie Jack, Nancy Jacobson, Arlene and Carolyn Joy, Kathie Lang assisted by the Ladies Auxiliary to the Canadian Legion Kitscoty branch who catered to the reception.

During the afternoon piano selections were played by their grandchildren Carolyn and Dean Joy of Hamilton, Ontario and vocal solos were by Mrs. George Boodman, Mrs. Brian Kent and Miss Beverlie Jack, all accompanied by Mrs. H. Batty.

The presentations were a purse of money from the town and community by Mr. Lawrence who in a very well chosen words told of their farming days as near neighbors and of Mrs. Joy who never refused a call to help a sick neighbor or a new mother through all kinds of weather. Old neighbors then presented Mrs. Joy with a bouquet of gold and white carnations from the town and district on behalf of the Kitscoty Womens Institute. Mrs. J. R. Fox presented Mrs. Joy with a gift of jewelry. The St. John's W. A. gave them a beautiful gold colored chrysanthemum plant. Mr. Ralph Gray president of the Kitscoty branch of the Canadian Legion 158, presented Mr. Joy with a life membership in that organization, while Mrs. Batty president of the Ladies Auxiliary of Kitscoty Branch of the Canadian Legion presented Mrs. Joy with a life membership. Mr. T. Lee on behalf of the Riverton Community presented Mr. and Mrs. Joy with a lovely Dacron comforter. They were also recipients of many lovely gifts from friends and relatives. On behalf of Mr. Joy and herself, Mrs. Joy thanked everyone for all the gifts, flowers and good wishes which made it a happy day to remember. Mr. F. O. Seward read letters and telegrams from the Prime Minister of Canada, Premier Manning of Alberta, James A. Smith M.P. Battle River-Camrose constituency, friends at Creston B.C. and a cable from their brother in England.

Taking turns presiding over the guest book which was signed by 192 relatives and friends were Miss Arline Joy of Edmonton, Mrs. R. M. Mathewson, Mrs. John Dale and Dean Joy. Out of town guests were from Crossfields, Edmonton, Edgerton, Dewberry, Riverton, Minburn, Wainwright, Vermilion, Islay, Lloydminster and Australia.

Mr. and Mrs. E. Joy would like to take this opportunity to thank all their kind friends for the lovely anniversary cards, phone calls and the purse of money and beautiful flowers from the town and community which were given to them on their Golden Wedding Day.

More Acres, Less Farms

During the census period from 1951 to 1956 Canada's farm acreage remained about the same but the number of farms decreased. In 1951 there were 623,000 farms with 174 million acres. In 1956 there were 575,000 farms with 173.9 million acres.

In Alberta farm area increased 3.1% in the five year period while the number of farms decreased 5%.

The monthly meeting was held at the home of Mrs. T. R. Reeves on the evening of April 3rd.

There were nine members and four visitors present, Mrs. P. P. McCambridge, Mrs. W. Wilson, Mrs. Robt. Maggs and Mrs. B. Armstrong. The roll call was answered with a good gardening hint.

Social services and Sunshine committee reports were given. The branch presented a cup and saucer to Mrs. Casey De Jong who left recently to make her home in Calgary. Four cards were sent to patients in hospital.

Correspondence was read from Mrs. Sloan, a card of thanks from Mr. and Mrs. A. Robinson, and a letter of thanks from Mrs. Geo. Richardson, our secretary who is at present a patient in the Royal Alex hospital.

The treasurer's report was read and adopted. Plans were made for card parties to be held the evening of April 5th. A motion was passed to send a donation to the Canadian Arthritic and Rheumatism Society.

The questionnaire on Education was read and discussed and the questions answered.

Mrs. N. Armstrong had the topic for the evening and read a very interesting paper entitled "The Agricultural Outlook for Canada in 1957". The social program took the form of a hair dressing demonstration capably handled by Mrs. G. Mead.

The meeting adjourned with the Mizpah, following which a lovely lunch was served by the hostesses, Mrs. G. Mead and Mrs. R. Reeves.

C.C.F. Directors Confer At Viking

VIKING. — The executive and directors of the Battle River-Camrose Constituency C. C. F. Association conferred in Viking on Wednesday March 27th. The constituency was well represented, indicating a keen interest in the C.C.F. throughout the riding.

Sigurd Lefsrud of Viking was elected campaign manager and Charles Boulter of Rosalind was named official agent. Deputy campaign managers to be in charge of each provincial riding within the federal constituency were also elected. Ernest Nielson of Bawlf was elected for Camrose; for Alexandra, R. A. Evans of Kitscoty; for Bruce, B. B. Starkey of Bruce; for Sedgewick, John Baker of Sedgewick, for Vermilion, Hardy Wear of Vermilion; for Wainwright, Glen Valleau of Wainwright and Jimmy Jackson of Irma. Alfred Arntson of Hay Lakes was named for that portion of the Clover Bar constituency which is included in Battle River-Camrose but in addition Mr. Arntson will devote some of his time to the Camrose Provincial constituency.

In attendance was Harold Bronson, Provincial C.C.F. organizer. Mr. Bronson stressed the importance of organization in a movement such as the C.C.F. because it is entirely dependent on the common people for financial and other support.

Wednesday, being a school day the candidate and secretary-treasurer Harold Rolseth was unable to be present at the opening of the meeting but arrived in time to report to the meeting and to participate in some of its deliberations.

Letters to the Editor

The Standard does not hold itself responsible for opinions expressed by correspondents

Vermilion, Alberta.
March 31, 1956.

Mr Editor

I shall be pleased and grateful if you would allow me a little space in your valued Paper, for a few remarks respecting this. The International Geophysical Year which has commenced this year and purpose to continue until 1959 for the purpose of acquiring Data, knowledge as to the shape of the earth.

It appears that there are many countries at the present time, stationed in various parts of that limitless, bleak, and lifeless part of the earth called the Antarctica. It now seems very strange that after some five hundred years of geographic education and learning, our educators are not too sure of the earth's physical shape.

It is to be hoped that the factual truth will be arrived at from the results anticipated from the research now under way.

But it seems to me that in accepting the theory of evolution it is more difficult to arrive at a satisfactory understanding, than it would be with a belief in creation, with the understanding that all things in the Universe function according to law, which is, of course, Divinely instituted so that there is no such thing as we term luck, therefore sooner or later we shall realize and acknowledge that there is omniscient mind with a plan and purpose at the back of all things which we term cause and call God. Effect of cause we see at every hand at all times.

All down through the ages there have been individuals that have held to the truth that the physical shape of the earth to be planetary and fixed with all the Celestial luminous bodies continually revolving around the pole star which is fixed high over the magnetic center of the earth which is also fixed.

We are told that there are two Norths, the magnetic and the true north. The so-called true north is some eight hundred miles farther to the north than the magnetic north. In truth, the magnetic is the true north, our present charted earth that we are governed is in error as it was charted many years ago before there were the means of exploration we have today, with means of aviation through which it has been discovered that the magnetic north is the centre of the earth. A letter of this kind cannot do justice to explain the truth of such an important matter as this.

There has been untold millions of dollars spent Universally in trying to educate the people in the false theory of a global earth spinning in space while no one positive proof can be advanced to substantiate such a theory. At the same time one hundred proofs have been advanced that the earth is planetary and fixed.

Space here will not permit to give all these proofs but one important one which I would like to explain is that of a length of pipe erected here in the back yard which has been there many years pointing to the sun at 12 noon. We should all know the sun rotates around the earth every twenty-four hours over the tropics, which is a strip some 3,? miles wide. At the same time it moves from the line of Cancer in June to the line of Capricorn in December and then returns to the to the line of Cancer by the next June. Thus, it takes six months on its travel from north to south, passing over the equator on September 21. On its return toward the north it passes over the Equator about March 21. While the sun has revolved around the earth from east to west since the beginning of time, it has always moved from the Northern Tropic (Cancer) to the South Tropic (Capricorn) returning again to Cancer every year, thereby creating the seasons for all parts of the earth. As the sun revolves around the earth it throws light 6000 miles in each direction and as it revolves, darkness follows in its wake, this gives day and night. Then the question will be asked. How come that inside the Arctic Circle there is continual sunshine for several weeks each summer?

The answer to that question is: it is less than 6000 miles from the perimeter (Cancer) to the magnetic centre, so that when inside the Arctic Circle, the sun can be seen making its complete revolution for a certain length of time.

About June 21, when the sun is at the nearest point to us North of the tropics, the sun is at about 65 degrees at Vermilion. The important fact that I want to drive home here is that when the sun is focussed inside the pipe referred to previously, at 12 noon on June 21, it takes 7½ minutes to move past clear out of the pipe to the west. Then again on July 21 at noon, and each succeeding month on the 21st until Dec. 21 inclusive, it takes one minute less each month so that on December 21 it takes only 1½ minutes for the sun to get clear out of the pipe to the west. As the sun rotates around the earth, it is due south at noon every place on the earth. Now having demonstrated that speed of the sun increases day by day as it moves southward from June to December, proves that each day the circle is larger, and so to further prove that this is so, is that on the 21st of each month the angle to sun from here in Vermilion drops 8 degrees each month, and on its return journey it rises at the same rate. This apparent drop of 8 degrees of the sun each month on its outward course while at the same time revolving around from east to west, is by no means of the lessening its altitude, neither from it going down over the supposed curve, but it is an optical illusion caused by a natural law which governs the perspective of vision. This can easily be proven by suspending an object and setting the compass at a given distance on a level then go backward another set distance without moving the suspended object and we find that the angle on the compass will have to be adjusted to a lesser degree. The foregoing positively proves that the speed of the sun in making its revolutions on its outward journey toward the south increases and also its perimeter increases day after day until about December 21.

If there could be any other explanation to this demonstration of the sun taking 7½ minutes on June 21 and one minute less each month for the succeeding months from December 21 to June 21 to move clear out of the pipe, each time it is focussed inside at 12 noon we would be very pleased to know of its forth coming.

The sun being the source of all life, light and heat, and the foregoing proves that we get the most heat from it when it is most nearest to us which is of course in mid-summer and not mid-winter as we are being taught.

The sun throws its light and heat from 5000 to 6000 (approx.) miles in each direction. Assuming that the sun is at its outer perimeter revolving around over the line of Capricorn on December 21 with its rays extending outward from there some 5000 miles, as that is as far as its heat extends, everything all around outside of that perimeter naturally would be frozen solid. Now that we know that it is the very condition that does exist, for in the past, explorers have gone south off the southernmost point of Africa, the southernmost point of America and of New Zealand, and have in each and every case come up against the formidable ice barrier over which it is impossible for man to penetrate except for a short distance and then not without the best of body insulation. This is what we call Antarctica, and hems us in. Here we call it the South Pole. As there is definitely no other, that is Antarctica where there is known to be millions of square miles of unexplored territory, and will never be explored as man has not and cannot fly south and come back again.

Long distance before we reach the Antarctica Circle when going south, even at the point of South America, (Cape Horn) it is so cold that scarcely anything will grow in the way of vegetation. This is very much unlike the Arctic regions and no explanations have ever been advanced as to why there is profuse growth of vegetation inside the Arctic Circle while there is no vegetation north of the Antarctic Circle for many long miles. We will give here the required information and explantion and simple it is.

As the sun is revolving around the southern tropics its speed of travel is at its greatest and as its extended rays southward swings around past over that part of the earth there is not sufficient time for the concentration of heat on any given spot to cause growth.

The foregoing factual conditions can only be explained with a planetary fixed earth. There is need also for an explanation of other certain prevailing conditions in the Arctic. Why can Siberia raise farm crops inside the Arctic while Canada cannot in the same latitude. I would be very happy to give the answer to this query but space here will not allow.

Paradise Valley Couple Celebrate Golden Wedding Anniversary

PARADISE VALLEY. — Residents of the Paradise Valley area since 1911, Mr. and Mrs. Arthur Flint held open house at their home on Saturday, March 30th to celebrate their 50th wedding anniversary. Close to 50 guests recorded their names in the guest book.

Mr. and Mrs. Flint were married on Easter Saturday, March 30th, 1907, in St. Wilfred's Anglican church in West Hallam, Derbyshire, Eng. Their bridesmaid and groomsman at that time being the present Mr. and Mrs. Fred Brassington, also long-time residents of the Paradise Valley area. After their marriage, Mr. and Mrs. Flint farmed in England until coming to Canada in the spring of 1911. They homesteaded north of the present hamlet of Paradise Valley until six years ago when they moved to town.

The couple have three sons, Eric and Frank, both of Paradise Valley and William of Lodgepole Alberta; three daughters, Mrs. C. Bloxham, Mrs. H. Adams and Mrs. A. Fair all of Paradise Valley and thirteen grandchildren.

In honor of their parents' golden wedding the children gathered at the home of Mr. and Mrs. C. Bloxham on the eve of the anniversary. Their mother was presented with a gold-trimmed set of dishes and their father with a gold wrist watch. The grandchildren's gift was a corsage of red roses to their grandmother and a white carnation to their grandfather, also a bouquet of tulips and daffodils. To complete the evening a toast was drunk and the bride and groom of fifty years ago cut their three-tiered wedding cake.

NEWS from KITSCOTY

Congratulations are extended to Mr. and Mrs. F. T. King of Lloydminster who held the lucky ticket on the draw for a chest of silverware sponsored by the Kitscoty Monarchs Hockey club. Mr. and Mrs. King farmed in the Kinnaird district south of Kitscoty for many years before taking up residence in Lloydminster.

The Kitscoty Boy Scout troop and their leader the Rev. A. E. Potter sponsored a band concert by the Kitscoty band under the direction of Milton Christoffersen, four members of the band are cousins and three of these are boy scouts. The film of the Boy Scouts World Jamboree was shown and thoroughly enjoyed by all present.

Mrs. Kirk Evans and Barbara, Mrs. Russell Lang, Ella-Marie and Eddie, all of Dawson Creek, B.C., are spending a short holiday here with their parents, relatives and friends.

Newman C. Browne of Edmonton spent the week end here at his farm and visited in town and district with friends and relatives.

Mrs. Burton Parker is progressing favorably after undergoing surgery in the Lloydminster hospital last week. Best wishes are extended to her for a complete and speedy recovery.

Mr. and Mrs. Earl Franke of Fort Saskatchewan spent a few days here this week with Earl's folks Mr. and Mrs. A. Franke.

Mr. M. K. McDonald left last week for Yellowknife, N.W.T., where he will visit with his sons Kenny and Murray for about two months.

Mr. and Mrs. Alex Potter who have been in Edmonton for the past five months are home for two weeks before returning to the city to reside. Pleased to say Mrs. Potter is improved in health although still under doctor's care.

Mr. Peter Batty who arrived from England last fall and has been at Beverley with his uncle Mr. J. Batty and family and who is at present visiting his aunt Mrs. H. Batty, will leave shortly for New York where he has accepted a position.

A social evening, sponsored by the local C.C.F. was held at the home of Mr. and Mrs. R. A. Evans on April 3. An address was given by Mr. Bronson, the provincial organizer followed by a period of discussion. Five tables of whist were played and refreshments concluded the evening.

Northwestern Utilities To Build Office in Edmonton

Construction of the 12-storey Milner Building at 104th street immediately south of Jasper avenue will commence immediately.

It was announced that the general contract for the construction of this building has been let to Christensen & MacDonald Ltd., with the steel contract being let to C. W. Carry Ltd. The mechanical contract will be Canadian Comstock Co. Ltd., while the electrical contractor will be Young Electric Ltd. Architects for the building are Rule, Wynn & Rule, Mechanical Consultants Angus Butler & Associates Ltd., and Electrical Consultants Allsopp & Simpson Ltd.

The cost of the building is expected to be slightly over 5 million dollars. Five floors of the building will be occupied by the Northwestern Utilities Limited, with seven floors being available for lease to others.

During 1956, Canadian National Railways constructed 270 industrial sidings, spurs and track extensions totalling 57 miles.

Scholarship For Young Writers

Young Alberta writers will again have the opportunity to compete for the Hazel Robinson Memorial Scholarship which assists the winter in the cost of attending the summer course Banff School of Fine Arts. The Scholarship is valued at $1— and for the year 1957 the Banff School of Fine Arts will supplement this amount with a further tuition Scholarship of $400.

The Scholarship is open to any present senior high school student in Alberta, or any person who has attended senior high school in Alberta within the past five years. Competitors will submit a single piece of original writing of approximately three thousand words in the form of an essay, short story or drama for stage, radio or TV or selections of poetry totalling approximately 150 lines. There are no restrictions as to topic. The closing date for receipt of entries is April 30 and all manuscripts should be mailed to the Hazel Robinson Memorial Scholarship, Department of Extension, University of Alberta.

Hazel Robinson was well known throughout Canada for her work in music and writing. In the latter field she was particularly skillful in radio writing, advertising and poetry. She was best known in Alberta for her creative writing school broadcasts which she designed to stimulate enthusiasm for writing among young Albertans. It is particularly fitting that her memorial scholarship is designed for students or for those persons who have been in senior high school in recent years. The committee hopes to have among contestants young people who have not been able to continue their formal academic education.

OF INTEREST TO FARMERS!

Our Research Department has recently prepared several bulletins of interest to farmers. These include the following titles: "Malting Barley in Western Canada," "Bushels to Hundredweights" (a reprint of four articles dealing with the proposed change in the unit of measurement for grain) and "Rapeseed".

Your Searle Agent will be pleased to supply you with a free copy of any of these bulletins.

It gives you more to be proud of!

The new '57 Chevrolet Bel Air Sport Sedan, all the reason in the world to hold your head higher!

Not just the way it looks but the way it's put together — the finer materials, workmanship and finishing touches. Not just its livelier, smoother performance, but the deep-down soundness that's special to Chevrolet in the low price field. Try it out and you'll see it's Sweet, Smooth and Sassy.

You name it. The new '57 Chevrolet has more of it . . . inside, outside and underneath that Body by Fisher. There's a finer ride, more performance and a sweeter way of going. For there's a finer balance, a more solid construction, so that great Chevrolet 6 or V8 engine can get with it more efficiently, delivering up to 245* h.p. (and so quietly). Chevrolet, you know, won the famous Manufacturer's Trophy as the best performing car at Daytona Beach competitive trials.

There's more luxury, too, more to be just plain proud of. For there's more attention to detail. In Chevrolet, body panels fit snugly. The chrome trim is on to stay. Interiors have the smartness of the custom touch. Everywhere you look in a Chevy, you find the obvious marks of extra care, even to a quiet limousine "click" when you close those big solid doors!

Come on in! Get a close-up of all there is to enjoy in this exciting Chevrolet!

*Optional at extra cost. 270 h.p. high-performance V8 engine also available at extra cost.

NEWS from ALLANDALE

The weather is mild. March has left us and was a most agreeable month.

A quilting bee was enjoyed on March 25th at the McPhee home. Mrs. Stella Mayers from town was one of the enthusiastic workers.

The whist at the school in aid of the Community centre, put on by Mrs. Wm. Armstrong and Mrs. Woody Wilson, was well attended, nine tables, realizing $9. Prizes, somewhat reversed — Ladies 1. Eugene DeFord, Edward Wasylik, Mrs. Stella Mayers; men, Mrs. Wm. Armstrong, George Mead and Anthony DeFord.

Congratulations to Mr. and Mrs. Jimmy Martin on the birth of a daughter Maureen Susan, on March 28th.

March 26th the Nelsons and Curtis' arrived in Vancouver at the Earl Nelson home.

Rev MacKay, assisted by Mr. Schurman, held a very inspiring service "Time for Decision" in Clandonald on March 31st. In the evening service in Vermilion in part were the slides. Grand seeing the pictures of the Rev. Boyd's family and Marian on her trip to Lisbon, Portugal. Those slides and the ones in Lisbon were very interesting.

Mrs. Idelore Nelson spent a week in the Vermilion hospital going in on March 30th with flu and a hard cough. She is now home and feeling better.

There will be an Alberta Wheat Pool meeting and show at Allandale on April 17. Everybody welcome.

Congratulations to Mr. and Mrs. Wm. Cusack of Clandonald on the birth of a son, Leslie Dwaine, on April 2.

The week end of March 30th Leonard McPhee accompanied his aunt and uncle, the David family of Vermilion, to the city.

Johnny Nelsons and the Curtis's arrived back at their daughter Joan's home in Lloydminster on April 6th.

On April 4th, their 40th wedding anniversary, Mr. and Mrs. Gus Throndson were the honored guests at a surprise party at their home in town when relatives and friends called to congratulate and wish them well on this special day. The honored couple were presented with a corsage of red roses and a carnation and a lovely bouquet of flowers from their niece and nephew Hilda and Don Wilson and family. They received from their family a beautiful turquoise colored platform rocker and several other useful gifts were also presented to the popular oldtimers. A two-tiered wedding cake, baked, iced and decorated by the bride's sister Ellen was presented to the honored couple. Lunch was served and a toast was proposed by Don Wilson. The happy couple thanked all for their kindness and hospitality. "For They are Jolly Good Fellows" closed a very enjoyable evening. Through the years may you enjoy good health and happiness Mr. and Mrs. Throndson.

Mr and Mrs. Alvin Throndson had as their guests last Sunday the latter's parents and sisters, Mr. and Mrs. Sheppard, Donna, Sylvia and Patricia from Kitscoty.

Born at the Idelore Nelson farm recently, a part Arabian mare colt — the pride of the farm!

Mr. and Mrs. Wm. Armstrong and son Jimmy, Verna and family, motored to Royal Park last Sunday to visit daughter Joyce, Ronnie and family.

What a thrilling experience for Jimmy Walsh's sister Mrs. E. Walsh who resides in the city, to win an airline trip for two to Hawaii for a nine day stay with all expenses paid. She was one of the winners in a recent Safeway bread contest.

Closing Thought: "Easter is a day to celebrate life, not death. It speaks of tomorrow, not yesterday."

Prairie Fertilizing Handbook Available

"Fertilizing Prairie Soils", is a new handbook on fertilizer problems and practices in Western Canada, is now available to Canadian farmers.

Edited and published by the Chemical and Fertilizer Division of the Consolidated Mining and Smelting Co. of Canada Ltd., the new brochure explains the principles of fertilizer use on the prairies. Photographs, illustrations and charts are used to full advantage to show the vital role that chemical fertilizers are playing in the advancement of our prairie agriculture.

Cominco's 25 years of close association with fertilizer use and test work on the prairies provides a sound background for the publication of this booklet that should be of interest to all prairie farmers.

"Fertilizing Prairie Soils" can be obtained free of charge by writing to: Cominco Sales Dept. A, 1230-10th Ave., West, Calgary.

PRINCESS ANN CARDS etc

There were two card parties held on Friday evening April 5, sponsored by the Princess Anne W. I.

One at the home of Mr. and Mrs. P. McCambridge had eight tables with the following results: Ladies' 1st, Mrs. Burton, 2, Mrs. McCambridge and consolation Mrs. R. Maggs; Men's 1st, L. Playne, 2, E. Richardson, Consolation R. McIntyre.

The other party was at the Island Hill community centre where there were nine tables. Winners were: Ladies' 1st, Mrs. N. Armstrog, 2, Mrs. R. Strome, Consolation Sylvia Wilson; Men's 1st, N Armstrong, 2, Scotty Hines, Consolation L. Baldock.

Paradise Valley

Miss Rose Bloxham who is in training at the University hospital in Edmonton is spending her vacation with her parents Mr. and Mrs. Chas. Bloxham. Miss Margaret Comfort, also from the University hospital, is her guest for the week.

Word came through on Monday morning that Mr. George Rehill had passed away at his home in Calgary. Mr. Rehill lived for many years in Paradise Valley before moving to Calgary. He operated the Paradise Valley Dairy for a number of years as well as his farm just north of town. He leaves his widow, four daughters, Bernada (Mrs. G. Venner), Willa (Mrs. L. Vice) of Paradise Valley; Beulah (Mrs. H. Schott) and Madge (Mrs. L. Nihill) of Calgary; and one son Manley in B.C.

We extend our sympathy to Mrs James Stoms on the death of her sister Mrs. V. Ward of Kirriemuir who passed away in an Edmonton hospital. The funeral was held at Kirriemuir Tuesday afternoon.

Well, curling is over for the 1956-57 season. The end came on Wednesday evening in the hall when the President's side entertained the Vice-President's followers as the latter had won in the Pres vs Vice-Pres. competition. D. L. Clark, was M.C. with Mr Baptist assisting. Mr. Baptist proved that he has a wonderful imagination as he kept the crowd going in great style with his different stunts. Lunch was served and if the president's side lost they showed that they can still serve a grand lunch, which they claim the Vice-Pres. and Co could not do. That is a delicate question so we will not voice an opinion.

Mr and Mrs. Alex Miller spent the past week in Calgary visiting with Mrs. Miller's mother who lives in the city, moving there from Donalda some years ago.

Mr I. S. McLeod and Harvey McLeod of Lloydminster were Wednesday afternoon visitors in town and district.

Patients in the Lloydminster hospital include Mrs. Arthur Clark, Mrs. Fred Towndrow, Mrs. W. J. Wiley, Miss Beverly Dobson, Mr. Parke Dobson and J. Rayson.

Charlie De Ford, Pioneer of District, Passes Away

Charles Tilden DeFord, well known pioneer [illegible] and farmer of the Vermilion district, passed away at Calgary on Apr. 8th. Funeral services were held in Vermilion on Saturday, Apr. 13th with interment in the family plot in Vermilion cemetery. He was predeceased by his wife in 1945.

Mr. DeFord was born in the state of Iowa, U.S.A. on Nov. 2, 1876. The family moved from there to Oklahoma to file on land. They later came to Alberta in 1903 and farmed at Fort Saskatchewan for two years before moving to the Vermilion district and homesteading north of town in the year 1905.

He married Norah Laughlin in March, 1912, and two girls Fay and Violet were born to this union. In 1926 the family moved to Borradaile where Charlie resided until his retirement from farming in 1947. Since that time he has made his home chiefly with his daughter and family at Trochu. He was one of the pioneer's to be honored with an Alberta Golden Jubilee scroll in 1955.

Mr. DeFord entered the General hospital in Calgary on March 19th thinking that he would be back home within a week, however he took a serious turn on March 30th and passed away in his sleep on Monday morning April 8th.

Left to mourn his loss are three stepdaughters and two daughters, Mrs. E. Fry (Ila), Vermilion; Mrs. G. Ronaghan (Pearl) Creston, B.C.; Mrs. R. Roebuck (Ruby) Creston, B.C.; Mrs. H. Greig (Fay) Trochu, Alberta; Mrs. O. Baker (Violet) Olds, Alberta. There are twenty grandchildren and ten great grandchildren. One sister Mrs. Olmstead lives in Edmonton and one brother Frank at Clandonald. Three brothers and three sisters predeceased him.

Funeral services were held at the First United church, Vermilion, at 2 p.m. with interment following in the family plot in the Vermilion cemetery. The Rev. C. W. MacKay officiated.

The pallbearers were Messrs. Merle, LeRoy, Alvin and George Butz, Ronald and Dever DeFord, all nephews of the deceased.

Moyers were in charge of the arrangements.

Dr. Huston Guest Speaker As Rotarians Celebrate Anniversary

Members of the Vermilion Rotary Club celebrated the second anniversary of receiving their charter of membership in Rotary International last Friday evening.

The occasion took the form of a banquet and dance for which facilities were made available at the School of Agriculture. Thirty-two Rotarians and their wives were joined by visitors from Lloydminster, Vegreville and Edmonton to form a party of over one hundred persons who enjoyed a delicious steak dinner with all the [illegible] served in the V.S.A. dinning room.

Decorations featured the Rotary colors of blue and gold with an abundance of welcome signs and Rotary wheels prepared by Ken Greenwood, Gil Rampling and their energetic committee. The reception committee included members of the Club executive [illegible] Bentley, Principal of the School of Agriculture [illegible] assisted by their [illegible].

Reg Mitchell, President of the Club, as [illegible] called on Ashley Cooper to address a welcome to the visiting Rotarians. President Ray Nelson of the Lloydminster Club replied expressing pleasure in the successful development of aquaintance and fellowship between the people in Llodyminster and Vermilion since the formation of the Rotary Club here.

Si Simonson proposed a toast "To the Ladies" in which he waxed duly eloquent. Claire MacKay responded in kind and most graciously thanked the Rotarians for inviting their Rotaryannes to such a lovely party.

Ross Boake introduced the featured speaker of the evening Dr. M. J. Huston, Dean of the Faculty of Pharmacy at the University of Alberta. Dr. Huston's purported discourse on the evolution of his profession rapidly evolved into a most interesting dissertation on "Stupidity, Cupidity and Culpability" in which his sparkling wit and nicety of expression had his audience all but "rolling in the aisles". Elmore Stewart on behalf of the guests expressed their appreciation to Dr. Huston for his contribution to the programme.

Following the banquet the guests formed a Grand March as they proceeded to the auditorium for a programme of dancing and entertainment. Alex Palin as M. C. kept the party going with the able assistance and talent of "The Combos" Orchestra. A quartet of Rotaryannes including Mary Mitchell, Betty Shalka, Edith Kneale and Eva Corley accompanied by Muriel Boake sang a number of popular selections. Edith Kneale's solo effort in the Gracie Fields manner brought forth repeated demands for encores. An unscheduled musical treat had Dr. Huston, Aldous Kent and Guy Williams stage a "jam" session of Boogy Woogie.

All in all . . . it was a large evening.

Launch Cancer Crusade At Dinner Meeting

The Cancer Crusade in the Vermilion district, under the direction of president Mrs. Hilda Cross and secretary-treas. Thos. Watts, was launched in this district on Tuesday night at a very well attended dinner, followed by the annual meeting. The dinner was attended by 83, with the gathering being swelled to over the one hundred mark by others coming to the meeting.

A complete report will appear in next week's issue of The Standard.

Two Tie For Elks Bingo Grand Prize

Two blackouts were called for the grand prize of a Dodge car in the Elks newspaper bingo. The lucky men were Hartley Sorenson of Vermilion and John Ruzicka of Viking. The tie was not played off the winners deciding to split the proceeds, with Mr. Sorenson buying Mr. Ruzicka's share of the car.

Frog Lake I. O. D. E. Founded 30 Years

The Frog Lake Chapter I. O. D. E. was organized in Vermilion 30 years ago, on April 21, 1927. To suitably recognize the anniversary the I.O.D.E. will be featured in a story in the next issue of The Standard.

Tom Conboy Retires As Fire Chief After Eleven Years of Service

The Firemen's Banquet — an annual event — was this year featured by the official retirement of Tom Conboy as chief of the fire brigade after eleven years' sterling service in that position. He also served on the brigade for four more years prior to accepting the job of chief.

Tom's long and meritorious service in a difficult position was suitably recognized by everyone and on behalf of the brigade and of the citizens of Vermilion, acting Mayor G. W. Sutherland made him a presentation, with appropriate remarks. Tom replied in kind with deepest thanks to council and fire brigade.

Mrs. Conboy was then presented with a beautiful bouquet of spring flowers by Mrs. Sutherland "for getting Tom up and to all the fires in such fast time." In replying Mrs. Conboy remarked that she would always remember Tom's terrifically cold feet on his return from night fires.

The happy gathering was held at the Elks hall on Wednesday, April 17th when a truly delicious turkey banquet was served by the ladies of the Royal Purple.

Ken Urquhart, newly appointed fire chief, proved a very able chairman and following his opening remarks called on acting Mayor G. W. Sutherland to extend the greetings of council and citizens. The presentations to Tom and Mrs. Conboy were then made.

The speaker of the evening, Austin E. Bridges, Fire Commissioner for the Province of Alberta, who makes it a point to always attend the annual Firemen's Banquet in Vermilion, was the guest speaker. In his remarks he paid a glowing tribute to the services rendered over the years by Tom Conboy as fire chief, and to the fire brigade for the very low fire loss in Vermilion. This has been low for now for many consecutive years. He added that he hoped to see a team of Vermilion firemen competing at some of the fire displays held in surrounding towns.

Assistant Fire Commissioner Mr. MacKay addressed the gathering briefly.

Mr. Bridges then led a short sing-song while the tables were cleared and the film projector set up. The film proved a very interesting one, titled "They Dance Again"; it was taken at the Red Cross Crippled Children's Hospital in Calgary, showing handicapped children and the marvellous recoveries from the treatment received.

The very enjoyable social gathering was brought to a close by the singing of God Save the Queen.

Battle of Vimy Characterized As "The Birth of A Nation"

Canadian Legion Post 11 held the annual Vimy banquet Tuesday April 9th and heard the guest speaker Col. E. W. Cormack alude to the great Canadian victory of the first world war as "the birth of a nation", and paid tribute to nine veterans who had been at the scene of Canada's triumph. It was the first occasion in which Canadian troops by themselves, under their own commanders and in their own way, had gone into battle and captured Vimy Ridge, which for many months had been a barrier to the Allied advance. It gave Canada a new standing in the eyes of all nations.

Col. Cormack, O.B.E., of Edmonton, second vice-president of the Alberta Provincial Command, brought old memories very much alive when he traced the battle-grounds of Flanders, painting pictures which were recalled by many of World War 1 veterans in attendance.

Heroes of Vimy, nine of them, all members of the Vermilion Legion branch were ushered in by the Pipe Band under the command of Sgt.-at-Arms Bob Allan. These Vimy veterans, all well known to Vermilion people are Tom Wilson, Curtis Martin, A. Frissell, Harry Scott, Bill Twyning, Bill Simmonds, Jack Baldwin, Art Tuey and G. R. Fielding.

Taking part in the enjoyable program of toasts and addresses were the President, Tom Thompson of the Legion, who acted as chairman, Deputy Mayor G. W. Sutherland; toast to the Legion by Vice-President John Webb with reply by Zone Commander Ralph Rudd of Mannville; toast to the ladies auxiliary by Larry [illegible] and reply by Mrs. Ivy Pare; toast to the men of Vimy by Don Keen, reply by Harry Scott.

Mrs. Marion Davies was presented with a W. A. Past President's pin by District Commander Selmer Hafso of Viking, and a corsage by Mrs. Thompson.

Vocal numbers were delightfully rendered by Mrs. K. A. Minchin, accompanied by Miss Margaret Goodwin; and John Webb with Dr. Stephens as his accompanist.

The program was completed with the showing of some very interesting films.

The Vimy banquet was very well attended, drawing from a wide territory.

Other observances on the occasion of the anniversary of Vimy were a smoker on the Saturday, April 6th, and a church parade at the Anglican church on Sunday evening, April 13th.

Bereaved by Death Of Father

Ralph Rudd of Mannville was bereaved on April 13th by the death of his father, who passed away in the Mannville hospital after a short illness. Mr. Rudd senior lived at Vedder Crossing, B.C. and had come to Mannville to visit son Ralph and family. He was 85 years of age.

Surviving members of the family are one son Ralph at Mannville, two daughters, Mrs. C. F. Jones, at Donalda, Alberta, and Mrs. W. Rempfer at Canmore, Alberta. There are five grandchildren.

Funeral services were held at the Donalda United church on April 18th with interment in the Donalda cemetery.

Moyers were in charge of the arrangements.

Convicted On Charge Of Arson

Steve Hawryluk of Mannville and Vermilion was convicted before His Honor Judge Cross in district court a Vegreville, on Wednesday, April 10th, 1957 on a charge of arson, and was sentenced to one year in the provincial gaol at Ft. Saskatchewan.

The charge arose out of a fire which partially destroyed a house owned by the accused in Vermilion. The judge complimented the members of the R.C.M.P. who handled the investigation for a job very well done.

James A. Smith, M.P returned from Ottawa this week at the end of the session. Parliment has now been prorogued with the election date set for June 10, 1957.

Farmers Make A Start On Land

Getting away to a very early start on preliminary land operations, George D. Jack was noticed harrowing his summerfallow on April 15th. On the 17th Mrs. Wallington reported that Lloyd Howard of the Wildmere district was busy harrowing.

SUFFERS PAINFUL ACCIDENT

While using a power saw in the basement of his home just north of town over the week end, Bob Carmichael had the misfortune to suffer a badly cut hand, losing the top of his index finger of his right hand from the first joint with the tops of his second and third fingers being badly cut also.

Tickets For Jubilee Auditorium Dedication Are Now Available

Dedication ceremonies and a special program have been arranged for both Calgary and Edmonton, April 28, to mark the completion of the Alberta Jubilee Auditoriums, it was announced today by Hon A. Russell Patrick, Minister of Economic Affairs.

The Sunday programs will be the first event of "dedication week" for the two structures, the gift of the government to the people of the province.

For the Sunday program only tickets will be free, but will be provided on a "first come first served" basis. The allotment provides for 2,300 tickets to be distributed throughout Northern Alberta and 2,300 tickets in Southern Alberta. The allocation is necessary to effect a fair distribution of the free tickets.

Applications for tickets to the Sunday program should be addressed to: Sunday tickets, Public Relations Officer, Legislative Building, Edmonton.

Two tickets will be reserved for each appliacation received until the maximum for the local area concerned has been reached.

Name and address should be clearly indicated on these applications.

Chairman for Edmonton's Sunday program will be E. S Bryant director of advertising, Department of Economic Affairs. The Calgary chairman will be announced later.

An interesting aspect of dedication day will be the schedule followed by the official party in order to take part in the programs in both cities. They will first attend the Calgary event with the official dedication taking place between 2 and 3 p. m. They will then fly to Edmonton, arriving in time for the dedication of the northern auditorium shortly after 5 p. m.

Members of the official party will include Hon Dr. J. J Bowlen, Alberta's lieutenant-govenor, and Premier Manning.

Programs in both centres are quite similar. In addition to the actual dedication, they will feature choral and band selections and addresses by the mayors of the cities concerned.

Chairman of the Provincial Jubilee Auditorums management committee is Ralph R. Moore, deputy minister of economic affairs. Members of the committee are Hon. A. R. Patrick, minister of economic affairs, and W. H. Kaasa, J. E. Plewes, R. D. McLean, E. S. Bryant, J. L. Patterson, H. A. Webster and J. T. McCreath.

Mr Kaasa is chairman of the dedication week committee and members of his committee are Mr Plewes, Mr Webster, R. S. Eaton and A. F. Key.

4-H Turkey Club Plans for Year

MANNVILLE.—On April 13, the Vermilion 4-H Turkey Club executive along with Mr. E. H. Buckingham, D. A. met to draw up a program for the coming year. At this meeting they also chose Mr Matt McDonald of Mannville as their leader and Mrs. W. Dixon of Vermilion as assistant leader. Mrs. Scarf, Mrs. McDonald and Mr Cameron were chosen to represent the Adult Committee. With these people to back them up the 4-H'ers are looking forward to a very successful year.

Meeting To Be Held At King George

A joint meeting of Progressive - Conservative Associations will be held on Thursday, April 25th at 8 p.m. in the King George hall, 2 miles south of Elk Point bridge. Frank Fane, candidate for Vegreville and Cliff Smallwood, Battle River-Camrose will be present.

Derwent Elks Hold Ham Bingo

DERWENT. — The Derwent Elks sponsored a ham bingo at the Derwent high school auditorium with proceeds to go for the erection of a children's playground.

Lucky winners were Mrs. Elsie Hedel, Mrs. Willa Benson, Roman Bykewich, John Zalasky, John Faulkes, Brian McConnell, Harry Borowsky, all of Derwent, and David Boyko and Mike Misanchuk of Myrnam.

Mr. Roman Bykewich, a local farmer, was fortunate enough to win two hams during the evening.

HI-SCHOOL HI-LITES

This paper report reaches back into the past to Friday, March 22, the day the Vermilion Girls' and Boys' "A" Teams played basketball in Lloydminster. The girls were defeated by a score of 22-16 and the boys lost 32-25. The Cheerleaders accompanied the teams on the road trip to Lloydminster. After the games, the students stayed for a part of the High School Dance.

The curling season is over and Brent Long's rink were the winners in the House League draws. The House League standing at present is led by Carman with 26½ points, followed by Service with 25½ points; with Laurier trailing with 5 points. After the Easter holidays, the baseball season will start up for this year.

The Year Book pictures were taken a while ago and we are pleased to say they all turned out very well. As there have been a few extra Year Books left over, anyone in or out of school wanting one, please contact Lillian Misick as soon as possible. The price is one dollar.

The date of the Graduation Banquet and Dance has been set for May 31. This means that all students will be kept busy after Easter arranging table and wall decorations and planning the program.

This week has been spent in writing the Easter examinations. The next exams written, remember, will be in June.

So-Creds Organize At Viking Meeting

YOUNG STOCKMEN ARE HONORED

Agricultural Society Dinner Popular Event

The annual dinner of the Vermilion Agricultural Society was held on Monday evening in St. Saviour's hall, the catering being carried out most efficiently by members of the Happy Hour group. With all available chairs occupied the event proved extremely popular among town and district people.

A feature of the event was the tribute paid by S. C. Heckbert, manager of the Society, to junior exhibitors who made an enviable name for themselves at spring shows in Calgary and Edmonton during the month of March. The young people so honored were Keith and Louise Barr, children of Mr. and Mrs. Manson Barr and Billie and Betty Robinson, children of Mr. and Mrs. Lyle Robinson. One wall of the dining room carried photographs and trophies won by the youthful exhibitors and proved to be an impressive display.

The winnings of the group at the shows were as follows:

Keith Barr winner of Grand Champion steer, award of all breeds, the D. E. Black trophy at Calgary and first in Hereford class in Edmonton and third in open championship class; Billie Robinson Grand Champion of Futurity show, the Melton trophy second in baby beef class and champion for showmanship in the judging ring. Miss Betty Robinson, third in Shorthorn class. Louise Barr, first in the Shorthorn class, best Shorthorn in show, Edmonton, reserve junior champion and reserve grand champion and second in the Shorthorn class in Calgary.

Mr. Heckbert pointed out in his remarks that Keith Barr had won three Grand Championships out of four tries and warned the three 'Old Timers' that Louise Barr now just 11 years of age might well prove a threat to their future efforts. Billie Robinson achieved the desirable win of the Championship in the Open Showmanship class, one of the most coveted honors among the younger exhibitors. The four calves averaged 54 cents per pound, establishing an unusual record. Keith Barr gave a most suitable reply to the tribute.

Other district exhibitors of prominence mentioned in the resume were Ethel Creech of Gilt Edge, Homer Campbell, the Simonet Bros. and MacMillan Bros. of Clandonald, the Bryden Bros., W. R. Cornish and Ernest Prill of Mannville, Williams Bros., J. C. Tucker, J. S. Cross and W. E. Cross of Vermilion in addition to Robert Maggs, John Nelson and others, all of whom have helped to establish an enviable record for the Vermilion area in the provincial livestock circles.

Mr. John Webb delighted the audience with two solos, being accompanied by Dr. C. W. Stephens, while Miss Betty Robinson showed that she possessed talents other than in the showing of livestock by a pleasing piano solo.

The speaker of the evening was Prof Ramsay, Director of Extension for the University of Saskatchewan who discussed the agricultural issues of the day in a most effective manner, interspersing his remarks with humorous anecdotes, to present a very interesting address. The speaker was introduced by E. M. Stewart, past president of the Society and the thanks of the meeting were extended by Manager Heckbert in the absence of Mr J. S. Cross who was unfortunately called from the meeting by the sudden illness of Mrs. Cross. Mr. N. N. Bentley, Principal of the V.S.A., thanked the ladies for the delightful repast, while Mr. Buckingham, District Agriculturist, spoke to the young farm people who have for three years been engaged in the Farm and Home Improvement competition sponsored jointly by the Agricultural Society and the Provincial Dept. of Agriculture. Certificates of standing were presented to all who qualified in the competition.

The Society's president, Orton A. Strome presided at the banquet and paid tribute to the exhibitors who had brought unusual notice to the Vermilion district by their oft-repeated success at the major shows throughout the west.

Mr. D. C. Folk with Miss Donna Isley at the piano, provided a pleasant period as they led the large crowd in well chosen community singing numbers.

The annual dinner meeting of the Society has proved a most popular event and serves to indicate the regard in which the Society is held in the minds of our farm residents and the enthusiasm with which the extension work of the Society is welcomed by all concerned.

BOOKLET PROMOTES SAFETY COUNCILS—

"If the present rate of traffic deaths continues, more than 75,000 Canadians will die on the streets and highways of this nation in the decade ending in 1967!"

Frightening? It was meant to be. It is the principal reason for the existence of community safety organizations, given in a booklet just issued by the Canadian Highway Safety Conference. Factually titled, "How to Organize and Operate Your Community Safety Council", the publication was designed to help smooth the way for community groups and individuals working towards greater traffic safety.

Copies have been placed with highways departments or safety groups in all provinces and it is hoped that every town and village will organize its own Safety Council.

Approximately 200 new cases of cancer appear each year in every 100,000 population. This means [illegible] over 32,000 persons in Canada will develop cancer. Some of these will be cured by radiation and surgery. Many more could be cured if they detected cancer symptoms early and reported for treatment immediately.

CHECK YOUR CAR

Sponsored by the Canadian Highway Safety Conference a "public awareness" campaign, aimed at ridding the highways of vehicles in dangerous mechanical condition, is to receive national promotion in Canada during May. The drive will operate under the slogan-title, "Check Your Car, Check Accidents".

Co-operating actively with the Conference will be service clubs, junior boards of trade, automobile manufacturers, oil companies, provincial, community, industrial and other safety bodies, makers and distributors of car parts, service station operators and similar groups. Their target will be the vehicle, old or new, which becomes a death-dealing projectile the moment it goes into action. Their aim will be the owner of that vehicle, to have his car checked thoroughly and its defects corrected.

W. Arch. Bryce, general manager of the Canadian Highway Safety Conference, refers to the phrase "Maybe tomorrow" as "one of the most perilous a motorist can utter". Mr Bryce pointed to the block-long lines of motorists at license issuers' offices late in March.

"Those people" he declared, "said 'maybe tommorow' until it was too late. A driver who says 'maybe tomorrow' about getting a car checked for spring and summer driving may discover, also too late, that 'maybe tomorrow' his car will have completed its secret mission as a highway projectile, with death and destruction in its wake."

Mr. Bryce urged all drivers to remember that even the most minor defect can cause a terrible accident, and to participate fully in Canada's "Check Your Car, Check Accidents" drive.

SWEET CLOVER

Every cattle [illegible] in this district should have some sweet clover for cutting for hay or for pasture. No crop seems to give as big a yield as sweet clover in a dry year. One of these years you may be wishing that you had some good sweet clover hay to put up. Dry years will come again as sure as we had them in the past.

WARBLES CAUSE LOSSES

The packers are reporting that never in their memory has there been so many warbly cattle coming on the market. A lot of meat has to be cut off and thrown away on account of warbles. Somebody has to take the loss, and don't ever think it is the packers. Every farmer should do something about it. It is not too late to use warble powder to kill the grubs in the backs of your cattle.

TREATING SEED

All seed should be treated before it is sown. It is important to use a mercuric dust such as Leytosan or Ceresan. Mercuric dusts, besides killing smut, prevent losses from root rots and seedling blights which cause lower yields. As a matter of fact these diseases result in far more loss than caused by smuts. Formalin is the worst thing to use in treating seed. Most people have given it up but there are still a few farmers taking chances.

SOIL DRIFTING

Already some fields are starting to drift. It would look like these fields must get careful handling or great losses will occur. Don't use the drag harrow or the disk harrow on them. If drifting starts, work up the bottom soil in lumps with a cultivator. Keep the soil lumpy instead of fine and dusty. Get [illegible]

PLANT RASPBERRIES

No fruit does as well in this area as raspberries. A good variety called "Chief" has proved to be quite hardy here. Roots can be dug from your neighbor's patch. It would be better for him if his plants were thinned out. All nurseries handle raspberry plants. While you are at it why not get a start in red and black currants, and strawberries too. Circulars on growing small fruits are available from your D. A.

To Meet Federal Candidate

MANNVILLE — On Thursday evening, April 2th at 7:00 p.m., ladies of the district are invited to the home of Mr. and Mrs. Russell J. Whitson to meet the Federal candidate, Mr. Fred Magera. The reason for the early time is that Mr. Magera has two engagements that night and will have to leave early for the second one.

Mrs. W. Morton of Vegreville will also be present to talk on the help women can give in elections and their place in politics.

All interested ladies are cordially invited to attend this meeting.

Family Income

Here is the shape of the consumer market, according to The Financial Post: Non-farm family income averaged $3,942 in 1955, up 5% from a year earlier, according to the newly released figures. Group containing the most families occurred in the $2500 and $3000 range. Half made more than $3324, the other half made less. Average income was $4048 for those whose major income came from wages and salaries, $4807 for the self-employed, $1255 for those dependent on investments and pensions.

Viruses are known to cause certain types of cancer in mice and chickens. Although no positive proof has yet been discovered, many scientists believe viruses or virus-like [illegible] may be involved in human cancer.

Editor Vermilion Standard,
Vermilion, Alberta.
Dear Sir:

For the splendid co-operation and assistance we received from the Standard in our annual appeal for funds during the month of March we would like to take this opportunity of expressing to you, and through you the members of your staff, our most grateful [illegible] for your constant assistance in publicizing the work of Red Cross.

We can truthfully say that foremost among contributions received during 'Red Cross Month' was that made by the press in this province. Your help in giving time and space through your media to tell your readers what our Society is doing was outstanding and worthy of the highest commendation.

We therefore once again express our sincere appreciation of all you did for us.

Yours sincerely,

Wedding Bells

GAMBLE—SULLIVAN

MANNVILLE — Miss Grace Sullivan, second daughter of Mr. and Mrs. Nick Sullivan of Vilna became the bride of Mr. Jack Gamble, only son of Mr. and Mrs. Chester Gamble of Mannville in a double-ring ceremony at Metropolitan United church, Edmonton, on March 2. Baskets of pink and white carnations banked the altar where Rev. Reed Vipond performed the marriage ceremony.

Given in marriage by her father, the bride wore a floor-length gown of white nylon net and lace over satin. A crown of sequins and pearls held in place her veil of nylon net and she carried a cascade of red roses.

Attending the bride were her two sisters, Nancy and Annette, wearing waltz-length gowns of blue and pink nylon over taffeta with harmonizing corsages. Mr. Peter Kavacik and Mr. Fred Mytz attended the groom. Miss Shirley Gamble, sister of the groom, sang the Wedding Prayer, and Mr. George Cannon acted as usher.

For the wedding of her daughter Mrs. Sullivan chose a black gown with white accessories and wore a corsage of red roses. Mrs. Gamble, mother of the groom chose a brown two-piece gown of wonder crepe with ivory accessories and wore a corsage of yellow roses.

A reception at the Cathayan followed the ceremony with Mr. Peter Kavacik as toastmaster. Mr Wm. Moreau proposed the toast to the bride which was fittingly replied to by the groom. After the reception, the happy couple left by car for Calgary and points west. Upon their return they will make their home in Edmonton.

"HELLO, HOMEMAKERS"

There have been many requests recently for a talk on the subject "Dry Cleaning In the Home". Since so many homemakers seem to be interested in this subject, here are a few important facts regarding dry cleaning and spot removal.

Beware of Dry Cleaning Solvents

The fumes of solvents used in dry cleaning are poisonous in large amounts. They are inflammable; many are explosive. Unless you are prepared to take precautions with your cleaning, then you are well advised to pay commercial establishments to do it for you.

(1) Never use solvents in a closed room. Unless you can do your cleaning with all doors and windows open; then do it outside.

(2) Gasoline and Kerosene are highly explosive and they should never, under any circumstances be used for cleaning.

(3) Dry cleaning solvent sold under that name by garages are not explosive. However, they are inflammable and should be used away from buildings in case they do catch fire.

(4) Spot removers contain carbon tetrachloride. This chemical is highly poisonous if large amounts of fumes are breathed in. So even when you are simply removing spots and stains take care that the room is well ventilated.

Many stains can be removed easily with spot removers, and stain removal preparations.

There is a booklet available from my office which outlines the method of removing all types of stains from washable and unwashable fabrics. Simple spot removing may save you several hours of dry cleaning at home or dollars at commercial plants. If you would care to have this booklet, simple write me at Wainwright.

Tip For The Week

If you don't have a vacuum cleaner; clean upholstered furniture this way. Soak an old sheet in hot water. Wring it dry and cover the chair or sofa completely. Fit into the corners and crevices, then beat the cushions and back with a cane or beater. When you lift the sheet the dust and dirt have loosened and cling to the sheet. Rinse the sheet out several times and repeat the process.

Woodvale 4-H Garden Club Meets

The second meeting of the Woodvale 4-H Garden Club was held at the home of Mrs. Florence McQuid on April 4th. President Dorothy McLean called the meeting to order and led in the singing of "O Canada". The 4-H Pledge was repeated by all the girls. Eight answered the roll call with one new member, Marjorie Portsmith present.

After the minutes were read and adopted, correspondence was read from Miss Craig, District Home Economist. A discussion on demonstrations arose from the letter pertaining to a Club Rally. Eleanore McGrath read information explaining demonstrations and Irene Wolters read a list of topics for talks and demonstrations. Groups were then picked to practise demonstrations for a future meeting. The following pairs chose suitable topics:

Patricia Portsmith and Eleanore McGrath; Susan Wolters and Joanne Hohol; Irene Wolters and Dorothy McLean; Janet Gurney and Marjorie Portsmith.

A discussion was held on expenses after which Susan Wolters moved that each girl bring ten cents for immediate expenses and decide upon further needed contributions whenever necessary. Seconded by Janet Gurney and carried.

The following committees were chosen:

Lunch — Eleanore McGrath and Janet Gurney.

Social — Joanne Hohol and Irene Wolters.

Song — Susan Wolters and Marjorie Portsmith.

Mrs. Gladys Wolters was chosen for assistant leader.

A date for the next meeting was not decided upon due to the wish to have Miss Craig attend. It was decided to have the secretary write to Miss Craig and to invite her to the next meeting, asking her to specify a convenient date, preferably in May.

The meeting closed by singing a song.

Moved by Eleanore McGrath [illegible] by Irene Wolters that the meeting be adjourned.

Of all commodities and services included in Canada's official cost-of-living index, the price of clothing has increased the least.

SQUARE NOTES From Circle 8

Hi Square Dancers! It's off to the Legion Hall again this Saturday, April 20 to dance to Henry Lien. Most of you who have danced to Henry before know that this will be a treat for local dancers and if you have never danced to him before, I'm sure you have listened to him over CFCW Camrose. There is a little while for the farmers to kick up their heels before they start kicking up the dirt so how about turning out this Saturday.

Nine squares turned out to our last dance that Johnny Maxwell called and everyone reported a very good time. We had visitors from Kitscoty, Blackfoot, Lindberg, Lone Rock, Wainwright, St. Paul, Lloydminster, Elk Point and Derwent. We were [illegible] very pleased to have Stuart and Eva Wood back with us. They drove down from Edmonton for the dance but wish to be referred to as Circle Eight members. They spent the fall and winter at Jamestown Ontario but reported that life was just too dull without square dances.

Many Topics At Marwayne Home And School Meeting

The regular meeting held on Tuesday, April 9th opened with reading of the Home and School Creed by Mr. Gray, vice-president, and chairman for the evening.

Mrs. Spence and Mr. Petryshen gave a demonstration of the film strip by showing one for Div. 1 and one for Div. 3 and told of what value they were in teaching. Money was voted to buy 24 film strips to help build up a library for our school.

Money was also voted to send a delegate to the H. & S. convention in Edmonton May 8 to 10.

A graduation dance under the sponsorship of the Home and School will be held on Friday, May 10th.

Miss Baldwin's room of grades 4 and 5 won the book for the fourth time for having the most parents at the meeting.

Home and School members please take note that the next meeting will be Tuesday June 11. There will be no meeting in May. At the June meeting there will be the convention report and a social evening.

NEWS from ALLANDALE

The weather is a bit cool but most agreeable.

An explanation — Edwin Throndson had been working at Yellowknife all winter. He went to McMurray and Theodore brought him home to his farm to commence spring work. Theodore went back to McMurray alone.

There was a large gathering of friends, neighbors and relatives at the school on the evening of April 8th to honor two esteemed couples, Mr. and Mrs. Jim Phillips and Mr. and Mrs. Robert Butler Sr. at a farewell party. Mr. and Mrs. Phillips sale was on the 17th and they go to the coast. Mr. and Mrs. Butler retired a few years ago from farming and moved to Vermilion, this also being a belated birthday party for them. The evening was spent in visiting and some enjoyed whist. Orley Omness on behalf of the community spoke briefly — of the Phillips family — living in the district for over thirty years, being good neighbors and loyal friends, always doing their part in social activities and would be missed greatly. Every success is wished them in their new location. He presented them with two-piece matching luggage, an electric iron and a purse. Mrs. Hilda Cross on behalf of friends, relatives and neighbors presented Mr. and Mrs. Butler with a platform rocker chair, an Arborite topped table and purse from the Island Hill district and spoke of the splendid neighbors the Butlers had been while on the farm and wished them many years of leisure in Vermilion, their new home. The two esteemed couples thanked all very sincerely for the kindness shown to them. Lunch was served and then the younger folk enjoyed a few hours of dancing to the Michael and Mulgrew music. Songs were enjoyed from Lenora and step-dancing from Mr. Mulgrew closing a very enjoyable evening.

Mr. and Mrs. Idelore Nelson motored to the city on April 11 returning the same day.

Our deepest sympathy to the DeFord families and relatives on the loss of a dear father. The late Mr. Charlie DeFord was well known in the district homesteading in Allandale in 1905 the farm now owned by the Starko family. "There is a link death cannot sever, love and remembrance last forever."

The Johnny Nelsons and the Throndsons motored to the city on April 10th returning the next day.

Another quilting bee at the McPhee home on April 11 doing a quilt, the top of which was mostly hand sewn by the late Mrs. Edwards (Mossy's mother) some years ago.

On April [illegible] the Canadian Utilities men were around in this area and found a loose insulator between Cal Mattie and Omness homes [illegible] the radio interference of late.

Mr. and Mrs. Ben Axley from Dewberry were visitors in the district last Sunday. Ben returned home from Eldorado, Sask. the last part of March bringing greetings from Albert Armstrong and the Darlings. Their plans are to motor to Teslin Lake Y.T. the latter part of April to visit son Clarence, Kay and family, Lorna and Kenneth. It's approximately 1600 miles up the Alaska Highway.

It was pleasing to see so many out to service Palm Sunday at Clandonald. Rev. MacKay had a grand Easter service.

Herb McPhee accompanied Mr. and Mrs. Reeves to Camrose last Sunday to visit his brother and family. He saw some very interesting old pictures taken recently of relatives in the East. The outstanding one was of twins 90 years old stated to be the oldest twins in Canada.

Mr. Lewis Rector from Nova Scotia will be our student for the Clandonald Mission field this summer. He was with us in 1955. Our first church service will be May 5th.

Closing thought: "Friendship is a chain of gold, shaped in God's all perfect mold, each link a smile, a laugh, a tear, a grip of the hand, a word of cheer. As steadfast as the ages roll binding closer soul to soul, no matter how far or heavy the load, sweet is the journey on Friendship's Road."

Wildwood East

Mr. and Mrs. J. D. Stone went to Hinton for the week end with their daughter Betty. They were accompanied by Mrs. Jack Wyley who will visit her sister.

Mr. Dick Sholdice and son Jim left last week for Ontario where they have work.

Mrs. Alfred Jack took her school pupils to the V.S.A. for the 'Achievement Day' exercises which they seemed to enjoy very much. Now they are looking forward to the track meet which is coming up next month.

Mrs. Leona Branvold visited her parents Mr. and Mrs. C. N. Jeffery recently.

Mr. and Mrs. Herb Simmons are visiting their daughter Mrs. Robt. Drysdale and family prior to leaving for a holiday in Ontario. The neighbors all wish them bon voyage.

Rev. W. O. Nugent will conduct an Easter service in the Wildwood school April 21 at 2 p.m.

Mr. J. G. McKay is convalescing at the home of his daughter Mrs. Alf Jack.

Mrs. Neil Shook entertained the Ladies' Society in April and Mrs. Wyley invited them to her home in May where they intend to tie two quilts.

Mumps are prevalent in the district at present.

Billions For Roads

Canada probably will spend $30 billion for roads in the next 25 years, estimates The Financial Post.

That's almost $2,000 for every Canadian now alive. It's more than the gross national product for all 1956.

Already we are spending at a rate of more than $700 million yearly. This will increase steadily, it's agreed.

We spend because we have a voracious appetite for more and better roads. Consider this evidence.

Canada's automobile population should raise between 125% and 160% in the next quarter-century.

Miles driven per car also will rise possibly by 10%.

Truck population should jump between 100% and 150%

In Ceylon almost one-half the cancer deaths are from cancer of the mouth, possibly due to the practice of chewing betel nut. In Canada cancer of the mouth accounts for very few deaths.

The highest tides in the world, in some seasons ranging up to 50 feet, occur in the Bay of Fundy.

[illegible] years ago a common "treatment" for skin cancer in England was to tie a live toad to the tumor. Of course, it did no good. Today 95% of skin cancers are cured when treated early with X-ray or surgery.

WILDMERE WINKS

This item was overlooked in our news column — David Hughes and family enjoyed a visit from Mr. Hughes Sr. of Edmonton a short time ago. He spent a week end with his son and family.

The community was deeply shocked to hear that Charlie Deford had passed away. He was 91 years of age and died at Trochu where he has made his home the past few years. Vermilion and district had been his home for a good many years. He ran a butcher shop in town in the early days. His familiar figure will be greatly missed at fair time as one could always enjoy a chat with him as he never missed a Vermilion Fair. When he and Mrs. Deford lived on the farm the "Welcome" mat was always out and many good times were enjoyed at their home. Mrs. Deford passed away in February, 1945. To all the sorrowing relatives our deepest sympathy in their hour of sorrow.

Wildmere W.A. met at the Preston Central school on Wednesday evening with twelve members present. The meeting was opened with W.A. theme song and prayer. Mrs. Holte read "Holy Spirit and what is the meaning of the Trinity". The money taken at the March meeting was sent to the John Knox fund. Presbyterial meeting will be held in Vermilion May 8 and their theme is "Peace and Hope". Plan to attend this worthwhile meeting. Mrs. F. Haines had the devotional and she chose a "True Experience" as her topic. A very interesting one it proved to be. Next W.A. meeting will be held on May 14th, lunch for same Mrs. Haines and Mrs. Holte; devotional, Mrs. Rendell. A tasty lunch brought the pleasant evening to a close.

Several Wildmere and Basswood folks took in the plays put on by Woodvale pupils last Friday evening at Woodvale hall. They were good. The first one "The Queen of Hearts" and the second "Bringing up Junior". The actors spoke out so well and all knew their parts. Everyone is to be congratulated for the fine performance, especially Mr. Hohol and his daughter Joanne. A large crowd attended and a short dance followed the plays with Melody Ranch music.

What a wonderful change is taking place in the Vermilion Food Locker plant. The lockers have been moved back and now there is ample room in the front part for a full line of groceries. Congratulations, we are waiting for your official opening with anticipation folks.

On Sunday the Wildmere W.A. held an Easter church service in Wildmere church with 79 attending. Church opened with Mrs. Holte at the organ. Mrs. F. Haines made the call to worship. Mrs. R. Dibben gave out the hymns, all W.A. members sang the W. A. theme song. Mrs. Holte and Mrs. Cruthers sang "In the Garden". Invocation prayer, Mrs. A. Smith; Responsive reading, Mrs. J. Wilson; Scripture read by Mrs. Hughes; Pastoral prayer, Mrs. W. Westman. Offering, Mrs. Gibson and Mrs. Rendell; Offertory prayer, Mrs. W. Garnett; Children's story, Mrs. J. Wallington; Duet, "Old Rugged Cross" by Mrs. Holte and Mrs. Cruthers; Benediction, Mrs. L. Howard.

NEWS from KITSCOTY

Mr. Hugh Leighton returned home from an Edmonton hospital last week and is feeling a lot better we are pleased to report.

Mrs. T. F. Mason and family left last week for Edmonton where they joined Mrs. Mason and plan to make their home there. Best wishes and success are extended to the Masons in their new home.

Congratulations are extended to Mr. and Mrs. George Parkin who were recently married in Lloydminster. They will reside south of town on the groom's [illegible].

Miss Christine Page is spending a short holiday here with her parents Mr. and Mrs. V. J. Page. Christine is taking her B.Sc. in Nursing at the U. of A.

Miss Nita Trask spent a week in Islay hospital while Mrs. George McGregor and Norman McCourt were patients in the Lloydminster hospital last week. We hope all are feeling well again.

Mrs. Howard Lawrence and Duane of Paradise Valley spent several days here last week with Fern's folks Mr. and Mrs. Alex Potter.

Mr. and Mrs. Phillip Uniat of Fort Saskatchewan spent the week end here visiting with [illegible].

Mr. and Mrs. J. Batty and family of Beverly were in town during the week end visiting relatives and friends. Joe Batty Jr. spent the week end here with Lloyd Franke.

Mr. and Mrs. Elmer Lang spent last week visiting with the latter's mother Mrs. A. McIntyre, sister and brother-in-law Mr. and Mrs. C. Sibley at Hanna; they also called on Mrs. O. Bills at Crossfields when on their way home.

The Kitscoty United church Sunday school will hold an open service on Easter Sunday morning at 10:45 a.m. in the Tracy Memorial hall. Friends and parents are invited to come too and worship with the children.

Pleased to report Mrs. Burton Parker is home from the hospital and much improved in health. Sorry to hear Bobbie Hitiz is ill at home at present and a speedy recovery is wished you [illegible].

Labor income of Canadians in 1956 totalled $14,284,000,000, an increase of 11.5% over 1955. Half the gain was due to an increase in the number of Canadians at work, the remainder to higher wages.

Payrolls are the largest element of expense in the operation of the Canadian National Railways. In 1956 they reached a new peak of $423.6 million and accounted for 60.2 per cent of total operating expenditures.

EASTER SERVICE AT ISLAY

On Easter Sunday, April 21st there will be open Sunday School when a special Easter program will be presented. Parents and friends are welcome. The fathers especially are invited. There will also be service as usual at 7:30 o'clock in the evening.

Pleasant Valley

The sound of the cawing of the crows is a welcome one these days as it seems to herald the coming of spring.

The Moore family visited the writer and they report bluebirds back in their old nesting places.

Visitors in the neighborhood on Sunday were Mrs. Tillie Gould and Cecil, Mrs. Sylvia Gould, Laura, son Morris and girls, were dinner guests at the home of Mr. and Mrs. Marvin Gould.

Visitors at the writers home were Mr. and Mrs. Bill Waterfield and Kenny, Mrs. George Reynold and her brother Gordon Cameron.

Mr. and Mrs. Ken Reid visited Laurence and Chrissie Gould on Sunday. Mrs. Gillies is spending the week end with Betty and Lloyd. Annie and Christie were visitors at the Sherwood home.

Will be glad to say hello when you get your phone installed Thelma and thanks for the lovely card.

Thanks to everyone for the cards and lovely flowers from the Busy Bee group.

How one longs to get out of doors these days. With balmy breezes blowing these April days. Waiting to see the buds open to hide the branches that are bare.

Prolonged exposure to direct sunlight may lead to skin cancer.

Don't be a wacky walker — walk safely always warns the Canadian Highway Safety Conference.

Couple Showered At Allandale

An enjoyable evening was spent at the Allandale school on April 12th to honor a young couple on their approaching marriage, Miss Evelyn Klaschinsky of Vermilion and Mr. Glen Baldock of the Allandale district.

Orley Omness on behalf of relatives and friends presented the young couple with a platform rocker chair, an arborite topped end table and a cup and saucer, as well as many individual gifts, wishing them the very best of luck and happiness.

Evelyn and Glen thanked everyone very much for their kindness and extendeadn Ulb kindness and extended an invitation to visit them following their marriage.

Mrs. Klaschinsky mother of the bride-elect thanked the gathering for the kindness to their daughter and for the invitation to herself and husband to join the party at Allandale. Lunch was served closing a very happy evening for all.

CARD OF THANKS

We wish to thank all our neighbors and friends and the Kenilworth Community Club for the presentation of a lovely travelling bag to us and a purse to Emerson at the social evening in Kenilworth school. We also wish to thank the Islay United Church W.A. for serving the lunch at our auction sale.

Mr and Mrs. J H Simmons

CARD OF THANKS

I wish to publicly thank the many kind friends and neighbors of the Claysmore, Mannville and Vermilion districts for the help received in so many ways during my recent illness.

Tom McCauley.

CARD OF THANKS

I wish to thank Mr Bob Rouse for taking me to the hospital on the occasion of my recent accident, and to thank Dr. Evans, the nurses and Mrs. A. Cameron for their care and kindness.

Mrs. A. Washington.

CARD OF THANKS

I wish to extend to my many friends in Vermilion and Edmonton, my most sincere thanks for the flowers, cards and letters received while I was a patient in an Edmonton hospital. I would also like to say thanks a lot to all the children in my bus for the lovely flowers they sent me.

Cyril Davis

Self propelled rail cars have patronage and lowered operating costs on several runs of the Canadian National Railways. Nine more cars are being purchased for operation in 1957 in selected services. Possibilities of substituting these Railiners for conventional trains wherever conditions appear favorable are under continuous study.

Credit Bureau

Employing a staff of four the Credit Bureau of Lloydminster Ltd. is meeting a long felt need in this area for credit reporting and collection agency services. Repossession services are available. Considerable work is done in location and tracing work and on the average day several "missing persons" are located. A variety of reports are given to firms under contract both locally and nationally, the most common being the standard credit report.

Serving an area with an estimated population of 117,000 the Credit Bureau gives reporting and collection services in north east Alberta at such points as Cold Lake, St. Paul, Vermilion, and Wainwright and in north west Saskatchewan at such points as Paynton, Maidstone, Denzil, Unity and Goodsoil. File system is currently building up at the rate of six hundred new files monthly and now numbers about twelve thousand files on consumers in this area.

The primary function of the Bureau is to record and supply credit information for its retail membership at Lloydminster which numbers fifty firms. Through affiliation and membership in the Associated Credit Bureaus of Canada with head office at Toronto, an organization in which ninety Bureaus in Canada belong, the Bureau can obtain or give credit reporting and bonded collection services across the country. The local credit Bureau will shortly be a member of the Associated Credit Bureaus of the Pacific North West with head office at Portland, Oregon whose area encompasses the provinces from Manitoba west, and the states from Montana west, to the Pacific Coast and also Alaska.

A Credit Bureau protects its member retail firms against unsatisfactory credit granting and assists in collection of accounts and assists the consumer who is worthy of credit to obtain it speedily; for the benefit of the community it carries on a constant campaign of "Buy wisely—Pay promptly"; a considerable amount of work is done to rehabilitate persons who have become financially involved, who cannot meet payments due or who have experienced unfortunate circumstances. Credit counselling services are available to anyone, free of charge. Persons who wish to establish their credit history particular newcomers, are encouraged to give the Bureau a voluntary statement, including references, which forms part of their file and which assists the Bureau in quickly and accurately developing a credit report should the need arise.

The Bureau does not grant nor deny credit to anyone—it only records a consumers' credit history and develops a report from a great number of sources so that the firm granting credit can intelligently judge the credit applicant and speedily make a decision.

Each subject will be dealt with on a different day, through leadership discussion, group discussion, and resolutions. The Convention Chairman will be Mr. W. E. Hodgson of Edmonton, President of the Alberta Federation. He will be assisted on Parent Education Day by Mrs. J. G. Cameron of Calgary, on School Education Day by Mrs. A. Schrag of Vulcan, and Mr. R. H. Jeacock of Lethbridge, and on Community Influences Day by Mrs. R. V. McCullough of Red Deer, and Mr. G. H. Hutchinson of Telfordville.

Greetings will be presented by Mayor Wm. Hawrelak on behalf of the City of Edmonton; the Hon. A. O. Aalborg for the Department of Education; Mrs. Inez K. Castleton of Calgary, Vice President and President-elect of the Alberta Teachers' Association; Mr. E. Parr of Meanook, for the Alberta School Trustees will be host to the delegates at 9:30 p.m. in the Wauneita room of Student's Union Building on the Association; Mrs. J. D. Taylor, Ontario, President of the Canadian Home and School and Parent-Teacher Federation Inc.

On the evening of May 8, the Victoria Composite High School Glee Club of Edmonton will entertain the convention with selections from Victor Herbert's "The Fortune Teller". This will be followed by a Reception in Athabasca Hall.

The featured speaker on May 9 at 8 p.m. will be Dean N. B. Scarfe of the University of British Columbia. His topic will be, "Youth and Our Changing Concepts". The Edmonton Council of Home and School Associations Campus.

At the Banquet to be held at 7 p.m., May 10th in Athabasca Hall, the guest speaker, Mr. B. A. Lindberg, director of the School of Commerce, University of Alberta, will speak on, "The Present and Future Require Educated Men". Musical entertainment at the banquet will be provided by the Strathearn School Orchestra.

The Alberta Federation has 550 Home and School Associations with a total membership of approximately 30,000.

Claysmore W. I. Notes

Claysmore W.I. celebrated its fourth anniversary o April 10th with a meeting at the home of Mrs. J. Horne. There were 13 members and one visitor present, namely Mrs. J. I. Jones of Mannville who formed our group in 1953. After welcoming the guest the President, Mrs. F. Watling proceeded with the afternoon program. O Canada and the Creed. The Roll Call "Exchange of Corsages" was capably managed by Mrs. R. MacMillan. Each member had made a corsage and they were really beautiful. Our visitor was also presented with one.

In the absence of the secretary minutes of the last meeting were read by Mrs. J. Willes. They were approved as read. The treasurer gave her report and it was adopted as read. The dance held on April 5th was well attended. Moved that all outstanding bills be paid.

Correspondence included a letter from Mr. Smith, also one from Mrs. P. Sloan re appointment of delegates.

Arrangements were made to attend the tea and bake sale at the Orange hall in Mannville on April 27th at 3:00 p.m. It was decided to make ten crib covers for the hospital. Re the sending of a delegate to the W.I. convention at Edmonton May 27 to 30, the members discussed the possibility of a number going by car for one day. Three new names of constituency conveners were listed in our program books.

Study topic for the month was Social Services and Mrs. J. Willes, convener, gave an excellent paper "My Mother is There". Mrs. Jones gave an interesting talk on her recent trip to England, the W.I. picnic she attended at Hereford with over 1000 members present. Her talk was much enjoyed.

After the collection a fun period was conducted by Mrs. G. Watling. Lunch was served by the hostess Mrs. Horne. The birthday cake made by Mrs. Williamson received its share of attention. Next meeting will be held at the school on May 8th—strictly down to business again.

Visitors at the W. Jackson home over the week end were Mr. and Mrs. Ted Rothery, Mr. and Mrs. Jim Rothery and Miss Anna O'Donnel, all of Calgary, who came Saturday for the wedding of Miss Emma Jackson and Mr. Brian Golish.

Mrs. Elsie Schumacher was assisting at Torrance's drug store for a few days last week while stock was being transferred to the new addition at the back of the store.

Tickets for "Maytime" may be purchased at Van's General Store or the Home & School executive for anyone who has not already been contacted through the school.

Tuesday evening was "Out of Town" night for many of the ladies of the Mannville district. A number attended an Eastern Star meeting in Vermilion while others were guests of the Royal Purple lodge at Irma. Another group attended a dinner and annual meeting of the Cancer Society in Vermilion.

Dr. and Mrs. Hasinoff spent a few days last week in Edmonton where the Doctor participated in a Doctors' bonspiel. Dr. Hasinoff is on call 24 hours a day and it is pleasing that he was able to have a few days for his own personal pleasure at this 'spiel which may become an annual event.

Don't forget the rummage sale and afternoon tea in the Orange hall on Saturday, April 27, sponsored by the W.I.'s with proceeds for the Rest Room. This is the only way that the W.I.'s raise money to help finance the Rest Room—your support will be appreciated.

Don't forget "May Time in Alberta", sponsored by the Home and School Association on May 4, 6 and 7 in the school auditorium. Tickets may be purchased at Van's General store or from the Home and School executive.

Mrs. C. Mercer is visiting in Edmonton this week.

Week-end visitors at the C. Swain home were Mr. Danny Swain and Miss Evelyn Miles of Irma and Mr. Rodney Swain of Edmonton.

Mr. and Mrs. Chas. Golish of Vancouver Island, Messrs. Bob and Jim Golish and Mr and Mrs. Doug Smyth and son of Merritt, B.C. were in Mannville for the Jackson-Golish wedding on Saturday.

Mrs. James McLaughlin of Vermilion received news of the death of a brother at Dublin, Ont., on April 9th.

The Bridge club met at the home of Mrs. H. Drayer on Apr. 12th to honor that dear old lady on her 87th birthday. Although it was a surprise party and the ladies of the club brought lunch with them, this has been an annual event since Mrs. Drayer's 80th birthday. We wish her many more years of continued good health.

Nelson Beairsto and Mario Morneau of the RCAF station at Cold Lake, were week end visitors with Mr. and Mrs. M. Mercer.

The sympathy of the district is extended to Mr. and Mrs. Ralph Rudd and family on the death of Mr. Rudd's father who had just come from the coast to visit them.

Heckbert Addresses Capacity Audience At Lloydminster

S. Carl Heckbert, Liberal candidate for federal constituency of Battle River-Camrose in the forthcoming election, addressed a capacity gathering in St. Anthony's hall, Lloydminster, on Thursday evening last when more than two hundred residents attended a dinner meeting arranged by the Lloydminster Liberal Women's club. Mr. Duff Noble, candidate for the neighboring Saskatchewan constituency of the Battlefords was also present and spoke to the gathering.

His Worship, Mr. V. U. Miner, mayor of Lloydminster, extended a welcome to the bustling town of Lloydminster and Mr. Heckbert was introduced by Russel A. Robertson.

Mr. Heckbert dealt with questions of government policy and stressed the urgency of representatives of our western people being given an opportunity of examining the yearly federal legislative program before, rather than after presentation to parliament for debate. He stated that in his opinion the people of Alberta were doing their country a disservice in continuing to elect representatives of the Social Credit Party to the Federal House, making it clear that in speaking as he did he in no way wished to cast any reflection whatsoever on the present member Mr. James Smith, for whom he expressed admiration; but, said the speaker, it is impossible for members of the smaller opposition groups to have any marked effect upon legislation which is so vital to our progress.

It would seem to be essential he said, that we name representatives who would have the opportunity of careful examination of bills to be presented to parliament while they were being discussed in government caucus prior to the opening of the House each year. In this way, if the measures were deemed inadequate or if measures dealing with the vital question of Western agriculture were not included in the program protests might be effectively made and remedial steps taken. He urged that a solid core of Liberal candidates be returned in this election so that a united voice could be raised to the advantage of our people.

Mr. Heckbert expressed the opinion that in nominating such outstanding men as Mayor Wm Hawrelak of Edmonton, Mayor Don McKay of Calgary, Fred Magera, long time district agriculturist in the Vegreville area and others of like calibre, the Liberal party in Alberta was endeavoring to obtain the services of trained and proven individuals who could continue their service to the people in the larger field of endeavor. He invited the people of Battle River-Camrose to support his candidature in the forthcoming election and thus give him an opportunity of working with the others in an endeavor to pinpoint the attention of the House of Commons on the plight in which Western agriculture finds itself at the present time.

It is claimed by opposition parties said the speaker, that the present Government has made mistakes, but he insisted that other parties faced with the difficult and involved situations which have arisen during and since the Second World War would not, by any means be impervious to errors in judgment, especially in view of the rapidly increasing ramifications of government of a growing nation.

Stating that he had not at any time sought the nomination for riding but that he had finally yielded to persuasion from many persons throughout the constituency, Mr. Heckbert said that he felt an all-out effort should be made in connection with the 1957 election, because there was an urgent need for a vastly improved program for agriculture and it would appear that little improvement can be hoped for unless supporters of the Government and representatives of our people in a position to query the suggested program of legislation in caucus and seek amendments where necessary or desirable. He urged that Alberta and Saskatchewan send their full quota of Liberal members to the next House in an endeavor to accomplish something of real value to the important interests of agriculture.

Closing a stirring address he urged his hearers and indeed all citizens of Western Canada to rise above the desires of strictly political partisanship and to give thought in the period between now and the election date to the best interests of our country as a whole; he invited his audience to subscribe to the oft-repeated Credo for Canadians.

I believe in Canada
A land endowed by God with the richness of His bounty
Founded by our forbears as a land of promise and a home of freedom
And built by their sweat and toil
A land wherein two great streams of culture met and mingled to form a nation
Now consecrated by the blood of her sons who lie in far-off foreign fields
I believe in Canada
A priceless heritage that is ours to guard and keep and to pass on untarnished
So that our country may fulfill its destiny for the benefit of our children and their children
And for the greater good of mankind in the ages yet to come.

Judging by the enthusiasm with which Mr. Heckbert's address was received those attending from Lloydminster, Paradise Valley, Marwayne, Kitscoty, Edgerton and other district points were evidently in agreement that the time has come to give members of the Government party an opportunity of demonstrating their ability to obtain results which would re-act to the benefit of all our people.

Derwent District Pioneer Honored On 80th Birthday

On Sunday April 7th her 80th birthday, the family of Mrs. Mary Noster of Vermilion gathered for a surprise party in honor of the occasion.

A delicious dinner was served at noon, followed by an afternoon of visiting. A lunch was served featuring a beautifully decorated birthday cake. The youngsters all gathered round to sing "Happy Birthday". On behalf of the whole family, the oldest daughter, Julia Dedio, presented Grandma with a tailor-made spring coat.

An especially nice feature of the day was that all of Mrs. Noster's children were able to be present. These are Mrs. Julia Dedio of Derwent, Mrs. Eva Bykewich of Derwent, Mrs. Theresa McEachern of Edmonton; and sons Carl, Peter and Mike, all of Derwent. Also present were four of the sons and daughters-in-law, 13 of her 27 grandchildren, 3 "grandchildren-in-law" and four of her eight great grandchildren, and a few [illegible]

Mrs. Noster is one of the old timers of the district, having homesteaded with her husband, John Noster, one and a half miles east of the present site of Derwent in 1910, long before there was any village or railroad line there. At that time Vermilion was the nearest town and post office and horses of course furnished the transportation for shopping trips and hauling in grain to the elevator.

Later a post office south of the village was opened and named Pegula. This was later changed to Monkman and when the C.P.R. went through in 1927 the site was moved and it was named Derwent.

Honored at Shower

MANNVILLE- On Wednesday of last week a miscellaneous shower was held in the Anglican church hall at which time Miss Emma Jackson, a bride elect of the same week, received many beautiful and useful gifts.

Several contests took up the first part of the evening after which Mrs R. S. Johnston, on behalf of those present as well as those unable to attend, presented Emma with a beautifully decorated basket of gifts. The basket was carried in by Daphne Hughes and Susanne Goshko.

Emma graciously thanked her many friends for their kindness. A delicious lunch brought the evening to a close.

Tips on Touring

By Carol Lane
Women's Travel Authority

Control your reflexes, and you will avoid a lot of trouble while driving. Here are some do's and don'ts for meeting highway emergencies.

If you're nudged off the road onto a soft shoulder, don't slam on the brakes. Don't try to turn right back onto the pavement. Gently apply your brakes, steer so that your right wheels are about three feet away from the pavement, then move back onto the highway gradually when the coast is clear.

When you round a curve that suddenly proves too slippery for your speed, don't resist the skid by braking and steering out of it. Don't panic and step on the clutch. Always steer in the direction of your skid. Then, accelerate slightly to help your automobile regain its balance.

Chances are you've found yourself in a situation when someone starts to pass you and spots the oncoming traffic too late. As a rule the offender will try to drop back behind you again. Your cue here is to accelerate, if you can, to give him room. But if he tries to complete the pass reverse this cue and slow down. This calls for fast thinking.

When it comes to night driving, we've all met the driver who thinks he's the only one on the road. If you're blinded by oncoming lights, there are only two things to do: (1) Slow down and (2) Turn your eyes to the right side of the road.

Finally, if and when a blowout occurs don't jam on your brakes under any circumstances. Don't try to steer out of it sharply. Slow down gradually. Hang on to the wheel until it comes back into line. Then, when you feel your car is under control brake easily.

Remember, when it comes to driving emergencies, knowing how to avoid them will lessen the worry about getting out of them. Foresight is better than hindsight any way you look at it.

The pedestrian usually loses to the automobile in a race to beat the amber traffic light, and too often loses his life as well.

Home and School Meeting April 30

The regular monthly meeting of the Vermilion Home & School will be held on Tuesday, April 30th in the Junior high school. The program will include a talk on civil defence by Ashley H. Cooper, with a film on "Operation Lifesaver," the evacuation of a portion of the city of Calgary, to follow the talk. 41-2

JOHN DIEFENBAKER
National Leader of the Progressive Conservative Party of Canada.

To the People of the Federal Constituency of Battle River-Camrose

The date of the federal election has been announced, and during the forthcoming weeks the people of Canada must give thought to the election of a government.

There are a number of issues which will be debated during the election campaign. We of the Progressive-Conservative party believe that the most important issue of all is the preservation of the parliamentary system of government which is in danger now. Grain marketing, inflation, freight rates, rising costs of production, falling farm prices, — none of these problems can be solved while the government party has an overwhelming majority and the opposition is divided into several weak parties.

We are proud to be able to point out that, of the parties which have been in Her Majesty's Loyal Opposition, only our party has continued to elect members from all regions of Canada and from both language groups in Canada.

We believe that in John Diefenbaker we have a leader eminently fitted by training and experience to become our country's next prime minister. His emphasis upon the rights of the individual and upon the need for a solution to the problem faced by Canadian agriculture had won recognition from all before he was elected leader of the party he supported.

We believe that in Cliff Smallwood we have a candidate well qualified to become our representative in the House of Commons. A farmer by occupation, he brings to his task a knowledge of agricultural problems gained by years of practical experience.

During the next few weeks we shall do all that we can to place the Progressive-Conservative platform before you by means of public meetings, advertisements in the press, messages by radio.

We invite your comment, your criticism and your co-operation.

The executive, Battle River-Camrose Progressive-Conservative Association.
Allen Ronaghan, President.

CLIFFORD SMALLWOOD
well known farmer of the Irma district, Progressive Conservative Candidate for the Battle River-Camrose Federal Constituency.

Old Timers Are Farewelled At Allandale Party

On Monday evening April 8th the Allandale school was filled to capacity, the occasion being a farewell party for Mr. and Mrs. James Phillips who have lived there for over thirty years, raised their family, all of whom attended that school. They are now moving to Victoria, B.C.

Anyone who has ever attended a function at Allandale knows the trouble that the good folks of that district go to make an evening entertaining. Cards were played and prizes given. Following this Mr. O. Omness called Mr. and Mrs. Phillips to the stage and after a nice speech presented them with a lovely set of luggage and a pop-up toaster. Mr. and Mrs. Phillips graciously thanked everyone for their kindness.

Mr. Omness than called Mr. and Mrs. R. Butler to the stage, 'surprise' is not the word, as Mrs. Butler said it was more like a bomb tossed at them when Mrs. Hilda Cross presented them with a lovely hostess rocking chair and coffee table, along with an envelope full of dollar bills and appropriate remarks and best wishes. Mr. and Mrs. Butler were speechless when the lovely gifts were presented. They too are old timers, settling in the district in 1926, retiring from the farm to live in Vermilion last year. Appropriately enough too, the day of the party was Mrs. Butler's birthday, a very happy one.

Then there was a daintily set table, spread with delicacies beyond description for the four guests on the stage, coffee, cake and everything nice was urged upon them.

Now they wish to thank all their friends and neighbors for this extreme kindness —

CARD OF THANKS
We wish to thank Mrs. John Arnold and Mr. and Mrs. Gus Throndson, and all our friends and neighbors for the lovely surprise reception and gifts.
Mr. and Mrs. Robert Butler.

With Vermilion W. I.

On April 9th the Vermilion W.I. met at the home of Mrs. Harry Marfleet with fifteen members present. We were pleased to have one new member join and welcomed two visitors Mrs. James McLaughlin of Vermilion and Mrs. Percy Sloan of Mannville, Constituency convener, as guest speaker. In her talk Mrs. Sloan touched lightly on all phases of W.I. work. She stressed the importance of a speaker being vitally interested in her subject. She suggested we make a study of some one country and arrange exchange programs with them as this is most educational and interesting. She also urged us to give all possible financial aid to our Girls' clubs to enable them to attend the convention at Olds, as they are the citizens of tomorrow. Mrs. Sloan also showed us the Tweedsmuir History compiled by Creighton W.I. This book contains much of the early history of the district as well as history of the development of their W.I. It also contained several letters written by early pioneers telling of their experiences in homestead days.

Mrs. J. C. Perrier was chosen as delegate to go to the Provincial convention at Edmonton on May 27 to 30 at the University.

Mrs. F. Maddex won the mystery box, a pyrex frig dish. Roll call was answered by old woollens to be made into blankets.

Next meeting will be May 14 at the home of Mrs. James Moses when roll call will be answered by exchange of plant slips.

A social hour was enjoyed after the meeting, over a lovely lunch served by Mrs. H. Harfleet Mrs. Jo McCaig and Mrs. J. C. Perrier.

Departing Families Are Farewelled At Allandale

PARADISE VALLEY. -- Two farewell parties were held in the P.V. hall during the past week. On Monday evening Mr. and Mrs. Peter Robertson and family were the guests of their many friends. Mr. and Mrs. Robertson came here about two years ago from Clive to take over the Beaver (Alberta) lumber yard and store. Now they have been transferred to Meeting Creek. During their short stay in Paradise Valley they have made many friends in the town and district who regret to see them go but wish them the best of everything in their new home.

On Tuesday evening the hall was well filled as people from town and district came to wish Mr and Mrs I. A. Matheson every success in their new home at Lloydminster where Mr Matheson has purchased a business. Mr and Mrs Matheson will be greatly missed in town and district. Mr Matheson opened up business in Paradise Valley in 1929. Both have taken an active part in community life during the years. We are sorry to see them go but wish them every thing good in their new undertaking.

Nobody would deliberately walk in front of a cannon about to be fired, but too many people take the same risk by walking blindly into moving traffic.

4-H Club Leaders Conference At V. S. A. In April

Two 4-H Club Leaders' Conferences are being arranged for this spring says C. L. Usher, Supervisor 4-H Clubs, Alberta Department of Agriculture. The first of these will be at Olds School of Agriculture April 16 and 17 while the second will be at Vermilion School of Agriculture April 24 and 25. Leaders from all grain, garden, forage, swine, sheep, poultry and potato clubs are being invited to attend. Those in the south half of the province will be going to Olds and those in the north to Vermilion. In both cases the expenses of the leaders will be assumed by the Department of Agriculture and the the three sponsoring organizations — the Alberta Wheat Pool, The United Grain Growers and the Line Elevators Farm Service.

The two-day course for leaders which is being arranged by the 4-H staff of the Department of Agriculture will consist of study of the program of activities to be carried out by the clubs this summer. Besides this, problems of leaders will be dealt with at length. A banquet and social evening will also be provided for those attending.

It is expeced that a large percentage of the leaders in the projects mentioned will endeavor to take advantage of this opportunity to get some new ideas for their clubs.

Another old time couple send along their sub and ask the Standard to say Hello to all acquaintances in town and district. They are Mr and Mrs. Ed Chesnick now residing at 12841 — 123 street, Edmonton.

One of the reasons why the average life expectancy is increasing each year is that people are now wise enough to consult their physician at the beginning of an illness. To delay proper treatment can be dangerous.

Grandma's home treatments were often helpful, but remember how long a cure took and how weak they left you.

Don't handicap your physician's ability to help you. Always visit him at the beginning of an illness. Delay can be dangerous.

Man does not live by bread alone, and so, the Clergyman plays an important part in community life. With a deep devotion to duty and a sincere and hearty interest in our welfare, he is our friend and counselor.
He brings a benediction on our domestic and business affairs, guides our children with wisdom and understanding, and is a never-failing source of sympathy and comfort in times of sorrow.
His work with church groups and charitable organization is of inestimable value in the community. Your help and support is needed and well-deserved.

Your utility company and its individual members are also interested in community welfare and they stand ready to serve at all times and in all ways. They, too, play an important part in normal life in your district.

THE TALE OF THE WILTED WEEDS

(There's just no future in being a weed)

Once, when the West was younger, a family of weeds had a homestead that looked better every year, especially up on the north forty. Then about 1890 a farmer came along. It turned out alright, though, because the farmer just planted some wheat and the weeds could deal with an outsider like that.

The farmer and that family fought tooth and nail, thorn and thistle, for about 67 years and it looked like the weeds were going to win hands down until the farmer's son learned about chemical weed control. Well, sir, the first spraying of 2, 4-D just about broke up the weed family. There were so few of them left that summer, the wheat yield nearly doubled. Every year, a few weeds sneak back but it looks as though there's just no future in being a weed.

Moral: The value of chemical weed control has been proven beyond any doubt, but weeds need control every year. The National Grain Company wants to help in every way, by selling the best possible equipment and a choice of chemicals for weed control. Call on your National agent soon, won't you?

BUFFALO COULEE ACTIVITIES

The last Home and School meeting took the form of a vocation night with a good crowd in attendance, including a number of the older students. Talks were given by Mr. E. Buckingham of Vermilion on agriculture, Constable Docking on R C M P. training and duties and by Mr. E. Schurman on electronics in all its varied forms. These talks were most interesting and enjoyed by all. Mrs. Everett, President of the Home and School thanked the speakers for coming and giving the students an insight into these different fields of occupation.

During the business part of the meeting approval was given to the basic plan of awarding points to the members of the Students Union working towards crest, bar, etc. Points are given for academic standing, sports, participating in Youth Organization and extra curricular activities.

Mrs. Everett was appointed delegate to the Home and School Convention in Edmonton in June.

Lunch was served by Mrs. E. Cunningham and her committee.

The Junior Red Cross held a social evening for the parents and students of Buffalo Coulee. A variety of games was enjoyed by all. Lunch was served by the Junior members.

A very large crowd attended the auction last week of Sigurd Lindroth. Dave Love who is now living in Wetaskiwin disposed of his farm machinery at this sale too. The Lindroth family have now moved into their new home on the south side in Vermilion. Best wishes of all their friends go with them to their new home.

A number of B.C. people, mostly ladies, attended the Little Royal at the V. S. A. Two B. C. boys, Carl Eyben and Stan Smith graduate this year while Gary Green has completed his first year. Congratulations to Carl for making the All Star hockey team of the V. S. A.

Everyone is very pleased to hear that Mrs. Cleland Sr. was released from hospital in Edmonton last week and is showing steady improvement. She is staying with her daughter, Mrs. Alex Smith in the city but expects to be home before too long.

Mrs. Arthur and Mrs. F. Eyben returned home from hospital last week and Mrs. Harold Barlow is at present a patient, also Mr. Ivar Larsen. Best wishes to all for a speedy recovery.

Mr. MacKay conducted service at the Auburndale church last Sunday and will be out again on April 21st, Easter Sunday at 3:00. This will be the first time there has been service at the church on Easter Sunday so let us have the church filled.

Wildmere Women's Institute Notes

Wildmere W. I. met at the home of Mrs. A. Holte on April 3 with 13 members present. The meeting opened with O Canada and the Creed. As the vice president is required to conduct three meetings a year Mrs. Howard was in the chair, conducting the session very efficiently.

Mrs. Cosh reported on having the base repaired on the handicraft trophy so that there is now room for a shield with the Wildmere branch name on it. A letter of thanks will also be sent to Mr. Folk and the boys who helped him make the change.

Roll call was answered by signs of Easter.

A thank you letter was received from Mr. and Mr. A. Robinson, and from Mrs. Rendell. A card from used clothing was sent to Unitarian Services.

Treasurer's report was given and accepted on motion of Mrs. Gibson and Mrs. Wallington.

The convener of the sick committee reported that Mrs. Rendill and Mrs. Dibben had been sick. No social service report.

At the bake sale to be held Saturday, April 20 at the Co-op Store. Mrs. N. Garnett, Mrs. C. Sweeney and Mrs. L. Howard are in charge.

Mrs. Holte was made auditor for this year.

Mrs. C. Cruthers is delegate to the A W. I. convention to be held in Edmonton at the end of May. Mrs. F. Haines is the alternate.

Project for May is F.W.I.C. fund. Put it into an envelope and bring it to the meeting. Mrs. Gibson would like donations to the Cancer fund as she is the official collector for our district.

The topic was by Mrs. W. J. Garnett who first distributed papers on "Baby Sitting." Then she read a letter from the Home and Country, written by Mrs. M. Alexander.

Mrs. Cosh had th social which was called "Little Bits of Fun" and it truly lived up to its name.

Johnny Jump Up was won by Mrs. J. Bauman who was a member last year and whose name is still in the box. The meeting closed with the Queen and then Mrs. Holte and helpers served a tasty lunch. Mrs. A. Morrison joined the ladies at lunch.

Next meeting will be on May 1 at Mrs. L. Howard's home. Roll call will be something we did that made mother angry; topic—Mrs. W. T. Garnett; social—Mrs. C. Cruthers. lunch—Mrs. Gibson, Mrs. Haines and Mrs. Holte.

MARWAYNE NEWS

Services will be held in St. Georges Anglican church on Easter Sunday at the regular times. Sunday school at 10:30 a.m. and church service to follow at 11:10.

The April F.W.U.A. meeting will be held at the home of Ella Quist in Marwayne on the last Monday of the month, Apr. 29th.

Miss Jean Richardson, who has been nursing in Lloydminster hospital for the past two years is visiting at the home of Mr. and Mrs. Harrington before returning to her home in the east.

At the Home and School card party on Friday, April 12th there were five tables for cribbage and five tables for whist. Crib winners were, high — Mrs. Bell and Mr Sinclair; low — Mrs. J. Milne and Mr. W MacDonald. Whist, high — Mrs. Sonley and W. Ashworth; low — Mrs. Fairbairn and W. Giles. It depends on the weather and land work whether or not there will be a card party on April 26th. Please watch for notices.

Lawrence Fleming is home from having treatment on his knee in the University hospital. Mrs Wm. Giles is still in Lloydminster hospital.

The Boy Scouts, accompanied by Rev Mr Potter went on a hike on Saturday to the Vermilion River where some of the boys took their cooking tests.

Next Sunday church service in the United church will be at 7 30 p.m. when Mr. Robert Seal, student at St. Stephen's College will deliver the sermon. On Sunday, 28th, service will be at 7:30 p.m.

Mr and Mrs. Fraser have moved into the recently renovated Franklin house. He is trucking at the bridge. Mr. and Mrs. Larry Isert and family have moved to Calgary where Larry is running a drag line.

Some work is being done to the interior of the Anglican church and a volunteer work party is working on the United Church hall and basement.

Dark of night spells danger for pedestrians and motorists. Be afraid of the dark and live longer.

Report from The Alberta Legislature

by KEN MASON

EDMONTON. — The 1957 session of the Alberta legislature came to a fighting finish last week with dividends and drinks the major issues right up to the end.

Despite a last-minute attack by the opposition, some 500,000 Albertans will be receiving their royalty dividends of about $20 each sometime before the end of the year.

And within the same period citizens will be called upon to cast ballots in a plebiscite to decide whether this province will have cocktail bars and other new types of drinking establishments prohibited under existing laws.

The session was prorogued after eight hectic weeks during which members sat 41 days and toiled through 14 special night sittings. Chief Justice Clinton J. Ford gave Royal Assent to a total of 117 bills.

Other major pieces of legislation provide for establishment of a new hospital treatment plan to cover all Albertans, and 15% increase in mother's allowances, widows' pensions and disabled persons' pensions.

DIVIDEND PLAN BIGGEST SINGLE ISSUE

The controversial oil and gas royalty dividend scheme was the biggest single issue, accounting for more hours of debate than any other. But Social Credit forces handily defeated the two non-confidence motions arising from the $11,000,000 give-away program.

Opposition members fought the dividend plan right down to the wire, making their final attack on the last day of the session by moving a 'hoist' during third reading.

Their effort was a futile one to kill the bill — and they knew it! The Social Crediters sat back and let Liberal H. J. MacDonald of Calgary introduce the motion and attack the plan. They didn't even bother to reply to the Liberal motion before calling a vote and crushing it.

OPPOSITION FEAR DIVIDEND

The question now is how the dividend scheme will be accepted by the public. Opposition spokesmen have claimed all along that the public will agree it is a waste of money, but privately some of them fear Social Credit may have purchased its way into power for a long time to come.

LIQUOR BILL SLOWS SESSION

It was the liquor issue which slowed down the session during the final stages, with members sitting until almost midnight on the three days before prorogation day.

Debate developed on almost every clause of the voluminous bill containing amendments to the Liquor Act based on recommendations by the eight-man House Liquor committee. There were few major changes, but, among other things it is now legal to drink in your own back yard, and liquor permits are no longer necessary.

However, the major thing is the controversial plebiscite and events which led up to it were the most dramatic of the session. Many members on both sides were disappointed that the liquor committee had not called for any relaxation in the liquor laws.

It came to a head with a vote of 28 to 27 — the narrowest of the session — to pass a private resolution directing the Legislature to call the plebiscite. Party lines were ignored through all debates and votes on liquor.

Premier Manning while he personally voted against any measures which might lead to easing of the laws, gave his supporters the green light to speak and vote as they pleased, and between both sides of the House there were enough 'wets' to pass the plebiscite resolution.

The wets are confident that Alberta will vote for new types of outlets subject, of course to local option.

NEW HOSPITAL PLAN

Alberta's new hospital plan will cost an estimated $32,000,000 a year. It also will permit Alberta to join in the proposed federal-provincial hospital scheme but if that isn't available by January of 1958 Alberta is prepared to go it alone.

The increases in provincial pensions are in line with boosts in federal old age pensions blind pensions and others which are financed jointly by the province and Ottawa.

Provincial supplementary allowances are not increased, but Premier Manning has promised a full review in the coming year of the entire welfare program.

INCREASE LEGISLATURE TO 65 MEMBERS

The Legislature will have 65 members instead of 61 after the next election under amendments introduced this year. Edmonton will have two more members. Calgary will have one more and the Peace River riding will be split, creating the new riding of Dunvegan.

RECORD BUDGET

A record budget of $265,449,370 was introduced and passed, following two weeks of debate during which the first dividend non-confidence motion was defeated.

LOANS FOR YOUNG FARMERS

A major bill makes capital loans up to $7500 available to young farmers to help them buy farmland. However the program depends on co-operation of municipalities, which must set up farm purchase boards to administer loans from the $2,000,000 revolving fund.

Other major items included Public Lands Act changes permitting homesteaders to purchase land outright without residence requirements.

A $1,000,000 revolving fund to help rural telephone expansion.

Abolition of the motor vehicle inspection and safety sticker program.

Doubling of minimum amounts of car insurance required for financial responsibility under the pink card system.

Amendments to the Labor Act providing equal pay for women for equal work.

Legislation to increase school construction loan interest rates to about 5¼%, the same rate charged by the new municipal financing corporation.

A salary increase of $2000 for Premier Manning, raises of $1500 for cabinet ministers, and a new $15 daily expense allowance for MLA's.

Marketing board legislation amendments to permit the government to define a registered producer and pave the way for possible introduction of an egg marketing board this year.

Legislation to provide an equalized assessment, to prepare for a new government grant formula and introduction of a provincial industrial tax.

A promise by the government to set up a commission to study potential development in northern areas of the province.

New Hospital Plan Proposed by Alta.

EDMONTON. — A bill introduced by Health Minister Dr. W. W Cross would empower the government to introduce a new resident of the province, with the cost to be shared by the province, the municipality and the patient.

Details of the plan are left to the government, but it would be designed to fit with the proposed federal-provincial plan whenever that goes into effect.

Wireworms and Your Crop

Wireworms can be found in the soil of almost every acre of grain-growing land in Western Canada. They inflict crop damage by destroying seed and seedlings.

Damage — Before the development of seed dressings, wireworms caused an annual average loss of more than $600.00 per half section farm, with the total annual loss in the Prairie Provinces totalling $30,000,000.00. On some individual farms crop losses range from 75 to 100%.

Dry Years — Wireworms are more destructive during dry years. Above normal moisture levels of the past ten years have reduced the amount of damage. However, moisture levels are moving downward and present conditions point to a heavier wireworm infestation in 1957.

Fields likely to be subjected to wireworm damage are difficult to define, but wheat is more susceptible than oats or barley. Crops following summerfallow or grass are more likely to suffer severe damage than are crops on stubble.

Control — Seed dressing containing Lindane, Aldrin or Heptachlor will provide positive protection at a cost of less than 20c per acre. These materials used at the rate of one ounce applied to the seed sown on one acre will destroy 70 to 85% of the wireworms and provide almost 100% protection of the crop. In addition a single treatment will protect subsequent crops for three to five years.

Dual Treatments — Wireworm seed dressings may be purchased as dual treatments which contain Mercury or other fungicides for the prevention of diseases to seed and seedlings.

The use of seed treating chemicals for wireworms, smuts and other seed borne diseases is a sound, low-cost investment in crop protection. — *This information sponsored by Canadian Agricultural Chemicals Association.*

Rev. Robert McLaren, Principal of Naramata Leadership Training school, will be the guest speaker at First United church, Vermilion, on Sunday, April 28 at 11:30 a.m. The above picture shows the tour personnel which consists of Joanne Draayer, Art Renluck, Martha Glebelhaus, Joan Contrell and Rev. Bob McLaren. A luncheon will be served for youth leaders, Sunday school teachers and young people who wish to attend the service. A special invitation is extended to young people in the district to attend the service held at 11:30 a.m.

One Hundred Attend Dinner Meeting

Mrs. Hilda Cross Again President Of Vermilion Cancer Society

The annual meeting of the local Cancer Society was held on Tuesday evening April 16th when eighty-three people sat [illegible] to a very sumptuous [illegible] served by the Ladies Auxiliary of the Canadian Legion under the able chairmanship of Mrs. W. Clifford. At the head table special guests were Mr. R. N. Talbot, executive director of the Cancer Society and Dr. R. K. Brown of the Department of Chemistry, U. of A., also attending were Mrs. Cross, president of the local group, along with T. Watts, secretary-treasurer, Mr. A. H. Cooper, Dr. and Mrs. C. W. Stehpens and Dr. and Mrs. E. Evans.

Minutes of the last [illegible] meeting, the president's report, secretary's report were read and passed by the meeting following the dinner, and Mr. Talbot then addressed the gathering and enlarged on the 'Sword' as a militant symbol in the fight against this scourge, and also a symbol for the encouragement of pa[illegible]

It was decided to hold another banquet in the fall, due to the change of the fiscal year for this organization to end Sept. 30th, the Alberta convention has made this move to work more efficiently.

A question period with a panel of the two doctors present was held and questions were answered by Dr. Stephens and Dr. Evans. This proved an interesting innovation.

The election of officers showed no change, with Mrs. Cross accepting the chairmanship effective to September meeting, when a new election would be held.

Dr. Evans introduced Dr. R.K. Brown, his address covered the growth of cancer and his department's work in the field of research. He also welcomed the opportunity of speaking to the people who were responsible for the extra money which gave them more chance of developing means to combat Cancer. The length of his address went unnoticed, and the rapt attention of his audience paid tribute to the manner in which Dr. Brown held his listeners. Dr. Stephens moved a hearty vote of thanks.

Mannville delegates, Auburndale, Dewberry and Islay were given special mention, the appreciation of the meeting at their attendance was expressed. Mention was also made of the fine job done by Mrs. Vera Anson of Islay, and Mrs. Laird of Clandonald. Interested persons in other localities would be very welcome, as this is a vital work.

Mrs. Hilda Cross officially, in the absence of the mayor, declared the Cancer Drive for 1957 under way and everyone was given the go-ahead signal.

To close a very fine meeting films were shown under the direction of Mr. Fred Stewart.

Car Collision Claims Life Of Edmonton Lady On Monday

Miss Gladys Langerman, aged 36 years, died in the hospital here on Monday night from injuries suffered in a two-car collision on highway 16 at the Anderson corner, five miles west of Vermilion. Miss Langerman had been visiting the family home at Rouleau, Sask., for the Easter week end and was on her return to work as a stenographer with an Edmonton firm when the accident occurred.

She was making the trip with friends, the car being owned and driven by Mr. Reg Harris. Other passengers in the Edmonton-bound car were Mrs. Elizabeth Falconer, W. Allen, one more adult and a baby. The dead woman was riding in the back seat on the right hand side.

The other car was travelling east to Vermilion on its way to Wainwright. It is claimed that James Cebuliak, aged 14, was driving the car, with his parents and a Mr. McCrea as passengers.

The accident took place on the curve. The Cebuliak car apparently got a wheel over the shoulder of the road, the driver pulled it back onto the hardtop and in so doing the car crossed into the opposite lane and sideswiped the westbound car. Both vehicles ended up in the ditch on the same side of the road. The Edmonton car is practically demolished and ended up on its top with wheels in the air. The Wainwright car did not turn over but suffered extensive damage to the left front side. The accident took place at approximately 4:45 p.m.

Not one of the other nine passengers required hospitalization, receiving only minor cuts and bruises. The dead woman suffered severe head injuries and a broken leg.

Dr. Hasinoff of Mannville has ordered an inquest.

Mannville Lady Injured in Accident

MANNVILLE Mannville residents were very sorry to hear of the injuries received by Miss Verla Arnold in an accident near her home at Dorintosh, Sask. on Friday last. Verla and Doug Hessam had gone to Saskatchewan for the Easter holidays and were out driving when the car overturned. Verla suffered fractured ribs, a broken collarbone and a broken nose, while Doug received injuries to his hands. Verla is in the Saskatoon hospital and at last report her condition was satisfactory. She was always so bright and cheery when working in Linda's coffee bar, and her many friends wish her a speedy recovery.

Robertson Sale Postponed by Rain

The auction sale of Charles Robertson and Ken Reid scheduled for Islay on Wednesday, April 24th has been postponed to Monday, April 29th, due to continuous rain. Everything as previously advertised in news papers and on the posters will be offered for sale.

Archie has been auctioneering for 11 years and this is the first time he has found it necessary to postpone a sale.

Vermilion M.L.A. Guest Speaker

Guest speaker at the Board of Trade on Wednesday, April 17th was R. W. Whitson of Mannville. Mr. Whitson gave an interesting address on the highlights of the 1957 session of the Alberta Legislature, dwelling more particularly on the Dividend Bill, Liquor Bill, Hospital Bill and the bill setting up loans for young farmers.

The M.L.A.'s address was enjoyed and he was suitably thanked by President I. Miller.

Other guests introduced at the meeting were Mr Alex Bennie, relief manager at the Treasury Branch during Manager Locke's absence on vacation, who was the guest of A. F. Kaiser, and Mr. Dave Jordan of Edmonton introduced by Jas. Champion.

David L. Kennedy Dies In Victoria

David L. Kennedy, an oldtimer of Vermilion and district, passed away in Victoria, B.C. on April 17th. He was 85 years of age. He leaves to mourn his loss his wife Annie Louise at home, 2584 Graham St., Victoria.

Funeral services were held at McCall Bros. Funeral Chapel, Victoria, on Saturday, April 20 at 12:15 p.m. The Rev. D. H. Carr officiated. Interment was in the Royal Oak Burial Park.

Mr. and Mrs Kennedy left here eleven years ago to reside in Victoria.

Dewberry H. & S. Name Delegates For Convention

The April meeting of the Dewberry Home and School was held on the 11th. Alas no charm had been worked by the melting of the curling rink so we had a very meagre attendance. The minutes were read and adopted. Mrs Mackay, Mrs Whiteside and Mrs Goad were nominated as delegates to the coming Home & School convention. The first two declined to attend so Mrs Goad is our delegate.

The following ladies form a voluntary committee of six to be in charge of the banquet at the graduation exercises. Mrs Mc[illegible] Mrs. Leo Maltais Mrs. Goad Mrs. [illegible] Maltais Mrs. Brown and Mrs Mackay.

Res[illegible] to come up before the delegates at the coming convention were discussed and voted on so the delegate would know how she must vote. Some of the res[illegible] brought forth a great deal of very interesting discussion. This prolonged the meeting so that it was too late to have the entertainment part of the evening as had been arranged. A spelling contest was carried on however while lunch was being served.

Comet Visible

The comet which appeared in the sky to the north west Monday night was viewed by many interested people. It will be visible for about a month and will then disappear from sight. Incidentally, according to astronomists, this particular comet is 52 million miles away at the present time. No other comet will be visible for another 25 years.

4,000 Copies Of Standard This Issue

This issue of the *Standard* represents a co-operative effort of the business men of the town under the guidance of the Vermilion Board of Trade. 1500 extra copies have been printed and circulated, carrying the many bargains offered into the homes of 4,000 families or a shopping public conservatively estimated at 16,000 people. Merchants and businessmen have taken considerable trouble to see that real bargains and the best of services were offered. The Standard staff worked day and night to handle the extra volume of advertising and the enormous amount of press work, folding, collating, bundling and labeling entailed in the issuing of the paper.

Owing to this pressure a large number of news items, bulletins, etc., have been held over to next issue.

New Show Every Night At Columbia

Manager Nick Kowalchuk of the Columbia theatre is announcing in the advertising columns of the Standard that he has six changes of programs, a new show every night, for next week, Dollar Days in Vermilion.

These are all excellent productions and present fine entertainment. For full details see the Columbia advertisement on page 1, section 2.

Spring Work In Full Swing At Buffalo Coulee

Spring work is getting into full swing and with the good rains received on Sunday crops should get off to a god ostart.

Easter service was held at the church on Sunday afternoon by Rev. C. W. MacKay. A fair crowd attended including a number of visitors.

Miss Clara Green and her girl friend spent the Easter week end with her parents, Mr. and Mrs. Alf Green.

Shirley and Lanny Love are visiting friends in Buffalo Coulee and Vermilion for the holiday week.

Mrs Jack Brown and two boys who have spent the past two weeks with Mrs. Brown's parents, Mr. and Mrs. B. A. Macnab, returned to Calgary on Sunday with Jack who had come up for the week end.

AT STANDARD OFFICE

Welcome from Board of Trade

The Vermilion Board of Trade, as it did last year, has again sponsored "DOLLAR DAYS" in Vermilion, advertised in this issue of The Standard. This is a united effort of the local merchants and business men to afford the buying public of Vermilion and district the opportunity to take advantage of the special offers only available during these five shopping days, commencing Saturday, April 27th and ending Thursday, May 2nd.

On behalf of the Board and of the business men who have gone to considerable trouble to make "DOLLAR DAYS" a success, I extend a sincere welcome to all who visit Vermilion during this time, and I hope to their advantage.

Israel Miller, President,
Vermilion Board of Trade.

Esteemed Pioneer Lady Passes Away

Mrs. Alice Riley, aged 73 years, passed quietly away in her sleep last Saturday morning April 20 at her home in Vermilion. Originally living in the Wildmere district where she settled in 1912 and at which point she was postmistress during the early days. Mrs. Riley was very widely known and highly esteemed.

Left to mourn her loss are three sons, Eric Madill and Ted Riley of Vermilion, George Riley of Wildmere; three daughters, Mrs George Seuffert and Mrs Bob Martin of Vermilion and Mrs Bob Smith of Wildmere. A sister, Mrs J. H. Kennedy, lives in Toronto. There are 13 grandchildren and one great grandchild.

Funeral services were held at the First United church on Tuesday, April 23rd at 2 p.m. with interment following in the Vermilion cemetery. The Rev. C. W. MacKay officiated.

Moyers were in charge of the funeral arrangements.

Harry Doan Is Bereaved By Death of Sister

Word has been received in Vermilion of the death of Mrs. Gertrude Lillian Cody, aged 80 years, who died in Ottawa recently at the home of her daughter. She was a sister of Harry L. Doan, of Windsor, and formerly a well known Vermilion business man.

Mrs Cody was also known to many Vermilion people coming here first in 1911 when she spent the summer with Harry on his homestead. She made five other visits while he was in business in Vermilion.

To Judge At The Canadian National Exhibition, Toronto

W. LYLE ROBINSON

W. Lyle Robinson has been invited by the Board of Directors of the Canadian National Exhibition in Toronto to judge the Shorthorn cattle at their 1957 exhibition held during the month of September.

The decision to invite Mr. Robinson to handle this important position was an unanimous one on the part of the directors. Lyle has been pleased to accept the honor conferred on him.

Leave For New Home At Dawson Creek

Selias Lee was a visitor from Dawson Creek last week end to move his family north to their new home. On Monday he and Mrs. Lee, Linda and Greg all left by car for the B.C. town.

Dewberry, Marwayne Students Win V. S. A. Scholarships

Shown above are the winners of five major scholarships at the Vermilion School of Agriculture for the term just ended. The top row from left to right shows Lloyd Miller of Winterburn; Halvar Lofthaug, Dewberry; Robert Parker of Dewberry. Seated in front are Lawrence Steimach of Wostock on the left and Mitchell Bendixen of Marwayne on the right.

NAME THESE MEN — $30.00 IN PRIZES

Pictured above are the members of the executive of the Vermilion Board of Trade for 1957. You can win cash prizes of $20 and $10 by naming them.

The first letter naming the 16 men correctly drawn from all the answers received by Thursday evening May 2nd, the last day of the Dollar Days promotion will win a $10 prize. If the answer has a receipt for an advertised Dollar Day sales value attached to it, the prize will be doubled to $20.

The second letter naming all the men in the picture correctly will win a $5 cash prize. If the answer has a receipt for an advertised Dollar Days sales value attached the prize will be $10.

Easiest contest yet — here is all you have to do — write down the names of the sixteen men shown above; leave your answer in the box provided for that purpose at any store, garage or place of business in Vermilion anytime before 6 p.m. Thursday, May 2. Enter as often as you like.

You double your prize money by attaching a receipt for any dollar days sales value purchased during Dollar Days in Vermilion, Saturday April 27 to Thursday, May 2nd.

The prize contest and the Dollar Days promotion is sponsored and organized by the Vermilion Board of Trade.

Remember, this prize [illegible] is open to Thursday, May 2nd at 6 p.m. — enter early and often. *The Vermilion Board of Trade.*

The Vermilion Standard

VERMILION, ALBERTA

S. R. P. COOPER — — — — FOUNDER

ESTABLISHED 1909

Published Every Thursday at the Office, Main Street
Authorized as Second Class Mail, Post Office Dept., Ottawa

COOPER BROS. — PUBLISHERS

VERMILION, ALBERTA, THURSDAY, APRIL 25th, 1957.

AN INVITATION

THIS issue of the Standard is an invitation to 4000 families and their friends to make Vermilion their town for all shopping and recreational purposes. The Standard, even more so than usual, is just full of money saving opportunities for shoppers, and the bargains offered are on good quality seasonable merchandise and foods. To fully appreciate this co-operative effort on the part of Vermilion's business men, the Standard should be perused from cover to cover.

"Dollar Days" will continue from April 27th to May 2 inclusive, and during that period, the stores, garages and all the business places will be full of bargains and the windows attractively decorated. People come to town at a time like this from a wider area, some of them for the first time. They see the town, the hard surfaced streets, the stores, garages and business places, the free parking area, the people, and all those things which give a community life, spirit and attractiveness. Their future visits are very largely governed by the impressions they receive. Vermilion is strong in attractive stores, and business services and is able and anxious to serve an increasingly wider district. "Dollar Days" will give many of our visitors an excellent idea of our resources and ability and we offer them all a warm welcome and a cordial invitation to *"COME AGAIN"*.

By Your District Agriculturist

"GREEN ACRES"

HATCHING EGGS

In all my district (65 miles square) there are only twelve farmers raising eggs for sale to the hatchery. Anyone can get in on this profitable sideline to grain farming. The hens must be of good stock. They are tested for pullorum and culled by poultry inspectors. That's all there is to it, folks.

POULTRY BUSINESS

In the days of old every farmer kept a few hens. Now it is doubtful if anyone can make money unless he has 1000 laying hens. Broilers also is big business. One man can raise 20,000 broilers at a time. He can do this four times a year. Think of it! The output of [illegible] per man can easily be 80,000 birds or over 200,000 pounds per man per year. What chance has a small producer in this kind of competition?

STINKWEED FLAVOR

No one likes milk, butter or cheese tainted with stinkweed. As a matter of fact people taking cream that tastes of stinkweed to the creamery do not want to buy butter that has this "wonderful" flavor. Then why not keep the cows off of pasture where stinkweeds are growing? Or, if this is not possible, try taking the cows off this pasture four hours before milking.

READ THE LABEL

Most chemicals for use in controlling insect pests and plant diseases are poisonous. It is best to respect them and be careful in using and in storing them. Above all keep them away from the children. It is best to put them under lock and key.

NAMES OF FARM HOMES

Did you know that you can register the name of your farm so that no one else can use the same name? Anyone interested may get application forms from this office.

TWO NEW BULLETINS

I have received two new bulletins at my office: (1) "Family Farm Business" has to do with business agreements in the family; (2) "Farm Water Supply," tells how water can be piped to the house and barn. You can get free copies of these bulletins.

"VAN" DOES IT AGAIN

Some years ago F. Van Wageningen of the Tolland district, south of Vermilion, changed over his dairy barn from stalls to loose housing and a milking parlour. "Van" says he saves a lot of time and labour by this system. Now this progressive dairy farmer has installed a pipe line for taking the milk from the milking machine direct to a tank. From the tank it can be run into a cream separator or into cans for fluid milk sales.

Of Many Things . .

By AMBROSE HILLS

THE COMEBACK

We got talking about men who had made comebacks. Fellows who had been right down to their uppers, then started to climb up again and never stopped. We all admired them, and perhaps envied them a little for the adventure they must have found on the comeback trail. Then one of our group made a wise observation I'd like to pass along.

"You know," he said, "you don't have to tumble down the ladder to make a comeback. Wherever you're standing right now, you can still start climbing. You know what I mean: use the same kind of energy those come-back boys used, only start from the spot you're in right now, high as it might be.

"I remember a fellow who did it. He was riding high, too, and proud of his position. He had a good job, belonged to one of the finest clubs, owned his own home. You know the sort of things.

"Then his Company sent him on a trip. During the trip, he was to see his counter-part in another branch of the Company . . . a man with a similar job, and presumably a similar place in life.

"He had his eyes opened. His counter-part was not only doing the job better, but had taken up additional studies and was, to all intents and purposes, ready to climb another rung or two in a hurry.

"Henry came back a new man. Within six months we all knew he was slated for bigger things. He really began to extend himself, and everyone was surprised at his capacity for work and learning.

"Maybe you couldn't call that a comeback, but it took the same kind of stuff—a willingness to do better each succeeding day. That's all a comeback amounts to."

I thought a great deal about it. Maybe the man who is already fairly high on the ladder needs even more courage to climb than the chap who has fallen to the bottom and has nowhere to go but up.

One thing I'm sure of. We live in a kind of nation where such choices are up to the individual. You are free to climb or free to slide. There was a trend, a few years back, to try to haul everyone down to the same level, to reward failure and punish success. But fortunately that trend is changing. This country is too young and vigorous for such nonsense. Young countries admire the man who climbs, whether he is recovering from a bad fall or going forward from a good start.

Have you got a comeback in you? More power to you, then.

The Wealthy Suitor

Henry C. Bury, Local Old Timer, Dies At Vancouver

With deep sorrow Mrs. Jack Hobbis reports the death on Apr. 20th of her grandfather Henry Christian Bury who at the time of his death resided at 2716 E. Roane Ave., Vancouver, Wash., U.S.A. Mr. Bury would have been 84 years of age on June 9 and suffered but a brief illness. Always keenly active of both body and mind, he remained so until his very last days.

He leaves to mourn his loss his wife, two sons, Dave of Lloydminster and Warner of Vancouver, Wash; and five daughters Margaret (Mrs. N. F. Walling) of Victoria, B. C.; Henrietta (Mrs. Reid) of Biggar, Sask.; Ruth (Mrs. R. Ommen) of New Sarepta, Alta.; Dorothy (Mrs. K. Brown) and Marian (Mrs. H. Hammenberger) both of Vancouver, Wash. He was predeceased by one son Albert in 1910. He also leaves three sisters Elsie, Lydia and Hildreth. There are sixteen grandchildren and ten great grandchildren.

Mr. Bury was born in Switzerland, coming to the U.S. with his family as a boy of nine. After his college education he became a bookkeeper. He married Miss Hedy Alplanalp, also a native of Switzerland. Mr. Bury always had a longing for the farm so in time came to Canada where he spent many years on his farm eight miles north of [illegible]. He returned to the U.S. for his retiring years.

Mr. Bury is well remembered for his gentle kindness and great friendliness to all. He always found the good in people and refused to acknowledge the bad unless he could find a good explanation for it. He was especially fond of children and was very devoted to his whole family. Each child, grandchild and great grandchild was his own special jewel.

Mr. Bury had an exceptionally brilliant and keen mind. He was familiar with several languages and possessed a vast store of knowledge on many and varied subjects.

Most outstanding of all was his wonderful, simple abiding faith in and love of God which had a way of conveying comfort and a spirit of optimism to all who knew him.

Pleasant Valley

It is lovely after the rain with the grass showing up well and the crocus in full bloom.

Wedding bells rang out at the Pleasant Valley church Saturday night for David Giles and Pearl Sperberg. Congratulations to the happy couple.

Some have been on the land, doing a little cultivating and rock picking. Very soon spring work will be in full swing. The men are anxious to get on the land, apparently tired of doing chores and wanting a change.

John Mercier was home during the Easter holidays.

Mrs. Gillies and Linda have gone to Edmonton to visit son Bill during hte holidays.

Edith Coutts is visiting her sister Mrs. Christie Clark, doing a little painting and housecleaning.

It will be nice to get out into the garden and toil in the good earth once again.

Family and District Parties Mark Silver Wedding At Dewberry

DEWBERRY — On March 30, 1932, Philip Lemp and Nora Gallacher of Dewberry were married in St. Colombe's church, Clandonald, by the Rev. Fr. Gillis.

To celebrate their silver wedding they had a family party at their home near Dewberry. Their only child Roger and his wife accompanied by Mrs. Lemp, Philip's 85-year-old mother, motored from Edmonton to be present at the occasion.

On March 31st many friends and neighbors gathered in the Dewberry hall to honor the bride and groom of yesteryear.

The party was a complete surprise to Mr. and Mrs. Lemp as they had been invited to the home of Mr. and Mrs. Sel Lemp and family for the evening. On arriving there they were told that there was a card party at the hall to which all had been invited. Proceeding there they were genuinely surprised to see so many friends present. Several tables of whist were played.

Mr. Harold Craige expressed the best wishes of all present and presented the "bride and groom" with a five-piece set of Revere Ware and a three-tiered cake topped with a miniature bride and groom, from friends and neighbors present and some who were unable to attend.

Mr. Lemp thanked everyone for their thoughtfulness and for the beautiful gifts. He said it was a big surprise as they thought they were going to his brother's for an evening of 'chin wag'. Mrs. Lemp also expressed [illegible].

Mr. and Mrs. Lemp were also presented with a parcel from Mrs. Lemp's sister Mary and her [illegible], Mr. and Mrs. Wm. Martin of Vancouver, which contained a silver cream and sugar set with matching silver tray.

The couple were the recipients of many other useful and beautiful gifts at their family party among them an electric frying pan from Roger and Blanche.

A bountiful lunch was served at which the 'bride and groom' cut and passed the wedding cake. Pictures were taken during the evening and the proceedings closed by all joining hands and singing "For They are Jolly Good Fellows".

Many more happy years together are wished Mr. and Mrs. Lemp and may they be as happy when their 50th wedding anniversary rolls around.

Amazing Display Of Antiques At Buffalo Coulee Hobby Fair

The Hobby Fair held at the Buffalo Coulee gym Friday night April 12th was a decided success and very gratifying to the Home and School organization which sponsored it. About 175 people viewed the display of handicraft of all kinds, petit point, leathercraft, copper tooling, [illegible] work, fabric painting, drawings, photographs, etc.

There was a table full of antiques [illegible] from an old [illegible] wedding dress [illegible] a shovel used [illegible] of Virginia some [illegible] years ago, to a thimble about 100 years old.

Mrs. E. Cunningham had a display of crafts from Egypt — things which had been sent to her by her sister including brass articles and papetries.

Mrs. Elward and Jerrold had a table of articles from India which had been brought over at various times by Mrs. Elward's sister Miss Laura Allan who was a missionary there. These articles, a jewel case in the [illegible] and pattern of the Taj Mahal, a movable brass fish and a fascinating Lotus lamp among other things.

Mr. Frank (Billy) Hill had a marvellous display of his very fine collection of relics of the North American Indians and his collections from Africa. This proved to be the most interesting table in the hall and was crowded most of the time as Mr. Hill very ably commented on his display. Here were tomahawks, axes, some very fine flint arrow heads, beadwork, etc. His African collection included a leopard skin, poisonous bugs, beads, combs and many other articles.

The C.G.I.T. exhibited their copper tooling and the Boy Scouts their woodwork. The boys' articles were later auctioned off by Ted Marfleet and realized a goodly sum of money for the Scout troop.

Further entertainment was provided by several musical numbers, songs and piano solos by the school pupils. Lunch was served by the social committee. Everyone went home feeling that it had been a most interesting and enjoyable evening.

God Jobs Wasting

In the next four weeks 10,500 young men and women will step from Canadian universities into the business world.

A Financial Post Survey shows that:

They've received more job offers than any other Canadian graduating class has ever received.

Starting salaries will be the highest yet in the range $385 to $395 a month for engineers, $315 to $355 for many arts graduates. Engineering salaries will be about $1[illegible] a month higher than in 1956, about $70 higher than in 1955.

This year as in 1956, most intensive competition by employers is probably for the 1,850 engineering graduates. Last year 1,700 of these received 4,000 job offers and there are indications that the number of jobs per engineer is higher this year.

JAMES A. SMITH
Social Credit Candidate — Battle River Camrose . . .

Announces the
AGRICULTURAL PROGRAM
advocated by the Social Credit Association of Canada

In order that farmers across Canada may be afforded the opportunity to obtain a fair and just share of Canada's national income the Social Credit Association of Canada advocates the following agricultural programme

1. LOW COST AND LONG TERM CREDITS to farmers and cash advances against farm stored grain.
2. A TWO PRICE SYSTEM FOR THE SALE OF FARM PRODUCT. Products would be sold at parity prices on the domestic market and those exported abroad would be sold at the best price obtainable, preferably under international agreement, but supported at levels that would ensure that the aggregate of sales in the domestic and export markets would return to the farmer his fair share of the national income.
3. CONTINUATION OF THE WHEAT BOARD as the sole marketing agency for wheat, oats and barley, with the inclusion of flax and rye.
4. EXPANSION OF TERMINAL STORAGE FOR GRAIN so that the desired reserve of grain might be carried without its interfering with the normal handling of the current crop.
5. AN ALL-RISK NATIONAL CROP INSURANCE ACT, along similar lines to that in the U. S. A.
6. THE EXPANSION OF MARKETS for farm products
   a. In the domestic market by the equating of effective purchasing power with the aggregate prices of goods available for sale.
   b. Externally by making surplus products available to all nations that are unable to obtain them through the normal channels of trade by the acceptance of foreign currencies, barter deals and, in case of extreme disaster, by gift

Mr. and Mrs. Anderson and daughter were holiday visitors at the Bill Mercer home.

NEWS from ISLAY

Hi folks! Clear out your worn out clothing. Mrs Jean Axley plans to ship old woollens, cottons etc. about the second week in May.

Mr and Mrs Bill Beecroft, son Bill Jr and four daughters and Grandma Beecroft made a quick visit to Islay last Saturday. They called at the Dave Martin farm and the children saw many farm wonders among the farm animals — the big horses, cows, the little calves, big pigs and little pigs. One of the children called "Oh look, Daddy, the holes in this calf's head where he hears!"

Easter services in the United church were very gratifying. The Sunday school at 11 a.m. with a special program given by the children was well done. The evening service conducted by Mrs MacKay of Vermilion was exceptional. Her address caused one to do some meditating; the chair added to the service. Next Sunday at 7.30 p.m. Rev. Mr MacKay will hold Communion that's April 28th.

Ladies — remember the W.A. at Mrs Moncrieff's on Thursday May 2nd.

On Sunday evening after the church service a social half hour was spent when a gift of remembrance, a pen and pencil set was presented to Mr. Charlie Robertson who had been secretary of the church for a number of years. He leaves for Edmonton right after his sale.

Nice to see Jim Carey back from his winter holiday.

Mrs. Jack Carey and Catherine went to Vancouver for the Easter week.

St. Catharines, Ont., was the first city to have electric street cars. Three years later Vancouver B.C. was the second city to install such a service in 1890.

Cliff Smallwood says:

If the weather stays good I'll be having a date with the old tractor by the time this appears in print. Campaigning will have to take second place to spring work for a while.

Well, preparations for spring work going on everywhere in the constituency perhaps this is a good time to say a few things about Progressive Conservative farm policy. Conservatives believe that to prosperity can be ... the people of Canada. ... the drift of farm people ... from the land ... to the cities ... present industrial development ... So long as this is true we know that something is seriously wrong.

What will a Conservative government do if elected to power?

... Many questions will have to be asked. Are freight rates too high or too low? How does the ... Canadian implement factories affect the cost of grain production? Is Canadian grain too expensive to find a market ...

... They sum it up pretty well I think. And after over twenty years of neglect can we ask for more of a change than that?

Sincerely,
CLIFF SMALLWOOD

$1,000.00 IN PRIZES IN EDMONTON GRANDSTAND TALENT CONTEST

Ernie Young, well known producer of the annual Edmonton Grandstand Revue, will be one of the judges for the final show in the First Annual Grandstand Talent contest sponsored by the Edmonton Exhibition Association Limited.

Details of the Grandstand Talent contest were released this week by exhibition officials. The contest, with prizes totalling $1000 is open to both professional and amateur entertainers in Northern Alberta and news of the contest has created [illegible] able interest in entertainment circles.

Officials emphasized that each performer or group of performers who make application in writing to the Talent Contest will receive an audition before professional judges in Edmonton. These auditions start immediately and from them, 36 acts will be selected to appear on three hour-long network radio programs.

From these 36 acts, nine will be chosen to appear on a special show at the grandstand on July 14th — the Sunday preceding the opening of the Edmonton Exhibition.

Judges will choose the winner who will receive 500 in cash and will appear as a feature presentation during the regular grandstand performance each night of the Exhibition July 15th to 20th. There are additional prizes for runners-up.

The contest is expected to attract top professional and amateur talent from all over Northern Alberta. The contest is open to all residents of Northern Alberta from Red Deer north, 12 years of age or over. No more than four persons may appear in group acts and all contestants must make a written application giving details of their act and a time when they would be available for auditions in Edmonton.

From the applications already received, it is obvious that the widest possible variety of entertainment will be included in the contest — solo, vocal numbers, group instrumental and vocal numbers, comedy acts, jugglers, dancers and novelty acts.

Applications must be in by May 25th to the Grandstand Talent Contest, Edmonton Exhibition Association Ltd., Edmonton.

By the end of 1956, Canadian National Railways had 1,105 diesel units in service. During that year, more diesel units (324) were placed in service than in any other calendar year.

W.M.S. Present Two Life Memberships

The W. M. S. of the United Church held their regular meeting in the church hall Thursday Apr. 11 at 2:30. Mrs. Agnes McLean, the president, presided.

The session commenced with the devotional, Mrs. Roebuck, Mrs. W. Williams, Mrs. Dunsmore and Mrs. Oldenberg being in charge. Mrs. Hill spoke on the study book, 'South East Asia'. She finished her discourse by showing a map indicating thereon all the places of which she had spoken. The president then asked Mrs. Hill to escort Mrs. C. Barr and Mrs. J. Hardie to the front. The two ladies were each presented with life membership pins.

The minutes were read and approved. The roll call showed 32 members and visitors present. Reports of committees were given and the meeting came to an end. Miss Craig closed the meeting with prayer.

The committee in charge served a very tasty lunch and a social half hour was enjoyed.

RETURN FROM IRELAND

Mr. and Mrs. George Whyte arrived in Vermilion last Friday on their return from Northern Ireland where they have spent the past year. They were accompanied from Edmonton by George [illegible]

Miss Marjory Waldenberger is taking additional Red Cross Water Safety courses and swimming instruction at the Y.W.C.A. in Edmonton this week. Marjory is one of Vermilion's swimming instructors at the lake during the summer months.

Recent guests at the home of Mr. and Mrs. Chas. Upshall have been the former's mother Mrs. M. McLeod of Regina and sister Mrs. S. Palmer of Saskatoon, Mr. and Mrs. Bert Green of Regina, Mr. Joe Benson of Regina, and Mr. and Mrs. Sandercock of Lloydminster.

Miss Mildred Conboy of Edmonton, spent the holiday week end with her parents Mr. and Mrs. T. L. Conboy. Mr. Russell Shepherd of the city was also a guest at their home.

Mr. and Mrs. Bill Hutchinson of Edmonton spent the Easter week end in Vermilion, guests at the home of Dr. and Mrs. E. A. [illegible]

Mr. and Mrs. Doug Maxwell had their daughter Marilyn home from Edmonton for the Easter week end.

Mr. and Mrs. E. J. White and daughter Barbara were down from Grande Prairie for the Easter holidays as guests of Mrs. White's parents, Mr. and Mrs. J. Kuzek.

Mrs. J. D. Montgomery and her two young sons returned to Calgary on Sunday after spending two weeks visiting with Mrs. Montgomery's parents, Mr. and Mrs. V. H. Cooper, in town. Also returning to Wildwood, Alta., after a two week's vacation in Vermilion spent at the parental homes were Mr. and Mrs. Allan Gannon (nee Joanne Cooper) and little son Monte Patrick.

Mr. and Mrs. Horace Bellingham were visitors in Vermilion for the Easter holidays as guests of Mrs. Flo Maskell. Mr. Bud Bellingham was also in town from Edmonton.

In the city this week are Margaret Goodwin, Eileen Bauer and Donna Cooper, all guests at the apartment of Miss Marilyn Maxwell, and Norma Harle, who is visiting her [illegible]

Mr. and Mrs. G. LeClere were guests for Easter at the home of the latter's parents Mr. and Mrs. Harry Scott.

Leaving by car to visit parents on both sides of the family, Mr. and Mrs. Clarence Moren are presently in Penticton and other B. C. points.

COFFEE ON GEORGE

George Capatos was pouring free ones (coffee, that is) at his cafe on Tuesday, his birthday. This is the 24th occasion that George has celebrated his birthday in Vermilion, so that he can rightly be numbered among the old time business men.

Louise Lang has commenced her new duties as driver of a transport for the Canadian Red Cross Blood Transfusion Service. She is stationed in Calgary but works in a large district which includes all of Alberta from Red Deer south to the international boundary as well as a small portion of B.C.

Miss Rosa Wolters, principal of the high school in Drayton Valley, is here for the Easter holidays visiting Mr. and Mrs. F. Kottmeier of Tolland, Mr. and Mrs. O. L. Wolters and Mr. Herman Wolters.

Mr. and Mrs. Cliff McMahon and little son Rodney of Edmonton were Easter visitors at the home of Mrs. McMahon's parents, Mr. and Mrs. C. J. Isley.

Mrs. Anne Frissell of Vermilion was recently bereaved by the death of her mother Mrs. Mary Jane Moore who passed away in Edmonton on April 16th at the age of 89 years.

Mr. and Mrs. Ed Hicks returned this week from a very enjoyable trip during which they took delivery of a new Ford Ranchero at Burlington, Ont., and then took a jaunt down into the States touring Texas, New Mexico and Florida. They were away three weeks in all.

Mr. and Mrs. Bob Minard and daughter Jean, and a friend, Homer Dickson, all of Grimshaw, visited at the home of Mrs. Minard's mother Mrs. L. Giles and attended the wedding of Mr. David Giles on Saturday evening last week.

Bernard Touey was home from Edmonton for Easter. On the way from the city he picked up two hitch-hikers also bound for Vermilion, Stewart Cooper and Miss Connie Harle.

Mr. and Mrs. Bob Ramsay of Edmonton were Easter vacation visitors at the homes of the latter's mother Mrs. Oldenberg, and with Mr. and Mrs. Kaare Selte of Tolland.

Mr. and Mrs. Bill Schurman of Calgary spent the Easter week end with the former's parents Mr. and Mrs. E. Schurman.

Mrs. Bert Taylor renewed old acquaintances in Vermilion for several days during the past week, coming from Edmonton on Thursday last.

Dr. and Mrs. Denis Hanlan from the city spent the holiday Easter week end visiting friends in Vermilion and relatives in Lloydminster.

Mr. and Mrs. R. J. Elliott and son Clarence of Lodgepole, a new government town some 100 miles west of Wetaskiwin in oil territory, spent Easter week in town visiting the former's father Mr. A. W. Elliott.

Guests for Good Friday to Easter Sunday at the home of Mrs. A. Goodwin were her son Jim and Miss Pat Erickson, both from Edmonton.

Garfield Potvin is visiting his parents Mr. and Mrs. Wilfred Potvin and brother Bill during the holidays.

Quite a number of Vermilion young people were home from the city for Easter. Among those noticed were Miss Kay Simonson, Miss Shirley Sutherland, [illegible] Connie Harle, Miss Betty Bentley, Bob Hemmingway, Rex Boake, Stewart Cooper and Ray Armstrong from Calgary.

Mr. and Mrs. Jerrod E. Brown of Meanook are visiting the former's brother David Brown and sister Mrs. H. Wear. The visitors are real old timers of Vermilion as they first landed here 50 years ago on April 15th. Mr. and Mrs. Brown are going to Stettler to attend the wedding of Miss Irene Lovell, a daughter of George Lovell, who is marrying Mr. William Turner of Stettler on Saturday, April 27th in the Anglican church.

Mr. and Mrs. Ben Francisco and little four months old son from Kindersley, Sask., were guests for Easter at the home of Mrs. Francisco's parents, Mr. and Mrs. Wm. B. Mix.

Mr. and Mrs. K. E. Rowe were recent visitors to Calgary where they spent three days. During their stay there Ken attended a convention of G.M. dealers.

IN MEMORIAM

In loving memory of a dear husband and father
JOHN HENRY BATKE
—who passed away Apr. 29, 1955.
"Gone is the face we loved so dear,
Silent is the voice we loved to hear;
Too far away for sight or speech,
But not too far for thought to reach.
Sweet to remember him who once was here,
And who, though absent, is just as dear."
- Ever remembered and sadly missed by his loving wife, son, daughter and families.

IN MEMORIAM

In loving memory of
Ruth Florence McPhee
who passed away Apr. 24, 1952.
"Her memory is as dear today
As in the hour she passed away."

Prairie Change?

Permanent or not, there has been a considerable change in the climate of the Canadian Prairies in the last ten years or so, says the Financial Post. The growing seasons have been wetter and cooler.

This has given us far bigger wheat crops but in some years not such high quality, as too much moisture will result in softer grain. But what little we may have lost here has been more than offset by a huge gain elsewhere. On the ranches, it is reported, the present generation has never seen the grass as high or as green. Ranges are capable of carrying twice the amount of stock as in the years before the last war.

If, as some weather experts have predicted, we can expect a higher rainfall permanently on the Prairies, then these recent changes indicate the future. This would probably mean less wheat growing, more feed grains like oats and barley, more hay and other forage crops and decidedly more livestock. It could also mean more trees.

United Church W. A. At Paradise Valley Sponsor Many Activities

Mrs. J. Gordon opened the meeting at the home of Mrs. R. Thibedeau on April 2. There were eighteen members present.

Mrs. W.A. Nickle and Mrs. Fred Street lead the devotional period.

The sum of $78.50 was realized from the St. Patrick Tea and sale. The W. A. extends a thank you to all who helped in any way and to those who patronized it.

A vote of thanks was given Mrs. W. A. Gunn for repairing so many books in the church.

The annual meeting of the W. A.'s of the St Paul Presbery will be held on Wednesday, May 3 at Vermilion. The opening will be at 10 a.m. Arrangements will be made at the next meeting to attend this very informative and enjoyable programme. So please keep this date in mind.

Avoid That Combination

When storing winter garments this spring, damage to clothes can be prevented if plastic hangers and a mesh garment bag are not used at the same time. Vapors given off by some moth preventative soften the plastic hangers. This can result in garments adhering to the hangers or the plastic may be absorbed by the hanger, leaving a stiff shiny stain.

Background Color Does It All

Do you wish you could transform one or more rooms of your house for Spring? Well you can if you don't have to go to the expense of replacing furniture and fabrics either. Do it by changing the background color of the room says Miss Carol Sandreuz, Home Designing Specialist, Alberta Department of Agriculture. With the new improved paints redecorating is easy, inexpensive and can be done in a short time.

Before repainting make sure all cracks are carefully filled and smoothed level with the surface. Painting plaster is used to fill large cracks while small hairline cracks can be filled with spackling material. When patches are thoroughly dry gently rub them with fine sand paper until they're even with the surface.

To make your painting job easier toss remove the hardware face plates. A new plate costing but a few cents will help to loosen lighting fixtures. Dust it off thoroughly with a dry mop. If soot rub protective cream on. Some wax paper you'll have trouble painting the plate off yourself when you're finished. Add to present paint from new ing on the floor, the furniture or on your head, cover them.

Some smart of the importance of light reflection, ceilings should have a dull surface that reflects light evenly. For walls and ceilings in bathrooms and kitchens washable semi-gloss finishes are more practical.

The most used interior finish for walls is plaster. Flat oil paints, primers, rubber base and casein paints are suggestions for use in rooms other than the kitchen and bathroom. Manufacturers can be called with the same paints for plaster. For woodwork, which should only be tackled when the wall is dry, the trend is to paint it the same shade as the wall and is using a semi-gloss instead of a flat paint you'll find your woodwork will be easier to clean.

Finish the job by using a contrasting brush for the window sash and a flat one for the balance of the trim.

Mother nature will soon be doing her redecorating. Keep in step with her and do yours too.

Home Visitor

Miss Sandstrom will be in Mannville area the week of May 12. She will be paying home visits to those who have requested help with planning and remodelling problems. If you are doing some remodelling and would like a visit, write to me at Wainwright and I will make arrangements.

Home and School Meeting April 30

The regular monthly meeting of the Vermilion Home & School will be held on Tuesday April 30th in the Junior high school. The program will include a talk on "Adult delinquency in Ashby" by Gordon Ashby, a film on Operation Lifesaver," the evacuation of a section of the city of Calgary, to follow the talk.

Islay School Trustees Enjoy A Trip To Edmonton

The Islay grade nines, their teacher Mr. Moncrieff and Mr. and Mrs. Charlie Redmond set out for Edmonton on Friday, March 29th. The bus left at 9 a.m. and arrived at about 12:00 noon. The ride was spent playing games, just talking and attempts to sleep. After arriving the group went to the Legislative building where Mr. Moncrieff contacted the Minister of Education, Hon. Mr. A. Aalborg. Everyone then enjoyed dinner in the Legislative building with Mr. Aalborg. After dinner the group went to see the government in action. They stayed from 2:15 until 3:30 while the house was in session. The group heard the procedure used in passing bills. At 3:30 the class left the beautiful building to go up town. On leaving pictures were taken of the students with the Hon. Mr. Aalborg. Then all went up town for an hour or so and about 6 p.m. a tired bunch of young people bid farewell to our Capital city and started the journey back home. They stopped in Vegreville for supper and arrived home about 10:30 — tired but happy.

(The Editor wishes to thank Vera Budzilka for this interesting story of their trip.)

Talk about enthusiasm over square dancing! We believe Mr. Bowser would like to join, as even when the radio sends forth the square music, his feet keep time. In fact he has bought himself a mouth organ and can really make music with it. Now for a gentleman of 84 that is wonderful. Come to the amateur Mr. Bowser.

Mrs. Billy Shaw made a quick trip to the city on Friday, coming home with Ken Reid, also accompanying her was Pat Papworth for the week end. The Papworth family are now nicely settled and enjoying their work and Canada.

We got a surprise Saturday night when upon turning on the short wave on our radio we tuned in Quito in South America. A lady announcer said: "Always at this hour of 11 p.m. we have a sacred program" and on came Billy Graham — very clear and inspiring.

Miss Catherine Grout who has been attending business college in Lloydminster has obtained a position in a bank in Jasper. On Saturday Mr. and Mrs. Grout, B. Teskey and Marion motored with her to Jasper, returning Sunday evening.

Mrs. Wm. J. Stone, Georgie and Ronnie and Mrs. Stone's mother Mrs. Powell, all of Edmonton, made a surprise call at Muriel and Gladys Stone's on Sunday, leaving the city at 1:00 p.m. We had a really good visit before they left at 6 o'clock.

Word was received of the passing of Miss Lily Gilchrist on Saturday, Sept. 13th. She was the last of the Gilchrist family who homesteaded here.

Mr. and Mrs. Albert Beck arrived home from Edmonton on Monday. Albert had been having dental work done.

The Islay Islanders (square dancers) have completed their course. A couple of ladies couldn't stop entirely and were stepping off the 'grapevine step' on the road to their car. Say—couldn't Nora step lively! It has rejuvenated quite a number.

Outstanding V.S.A. Students Win Staff Medals

Bowtell Community Farewells Mr. and Mrs. Ed. Lippert

Sorry, folks, a few of these items were intended for last week.

We wish to extend our own and the district's deepest sympathy to the De Ford family in their recent sorrow.

Some seventeen gathered at the home of Mr. and Mrs. J. Repp recently to bid farwell to Mr. and Mrs. E. Lippert and family before moving to their new home in Red Deer. Among those present were Mr. and Mrs. J. Simenick, Mr. and Mrs. J. Rochford, Mrs. F. Robinson, Mrs. O. Repp, Mrs. Sherwood, Allan, Edith and Margaret Coutts. After a delicious lunch was served by the hostess, Isabell Repp, with a few well chosen words presented them with an electric lamp from their near neighbors and a nice easy chair from the community. Hilda and Ed then thanked each one for their kindness and extended an invitation to visit them in their new home.

The writer was pleased to have Mr. and Mrs. Fox of Unity, and Granny Jones visit on Monday. They also visited Jimmy and Isabell the same day.

Quite a number of the children in the district are victims of the measles.

We are sorry to report Miss M. Rochford is a patient in the General Hospital, Edmonton.

Beverley Sherwood is at present a patient in the hospital after having her tonsils removed by Dr. Stephens.

Some 27 attended church Sunday and enjoyed Rev. Mr. Minchin's Easter service.

Congratulations and all good wishes go to Mr. and Mrs. D. Giles who were married Saturday at Pleasant Valley church.

Congratulations to Mr. and Mrs. B. Wells on the birth of a baby girl recently in the Vermilion hospital.

We are pleased to hear Jack Coward is visiting in our midst from Easyford for a week.

The writer was pleased to have Les and Rena, Rick and Areah of Wainwright, Mr. and Mrs. McFarland of town and Bobby King of Edmonton visit on Good Friday.

Mary and Margaret Gow, Mr. and Mrs. J. Fisk visited over the week end at their dad's home at Borradaile.

Miss Iris Lind was noticed at home over the holidays; also Miss Maybelle Knutson from her nursing duties in Edmonton.

Hello, Mrs. McClellan in Edmonton: hope you are well, dear friend. We know you watch for our news.

We are pleased to learn Mr. Hardie is home from the hospital and feeling much improved.

Mr. and Mrs. J. Firth of Marshall were Sunday visitors at the Robinson home.

Mr. and Mrs. J. Repp visited Friday evening at the home of Mr. and Mrs. John Rochford.

Since its beginning in 1938 the Canadian Cancer Society has spent more than $3,600,000 on cancer research.

How am I going to vote on June 10?
A Serious Question Deserving Of Serious Consideration
When thinking it over, keep in mind:
1. The recent increase in Old Age Security.
2. The new National Health Insurance Plan.
3. The origin of Family Allowances.
4. The construction of the Trans-Canada Highway.
5. The construction of the St. Lawrence Seaway, — with eventual effect on freight rates.
6. Availability of Farm Credit through the Farm Loan Board.
7. Stabilization of Prices on Farm Products.
8. The Prairie Farm Assistance Act.
9. The Agricultural Products Marketing Act . . .
and other beneficial legislation.
Think how much MORE might be done if we had more representatives in the Government Caucus to press for recognition of claims of Western Agriculture!

Mrs. W. A. Anderson and Mrs. N. Romanick were appointed to study the resolution of the Canadian committee on the status of women re the Succession Duty Act and to write to their federal member Mr. Smith.

The Education Convener took the questionaire on "Drop-Out" with the ideas of studying it and with the help of the other members to try to find out the cause.

The card party and blanket raffle was most successful.

Mrs. W. Braithwaite who was in charge of the social had a relay race involving cotton balls and paper plates. It provided considerable merriment. The co-hostess Mrs. F. D. MacLean and Mrs. E. Mirback provided a lovely lunch.

GREETINGS:

Spring seems to be just around the corner. I'm even enjoying the noisy crow and before long the *tiny wild crocus should be peeking* its head above the ground.

It won't be long until the Provincial Convention is here and I expect by now all the branches have chosen their delegates. All delegates be sure to attend Monday, May 27 as there will be a workshop, conducted by Mr. Brookbank, a real expert on Institute problems.

The official opening will take place on Tuesday morning with a banquet that evening. There are to be number of guest speakers also a conducted tour of the city for outside delegates and members. The program sounds very interesting and I'm looking forward to meeting you all there.

If you take your March issues of Home and Country you will see the correct place to send your Handicraft for the provincial convention.

Your Const. Convener.

U. G. G. Introduce Farm Accident Insurance

With an eye on the ever-increasing accident hazards of modern-day farming, United Grain Growers has introduced a new Group Insurance Policy that is being made available to all farmers who have been grain customers of United Grain Growers during the past year.

Outstanding features of the new policy are its unusually low premium rate and the fact that coverage is given to any type of accident—anywhere in the world.

The U.G.G. Group Accident Policy has been evolved by United Grain Growers Limited in co-operation with the Great West Life Assurance Company. The terms of the policy make it available to more than 53,000 Western Canadian Farmers.

CPAL's NEW ROUTE TO EUROPE

Fast becoming an international carrier in the strict sense of the word, as illustrated above, Canadian Pacific Airlines is inaugurating a new Toronto-Montreal-Lisbon service to be inaugurated in June. As a result of the new extension, Canadian Pacific Airlines international routes now total 31,000 miles. Giant DC 6B's will fly between Toronto, Montreal and Lisbon with an initial weekly schedule calling for departures from Toronto on Mondays and Thursdays and a return flight from Lisbon every Tuesday and Friday.

Report from The Alberta Legislature

by KEN MASON

EDMONTON — The alertness of an Opposition member during the late stages of the Legislature apparently stopped the government from acting against its own policy and that of the House on producer marketing boards.

As a result, there will be a government enumeration of egg producers this spring before a plebiscite is held, to prevent the possibility of a minority forcing a compulsory marketing board on all Alberta poultrymen.

In preparing plans for possible introduction of a province-wide egg board this spring, the government unintentionally was creating a situation where ten per cent or less of the poultrymen could conceivably have made the final decision.

It was brought to light by Grant MacEwan, Calgary, the spokesman, who noticed something wrong when he read a newspaper story outlining plans for the egg board and for a plebiscite to be held among producers in June.

Under the Agricultural Products Marketing Act passed in 1955, a board can be set up if 51 per cent of the "registered producers" of a specific product vote in favor.

As it was being organized by the agriculture department, producers who wanted to vote would have to register voluntarily. Presumably then, if only 10 per cent registered and 51 per cent of these voted in favor, a board would be established.

This could have been dangerous, because once a board is established all producers would be compelled to market through it. It hasn't yet been proven conclusively that the majority of poultrymen favor a producer-controlled marketing board, but under the government procedure it might have been easy for those who do favor the idea to "stack" the vote, particularly if those who aren't interested neglected to register.

Mr. MacEwan pointed out that this was contrary to the principle laid down when the House passed the act. The principle at the time was to take every possible precaution against a minority having control.

The government took the stand that in view of the compulsory features there should be no boards unless a clear majority of producers wanted them. It resisted demands from farm groups which wanted the voting restrictions relaxed to require a two-thirds majority of those who actually cast ballots rather than a majority of those entitled to vote.

As soon as Mr. MacEwan raised the matter, Premier Manning jumped to his feet and promised the government would look into it. Within a day or so, an amendment was introduced providing for the enumeration.

With the enumeration, the government will know exactly how many producers are entitled to vote, and unless 51 per cent vote in favor there will be no board.

Meanwhile, the Alberta Federation of Agriculture, the Farmer's Union of Alberta and the Alberta Poultry Federation, which, have been promoting the marketing board idea, will have to drum up a lot of support if they want to be successful in setting up the province's first board.

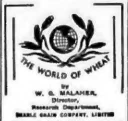
ON TO OTTAWA — The June 10 federal election will see Social Credit making its biggest bid for national office, and Alberta cabinet ministers will be playing a major part in the campaign.

It started with a monster rally in Toronto last week. Premier Manning of Alberta, Premier Bennett of B.C., national leader Solon Low and other party luminaries were there. The eastern papers quickly labelled the two premiers and the leader the "three wise men of Social Credit."

Don't be a bit surprised if the oil and gas royalty dividend in Alberta and the tax rebate scheme in British Columbia are used extensively as election bait in other parts of Canada.

Never in its history has the Canadian National Railways been so involved in change and adjustment. In virtually every phase of activity, the CNR is conducting analytical studies or carrying out tests and research, trying new methods and striving to keep in step with developing technology.



by W. G. MALAHER, Director, Research Department, MAPLE GRAIN COMPANY, LIMITED

Although it is fairly generally known that the United Kingdom continues to be Canada's best customer of wheat and wheat flour the question is frequently asked: What percentage of her total requirements is the United Kingdom now purchasing from Canada and has this percentage been increasing or decreasing in recent years?

As far as wheat is concerned on an area of about 2¼ million acres which does not vary much from year to year, Britain has in the past five years been raising slightly more than one third of her total apparent requirements amounting to some 275 million bushels annually leaving between 175 and 200 million bushels to be imported from abroad. Canada's share of the wheat and wheat flour imported by Great Britain has decreased by some 15% since 1951-52 but it is still approximately 55% of the total. It is noticeable, however, that during the past three seasons Argentina has appeared in the picture to account for 7½% of Britain's wheat needs and that during the past two years, France who was formerly a negligible supplier, has been shipping over 10% of Britain's requirements. Still another factor, in the future, may be the recent assurance given Australia by Britain for a market of 750,000 tons (28 million bushels) annually for the next five years.

Britain will continue to need quantities of Canadian wheat because of its greater strength and there is probably a limit to the quantity that she will buy from the other sources mentioned: however it is difficult to see how Canada can hope to gain a much larger share of the U.K. wheat market than she enjoys at present. Perhaps it is to other countries and to the Eastern hemisphere in particular, then, that she may have to look more and more for an expansion in the demand for her wheat.

Since 1939 the net national public debt of Canada has increased from $3 billion to $11 billion.

Mr. and Mrs. Gordon Guy of Edmonton were down for the holiday, visiting Mr. and Mrs. J. W. Guy and Mr. and Mrs. George Guy.

Music lovers had a real treat on Monday evening when the Wainwright Band put on a concert in the P.V. Hall. The attenance was disappointing but the concert was not. Under the direction of Lorne McLeod this is a band that is the equal of any town band in the country. The programme was well balanced to suit all. We are sure if they were to return at some future time they would have full house.

Mr. and Mrs. Jim Gordon and family were visitors to Edmonton recently. While there Jim attended the Bull Sale and purchased a bull that had been raised by J. S. Cross, Vermilion. Jim added a Palmer bull also to his herd.

The weather? Good. Roads? Good. Business? Quiet. Let us hope that Spring is here.

Interesting Program and Social Evening Held At Allandale

No complaints about weather, it is really wonderful.

An error — it was an electric toaster Mr. and Mrs. Phillips received along with the luggage and a generous purse.

A speedy recovery is wished Mrs. Jack Cross. She was taken to the Vermilion hospital on Apr. 15th.

Our congratulations to Mr. and Mrs. Eric Nelson (Jean Lee) on the birth of a son, April 15th.

There was a good attendance at the Wheat Pool meeting and show at the school April 17th. The pictures were very educational. The introductions were made by our Pool representative Mr. Milo Fleming. Mr. Art Christianson our travelling representative, Mr. Roy Kent our Pool delegate, Mr. Robert Peck our agent from Clandonald and Mr. Hinton our agent from Borradaile. Roy gave an outline of the Pool convention. We were pleased to have Mrs. Kent, Mrs. Peck and family and Mrs. Hinton join us at the meeting. A social hour and lunch closed a very interesting evening thanks to Mr. Fleming.

Our deepest sympathy to Mrs. Rufus Omness and the Bury families on the death of their father, Mr. Bury, who passed away on April 20th at Portland, Oregon. He was well known in the district, an enthusiastic church worker and well versed in current events. He was 84 years of age.

Mr. and Mrs. Rufus Omness and daughters from New Serepta spent Easter holidays with their daughter Luriene and Jack Hobbis and family in town. They motored to Elk Point to visit sister Gertie Swanson who returned to New Serepta with them for a short visit.

Easter visitors from out of the district: At the Wm. Armstrong home were their daughters and families May and Warren Edwards and family from town; Myrtle and Norman Anderson and family from Lloydminster; Violet and Jack Dwyer and family from the city; Joyce and Ronnie Porayko and family from Royal Park. At the Baldock home were daughter Beryl and Tommy Greaves and family from the city; sister Georgina and Morris Broadfoot; their daughter-in-law Jean and daughter Bonnie from Saskatoon; their son Flt. Lieut. Dean Broadfoot is in England; son Glen Baldock and Evelyn Klaschinsky from town.

At the Omness home visitors were: Mr. and Mrs. James Walsh and family from the city who arrived April 18th. Jimmy returned on Saturday morning for work. Della and family staying for the week; Mr. and Mrs. Don Wilson and family and Mr. and Mrs. Gus Throndson from town; Mr. and Mrs. C. Laird from Clandonald. Miss Clara Laird from the city and Mr. Stewart Laird from near Rosetown were home for the holidays. They are both employed by the Bank of Toronto.

Alvin Throndson and Ralph Strome are the proud owners of new Massey-Harris propane tractors.

Mr. and Mrs. John Arnold left by bus on April 22 for Minnesota to attend a reunion of the Arnold family.

We wish Mr. and Mrs. Scilas Lee and family Lynda and Greg the very best in their new location at Dawson Creek.

Closing Thought: "The man who trims himself to suit everybody will soon whittle himself away."

Board of Trade $50 and an engraved plaque — "To the student who has made the greatest contribution to the Academic, Social, Literary and Athletic Life of the School."

Next Sunday the service in the United church at 7:30 p.m. will be taken by the W.A. On May 5th the anniversary services will be preached by Mr. B. Richards, a former minister. The service will be at 2:30 p.m. to which the Dewberry congregation has been invited. A Mother's Day service will be held Sunday, May 12th.

Mr. and Mrs. McMurray have given up the cafe and with Sharon have moved to Erskine. Jas. Murray and family are renovating the building.

Mr. and Mrs. Reinheimer and Judy were in Edmonton over the week end visiting her sister. Mr. Saltzberry went with them. Mrs. Saltzberry has been in Lacombe and Edmonton for the past two weeks.

Mrs. Culford Sr. has gone to Ontario for the summer. Mrs. Norcross and Dianne, Rocanville, Sask., visited over Easter week end with Mr. and Mrs. Gordon Boyer and called on many friends in town. Mrs. Alex Giles of Vulcan, who spent Easter with her daughter, Mrs. H. Douggan of Lloydminster, called on the Wm. Giles family on Saturday. Mr. and Mrs. H. Petryshn visited her people over Easter in Saskatchewan. Mr. and Mrs. Jas. Elliott and family motored to Coronation and spent a few days with his people there. Mr. and Mrs. Alex McDonald and boys are back from spending the winter in Edmonton. Mrs. West is visiting two of her daughters in Winnipeg. Harold Berry has been in Calgary and brought back with him for the holiday Muriel Hames and Joyce McLean, nurses-aides-in-training and Leah Culford. Billy Giles was home from Calgary and on Sunday Mr. and Mrs. Wm. Giles and family took him back as far as Edmonton.

From Edmonton visitors were Mr. and Mrs. Leonard Johnson and family, Martha Swanson, Barbara Hancock, Joan Ferguson, Charlie Dow and Tyson Spence. Mr. H. Lear and Cliff are here from Burn's Lake, B.C. Mr. and Mrs. Norman Sarofen of Edmonton and Mrs. M. Oberyko of Calgary spent Easter at their home with the Dow family.

Saturday night dances in the Elks hall sponsored by the Elks will be held through the summer months, commencing May 4.

Pioneer School Trustees of Mannville District

Guests at a recent Home and School Association meeting at Mannville were T. Henderson (left) and Sidney Hinton (centre) pioneer trustees of the Vegreville school division. On the right is Oswald Bauer who was elected to replace Mr. Hinton following his retirement from the Vegreville school division board early this year.

Mr. Hinton and Mr. Henderson were both elected to the board when the Vegreville S.D. was formed 19 years ago. Mr. Henderson retired four years ago with Mr. Hinton continuing until the present time, for many of those years he was also chairman of the board.

Woodvale Hall Filled To Capacity For Humorous School Plays

The Woodvale hall was packed to overflowing when the senior room of the school held their play night there. It proved a very worthwhile evening. The plays were very well acted and humorous and the children knew their parts so well that they never got flustered even when the conversation behind the stove became almost as loud as theirs. Mr. Hohol and his group are to be congratulated on their effort and success of the evening. There is more than just average acting talent in this district. After the lunch the hall was cleared for a dance with Mr. and Mrs. Wes Funnell of the Melody Ranch furnishing the music.

Somehow we forgot to congratulate Mr. and Mrs. H. Sweeney on the birth of their daughter, in our last notes. Mrs. Euna Lysons stayed for a week with her dughter's family, until Mrs. Sweeney brought Mrs. Lysons' 18th grandchild home. Congratulations also to Mr. and Mrs. Ralph Thomsen and Linda with the new baby in their household.

We heard too late for our last news of the death of Mr. J. C. Brown at Grand Centre. Mr. Brown lived for many years in Woodvale district before moving north. His son Arnot and family still live here and to him, his mother and brothers we extend our sympathy.

Mr. and Mrs. Bill Wells and Diana are staying with Mr. and Mrs. Wes Isley. Jim Isley came home too after working this winter for his uncle Fred Kottmeier.

H. Krueger spent a week in the hospital with the flu.

Fred Slocum returned from his winter travels in the East and Eastern United States.

Johnny Watson is working in the Marwayne district after a short visit home.

Lloyd McLean is back with his family from the lumber camp where he worked this winter.

Mr. and Mrs. B. Fortune are thinking about retiring and have rented their farm to Roger Watt. They will stay in the district for the time being however.

The Red Cross auxiliary held their monthly quilting bee at the home of Mrs. Betty Lysons on April 3 with ten members present. The next meeting will be at the home of Mrs. M. Watson on June 5th and a wool shipment for blankets will be made up that day. Anyone interested can send their woollens, properly labelled with the group. It is hoped to get several wool batts for the quilts, as a premium this way. A box is to be packed with used clothing for the Presbyterian church W.A. in Edmonton. After the work and discussions, a tasty lunch was much enjoyed with Betty Ann and Wayne helping to serve.

Church services will again be held this coming Sunday by the Rev. Nugent of Edmonton in Ganton hall at 3:40 p.m.

The 4H Garden Club held their monthly meeting at the home of their leader Mrs. Ray McQuid on April 4th and have made a start at what they hope will be a successful summer. Mrs. Gladys Wolters will be Mrs. McQuid's assistant.

Bad colds and flu are still going the rounds and brought Kathleen Preston, daughter of Mr. and Mrs. Ray Preston, to the Islay hospital for a few days where Mrs. C. McGrath also spent a week. We hope that everyone will soon be home and healthy again.

Every once in a while we are reminded that bulls are not very trustworthy animals. This time one kicked Duff McGrath on the knee and caused a very painful but fortunately not a serious injury.

We think Clarence Lewis was the first one on the land this year. He went to pick rocks a week ago. A few more days of warm weather should make it possible to do other landwork also.

Congratulations to Mr. and Mrs. Burton Clark (nee Marion McQuid) whose marriage took place in Edmonton on April 16th. Mr. and Mrs. A. McQuid and Mr. and Mrs. R. McQuid and family of Tolland travelled to the city for the occasion.

Health Unit Notes

WHAT WE SHOULD KNOW ABOUT TUBERCULOSIS

Fifty thousand Canadians have tuberculosis and 250 die every month.

HOW IT IS CAUSED

It is caused by the tuberculosis germ entering the body in the air breathed or in food eaten. If one member of the family has active tuberculosis and is careless it can quickly spread to other members.

WHEN DOES IT STRIKE?

A person is most likely to catch tuberculosis when the resistance of the body is low. Going without meals, not getting enough sleep or enough exercise in the fresh air, and getting overtired, will all lower the body's resistance to disease.

HOW TO RECOGNIZE IT

In the early stages tuberculosis sometimes gives no warning, so the only way to be certain it is not present is to have a regular chest X-ray.

As the disease advances the person may begin to notice symptoms — a cough that does not clear up, loss of weight, fever at night, feeling tired all the time, blood streaks in the phlegm. All these may be signs of tuberculosis and should be investigated by a doctor.

HOW TO AVOID TB

Keep the body's resistance high by attention to general health — regular well-balance meals, adequate sleep in a well-ventilated room, plenty of exercise in the fresh air.

Consult your doctor if you have any of the symptoms mentioned or if you are worried about your health. Get a chest X-ray whenever the mobile unit is in your area or when the service is offered by the local hospital.

Always remember that the sooner treatment is started the quicker the cure will be. Literature is available through your Health Unit.

Of Many Things . .

By AMBROSE HILLS

THOSE VISITORS

Our house was in turmoil. I had to make a trip, and my wife was trying to get ready to come with me. That meant a million jobs for her, notes to be left for the instruction of our sitter—doctor's phone number, dental appointments for the twins, the larder to be stocked, and countless jobs I hadn't realized are part of the business of homemaking. On top of this turmoil, the telephone.

Yes, you guessed it. Old school friends from the country, eager to visit. I thought my wife's voice sounded strained when she urged them to come right now. Perhaps it was too, but somehow the jobs got done and she was radiant and happy when the visitors arrived. She would have been mad at them if they han't come.

Visitors, even when they arrive at the durndest times, are good for the soul—especially if they're old friends. First, perhaps, because it is flattering that they think enough of you to make the visit. Most important old friendships are the real stuff of life, more important than jobs to be done, or the old routine you try so hard to stick to.

Visitors, somehow, test your mettle. When they first step into home or office, it may disturb your routine: but it also disturbs your complacency. It teaches you to take time for people. A man with character can have a train to catch in the next half hour, yet make an old friend feel he is unhurried and attentive.

Quite often the visit that takes a precious bite out of your crowded hours turns out to be the finest visit of all: and when it is over you are so refreshed and inspired that work melts before your renewed energy.

I hear the doorbell ringing now. This afternoon, when I told my wife I'd invited some old friends over, she cried, "Oh, no, the house is a mess and I've a trillion things to do . . ." But the house is no longer a mess, the trillion things got done, and my wife never looked so pretty and well-groomed as she does right now, ready to admit my old friends and show them how lucky their pal was to pick up a girl like her.

Drop in sometime, won't you?

Carl Heckbert
Your
Federal Liberal Candidate
for Battle River-Camrose

The ELECTION DATE having been set for June 10th, the people of our Constituency will naturally be thinking about how they propose to vote.

Carl Heckbert extends a cordial invitation to the Electors to support his candidacy, with a view to securing direct representation in the House, which we have not had for many years.

In the last General Election the Social Credit candidate had a majority of 4707 over his nearest opponent, the Liberal candidate. In the bye-election of 1955 this majority was REDUCED to a mere 342, indicating a sincere desire of our electors for positive action. This noticeable swing is growing every day.

If we are to have a better deal for Western agriculture we should have representatives INSIDE the Government Party and not OUTSIDE. In the last Parliament there were 170 Liberals in the Government caucus — only 16 of them were from the Prairie Provinces.

June 10th offers a chance to increase the proportion of Western members. We should take advantage of it.

LET'S PUT
HECKBERT in the 'HOUSE'
and take advantage of his experience and his intense interest in agriculture.

Inserted by Battle River-Camrose Liberal Association

Malnutrition of Children Leading Cause of Death

That same date marks the anniversary of the coming into force of the Constitution of the World Health Organization in 1948. World Health Day will afford an opportunity to arouse popular interest in health needs and to stimulate the people's participation in the work of improving health.

There is an intimate relationship between health and the production of food. Therefore, World Health Day in 1957 is co-sponsored by the Food and Agriculture Organization.

"Poverty is only one of the reasons people don't eat the right kind of food. Prosperity and ignorance also play significant roles. Even heart disease—a leading killer in an increasing number of countries—is now being attributed by some investigators to excessive consumption of unneeded fats," states a special bulletin from the World Health Organization.

"Malnutrition undermines the health and saps the strength of hundreds of millions. In Americas, it is a leading cause of infant mortality. All too often young children die as a result of lack of protein and other essential elements of a balanced diet, although the immediate cause of death may be dysentry or some other disease against which undernourished bodies have little resistance."

The changing of food habits of a people is a difficult, long term task, but one that is often essential to the improvement of health. It requires the full collaboration of public health administrators and agriculturists.

World Health Day, 1957, will be an opportunity to focus attention of people all over the globe on the importance of good food in the raising of health standards everywhere.

Because of inflation the buying power of the Canadian dollar has decreased by one-third over the past ten years.

$5,000.00 Essay Contest Bids To Aid Editors

Ten bursaries of $500 each have been offered bright young high school graduates to prepare them as future publishers of Canada's weekly newspapers.

The Ryerson Institute of Technology, Toronto, has agreed to combine elements of its three-year diploma courses in Printing Management and in Journalism in a special contribution to the weekly press. All Canada Insurance Federation has agreed to contribute an annual $5.00 fund attract young people into weekly newspaper editing.

Candidates will write a 1,500-word essay on The Weekly Newspaper. Students may interview editors and source material will be provided by Ryerson.

The Printing Management course not only offers skills in setting type and running presses, but teaches business principals, estimating, accounting, cost accounting, labor relations and selling. With it will go such Journalism subjects as reporting and feature writing, editorial and press photography and advertising. Such background subjects as English, economics and history will be taught at college level.

Information has been supplied high school principals. Extra application forms may be obtained by applying at our office.

Total number of medically certified illnesses reported by federal civil servants in 1954-55 was 63,096. This resulted in 945,179 days of illness or approximately eight days per year per employee.

Men Who Make Alberta

Since the beginning of time, sickness has been the greatest enemy of man . . . and, in no other field, has more success been attained than in the struggle to combat disease. A constant, never-ending battle has and is being waged by an army of men whose life has been dedicated to the job of healing their fellow men. Diseases that only a few years ago were horrible destroyers of human life are today only minor causes for concern. Diseases which annually take many lives, are today being brought under control by the men who answer the call of the sick and suffering, anytime, anywhere, in all types of weather.

Unfortunately, as disease is gradually brought under control, man is finding new ways to destroy himself . . . on the highways . . . in industrial and home accidents, and in periodic and ever more destructive wars.

So the battle to relieve suffering, to prevent death, to cure the crippled and to teach the maimed to lead a useful life, never ends. Today in Alberta, just as in pioneer times, we turn when tragedy strikes towards the man who by his training and understanding can ease our pain and make us well again. The man whose life is dedicated to the service of others.
